135 Section 3. Section **78-45-7.2** is amended to read:

136 **78-45-7.2. Application of guidelines -- Use of ordered child support.**

137 (1) The guidelines apply to any judicial or administrative order establishing or  
138 modifying an award of child support entered on or after July 1, 1989.

139 (2) (a) The child support guidelines shall be applied as a rebuttable presumption in  
140 establishing or modifying the amount of temporary or permanent child support.

141 (b) The rebuttable presumption means the provisions and considerations required by  
142 the guidelines, the award amounts resulting from the application of the guidelines, and the use  
143 of worksheets consistent with these guidelines are presumed to be correct, unless rebutted  
144 under the provisions of this section.

145 (3) A written finding or specific finding on the record supporting the conclusion that  
146 complying with a provision of the guidelines or ordering an award amount resulting from use  
147 of the guidelines would be unjust, inappropriate, or not in the best interest of a child in a  
148 particular case is sufficient to rebut the presumption in that case. If an order rebuts the  
149 presumption through findings, it is considered a deviated order.

150 (4) The following shall be considered deviations from the guidelines, if:  
151 (a) the order includes a written finding that it is a [~~nonguidelines order~~] deviation from  
152 the guidelines;

153 (b) the guidelines worksheet has:  
154 (i) the box checked for a deviation; and [~~has~~]  
155 (ii) an explanation as to the reason; or  
156 (c) the deviation [~~was~~] is made because there were more children than provided for in  
157 the guidelines table.

158 (5) If the amount in the order and the amount on the guidelines worksheet differ[~~, but~~  
159 ~~the difference is less than~~] by \$10[;] or more:

160 (a) the order [~~shall not be~~] is considered deviated; and  
161 (b) the incomes listed on the worksheet may not be used in adjusting support for  
162 emancipation.

163 (6) (a) Natural or adoptive children of either parent who live in the home of that parent  
164 and are not children in common to both parties may at the option of either party be taken into  
165 account under the guidelines in setting or modifying a child support award, as provided in  
166 Subsection (7). Credit may not be given if:  
167 (i) by giving credit to the obligor, children for whom a prior support order exists would  
168 have their child support reduced; or  
169 (ii) by giving credit to the obligee for a present family, the obligation of the obligor  
170 would increase.

171 (b) Additional worksheets shall be prepared that compute the obligations of the  
172 respective parents for the additional children. The obligations shall then be subtracted from the  
173 appropriate parent's income before determining the award in the instant case.

174 (7) In a proceeding to modify an existing award, consideration of natural or adoptive  
175 children born after entry of the order and who are not in common to both parties may be  
176 applied to mitigate an increase in the award but may not be applied:  
177 (a) for the benefit of the obligee if the credit would increase the support obligation of  
178 the obligor from the most recent order; or  
179 (b) for the benefit of the obligor if the amount of support received by the obligee would  
180 be decreased from the most recent order.

181 (8) (a) If a child support order has not been issued or modified within the previous  
 182 three years, a parent, legal guardian, or the office may petition the court to adjust the amount of  
 183 a child support order.

184 (b) Upon receiving a petition under Subsection (8)(a), the court shall, taking into  
 185 account the best interests of the child[;]:

186 (i) determine whether there is a difference between the payor's ordered support amount  
 187 [~~ordered~~] and the payor's support amount that would be required under the guidelines[ ~~If there~~  
 188 ~~is a~~]; and

189 (ii) if there is a difference as described in Subsection (8)(b)(i), adjust the payor's  
 190 ordered support amount to the payor's support amount provided in the guidelines if:

191 (A) the difference [of] is 10% or more [and];

192 (B) the difference is not of a temporary nature[~~, the court shall adjust the amount to~~  
 193 that which is provided for in the guidelines.]; and

194 (C) the order adjusting the payor's ordered support amount does not deviate from the  
 195 guidelines.

196 (c) A showing of a substantial change in circumstances is not necessary for an  
 197 adjustment under this Subsection (8)[~~(b)~~].

198 (9) (a) A parent, legal guardian, or the office may at any time petition the court to  
 199 adjust the amount of a child support order if there has been a substantial change in  
 200 circumstances. A change in the base combined child support obligation table set forth in  
 201 Section 78-45-7.14 is not a substantial change in circumstances for the purposes of this  
 202 Subsection (9).

203 (b) For purposes of this Subsection (9)[~~(a)~~], a substantial change in circumstances may  
 204 include:

205 (i) material changes in custody;

206 (ii) material changes in the relative wealth or assets of the parties;

207 (iii) material changes of 30% or more in the income of a parent;

208 (iv) material changes in the employment potential and ability of a parent to earn;

209 (v) material changes in the medical needs of the child; [~~and~~] or

210 (vi) material changes in the legal responsibilities of either parent for the support of  
 211 others.

212 (c) Upon receiving a petition under Subsection (9)(a), the court shall, taking into  
213 account the best interests of the child[-];

214 (i) determine whether a substantial change has occurred[- ~~If it has, the court shall~~  
215 ~~then~~];

216 (ii) if a substantial change has occurred, determine whether the change results in a  
217 difference of 15% or more between the payor's ordered support amount and the payor's support  
218 amount [of child support ordered and the amount] that would be required under the guidelines[-  
219 ~~If there is such a difference and, the difference is not of a temporary nature, the court shall~~];  
220 and

221 (iii) adjust the [~~amount of child~~] payor's ordered support [~~ordered~~] amount to that  
222 which is provided for in the guidelines[-] if:

223 (A) there is a difference of 15% or more; \$→ and ←\$

224 (B) the difference is not of a temporary nature; \$→ [and

225 ~~— (C) the order adjusting the payor's ordered support amount does not deviate from the~~  
226 ~~guidelines~~ ←\$ .

227 (10) Notice of the opportunity to adjust a support order under Subsections (8) and (9)  
228 shall be included in each child support order [~~issued or modified after July 1, 1997~~].

229 Section 4. Section **78-45-7.5** is amended to read:

230 **78-45-7.5. Determination of gross income -- Imputed income.**

231 (1) As used in the guidelines, "gross income" includes prospective income from any  
232 source, including earned and nonearned income sources which may include salaries, wages,  
233 commissions, royalties, bonuses, rents, gifts from anyone, prizes, dividends, severance pay,  
234 pensions, interest, trust income, alimony from previous marriages, annuities, capital gains,  
235 Social Security benefits, workers' compensation benefits, unemployment compensation,  
236 income replacement disability insurance benefits, and payments from "nonmeans-tested"  
237 government programs.

238 (2) Income from earned income sources is limited to the equivalent of one full-time  
239 40-hour job. If and only if during the time prior to the original support order, the parent  
240 normally and consistently worked more than 40 hours at [~~his~~] the parent's job, the court may  
241 consider this extra time as a pattern in calculating the parent's ability to provide child support.

242 (3) Notwithstanding Subsection (1), specifically excluded from gross income are:

243 (a) cash assistance provided under Title 35A, Chapter 3, Part 3, Family Employment  
244 Program;

245 (b) benefits received under a housing subsidy program, the Job Training Partnership  
246 Act, Supplemental Security Income, Social Security Disability Insurance, Medicaid, Food  
247 Stamps, or General Assistance; and

248 (c) other similar means-tested welfare benefits received by a parent.

249 (4) (a) Gross income from self-employment or operation of a business shall be  
250 calculated by subtracting necessary expenses required for self-employment or business  
251 operation from gross receipts. The income and expenses from self-employment or operation of  
252 a business shall be reviewed to determine an appropriate level of gross income available to the  
253 parent to satisfy a child support award. Only those expenses necessary to allow the business to  
254 operate at a reasonable level may be deducted from gross receipts.

255 (b) Gross income determined under this Subsection (4) may differ from the amount of  
256 business income determined for tax purposes.

257 (5) (a) When possible, gross income should first be computed on an annual basis and  
258 then recalculated to determine the average gross monthly income.

259 (b) Each parent shall provide verification of current income. Each parent shall provide  
260 year-to-date pay stubs or employer statements and complete copies of tax returns from at least  
261 the most recent year unless the court finds the verification is not reasonably available.

262 Verification of income from records maintained by the Department of Workforce Services may  
263 be substituted for pay stubs, employer statements, and income tax returns.

264 (c) Historical and current earnings shall be used to determine whether an  
265 underemployment or overemployment situation exists.

266 (6) Gross income includes income imputed to the parent under Subsection (7).

267 (7) (a) Income may not be imputed to a parent unless the parent stipulates to the  
268 amount imputed, the ~~[party] parent~~ defaults, or, in contested cases, a hearing is held and [a  
269 ~~finding made that the parent is voluntarily unemployed or underemployed~~] the judge in a  
270 judicial proceeding or the presiding officer in an administrative proceeding enters findings of  
271 fact as to the evidentiary basis for the imputation.

272 (b) If income is imputed to a parent, the income shall be based upon employment  
273 potential and probable earnings as derived from employment opportunities, work history,

274 occupation qualifications, and prevailing earnings for persons of similar backgrounds in the  
275 community, or the median earning for persons in the same occupation in the same geographical  
276 area as found in the statistics maintained by the Bureau of Labor Statistics.

277 (c) If a parent has no recent work history or their occupation is unknown, income shall  
278 be imputed at least at the federal minimum wage for a 40-hour work week. To impute a greater  
279 income, the judge in a judicial proceeding or the presiding officer in an administrative  
280 proceeding shall enter specific findings of fact as to the evidentiary basis for the imputation.

281 (d) Income may not be imputed if any of the following conditions exist and the  
282 condition is not of a temporary nature:

283 (i) the reasonable costs of child care for the parents' minor children approach or equal  
284 the amount of income the custodial parent can earn;

285 (ii) a parent is physically or mentally [~~disabled to the extent he cannot~~] unable to earn  
286 minimum wage;

287 (iii) a parent is engaged in career or occupational training to establish basic job skills;  
288 or

289 (iv) unusual emotional or physical needs of a child require the custodial parent's  
290 presence in the home.

291 (8) (a) Gross income may not include the earnings of a minor child who is the subject  
292 of a child support award nor benefits to a minor child in the child's own right such as  
293 Supplemental Security Income.

294 (b) Social Security benefits received by a child due to the earnings of a parent shall be  
295 credited as child support to the parent upon whose earning record it is based, by crediting the  
296 amount against the potential obligation of that parent. Other unearned income of a child may  
297 be considered as income to a parent depending upon the circumstances of each case.

298 Section 5. Section **78-45-7.7** is amended to read:

299 **78-45-7.7. Calculation of obligations.**

300 (1) Each parent's child support obligation shall be established in proportion to their  
301 adjusted gross incomes, unless the low income table is applicable. Except during periods of  
302 court-ordered parent-time as set forth in Section 78-45-7.11, the parents are obligated to pay  
303 their proportionate shares of the base combined child support obligation. If physical custody of  
304 the child changes from that assumed in the original order, modification of the order is not

305 necessary, even if only one parent is specifically ordered to pay in the order.

306 (2) Except in cases of joint physical custody and split custody as defined in Section  
307 78-45-2 and in cases where the obligor's adjusted gross income is \$1,050 or less monthly, the  
308 base child support award shall be determined as follows:

309 (a) combine the adjusted gross incomes of the parents and determine the base  
310 combined child support obligation using the base combined child support obligation table; and

311 (b) calculate each parent's proportionate share of the base combined child support  
312 obligation by multiplying the combined child support obligation by each parent's percentage of  
313 combined adjusted gross income.

314 (3) In the case of an incapacitated adult child, any amount that the incapacitated adult  
315 child can contribute to [~~his or her~~] the incapacitated adult child's support may be considered in  
316 the determination of child support and may be used to justify a reduction in the amount of  
317 support ordered, except that in the case of orders involving multiple children, the reduction  
318 shall not be greater than the effect of reducing the total number of children by one in the child  
319 support table calculation.

320 (4) In cases where the monthly adjusted gross income of [~~the obligor~~] either parent is  
321 between \$650 and \$1,050, the base child support award shall be the lesser of the amount  
322 calculated in accordance with Subsection (2) and the amount calculated using the low income  
323 table. If the income and number of children is found in an area of the low income table in  
324 which no amount is shown, the base combined child support obligation table is to be used.

325 (5) The base combined child support obligation table provides combined child support  
326 obligations for up to six children. For more than six children, additional amounts may be  
327 added to the base child support obligation shown. Unless rebutted by Subsection 78-45-7.2(3),  
328 the amount ordered shall not be less than the amount which would be ordered for up to six  
329 children.

330 (6) If the monthly adjusted gross income of [~~the obligor~~] either parent is \$649 or less,  
331 the tribunal shall determine the amount of the child support obligation on a case-by-case basis,  
332 but the base child support award [~~shall~~] may not be less than [~~\$20~~] \$30.

333 (7) The amount shown on the table is the support amount for the total number of  
334 children, not an amount per child.

335 (8) For all worksheets, income and support award figures shall be rounded to the

336 nearest dollar.

337 Section 6. Section **78-45-7.10** is amended to read:

338 **78-45-7.10. Adjustment when child becomes emancipated.**

339 (1) When a child becomes 18 years of age or graduates from high school during the  
340 child's normal and expected year of graduation, whichever occurs later, or if the child dies,  
341 marries, becomes a member of the armed forces of the United States, or is emancipated [~~by~~  
342 ~~court order pursuant to~~] in accordance with Title 78, Chapter 3a, Part 10, Emancipation, the  
343 base child support award is automatically adjusted to the base combined child support  
344 obligation for the remaining number of children due child support, shown in the table that was  
345 used to establish the most recent order, using the incomes of the parties as specified in that  
346 order or the worksheets, unless otherwise provided in the child support order.

347 (2) The award may not be reduced by a per child amount derived from the base child  
348 support award originally ordered.

349 (3) If the incomes of the parties are not specified in the most recent order or the  
350 worksheets, the information regarding the incomes is not consistent, or the order deviates from  
351 the guidelines, automatic adjustment of the order does not apply and the order will continue  
352 until modified by the issuing tribunal. If the order is deviated and the parties subsequently  
353 obtain a judicial order that adjusts the support back to the date of the emancipation of the child,  
354 the Office of Recovery Services may not be required to repay any difference in the support  
355 collected during the interim.

356 Section 7. Section **78-45-7.14** is amended to read:

357 **78-45-7.14. Base combined child support obligation table and low income table.**

358 [~~The following includes the Base Combined Child Support Obligation Table and the~~  
359 ~~Low Income Table:~~]

360 (1) If a child support order is established or modified on or before December 31, 2007,  
361 the tables in this Subsection (1) shall be used for a modification to that order made on or before  
362 December 31, 2009.

790 Section 8. Section **78-45-7.15** is amended to read:

791 **78-45-7.15. Medical expenses.**

792 (1) The court shall order that insurance for the medical expenses of the minor children  
793 be provided by a parent if it is available at a reasonable cost.

794 (2) In determining which parent shall be ordered to maintain insurance for medical  
795 expenses, the court or administrative agency may consider the:

- 796 (a) reasonableness of the cost;
- 797 (b) availability of a group insurance policy;
- 798 (c) coverage of the policy; and
- 799 (d) preference of the custodial parent.

800 (3) The order shall require each parent to share equally the out-of-pocket costs of the

801 premium actually paid by a parent for the children's portion of insurance.

802 (4) The parent who provides the insurance coverage may receive credit against the base  
803 child support award or recover the other parent's share of the children's portion of the premium.  
804 In cases in which the parent does not have insurance but another member of the parent's  
805 household provides insurance coverage for the children, the parent may receive credit against  
806 the base child support award or recover the other parent's share of the children's portion of the  
807 premium.

808 (5) The children's portion of the premium is a per capita share of the premium actually  
809 paid. The premium expense for the children shall be calculated by dividing the premium  
810 amount by the number of persons covered under the policy and multiplying the result by the  
811 number of children in the instant case.

812 (6) The order shall require each parent to share equally all reasonable and necessary  
813 uninsured medical expenses incurred for the dependent children, including but not limited to  
814 deductibles and copayments[~~incurred for the dependent children~~].

815 (7) The parent ordered to maintain insurance shall provide verification of coverage to  
816 the other parent, or to the Office of Recovery Services under Title IV of the Social Security  
817 Act, 42 U.S.C. Section 601 et seq., upon initial enrollment of the dependent children, and  
818 thereafter on or before January 2 of each calendar year. The parent shall notify the other  
819 parent, or the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C.  
820 Section 601 et seq., of any change of insurance carrier, premium, or benefits within 30 calendar  
821 days of the date [he] the parent first knew or should have known of the change.

822 (8) A parent who incurs medical expenses shall provide written verification of the cost  
823 and payment of medical expenses to the other parent within 30 days of payment.

824 (9) In addition to any other sanctions provided by the court, a parent incurring medical  
825 expenses may be denied the right to receive credit for the expenses or to recover the other  
826 parent's share of the expenses if that parent fails to comply with Subsections (7) and (8).
