131	53A-1-409. Competency-based education Recommendations Coordination.
132	(1) As used in this section:
133	(a) "Competency" means a demonstrable acquisition of a specified knowledge, skill, or
134	ability that has been organized into a hierarchical arrangement leading to higher levels of
135	knowledge, skill, or ability.
136	(b) "Competency-based education" means an education approach that requires students
137	to acquire a competency and includes a classroom structure and operation that aid and facilitate
138	the acquisition of specified competencies on an individual basis wherein students are allowed
139	to master and demonstrate competencies as fast as they are able.
140	(c) "Gain score" means the measured difference of a student's score at the beginning
141	and end of a time period that may be aggregated at the class, grade, school, and school district
142	levels.
143	(2) The State Board of Education shall:
144	[(1)] (a) provide expertise to and consult with local school boards and school districts
145	relating to competency-based education and progress-based assessments;
146	[(2)] (b) make recommendations to the Public Education Appropriations
