202 (iii) Prior to calculating the total calculated premium under Subsection (1)(h)(ii), the
203 State Tax Commission shall provide the self-insured employer with written notice that failure
204 to obtain an experience modification factor within a reasonable time period, as established by
205 rule by the State Tax Commission:

206 (A) shall result in the State Tax Commission using an experience modification factor
207 of 2.00 and a safety factor of 2.00 in calculating the total calculated premium for purposes of
208 determining the assessment; and

209 (B) may result in the division revoking the self-insured employer's right to pay
210 compensation direct.

212 under Sections 34A-2-201 and 34A-2-201.5 that permits the self-insured employer to pay

229 available to the commission.
