**S.B. 76 - State Parks and Recreation Amendments**

**Fiscal Note**

2008 General Session

State of Utah

---

---

**State Impact**

Enactment of this bill will not require additional appropriations. However, the bill allows the Board of Parks and Recreation to increase fees for off-highway vehicle (OHV) registrations, as well as for OHV training and boating safety courses, beyond the levels currently set in statute. This could generate additional revenue in future years.

---

**Individual, Business and/or Local Impact**

A potential fees increase would result in higher costs to boaters and off-highway vehicle users.
