Donation of Surplus Computers to Persons with a Disability

26-Jan-04

5:40 PM

State Impact

This bill would allow non-profit agencies to claim computers from State Surplus that normally would be sold to the public. The State Surplus Property Program sells between \$30,000 and \$60,000 worth of computer equipment annually.

Loss of sales will impact collections in the state surplus program, but will not impact General Fund or Uniform School Fund revenue directly.

Individual and Business Impact

No fiscal impact.
