86 Section 2. Section **38-13-101** is enacted to read:

87 **CHAPTER 13. AIRCRAFT LIEN ACT**

88 **Part 1. General Provisions**

89 **38-13-101. Title.**

90 This chapter is known as the "Aircraft Lien Act."

91 Section 3. Section **38-13-102** is enacted to read:

92 **38-13-102. Definitions.**

93 As used in this chapter:

94 (1) "Aircraft" is as defined in Section 72-10-102.

95 (2) "Repairman" means a person who makes, alters, repairs, or performs labor on an
96 aircraft.

97 Section 4. Section **38-13-103** is enacted to read:

98 **38-13-103. Scope of chapter.**

99 (1) This chapter may not be interpreted to impair or affect the right of any person to
100 whom a debt may be due for any work performed or materials furnished to maintain a personal
101 action to recover the same.

102 (2) This chapter supersedes Sections 38-2-3 and 38-2-4 as it relates to a lien for a
103 repairman making, altering, repairing, or performing labor on an aircraft.

104 Section 5. Section **38-13-201** is enacted to read:

105 **Part 2. Lien Provisions**

106 **38-13-201. Lien on aircraft -- Filing required -- Notice -- Release.**

107 (1) A repairman who makes, alters, repairs, or performs labor on an aircraft at the
108 request of the owner or other person entitled to possession of the aircraft shall have a lien upon
109 the aircraft for the reasonable value of the following furnished and used in making the aircraft
110 or in altering or repairing the aircraft:

111 (a) the labor performed; and

112 (b) materials.

113 (2) A repairman may retain possession of the aircraft until the amount due under
114 Subsection (1) is paid.

115 (3) (a) For a lien to be valid, a repairman shall file the lien with the Federal Aviation
116 Administration within 90 days of the last day on which the repairman makes, alters, repairs, or
117 performs labor on the aircraft.

118 (b) In addition to any requirements of 14 C.F.R. Part 49, Recording of Aircraft Titles
119 and Security Documents, the lien filing required by Subsection (3)(a) shall:

120 (i) comply with Subsection 38-12-102(2); and

- 121 (ii) include:
- 122 (A) the United States Registration Number, make, model, and serial number of the
- 123 aircraft subject to the lien;
- 124 (B) the name of the manufacturer, the model, and the serial number of any engine,
- 125 propeller, or appliance subject to the lien, to the extent that it is not otherwise identifiable by
- 126 reference to the United States Registration Number;
- 127 (C) the amount of the lien; and
- 128 (D) a narrative statement describing the nature of the labor performed.
- 129 (c) Notwithstanding the day on which the repairman files a lien with the Federal
- 130 Aviation Administration, a lien filed with the Federal Aviation Administration is effective
- 131 beginning the last day on which the repairman makes, alters, repairs, or performs labor on the
- 132 aircraft.
- 133 (4) A repairman shall send a notice of lien to the person against whom the notice of
- 134 lien is filed in accordance with Section 38-12-102.
- 135 (5) If the repairman is paid amounts owed under this section, the repairman shall file a
- 136 release of lien with the Federal Aviation Administration.
- 137 Section 6. Section **38-13-202** is enacted to read:
- 138 **38-13-202. Foreclosure on a lien.**
- 139 (1) A repairman shall file a foreclosure action in a court of competent jurisdiction to
- 140 enforce the lien filed under this chapter within 180 days from the day on which the repairman
- 141 sends notice of the lien in accordance with Section 38-12-102.
- 142 (2) In a foreclosure action filed under this section, the repairman or the repairman's
- 143 attorney shall show by complaint to the court:
- 144 (a) that the repairman made, altered, repaired, or performed labor on the aircraft that
- 145 entitles the repairman to a lien under this chapter;
- 146 (b) that the owner or other person entitled to possession of the aircraft requested that
- 147 the repairman make, alter, repair, or perform labor described in Subsection (2)(a);
- 148 (c) that the repairman sent notice of the lien in accordance with Sections 38-12-102
- 149 and 38-13-201;
- 150 (d) that the person against whom the lien is filed failed to pay the amount owed within
- 151 30 days of the day on which the repairman sent the notice of lien described in Subsection

152 (2)(c); and

153 (e) an itemized description of the amounts owed.

154 (3) In a foreclosure action, the amount claimed by the repairman may include:

155 (a) work performed;

156 (b) materials;

157 (c) interest;

158 (d) storage fees charged; and

159 (e) any costs incurred by the repairman for using enforcement procedures under this

160 chapter, including attorneys' fees.

161 Section 7. Section **38-13-203** is enacted to read:

162 **38-13-203. Repossession of aircraft.**

163 (1) If a repairman is not in possession of the aircraft under Section 38-13-201, a
164 repairman may take possession of an aircraft to recover the amounts owed under a lien imposed
165 by this chapter if:

166 (a) the repairman obtains a foreclosure judgment under Section 38-13-202;

167 (b) the repairman provides written notice of the intent to take possession of the aircraft:

168 (i) to:

169 (A) the owner of the aircraft; and

170 (B) any person described in Subsection 38-13-204(1)(b); and

171 (ii) at least 15 days before the day on which the repairman takes possession of the

172 aircraft;

173 (c) the aircraft is in the possession of one of the following if that person requested that
174 the repairman make, alter, repair, or perform labor on the aircraft:

175 (i) the owner of the aircraft; or

176 (ii) other person entitled to possession of the aircraft; and

177 (d) the person described in Subsection (1)(c) has not paid the amount owed under this

178 chapter before the day on which the repairman takes possession of the aircraft.

179 (2) Subject to the other requirements of this section, a repairman may take possession
180 of an aircraft under this section:

181 (a) pursuant to judicial process; or

182 (b) without judicial process, if the transfer of possession of the aircraft proceeds

183 without breach of the peace.

184 Section 8. Section **38-13-204** is enacted to read:

185 **38-13-204. Selling the aircraft.**

186 (1) A repairman may sell an aircraft subject to a lien under this chapter if:

187 (a) the repairman receives a judgment in the foreclosure action filed under Section
188 38-12-201;

189 (b) the repairman gives notice to:

190 (i) the owner of the aircraft;

191 (ii) the customer as indicated on the work order for the making, altering, repairing, or
192 performing of labor; and

193 (iii) all other persons claiming an interest in or lien on the aircraft:

194 (A) as disclosed by the records of the Federal Aviation Administration or of
195 corresponding agencies of any state in which the aircraft appears registered; and

196 (B) that is known by the repairman;

197 (c) the notice required by Subsection (1)(b) is sent by certified mail at least 30 days
198 before the proposed or scheduled date of any sale; and

199 (d) the notice required by Subsection (1)(b) contains:

200 (i) a description of the aircraft and its location;

201 (ii) the name and address of each person described in Subsection (1)(b);

202 (iii) the name, address, and telephone number of the repairman;

203 (iv) notice:

204 (A) that the repairman has a foreclosure judgment against the aircraft for the amount
205 stated in the judgment;

206 (B) of the cash sum which, if paid to the repairman would be sufficient to redeem the
207 aircraft from the lien claimed by the repairman;

208 (C) that the lien claimed by the repairman is subject to enforcement under this chapter;

209 and

210 (D) that the aircraft may be sold to satisfy the lien;

211 (v) the date, time, and location of any proposed or scheduled sale of the aircraft;

212 (vi) notice as to whether the sale is private or public; and

213 (vii) notice that the owner of the aircraft or other person entitled to possession of the

214 aircraft has a right to recover possession of the aircraft without instituting judicial proceedings
215 by posting a bond in accordance with Section 38-13-206.

216 (2) The repairman shall at least 20 days before the proposed or scheduled date of sale
217 of the aircraft publish the notice required by this section once in a newspaper circulated in the
218 county where the aircraft is held if:

219 (a) the owner of the aircraft is unknown;

220 (b) the whereabouts of the owner of the aircraft cannot be determined; or

221 (c) the owner of the aircraft or any person notified under Subsection (1)(b) fails to
222 acknowledge receipt of the notice.

223 (3) (a) An aircraft subject to lien enforcement under this chapter may be sold by the
224 repairman at public or private sale.

225 (b) Notwithstanding Subsection (3)(a), in the case of a private sale, every aspect of the
226 sale, including the method, manner, time, place, and terms shall be commercially reasonable.

227 (4) This section may not be construed to affect an owner's right to redeem the owner's
228 aircraft from the lien at any time prior to sale by paying the amount claimed by the repairman
229 for:

230 (a) work performed;

231 (b) materials;

232 (c) interest;

233 (d) storage fees charged; and

234 (e) any costs incurred by the repairman for using enforcement procedures under this
235 chapter, including attorneys' fees.

236 (5) The proceeds of a sale under this section shall be distributed as follows:

237 (a) amounts owed persons having a security interest or lien on the aircraft shall be paid
238 in the order that they have priority in accordance with Section 38-13-205; and

239 (b) the amount remaining after the amount described in Subsection (5)(a) is paid shall
240 be paid to the owner of the aircraft before the sale of the aircraft under this section.

241 (6) An aircraft against which a lien is filed may not be sold earlier than the later of:

242 (a) 45 days after the last day on which the repairman makes, alters, repairs, or performs
243 labor on the aircraft; or

244 (b) 30 days from the date on which the repairman sends notice of the lien in accordance

245 with Section 38-12-102.

246 Section 9. Section **38-13-205** is enacted to read:

247 **38-13-205. Priority of liens.**

248 A lien imposed under this chapter has priority over any lien, mortgage, security interest,
249 or other encumbrance arising after the day on which the lien is effective in accordance with
250 Section 38-13-201.

251 Section 10. Section **38-13-206** is enacted to read:

252 **38-13-206. Release of aircraft by posting a bond.**

253 (1) The owner or other person entitled to possession of the aircraft may have the
254 aircraft released from any lien claimed on it under this chapter by filing with the clerk of a
255 court of competent jurisdiction a cash or surety bond, payable to the person claiming the lien,
256 and conditioned for the payment of any judgment that may be recovered on the lien, with costs,
257 interest, and storage fees.

258 (2) (a) The repairman has 60 days after the day on which the repairman receives notice
259 that the owner or other person entitled to possession of the aircraft has filed the bond provided
260 in Subsection (1) to file suit to foreclose the repairman's lien.

261 (b) If the repairman fails to timely file an action, the clerk of the court shall release the
262 bond.

263 (3) (a) If an owner or other person entitled to possession of the aircraft files a bond as
264 provided in Subsection (1), the clerk of the court shall provide that person with evidence that
265 the bond has been filed.

266 (b) The owner or other person entitled to possession of the aircraft shall file the
267 evidence of a bond provided under Subsection (3)(a) with the Federal Aviation Administration.

268 (c) Filing the evidence provided in Subsection (3)(a) with the Federal Aviation
269 Administration releases the lien on the aircraft if the repairman fails to foreclose on the lien
270 within 60 days of the day on which the repairman receives notice that the owner or other person
271 entitled to possession of the aircraft filed the bond.
