262 Title 63, Chapter 46b, Administrative Procedures Act, unless the division finds the failure to  
263 submit to the examination ordered under this section was due to circumstances beyond the  
264 control of the nurse and was not related directly to the illness or incapacity of the nurse.

265 (5) (a) A nurse whose license is suspended under Subsection (2), (3), or (4)(c) has the  
266 right to a hearing to appeal the suspension within ten days after the license is suspended.

268 Sections 58-1-108 and 58-1-109 for the sole purpose of determining if sufficient basis exists  
269 for the continuance of the order of suspension in order to prevent harm to the nurse's patients or  
270 the general public.

271 (6) A nurse whose license is revoked, suspended, or in any way restricted under this  
272 section may request the division and the board to consider, at reasonable intervals, evidence  
273 presented by the nurse, under procedures established by division rule, regarding any change in  
274 the nurse's condition, to determine whether:

276 (b) he is qualified to have his license to practice under this chapter restored completely  
277 or in part.

278 (7) Nothing in Section 63-2-206 may be construed as limiting the authority of the

280 information system for transmission to party states as required of the division by Article VII of  
281 the Nurse Licensure Compact in Section 58-31c-102.

312 administrative finding of a violation of the same section, the licensee may not be assessed an  
313 administrative fine under this chapter for the same offense for which the conviction was  
314 obtained.

315 (6) (a) If upon inspection or investigation, the division concludes that a person has  
316 violated the provisions of Sections 58-31b-401, 58-31b-501, or 58-31b-502, Chapter 1,
