46 Section 1. Section **53A-15-202** is amended to read:

47 **53A-15-202. Powers of the board.**

48 The State Board of Education:

49 (1) shall establish minimum standards for applied technology programs in the public
50 education system;

51 (2) may apply for, receive, administer, and distribute funds made available through
52 programs of federal and state governments to promote and aid applied technology education;

53 (3) shall cooperate with federal and state governments to administer programs which
54 promote and maintain applied technology education;

55 (4) shall cooperate with the Utah College of Applied Technology to ensure that
56 students in the public education system have access to applied technology education at Utah

57 College of Applied Technology campuses; [~~and~~]

58 (5) shall require that before a minor student may participate in clinical experiences as
59 part of a health care occupation program at a high school or other institution to which the
60 student has been referred, the student's parent or legal guardian has:

61 (a) been first given written notice through appropriate disclosure when registering and
62 prior to participation that the program contains a clinical experience segment in which the
63 student will observe and perform specific health care procedures that may include personal
64 care, patient bathing, and bathroom assistance; and

65 (b) provided specific written consent for the student's participation in the program and
66 clinical experience; and

67 [~~(5)~~] (6) shall, after consulting with local school districts, prepare and submit an annual
68 report to the governor and to the Legislature's Education Interim Committee by October 31 of
69 each year detailing:

70 (a) how the applied technology education needs of secondary students are being met;
71 and

72 (b) what access secondary students have to programs offered:

73 (i) at applied technology colleges; and

74 (ii) within the [~~region~~] regions served by Snow College and the College of Eastern
75 Utah.

76 Section 2. Section **53B-2a-101** is amended to read:

77 **53B-2a-101. Definitions.**

78 As used in this chapter:

79 (1) "Applied technology education" means organized educational programs offering
80 sequences of courses or skill sets directly related to preparing individuals for paid or unpaid
81 employment in current or emerging occupations that do not require a baccalaureate or advanced
82 degree.

83 (2) "Board of trustees" means the Utah College of Applied Technology Board of
84 Trustees.

85 (3) "College campus" means a college campus of the Utah College of Applied
86 Technology.

87 (4) "Competency-based" means mastery of subject matter or skill level, as

88 demonstrated through business and industry approved standards and assessments, achieved
89 through participation in a hands-on learning environment, and which is tied to observable,
90 measurable performance objectives.

91 (5) "High wage jobs" means jobs with an annual salary at or above the median salary in
92 the service region of the college campus.

93 [~~5~~] (6) "Open-entry, open-exit" means:

94 (a) a method of instructional delivery that allows for flexible scheduling in response to
95 individual student needs or requirements and demonstrated competency when knowledge and
96 skills have been mastered; and

97 (b) students have the flexibility to begin or end study at any time, progress through
98 course material at their own pace, and demonstrate competency when knowledge and skills
99 have been mastered. If competency is demonstrated in a program of study, a credential,
100 certificate, diploma, or degree may be awarded.

101 Section 3. Section **53B-2a-102** is amended to read:

102 **53B-2a-102. President -- Appointment -- Duties.**

103 (1) (a) The board shall appoint a president for the Utah College of Applied
104 Technology.

105 (b) The president of the Utah College of Applied Technology does not need to have a
106 doctorate degree, but shall have extensive experience in applied technology education.

107 (c) The president shall serve at the board's discretion.

108 (d) The names of the final candidates for president of the Utah College of Applied
109 Technology shall be publicly disclosed.

110 (e) The chair and vice chair of the Utah College of Applied Technology Board of
111 Trustees shall be members of the search committee for the president.

112 (2) The president shall:

113 (a) direct the Utah College of Applied Technology and coordinate the activities of each
114 of its college campuses;

115 (b) in cooperation with the board of trustees and with the approval of the board,
116 develop a competency-based associate of applied technology degree;

117 (c) ensure that, pursuant to State Board of Regents' rules, an applied technology
118 education degree is primarily a terminal degree, but is transferable to a bachelor's degree in

119 applied technology at other higher education institutions under specific articulation agreements;

120 (d) in consultation with the board of trustees, campus presidents, and campus boards of
121 directors, prepare a comprehensive strategic plan for delivering applied technology education
122 through the Utah College of Applied Technology college campuses;

123 (e) after consulting with local school districts and other higher education institutions in
124 the regions, ensure that the curricula of the Utah College of Applied Technology meet the
125 needs of the state, the regions, and the local school districts;

126 (f) in consultation with the board of trustees, campus presidents, and campus boards of
127 directors, and after consulting with local school districts and other higher education institutions
128 in the region, develop strategies for providing applied technology education in rural areas,
129 specifically considering the distances between rural applied technology education providers;

130 (g) establish minimum standards for applied technology programs of the Utah College
131 of Applied Technology college campuses;

132 (h) in conjunction with the board of trustees, do the following:

133 (i) develop and implement a system of common definitions, standards, and criteria for
134 tracking and measuring the effectiveness of applied technology education;

135 (ii) maintain a central administration office for coordination, prioritization, support,
136 and reporting of college functions dealing with:

137 (A) budgets and audits;

138 (B) facilities, including capital, capital development, and leases;

139 (C) management information systems;

140 (D) campus and college master planning efforts;

141 (E) strategic planning;

142 (F) legislative and Board of Regents contact;

143 (G) general data collection; and

144 (H) programs, certificates, and curriculum; and

145 (iii) develop and implement a plan to inform citizens about the availability, cost, and
146 advantages of applied technology education;

147 (i) after consulting with the State Board of Education and local school districts, ensure
148 that secondary students in the public education system have access to applied technology
149 education through the Utah College of Applied Technology college campuses; and

150 (j) provide expertise and monitor applied technology education within the [region]
151 regions served by Snow College and the College of Eastern Utah in accordance with [Section]
152 Sections 53B-16-205 and 53B-16-207.

H.B. 371 1st Sub. (Buff) - Applied Technology Education Amendments

Fiscal Note

2007 General Session

State of Utah

State Impact

Enactment of this bill will transfer funding currently appropriated to the Southeast Applied Technology College within the Utah College of Applied Technology to the College of Eastern Utah. Over time, some efficiencies should occur, but is not expected to be significant due to the size of both of these institutions and the service area.
