19 *Be it resolved by the Senate of the state of Utah:*

20                   WHEREAS, it is our belief that it is the responsibility of the United States to promote  
21 the values of freedom and democracy, a commitment to open markets, and the free exchange of  
22 goods and ideas both at home and abroad;

23                   WHEREAS, the Republic of China on Taiwan shares these values and has struggled  
24 throughout the past 50 years to create what is an open and thriving democracy;

25                   WHEREAS, despite being a member of the World Trade Organization since 2002,  
26 Taiwan has no formal trade agreement with the United States;

27                   WHEREAS, however, Taiwan has emerged as the United States' eighth largest trading

28 partner, the 11th largest export market, and the fifth largest farm products market;

29 WHEREAS, the United States is Taiwan's largest trading partner, and American  
30 businesses have benefitted greatly from this dynamic trade relationship;

31 WHEREAS, in terms of labor, environmental, and intellectual property protection  
32 standards, Taiwan is a model for advanced economies;

33 WHEREAS, a free trade agreement with Taiwan will enable United States' firms to  
34 leverage Taiwan's role as a gateway to Asia, with Taiwan serving as a secure platform and  
35 springboard for innovation and market access;

36 WHEREAS, a free trade agreement with Taiwan would provide United States' firms  
37 with a base of operations from which to export goods and services into the greater China region  
38 and Southeast Asia;

39 WHEREAS, a free trade agreement with Taiwan would extend the coverage of World  
40 Trade Organization agreements to products, sectors, and conditions of trade not adequately  
41 covered;

42 WHEREAS, over the past two decades, Taiwan has emerged as one of the United  
43 States' most important allies in Asia and throughout the world;

44 WHEREAS, Taiwan has forged an open, market-based economy and a thriving  
45 democracy based on free elections and the freedom of dissent, and it is in the interest of the  
46 United States to encourage the development of both of these institutions;

47 WHEREAS, the United States has an obligation to its allies and to its own citizens to  
48 encourage economic growth, market openings, and the destruction of trade barriers as a means  
49 of raising living standards; and

50 WHEREAS, a free trade agreement with Taiwan would be a positive step toward  
51 accomplishing these important goals:

52 NOW, THEREFORE, BE IT RESOLVED that the Senate of the state of Utah urges the  
53 President of the United States and the United States Congress to support a free trade agreement  
54 between the United States and the Republic of China on Taiwan.

55 BE IT FURTHER RESOLVED that a copy of this resolution be sent to the President of  
56 the United States, the President of the United States Senate, the Speaker of the United States  
57 House of Representatives, the President of the Republic of China on Taiwan, and the members  
58 of Utah's congressional delegation.
