Be it enacted by the Legislature of the state of Utah:

Section 1. Section **10-9a-305** is amended to read:

10-9a-305. Other entities required to conform to municipality's land use

H.B. 259

ordinances -- Exceptions -- School districts and charter schools.

(1) (a) Each county, municipality, school district, charter school, local district, special service district, and political subdivision of the state shall conform to any applicable land use ordinance of any municipality when installing, constructing, operating, or otherwise using any area, land, or building situated within that municipality.

(b) In addition to any other remedies provided by law, when a municipality's land use ordinance is violated or about to be violated by another political subdivision, that municipality may institute an injunction, mandamus, abatement, or other appropriate action or proceeding to prevent, enjoin, abate, or remove the improper installation, improvement, or use.

(2) (a) Notwithstanding Subsection (1), a public transit district under Title 17B, Chapter 2a, Part 8, Public Transit District Act, is not required to conform to any applicable land use ordinance of a municipality located within the boundaries of a county of the first class when constructing a:

(i) rail fixed guideway public transit facility that extends across two or more counties; or

(ii) structure that serves a rail fixed guideway public transit facility that extends across two or more counties, including:

(A) platforms;

(B) passenger terminals or stations;

(C) park and ride facilities;

(D) maintenance facilities;

(E) all related utility lines, roadways, and other facilities serving the public transit facility; or

(F) other auxiliary facilities.

(b) The exemption from municipal land use ordinances under this Subsection (2) does not extend to any property not necessary for the construction or operation of a rail fixed guideway public transit facility.

(c) A municipality located within the boundaries of a county of the first class may not, through an agreement under Title 11, Chapter 3, Interlocal Cooperation Act, require a public transit district under Title 17B, Chapter 2a, Part 8, Public Transit District Act, to obtain approval from the municipality prior to constructing a:

(i) rail fixed guideway public transit facility that extends across two or more counties; or

(ii) structure that serves a rail fixed guideway public transit facility that extends across two or more counties, including:

(A) platforms;

(B) passenger terminals or stations;

(C) park and ride facilities;

(D) maintenance facilities;

(E) all related utility lines, roadways, and other facilities serving the public transit facility; or

(F) other auxiliary facilities.

(3) (a) Except as provided in Subsection (4), a school district or charter school is subject to a municipality's land use ordinances.

(b) (i) Notwithstanding Subsection (4), a municipality may:

(A) subject a charter school to standards within each zone pertaining to setback, height, bulk and massing regulations, off-site parking, curb cut, traffic circulation, and construction staging; and

(B) impose regulations upon the location of a project that are necessary to avoid unreasonable risks to health or safety, as provided in Subsection (4)(f).

(ii) The standards to which a municipality may subject a charter school under Subsection (3)(b)(i) shall be objective standards only and may not be subjective.

(iii) Except as provided in Subsection (8)(d), the only basis upon which a municipality may deny or withhold approval of a charter school's land use application is the charter school's failure to comply with a standard imposed under Subsection (3)(b)(i).

(iv) Nothing in Subsection (3)(b)(iii) may be construed to relieve a charter school of an obligation to comply with a requirement of an applicable building or safety code to which it is otherwise obligated to comply.

(4) A municipality may not:

(a) impose requirements for landscaping, fencing, aesthetic considerations, construction methods or materials, additional building inspections, municipal building codes, building use for educational purposes, or the placement or use of temporary classroom facilities

on school property;

(b) except as otherwise provided in this section, require a school district or charter school to participate in the cost of any roadway or sidewalk, or a study on the impact of a school on a roadway or sidewalk, that is not reasonably necessary for the safety of school children and not located on or contiguous to school property, unless the roadway or sidewalk is required to connect an otherwise isolated school site to an existing roadway;

(c) require a district or charter school to pay fees not authorized by this section;

(d) provide for inspection of school construction or assess a fee or other charges for inspection, unless the school district or charter school is unable to provide for inspection by an inspector, other than the project architect or contractor, who is qualified under criteria established by the state superintendent;

(e) require a school district or charter school to pay any impact fee [~~for an improvement project unless the impact fee is imposed as provided in Title 11, Chapter 36, Impact Fees Act~~]; or

(f) impose regulations upon the location of a project except as necessary to avoid unreasonable risks to health or safety.

(5) Subject to Section 53A-20-108, a school district or charter school shall coordinate the siting of a new school with the municipality in which the school is to be located, to:

(a) avoid or mitigate existing and potential traffic hazards, including consideration of the impacts between the new school and future highways; and

(b) maximize school, student, and site safety.

(6) Notwithstanding Subsection (4)(d), a municipality may, at its discretion:

(a) provide a walk-through of school construction at no cost and at a time convenient to the district or charter school; and

(b) provide recommendations based upon the walk-through.

(7) (a) Notwithstanding Subsection (4)(d), a school district or charter school shall use:

(i) a municipal building inspector;

(ii) (A) for a school district, a school district building inspector from that school district; or

(B) for a charter school, a school district building inspector from the school district in which the charter school is located; or

(iii) an independent, certified building inspector who is:

(A) not an employee of the contractor;

(B) approved by:

(I) a municipal building inspector; or

(II) (Aa) for a school district, a school district building inspector from that school district; or

(Bb) for a charter school, a school district building inspector from the school district in which the charter school is located; and

(C) licensed to perform the inspection that the inspector is requested to perform.

(b) The approval under Subsection (7)(a)(iii)(B) may not be unreasonably withheld.

(c) If a school district or charter school uses a school district or independent building inspector under Subsection (7)(a)(ii) or (iii), the school district or charter school shall submit to the state superintendent of public instruction and municipal building official, on a monthly basis during construction of the school building, a copy of each inspection certificate regarding the school building.

(8) (a) A charter school shall be considered a permitted use in all zoning districts within a municipality.

(b) Each land use application for any approval required for a charter school, including an application for a building permit, shall be processed on a first priority basis.

(c) Parking requirements for a charter school may not exceed the minimum parking requirements for schools or other institutional public uses throughout the municipality.

(d) If a municipality has designated zones for a sexually oriented business, or a business which sells alcohol, a charter school may be prohibited from a location which would otherwise defeat the purpose for the zone unless the charter school provides a waiver.

(e) (i) A school district or a charter school may seek a certificate authorizing permanent occupancy of a school building from:

(A) the state superintendent of public instruction, as provided in Subsection 53A-20-104(3), if the school district or charter school used an independent building inspector for inspection of the school building; or

(B) a municipal official with authority to issue the certificate, if the school district or charter school used a municipal building inspector for inspection of the school building.

(ii) A school district may issue its own certificate authorizing permanent occupancy of a school building if it used its own building inspector for inspection of the school building, subject to the notification requirement of Subsection 53A-20-104(3)(a)(ii).

(iii) A charter school may seek a certificate authorizing permanent occupancy of a school building from a school district official with authority to issue the certificate, if the charter school used a school district building inspector for inspection of the school building.

(iv) A certificate authorizing permanent occupancy issued by the state superintendent of public instruction under Subsection 53A-20-104(3) or a school district official with authority to issue the certificate shall be considered to satisfy any municipal requirement for an inspection or a certificate of occupancy.

Section 2. Section **11-36-201** is amended to read:

11-36-201. Impact fees -- Analysis -- Capital facilities plan -- Notice of plan -- Summary -- Exemptions.

(1) (a) Each local political subdivision and private entity shall comply with the requirements of this chapter before establishing or modifying any impact fee.

(b) A local political subdivision may not:

(i) establish any new impact fees that are not authorized by this chapter; or

(ii) impose or charge any other fees as a condition of development approval unless those fees are a reasonable charge for the service provided.

(c) Notwithstanding any other requirements of this chapter, each local political subdivision shall ensure that each existing impact fee that is charged for any public facility not authorized by Subsection 11-36-102(12) is repealed by July 1, 1995.

(d) (i) Existing impact fees that a local political subdivision charges for public facilities authorized in Subsection 11-36-102(12) need not comply with the requirements of this chapter until July 1, 1997.

(ii) By July 1, 1997, each local political subdivision shall:

(A) review any impact fees in existence as of the effective date of this act, and prepare and approve the analysis required by this section for each of those impact fees; and

(B) ensure that the impact fees comply with the requirements of this chapter.

(2) (a) Before imposing impact fees, each local political subdivision and private entity shall, except as provided in Subsection (2)(f), prepare a capital facilities plan.

(b) (i) As used in this Subsection (2)(b):

(A) (I) "Affected entity" means each county, municipality, local district under Title 17B, Limited Purpose Local Government Entities - Local Districts, special service district under Title 17D, Chapter 1, Special Service District Act, school district, interlocal cooperation entity established under Chapter 13, Interlocal Cooperation Act, and specified public utility:

(Aa) whose services or facilities are likely to require expansion or significant modification because of the facilities proposed in the proposed capital facilities plan; or

(Bb) that has filed with the local political subdivision or private entity a copy of the general or long-range plan of the county, municipality, local district, special service district, school district, interlocal cooperation entity, or specified public utility.

(II) "Affected entity" does not include the local political subdivision or private entity that is required under this Subsection (2) to provide notice.

(B) "Specified public utility" means an electrical corporation, gas corporation, or telephone corporation, as those terms are defined in Section 54-2-1.

(ii) Before preparing or amending a capital facilities plan, each local political subdivision and each private entity shall provide written notice, as provided in this Subsection (2)(b), of its intent to prepare or amend a capital facilities plan.

(iii) Each notice under Subsection (2)(b)(ii) shall:

(A) indicate that the local political subdivision or private entity intends to prepare or amend a capital facilities plan;

(B) describe or provide a map of the geographic area where the proposed capital facilities will be located;

(C) be sent to:

(I) each county in whose unincorporated area and each municipality in whose boundaries is located the land on which the proposed facilities will be located;

(II) each affected entity;

(III) the Automated Geographic Reference Center created in Section 63F-1-506;

(IV) the association of governments, established pursuant to an interlocal agreement under [~~Title 11,~~] Chapter 13, Interlocal Cooperation Act, in which the facilities are proposed to be located;

(V) the state planning coordinator appointed under Section 63J-4-202;

(VI) the registered agent of the Utah Home Builders Association;

(VII) the registered agent of the Utah Association of Realtors; and

(VIII) the registered agent of the Utah Chapter of the Associated General Contractors of America; and

(D) with respect to the notice to an affected entity, invite the affected entity to provide information for the local political subdivision or private entity to consider in the process of preparing, adopting, and implementing or amending a capital facilities plan concerning:

(I) impacts that the facilities proposed in the capital facilities plan may have on the affected entity; and

(II) facilities or uses of land that the affected entity is planning or considering that may conflict with the facilities proposed in the capital facilities plan.

(c) The plan shall identify:

(i) demands placed upon existing public facilities by new development activity; and

(ii) the proposed means by which the local political subdivision will meet those demands.

(d) A municipality or county need not prepare a separate capital facilities plan if the general plan required by Section 10-9a-401 or 17-27a-401, respectively, contains the elements required by Subsection (2)(c).

(e) (i) If a local political subdivision chooses to prepare an independent capital facilities plan rather than include a capital facilities element in the general plan, the local political subdivision shall:

(A) before preparing or contracting to prepare or amending or contracting to amend the independent capital facilities plan, send written notice:

(I) to:

(Aa) the registered agent of the Utah Home Builders Association;

(Bb) the registered agent of the Utah Association of Realtors; and

(Cc) the registered agent of the Utah Chapter of the Associated General Contractors of America;

(II) stating the local political subdivision's intent to prepare or amend a capital facilities plan; and

(III) inviting each of the notice recipients to participate in the preparation of or

amendment to the capital facilities plan; and

(B) before adopting or amending the capital facilities plan:

(I) give public notice of the plan or amendment according to Subsection (2)(e)(ii)(A), (B), or (C), as the case may be, at least 14 days before the date of the public hearing;

(II) make a copy of the plan or amendment, together with a summary designed to be understood by a lay person, available to the public;

(III) place a copy of the plan or amendment and summary in each public library within the local political subdivision; and

(IV) hold a public hearing to hear public comment on the plan or amendment.

(ii) With respect to the public notice required under Subsection (2)(e)(i)(B)(I):

(A) each municipality shall comply with the notice and hearing requirements of, and, except as provided in Subsection 11-36-401(4)(f), receive the protections of Sections 10-9a-205 and 10-9a-801 and Subsection 10-9a-502(2);

(B) each county shall comply with the notice and hearing requirements of, and, except as provided in Subsection 11-36-401(4)(f), receive the protections of Sections 17-27a-205 and 17-27a-801 and Subsection 17-27a-502(2); and

(C) each local district, special service district, and private entity shall comply with the notice and hearing requirements of, and receive the protections of, Section 17B-1-111.

(iii) Nothing contained in this Subsection (2)(e) or in the subsections referenced in Subsections (2)(e)(ii)(A) and (B) may be construed to require involvement by a planning commission in the capital facilities planning process.

(f) (i) A local political subdivision with a population or serving a population of less than 5,000 as of the last federal census need not comply with the capital facilities plan requirements of this part, but shall ensure that:

(A) the impact fees that the local political subdivision imposes are based upon a reasonable plan; and

(B) each applicable notice required by this chapter is given.

(ii) Subsection (2)(f)(i) does not apply to private entities.

(3) In preparing the plan, each local political subdivision shall generally consider all revenue sources, including impact fees, to finance the impacts on system improvements.

(4) A local political subdivision or private entity may only impose impact fees on

development activities when its plan for financing system improvements establishes that impact fees are necessary to achieve an equitable allocation to the costs borne in the past and to be borne in the future, in comparison to the benefits already received and yet to be received.

(5) (a) Subject to the notice requirement of Subsection (5)(b), each local political subdivision and private entity intending to impose an impact fee shall prepare a written analysis of each impact fee that:

(i) identifies the impact on system improvements required by the development activity;

(ii) demonstrates how those impacts on system improvements are reasonably related to the development activity;

(iii) estimates the proportionate share of the costs of impacts on system improvements that are reasonably related to the new development activity; and

(iv) based upon those factors and the requirements of this chapter, identifies how the impact fee was calculated.

(b) Before preparing or contracting to prepare the written analysis required under Subsection (5)(a), each local political subdivision or private entity shall provide:

(i) public notice; and

(ii) written notice:

(A) to:

(I) the registered agent of the Utah Home Builders Association;

(II) the registered agent of the Utah Association of Realtors; and

(III) the registered agent of the Utah Chapter of the Associated General Contractors of America;

(B) indicating the local political subdivision or private entity's intent to prepare or contract to prepare a written analysis of an impact fee; and

(C) inviting each notice recipient to participate in the preparation of the written analysis.

(c) In analyzing whether or not the proportionate share of the costs of public facilities are reasonably related to the new development activity, the local political subdivision or private entity, as the case may be, shall identify, if applicable:

(i) the cost of existing public facilities;

(ii) the manner of financing existing public facilities, such as user charges, special

assessments, bonded indebtedness, general taxes, or federal grants;

(iii) the relative extent to which the newly developed properties and other properties have already contributed to the cost of existing public facilities, by such means as user charges, special assessments, or payment from the proceeds of general taxes;

(iv) the relative extent to which the newly developed properties and other properties will contribute to the cost of existing public facilities in the future;

(v) the extent to which the newly developed properties are entitled to a credit because the local political subdivision or private entity, as the case may be, requires its developers or owners, by contractual arrangement or otherwise, to provide common facilities, inside or outside the proposed development, that have been provided by the local political subdivision or private entity, respectively, and financed through general taxation or other means, apart from user charges, in other parts of the service area;

(vi) extraordinary costs, if any, in servicing the newly developed properties; and

(vii) the time-price differential inherent in fair comparisons of amounts paid at different times.

(d) Each local political subdivision and private entity that prepares a written analysis under this Subsection (5) on or after July 1, 2000 shall also prepare a summary of the written analysis, designed to be understood by a lay person.

(6) Each local political subdivision that adopts an impact fee enactment under Section 11-36-202 on or after July 1, 2000 shall, at least 14 days before adopting the enactment, submit a copy of the written analysis required by Subsection (5)(a) and a copy of the summary required by Subsection (5)(d) to:

(a) each public library within the local political subdivision;

(b) the registered agent of the Utah Home Builders Association;

(c) the registered agent of the Utah Association of Realtors; and

(d) the registered agent of the Utah Chapter of the Associated General Contractors of America.

(7) Nothing in this chapter may be construed:

(a) to repeal or otherwise eliminate any impact fee in effect on the effective date of this chapter that is pledged as a source of revenues to pay bonded indebtedness that was incurred before the effective date of this chapter[.]; or

(b) to authorize the imposition of an impact fee on a school district or charter school.

Ĥ→ (8) A local political subdivision or private entity may not increase the amount of an impact fee if the reason for the increase is to recoup a reduction of revenue resulting from application of Subsection (7)(b). ←Ĥ

Section 3. Section **17-27a-305** is amended to read:

17-27a-305. Other entities required to conform to county's land use ordinances -- Exceptions -- School districts and charter schools.

(1) (a) Each county, municipality, school district, charter school, local district, special service district, and political subdivision of the state shall conform to any applicable land use ordinance of any county when installing, constructing, operating, or otherwise using any area, land, or building situated within the unincorporated portion of the county.

(b) In addition to any other remedies provided by law, when a county's land use ordinance is violated or about to be violated by another political subdivision, that county may institute an injunction, mandamus, abatement, or other appropriate action or proceeding to prevent, enjoin, abate, or remove the improper installation, improvement, or use.

(2) (a) Notwithstanding Subsection (1), a public transit district under Title 17B, Chapter 2a, Part 8, Public Transit District Act, is not required to conform to any applicable land use ordinance of a county of the first class when constructing a:

(i) rail fixed guideway public transit facility that extends across two or more counties; or

(ii) structure that serves a rail fixed guideway public transit facility that extends across two or more counties, including:

(A) platforms;

(B) passenger terminals or stations;

(C) park and ride facilities;

(D) maintenance facilities;

(E) all related utility lines, roadways, and other facilities serving the public transit facility; or

(F) other auxiliary facilities.

(b) The exemption from county land use ordinances under this Subsection (2) does not extend to any property not necessary for the construction or operation of a rail fixed guideway public transit facility.

(c) A county of the first class may not, through an agreement under Title 11, Chapter 3, Interlocal Cooperation Act, require a public transit district under Title 17B, Chapter 2a, Part 8,

Public Transit District Act, to obtain approval from the county prior to constructing a:

(i) rail fixed guideway public transit facility that extends across two or more counties; or

(ii) structure that serves a rail fixed guideway public transit facility that extends across two or more counties, including:

(A) platforms;

(B) passenger terminals or stations;

(C) park and ride facilities;

(D) maintenance facilities;

(E) all related utility lines, roadways, and other facilities serving the public transit facility; or

(F) other auxiliary facilities.

(3) (a) Except as provided in Subsection (4), a school district or charter school is subject to a county's land use ordinances.

(b) (i) Notwithstanding Subsection (4), a county may:

(A) subject a charter school to standards within each zone pertaining to setback, height, bulk and massing regulations, off-site parking, curb cut, traffic circulation, and construction staging; and

(B) impose regulations upon the location of a project that are necessary to avoid unreasonable risks to health or safety, as provided in Subsection (4)(f).

(ii) The standards to which a county may subject a charter school under Subsection (3)(b)(i) shall be objective standards only and may not be subjective.

(iii) Except as provided in Subsection (8)(d), the only basis upon which a county may deny or withhold approval of a charter school's land use application is the charter school's failure to comply with a standard imposed under Subsection (3)(b)(i).

(iv) Nothing in Subsection (3)(b)(iii) may be construed to relieve a charter school of an obligation to comply with a requirement of an applicable building or safety code to which it is otherwise obligated to comply.

(4) A county may not:

(a) impose requirements for landscaping, fencing, aesthetic considerations, construction methods or materials, additional building inspections, county building codes,

building use for educational purposes, or the placement or use of temporary classroom facilities on school property;

(b) except as otherwise provided in this section, require a school district or charter school to participate in the cost of any roadway or sidewalk, or a study on the impact of a school on a roadway or sidewalk, that is not reasonably necessary for the safety of school children and not located on or contiguous to school property, unless the roadway or sidewalk is required to connect an otherwise isolated school site to an existing roadway;

(c) require a district or charter school to pay fees not authorized by this section;

(d) provide for inspection of school construction or assess a fee or other charges for inspection, unless the school district or charter school is unable to provide for inspection by an inspector, other than the project architect or contractor, who is qualified under criteria established by the state superintendent;

(e) require a school district or charter school to pay any impact fee [~~for an improvement project unless the impact fee is imposed as provided in Title 11, Chapter 36, Impact Fees Act~~]; or

(f) impose regulations upon the location of a project except as necessary to avoid unreasonable risks to health or safety.

(5) Subject to Section 53A-20-108, a school district or charter school shall coordinate the siting of a new school with the county in which the school is to be located, to:

(a) avoid or mitigate existing and potential traffic hazards, including consideration of the impacts between the new school and future highways; and

(b) maximize school, student, and site safety.

(6) Notwithstanding Subsection (4)(d), a county may, at its discretion:

(a) provide a walk-through of school construction at no cost and at a time convenient to the district or charter school; and

(b) provide recommendations based upon the walk-through.

(7) (a) Notwithstanding Subsection (4)(d), a school district or charter school shall use:

(i) a county building inspector;

(ii) (A) for a school district, a school district building inspector from that school district; or

(B) for a charter school, a school district building inspector from the school district in

which the charter school is located; or

(iii) an independent, certified building inspector who is:

(A) not an employee of the contractor;

(B) approved by:

(I) a county building inspector; or

(II) (Aa) for a school district, a school district building inspector from that school district; or

(Bb) for a charter school, a school district building inspector from the school district in which the charter school is located; and

(C) licensed to perform the inspection that the inspector is requested to perform.

(b) The approval under Subsection (7)(a)(iii)(B) may not be unreasonably withheld.

(c) If a school district or charter school uses a school district or independent building inspector under Subsection (7)(a)(ii) or (iii), the school district or charter school shall submit to the state superintendent of public instruction and county building official, on a monthly basis during construction of the school building, a copy of each inspection certificate regarding the school building.

(8) (a) A charter school shall be considered a permitted use in all zoning districts within a county.

(b) Each land use application for any approval required for a charter school, including an application for a building permit, shall be processed on a first priority basis.

(c) Parking requirements for a charter school may not exceed the minimum parking requirements for schools or other institutional public uses throughout the county.

(d) If a county has designated zones for a sexually oriented business, or a business which sells alcohol, a charter school may be prohibited from a location which would otherwise defeat the purpose for the zone unless the charter school provides a waiver.

(e) (i) A school district or a charter school may seek a certificate authorizing permanent occupancy of a school building from:

(A) the state superintendent of public instruction, as provided in Subsection 53A-20-104(3), if the school district or charter school used an independent building inspector for inspection of the school building; or

(B) a county official with authority to issue the certificate, if the school district or

charter school used a county building inspector for inspection of the school building.

(ii) A school district may issue its own certificate authorizing permanent occupancy of a school building if it used its own building inspector for inspection of the school building, subject to the notification requirement of Subsection 53A-20-104(3)(a)(ii).

(iii) A charter school may seek a certificate authorizing permanent occupancy of a school building from a school district official with authority to issue the certificate, if the charter school used a school district building inspector for inspection of the school building.

(iv) A certificate authorizing permanent occupancy issued by the state superintendent of public instruction under Subsection 53A-20-104(3) or a school district official with authority to issue the certificate shall be considered to satisfy any county requirement for an inspection or a certificate of occupancy.
