31 Section 1. Section **63-2-304** is amended to read:

32 **63-2-304. Protected records.**

33 The following records are protected if properly classified by a governmental entity:

34 (1) trade secrets as defined in Section 13-24-2 if the person submitting the trade secret
35 has provided the governmental entity with the information specified in Section 63-2-308;

36 (2) commercial information or nonindividual financial information obtained from a
37 person if:

38 (a) disclosure of the information could reasonably be expected to result in unfair
39 competitive injury to the person submitting the information or would impair the ability of the
40 governmental entity to obtain necessary information in the future;

41 (b) the person submitting the information has a greater interest in prohibiting access
42 than the public in obtaining access; and

43 (c) the person submitting the information has provided the governmental entity with
44 the information specified in Section 63-2-308;

45 (3) commercial or financial information acquired or prepared by a governmental entity
46 to the extent that disclosure would lead to financial speculations in currencies, securities, or
47 commodities that will interfere with a planned transaction by the governmental entity or cause
48 substantial financial injury to the governmental entity or state economy;

49 (4) records the disclosure of which could cause commercial injury to, or confer a
50 competitive advantage upon a potential or actual competitor of, a commercial project entity as
51 defined in Subsection 11-13-103(4);

52 (5) test questions and answers to be used in future license, certification, registration,
53 employment, or academic examinations;

54 (6) records the disclosure of which would impair governmental procurement
55 proceedings or give an unfair advantage to any person proposing to enter into a contract or
56 agreement with a governmental entity, except that this Subsection (6) does not restrict the right
57 of a person to see bids submitted to or by a governmental entity after bidding has closed;

58 (7) records that would identify real property or the appraisal or estimated value of real

59 or personal property, including intellectual property, under consideration for public acquisition
60 before any rights to the property are acquired unless:

61 (a) public interest in obtaining access to the information outweighs the governmental
62 entity's need to acquire the property on the best terms possible;

63 (b) the information has already been disclosed to persons not employed by or under a
64 duty of confidentiality to the entity;

65 (c) in the case of records that would identify property, potential sellers of the described
66 property have already learned of the governmental entity's plans to acquire the property;

67 (d) in the case of records that would identify the appraisal or estimated value of
68 property, the potential sellers have already learned of the governmental entity's estimated value
69 of the property; or

71 and the governmental entity seeking to acquire the property has initiated negotiations to acquire
72 the property as required under Section 78-34-4.5;

73 (8) records prepared in contemplation of sale, exchange, lease, rental, or other
74 compensated transaction of real or personal property including intellectual property, which, if
75 disclosed prior to completion of the transaction, would reveal the appraisal or estimated value
76 of the subject property, unless:

77 (a) the public interest in access outweighs the interests in restricting access, including
78 the governmental entity's interest in maximizing the financial benefit of the transaction; or

79 (b) when prepared by or on behalf of a governmental entity, appraisals or estimates of
80 the value of the subject property have already been disclosed to persons not employed by or
81 under a duty of confidentiality to the entity;

82 (9) records created or maintained for civil, criminal, or administrative enforcement
83 purposes or audit purposes, or for discipline, licensing, certification, or registration purposes, if
84 release of the records:

85 (a) reasonably could be expected to interfere with investigations undertaken for
86 enforcement, discipline, licensing, certification, or registration purposes;

87 (b) reasonably could be expected to interfere with audits, disciplinary, or enforcement
88 proceedings;

89 (c) would create a danger of depriving a person of a right to a fair trial or impartial

90 hearing;

92 generally known outside of government and, in the case of a record compiled in the course of
93 an investigation, disclose information furnished by a source not generally known outside of
94 government if disclosure would compromise the source; or

95 (e) reasonably could be expected to disclose investigative or audit techniques,

97 interfere with enforcement or audit efforts;

107 Pardons and Parole by an employee of or contractor for the Department of Corrections, the
108 Board of Pardons and Parole, or the Department of Human Services that are based on the
109 employee's or contractor's supervision, diagnosis, or treatment of any person within the board's
110 jurisdiction;
