646 Section 7. Section **10-9-307** is amended to read:

647 **10-9-307. Plans for moderate income housing.**

648 (1) The availability of moderate income housing is an issue of statewide concern. To
649 this end:

650 (a) cities should afford a reasonable opportunity for a variety of housing, including
651 moderate income housing, to meet the needs of people desiring to live there; and

652 (b) moderate income housing should be encouraged to allow persons with moderate
653 incomes to benefit from and to fully participate in all aspects of neighborhood and community
654 life.

655 (2) As used in this section:

656 (a) "Moderate income housing" means housing occupied or reserved for occupancy by
657 households with a gross household income equal to or less than 80% of the median gross
658 income for households of the same size in the county in which the city is located.

659 (b) "Plan for moderate income housing" or "plan" means a written document adopted
660 by a city legislative body that includes:

661 (i) an estimate of the existing supply of moderate income housing located within the
662 city;

663 (ii) an estimate of the need for moderate income housing in the city for the next five
664 years as revised biennially;

665 (iii) a survey of total residential zoning;

666 (iv) an evaluation of how existing zoning densities affect opportunities for moderate
667 income housing; and

668 (v) a description of the city's program to encourage an adequate supply of moderate
669 income housing.

670 (3) The legislative body of each city shall, as part of its general plan, adopt a plan for
671 moderate income housing within that city.

672 (4) A plan may provide moderate income housing by any means or combination of
673 techniques which provide a realistic opportunity to meet estimated needs. The plan may include
674 an analysis of why the means or techniques selected provide a realistic opportunity to meet the
675 objectives of this section. [~~Such~~] The techniques may include:

676 (a) rezoning for densities necessary to assure the economic viability of inclusionary
677 developments, either through mandatory set asides or density bonuses;

678 (b) infrastructure expansion and rehabilitation that will facilitate the construction of

679 moderate income housing;

680 (c) rehabilitation of existing uninhabitable housing stock;

681 (d) consideration of waiving construction related fees generally imposed by the city;

682 (e) utilization of state or federal funds or tax incentives to promote the construction of

683 moderate income housing;

684 (f) utilization of programs offered by the Utah Housing Corporation within that

685 agency's funding capacity; and

686 (g) utilization of affordable housing programs administered by the Department of

687 Community and [~~Economic Development~~] Culture.

688 (5) (a) After adoption of a plan for moderate income housing under Subsection (3), the

689 legislative body of each city shall biennially:

690 (i) review the plan and its implementation; and

691 (ii) prepare a report setting forth the findings of the review.

692 (b) Each report under Subsection (5)(a)(ii) shall include a description of:

693 (i) efforts made by the city to reduce, mitigate, or eliminate local regulatory barriers to

694 moderate income housing;

695 (ii) actions taken by the city to encourage preservation of existing moderate income

696 housing and development of new moderate income housing;

697 (iii) progress made within the city to provide moderate income housing, as measured

698 by permits issued for new units of moderate income housing; and

699 (iv) efforts made by the city to coordinate moderate income housing plans and actions
700 with neighboring municipalities.

701 (c) The legislative body of each city shall send a copy of the report under Subsection

702 (5)(a)(ii) to the Department of Community and [~~Economic Development~~] Culture and the

703 association of governments in which the city is located.

704 (6) In a civil action seeking enforcement or claiming a violation of this section, a

705 plaintiff may not recover damages but may be awarded injunctive or other equitable relief only.

706 Section 8. Section **11-17-1.5** is amended to read:

707 **11-17-1.5. Purpose of chapter.**

708 (1) (a) The purposes of this chapter are to stimulate the economic growth of the state,

709 to promote employment and achieve greater industrial development in the state, to maintain or

710 enlarge domestic or foreign markets for Utah industrial products, to authorize municipalities
711 and counties in the state to facilitate capital formation, finance, acquire, own, lease, or sell
712 projects for the purpose of reducing, abating, or preventing pollution and to protect and
713 promote the health, welfare, and safety of the citizens of the state and to improve local health
714 and the general welfare by inducing corporations, persons, or entities engaged in health care
715 services, including hospitals, nursing homes, extended care facilities, facilities for the care of
716 persons with a physical or mental disability, and administrative and support facilities, to locate,
717 relocate, modernize, or expand in this state and to assist in the formation of investment capital
718 with respect thereto.

719 (b) The Legislature [~~hereby finds and~~] declares that the acquisition or financing, or
720 both, of projects under the Utah Industrial Facilities and Development Act and the issuance of
721 bonds under it constitutes a proper public purpose.

722 (2) (a) It is declared that the policy of the state is to encourage the development of free
723 enterprise and entrepreneurship for the purpose of the expansion of employment opportunities
724 and economic development.

725 (b) It is [~~found and~~] declared that there exists in the state an inadequate amount of
726 locally managed, pooled venture capital in the private sector available to invest in early stage
727 businesses having high growth potential and that can provide jobs for Utah citizens.

728 (c) It is found that venture capital is required for healthy economic development of
729 sectors of the economy having high growth and employment potential.

730 (d) It is further found that the public economic development purposes of the state and
731 its counties and municipalities can be fostered by the sale of industrial revenue bonds for the
732 purpose of providing funding for locally managed, pooled new venture and economic
733 development funds in accordance with the provisions of this [~~act~~] chapter.

734 (e) It is [~~found and~~] declared that in order to assure adequate investment of private
735 capital for these uses, cooperation between private enterprise and state and local government is
736 necessary and in the public interest and that the facilitation of capital accumulation is the
737 appropriate activity of the counties and municipalities of this state and also of the [~~Utah~~
738 ~~Division of Business and Economic Development, a division of the Utah Department of~~
739 ~~Community and Economic Development~~] Governor's Office of Economic Development.

740 (f) It is found that venture capital funds historically, because of the more intensive

741 nature of their relationship with companies in which they invest, tend to concentrate their
742 investments within a relatively close geographical area to their headquarters location.

743 (g) It is found and declared that investors in economic development or new venture
744 investment funds require for the overall security of their investments reasonable diversification
745 of investment portfolios and that, in the course of this diversification, investments are often
746 syndicated or jointly made among several financial institutions or funds. It is expressly found
747 and declared that an economic development or new venture investment fund must from time to
748 time for its optimal profitability and efficiency (which are important for the security and profit
749 of bond purchasers providing funds therefor) cooperate with others who may be located outside
750 [~~the state~~] of Utah or the county or municipality where the fund is headquartered in the making
751 of investments and that the fund must be free in the interests of reciprocal relationships with
752 other financial institutions and diversification of risks to invest from time to time in enterprises
753 that are located outside of Utah or the counties or municipalities. It is specifically found that
754 such activity by a locally managed fund, funded in whole or in part with the proceeds of bonds
755 sold under this chapter, is within the public purposes of the state and any county or
756 municipality offering the bonds, provided that the fund locates within [~~the state of~~] Utah or the
757 county or municipality its headquarters where its actual investment decisions and management
758 functions occur and limits the aggregate amount of its investments in companies located
759 outside of Utah to an amount that in the aggregate does not exceed the aggregate amount of
760 investments made by institutions and funds located outside of Utah in Utah companies, that the
761 locally managed fund has sponsored or in which it has invested and that it has brought to the
762 attention of investors outside of Utah.

763 Section 9. Section **11-17-18** is amended to read:

764 **11-17-18. Powers of Governor's Office of Economic Development.**

765 For purposes of this chapter and for the purposes of the Utah Interlocal Cooperation
766 Act, the [~~Division of Business and Economic Development, a division of the Department of~~
767 ~~Community and Economic Development~~] Governor's Office of Economic Development, has
768 all the powers set out in this chapter of, and is subject to the same limitations as, a municipality
769 as though the [~~division~~] office were defined as a municipality for purposes of this chapter, but
770 it shall have such powers with respect to economic development or new venture investment
771 fund projects only. It is not authorized to exercise such powers in any manner which will

772 create general obligations of the state [~~of Utah~~] or any agency, department, division, or political
773 subdivision thereof. [~~For purposes of this chapter, its governing body is deemed to be the~~
774 ~~Board of Business and Economic Development of the Division of Business and Economic~~
775 ~~Development.~~]

776 Section 10. Section **17-27-307** is amended to read:

777 **17-27-307. Plans for moderate income housing.**

778 (1) The availability of moderate income housing is an issue of statewide concern. To
779 this end:

780 (a) counties should afford a reasonable opportunity for a variety of housing, including
781 moderate income housing, to meet the needs of people desiring to live there; and

782 (b) moderate income housing should be located in all areas of a community to allow
783 persons with moderate incomes to benefit from and to fully participate in all aspects of
784 neighborhood and community life.

785 (2) As used in this section:

786 (a) "Moderate income housing" means housing occupied or reserved for occupancy by
787 households with a gross household income equal to or less than 80% of the median gross
788 income of the county statistical area for households of the same size.

789 (b) "Plan for moderate income housing" or "plan" means a written document adopted
790 by a county legislative body that includes, but is not limited to:

791 (i) an estimate of the existing supply of moderate income housing located within the
792 county;
