30 ENACTS:

31 **76-6-1105**, Utah Code Annotated 1953

33 *Be it enacted by the Legislature of the state of Utah:*

34 Section 1. Section **76-1-201** is amended to read:

35 **76-1-201. Jurisdiction of offenses.**

36 (1) A person is subject to prosecution in this state for an offense which he commits,
37 while either within or outside the state, by his own conduct or that of another for which he is
38 legally accountable, if:

39 (a) the offense is committed either wholly or partly within the state;

40 (b) the conduct outside the state constitutes an attempt to commit an offense within the
41 state;

42 (c) the conduct outside the state constitutes a conspiracy to commit an offense within
43 the state and an act in furtherance of the conspiracy occurs in the state; or

44 (d) the conduct within the state constitutes an attempt, solicitation, or conspiracy to
45 commit in another jurisdiction an offense under the laws of both this state and such other
46 jurisdiction.

47 (2) An offense is committed partly within this state if either the conduct which is any
48 element of the offense, or the result which is such an element, occurs within this state.

49 (3) In homicide offenses, the "result" is either the physical contact which causes death
50 or the death itself.

51 (a) If the body of a homicide victim is found within the state, the death shall be
52 presumed to have occurred within the state.

53 (b) If jurisdiction is based on such a presumption, this state shall retain jurisdiction
54 unless the defendant proves by clear and convincing evidence that:

55 (i) the result of the homicide did not occur in this state; and

56 (ii) the defendant did not engage in any conduct in this state which is any element of
57 the offense.

58 (4) An offense which is based on an omission to perform a duty imposed by the law of

59 this state is committed within the state regardless of the location of the offender at the time of
60 the omission.

61 (5) (a) The Legislature finds that identity fraud under Chapter 6, Part 11, Identity Fraud
62 Act, involves the use of personal identifying information which is uniquely personal to the
63 consumer or business victim of that identity fraud and which information is considered to be in
64 lawful possession of the consumer or business victim wherever the consumer or business
65 victim currently resides or is found.

66 (b) For purposes of Subsection (1)(a), an offense which is based on a violation of
67 Chapter 6, Part 11, Identity Fraud Act, is committed partly within this state, regardless of the
68 location of the offender at the time of the offense, if the victim of the identity fraud resides or is
69 found in this state.

70 [~~5~~] (6) The judge shall determine jurisdiction.

71 Section 2. Section **76-1-202** is amended to read:

72 **76-1-202. Venue of actions.**

73 (1) Criminal actions shall be tried in the county, district, or precinct where the offense
74 is alleged to have been committed. In determining the proper place of trial, the following
75 provisions shall apply:

76 (a) If the commission of an offense commenced outside the state is consummated
77 within this state, the offender shall be tried in the county where the offense is consummated.

78 (b) When conduct constituting elements of an offense or results that constitute
79 elements, whether the conduct or result constituting elements is in itself unlawful, shall occur
80 in two or more counties, trial of the offense may be held in any of the counties concerned.

81 (c) If a person committing an offense upon the person of another is located in one
82 county and his victim is located in another county at the time of the commission of the offense,
83 trial may be held in either county.

84 (d) If a cause of death is inflicted in one county and death ensues in another county, the
85 offender may be tried in either county.

86 (e) A person who commits an inchoate offense may be tried in any county in which any
87 act that is an element of the offense, including the agreement in conspiracy, is committed.

88 (f) Where a person in one county solicits, aids, abets, agrees, or attempts to aid another
89 in the planning or commission of an offense in another county, he may be tried for the offense

90 in either county.

91 (g) When an offense is committed within this state and it cannot be readily determined
92 in which county or district the offense occurred, the following provisions shall be applicable:

93 (i) When an offense is committed upon any railroad car, vehicle, watercraft, or aircraft
94 passing within this state, the offender may be tried in any county through which such railroad
95 car, vehicle, watercraft, or aircraft has passed.

96 (ii) When an offense is committed on any body of water bordering on or within this
97 state, the offender may be tried in any county adjacent to such body of water. The words "body
98 of water" shall include but not be limited to any stream, river, lake, or reservoir, whether
99 natural or man-made.

100 (iii) A person who commits theft may be tried in any county in which he exerts control
101 over the property affected.

102 (iv) If an offense is committed on or near the boundary of two or more counties, trial of
103 the offense may be held in any of such counties.

104 (v) For any other offense, trial may be held in the county in which the defendant
105 resides, or, if he has no fixed residence, in the county in which he is apprehended or to which
106 he is extradited.

107 (h) A person who commits an offense based on Chapter 6, Part 11, Identity Fraud Act,
108 may be tried in the county:

109 (i) where the victim's personal identifying information was obtained;

110 (ii) where the defendant used or attempted to use the personally identifying
111 information;

112 (iii) where the victim of the identity fraud resides or is found; or

113 (iv) if multiple offenses of identity fraud occur in multiple jurisdictions, in any county
114 where the victim's identity was used or stolen, or where the victim resides or is found.

115 (2) All objections of improper place of trial are waived by a defendant unless made
116 before trial.
