26 **Utah Code Sections Affected:**

27 REPEALS AND REENACTS:

S.B. 5001

28   **20A-13-101**, as repealed and reenacted by Chapter 6, Laws of Utah 2001, Second

29   Special Session

30   REPEALS:

31   **Chapter 7, Laws of Utah 2001, Second Special Session**

32

33   *Be it enacted by the Legislature of the state of Utah:*

34   Section 1. Section **20A-13-101** is repealed and reenacted to read:

35   <u>**20A-13-101.**</u>   **Representatives to the United States Congress -- Four representative**

36   **districts -- When elected -- District boundaries.**

37   (1) (a) Utah is divided into four districts for the election of representatives to the

38   Congress of the United States, with one member to be elected from each Congressional district.

39   (b) At each general election held after this section takes effect, and at any special

40   election called by the governor to elect one or more members of Congress held within one year

41   after this section takes effect, one representative from each Congressional district shall be

42   elected to serve in the Congress of the United States.

43   (2) (a) The Legislature adopts the official census population figures and maps of the

44   Bureau of the Census of the United States Department of Commerce developed in connection

45   with the taking of the 2000 national decennial census as the official data for establishing

46   Congressional district boundaries.

47   (b) The numbers and boundaries of the Congressional districts are designated and

48   established by the maps attached to the bill that enacts this section.

49   Section 2. **Repealer.**

50   This bill repeals:

51   **Chapter 7, Laws of Utah 2001, Second Special Session,** which contains Section

52   20A-13-101 (Contingently Effective).

53   Section 3. **Intent statement.**

54   It is the intent of the Legislature that:

55   (1) the four Congressional districts enacted in this S.B. 5001 replace, on the dates that

56   S.B. 5001 takes effect, the three Congressional districts repealed and reenacted in S.B. 2002,

57   Chapter 6, Laws of Utah 2001, Second Special Session; and

58   (2) if necessary, the governor convene the Legislature into a special session to resolve

59 any conflicts with statutory provisions governing the electoral process so that four

60 Congressional representatives can be elected as soon as reasonably possible.

61   Section 4. **Contingent effective date.**

62   (1) If approved by two-thirds of all the members elected to each house, Section 2,

63 Repealer, of this bill takes effect immediately upon approval by the governor, or the day

64 following the constitutional time limit of Utah Constitution Article VII, Section 8, without the

65 governor's signature, or in the case of a veto, the date of veto override.

66   (2) Section 1, Section 3, and Section 5 of this bill take effect:

67   (a) for purposes of nominating and electing members of the United States House of

68 Representatives, when the Clerk of the United States House of Representatives certifies to the

69 state of Utah that it is entitled to four representatives in the United States House of

70 Representatives; and

71   (b) for all other purposes, on the date that the state board of canvassers declares four

72 Congressional representatives from Utah elected after the first statewide special or regular

73 general election held after the date that certification from the Clerk of the United States House

74 of Representatives is received.

75   Section 5. **Revisor instructions.**

76   When the provisions in this bill take effect as provided in Section 4, it is the intent of

77 the Legislature that the Office of Legislative Research and General Counsel:

78   (1) update the Utah Code database so that Section 20A-13-101 in this bill supersedes

79 the provisions of Section 20A-13-101 contained in S.B. 2002, Chapter 6, Laws of Utah 2001,

80 Second Special Session; and

81   (2) in Subsection 20A-13-101(1)(b), replace "this section takes effect" with the actual

82 effective date of this bill.
