87 (15) (a) A board shall make and enforce rules necessary for the control and
88 management of the district schools.

89 (b) All board rules and policies shall be in writing, filed, and referenced for public

90 access.

91 (16) A board may hold school on legal holidays other than Sundays.

92 (17) (a) Each board shall establish for each school year a school traffic safety
93 committee to implement this Subsection (17).

94 (b) The committee shall be composed of one representative of:

95 (i) the schools within the district;

96 (ii) the Parent Teachers' Association of the schools within the district;

97 (iii) the municipality or county;

98 (iv) state or local law enforcement; and

99 (v) state or local traffic safety engineering.

100 (c) The committee shall:

101 (i) receive suggestions from parents, teachers, and others and recommend school traffic
102 safety improvements, boundary changes to enhance safety, and school traffic safety program
103 measures;

104 (ii) review and submit annually to the Department of Transportation and affected
105 municipalities and counties a child access routing plan for each elementary, middle, and junior
106 high school within the district;

107 (iii) consult the Utah Safety Council and the Division of Family Health Services and
108 provide training to all school children in kindergarten through grade six, within the district, on
109 school crossing safety and use; and

110 (iv) help ensure the district's compliance with rules made by the Department of
111 Transportation under Section 41-6a-303.

112 (d) The committee may establish subcommittees as needed to assist in accomplishing
113 its duties under Subsection (17)(c).

114 (e) The board shall require the school community council of each elementary, middle,
115 and junior high school within the district to develop and submit annually to the committee a
116 child access routing plan.

117 (18) (a) Each school board shall adopt and implement a comprehensive emergency
118 response plan to prevent and combat violence in its public schools, on school grounds, on its
119 school vehicles, and in connection with school-related activities or events.

120 (b) The board shall implement its plan by July 1, 2000.

(c) The plan shall:

(i) include prevention, intervention, and response components;

(ii) be consistent with the student conduct and discipline policies required for school districts under Title 53A, Chapter 11, Part 9, School Discipline and Conduct Plans;

(iii) require inservice training for all district and school building staff on what their roles are in the emergency response plan; and

(iv) provide for coordination with local law enforcement and other public safety representatives in preventing, intervening, and responding to violence in the areas and activities referred to in Subsection (18)(a).

(d) The State Board of Education, through the state superintendent of public instruction, shall develop comprehensive emergency response plan models that local school boards may use, where appropriate, to comply with Subsection (18)(a).

(e) Each local school board shall, by July 1 of each year, certify to the State Board of Education that its plan has been practiced at the school level and presented to and reviewed by its teachers, administrators, students, and their parents and local law enforcement and public safety representatives.

(19) (a) Each local school board may adopt an emergency response plan for the treatment of sports-related injuries that occur during school sports practices and events.

(b) The plan may be implemented by each secondary school in the district that has a sports program for students.

(c) The plan may:

(i) include emergency personnel, emergency communication, and emergency equipment components;

(ii) require inservice training on the emergency response plan for school personnel who are involved in sports programs in the district's secondary schools; and

(iii) provide for coordination with individuals and agency representatives who:

(A) are not employees of the school district; and

(B) would be involved in providing emergency services to students injured while participating in sports events.

(d) The board, in collaboration with the schools referred to in Subsection (19)(b), may review the plan each year and make revisions when required to improve or enhance the plan.

(e) The State Board of Education, through the state superintendent of public instruction, shall provide local school boards with an emergency plan response model that local boards may use to comply with the requirements of this Subsection (19).

(20) A board shall do all other things necessary for the maintenance, prosperity, and success of the schools and the promotion of education.

(21) (a) Before closing a school or changing the boundaries of a school, a board shall:

(i) hold a public hearing, as defined in Section 10-9a-103; and

(ii) provide public notice of the public hearing, as specified in Subsection (21)(b).

(b) The notice of a public hearing required under Subsection (21)(a) shall:
