39 reserved or proposed for dedication for a public purpose;

40 (c) the lot or unit reference, block or building reference, street or site address, street
41 name or coordinate address, acreage or square footage for all parcels, units, or lots, and length
42 and width of the blocks and lots intended for sale; and

43 (d) every existing right-of-way and easement grant of record for underground facilities,
44 as defined in Section 54-8a-2, and for other utility facilities.

45 (2) Subject to Subsections (3), (4), and (5), if the plat conforms to the municipality's
46 ordinances and this part and has been approved by the culinary water authority and the sanitary
47 sewer authority, the municipality shall approve the plat.

48 (3) The municipality may withhold an otherwise valid plat approval until the owner of
49 the land provides the legislative body with a tax clearance indicating that all taxes, interest, and
50 penalties owing on the land have been paid.

51 (4) (a) The owner of the land shall acknowledge the plat before an officer authorized

72 (II) a recorded easement or right-of-way;

73 (III) the law applicable to prescriptive rights; or
