56 **Purpose -- Access.**

57 (1) The division shall develop and implement a Management Information System that
58 meets the requirements of this section and the requirements of federal law and regulation. The

59 information and records contained in the Management Information System are protected
60 records under Title 63, Chapter 2, Government Records Access and Management Act, and
61 except for the limited, specific, and narrow provisions relating to licensing, contained in
62 Section 62A-4a-116.2, and those provisions relating to contract providers, described in
63 Subsection (6), they are available only to those with statutory authorization to review under
64 that law. They are also available to those who have a specific statutory authorization to access
65 the record for the purpose of assisting the state with state and federal requirements to maintain
66 information solely for the purpose of protecting minors and providing services to families in
67 need.

68 (2) With regard to all child welfare cases, the Management Information System shall
69 provide each caseworker and the department's office of licensing, exclusively for the purposes
70 of foster parent licensure and monitoring, with a complete history of each child in that worker's
71 caseload, including the following information:

72 (a) a record of all past action taken by the division with regard to that child and the
73 child's siblings;

74 (b) the complete case history and all reports and information in the control or keeping
75 of the division regarding that child and the child's siblings;

76 (c) the number of times the child has been in the custody of the division;

77 (d) the cumulative period of time the child has been in the custody of the division;

78 (e) a record of all reports of abuse or neglect received by the division with regard to
79 that child's parent, parents, or guardian including documentation of the latest status or the final
80 outcome or determination regarding each report, including whether each report was found to be
81 supported, unsupported, substantiated by a juvenile court, unsubstantiated by a juvenile court,
82 or without merit;

83 (f) the number of times the child's parent or parents have failed any treatment plan; and

84 (g) the number of different caseworkers who have been assigned to that child in the
85 past.

86 (3) The division's Management Information System shall also:

87 (a) contain all key elements of each family's current treatment plan, including the dates
88 and number of times the plan has been administratively or judicially reviewed, the number of
89 times the parent or parents have failed that treatment plan, and the exact length of time that

90 treatment plan has been in effect; and

91 (b) alert caseworkers regarding deadlines for completion of and compliance with
92 policy, including treatment plans.

93 (4) With regard to all child protective services cases, the Management Information
94 System shall also:

95 (a) monitor the compliance of each case with division rule and policy, state law, and
96 federal law and regulation; and

97 (b) include the age and date of birth of the alleged perpetrator at the time the abuse or
98 neglect is alleged to have occurred, in order to ensure accuracy regarding the identification of
99 the alleged perpetrator.

100 (5) Except as provided in Subsection (6) regarding contract providers and Section
101 62A-4a-116.2 regarding limited access to the Licensing Information System, all information
102 contained in the division's Management Information System is available to the department,
103 upon the approval of the executive director, on a need-to-know basis.

104 (6) (a) The division may allow its contract providers and the Office of the Guardian Ad
105 Litem to have limited access to the Management Information System. A division contract
106 provider has access only to information about persons who are currently receiving services
107 from that specific contract provider. The Office of the Guardian Ad Litem has access only to
108 information about children and families where the Office of the Guardian Ad Litem has been
109 appointed by a court to represent the interests of the children.

110 (b) Each contract provider and designated representative of the Office of the Guardian
111 Ad Litem who requests access to information contained in the Management Information
112 System shall:

113 (i) take all necessary precautions to safeguard the security of the information contained
114 in the Management Information System;

115 (ii) train its employees regarding requirements for protecting the information contained
116 in the Management Information System as required by this chapter and under Title 63, Chapter
117 2, Government Records Access and Management Act, and the criminal penalties under
118 Sections 62A-4a-412 and 63-2-801 for improper release of information; and

140 by Sections 62A-4a-116 and 62A-2-121.

141 [~~(2)~~] (3) The division shall promptly amend the Licensing Information System, upon
142 receipt of a finding from the juvenile court under Section 78-3a-320, and shall enter the same
143 information in the Management Information System. However, if a finding of unsubstantiated
144 or without merit is appealed, the supported finding shall not be amended until the appeal is
145 concluded.

146 [~~(3)~~] (4) Information contained in the Licensing Information System is classified as a
147 protected record under Title 63, Chapter 2, Government Records Access and Management Act.
148 Notwithstanding the disclosure provisions of Title 63, Chapter 2, Government Records Access
149 and Management Act, the information contained in the Licensing Information System may only

 - 165 (d) the department, as specifically provided in this chapter.
- 166 [~~4~~] (5) The two persons designated by the Department of Health under Subsection
