49 (b) those needs may include teachers trained in special teaching methods, small class

54 burdensome or unaffordable for many parents; and

55 (e) it is in the best interest of the state to offer effective and efficient educational
56 alternatives which will allow students with special needs to learn and maximize their

57 capabilities;

58 (2) The purpose of this part is to provide financial assistance to parents of students
59 with disabilities to allow them to enroll their student in a private school, if the parent
60 determines that the student's needs are best met by the private school.
