21 *Be it enacted by the Legislature of the state of Utah:*

22 Section 1. Section **78-12-21.5** is amended to read:

23 **78-12-21.5. Actions related to improvements in real property.**

28 errors, omissions, or breach of duty arising out of or related to the design, construction, or
29 installation of an improvement, whether based in tort, contract, warranty, strict liability,
30 indemnity, contribution, or other source of law.

31 (c) "Completion of improvement" means the date of substantial completion of an
32 improvement to real property as established by the earliest of:
