59 (5) "Best interest" means that the benefits to the person resulting from a treatment  
60 outweigh the burdens to the person resulting from the treatment, taking into account:

61 (a) the effect of the treatment on the physical, emotional, and cognitive functions of the  
62 person;

63 (b) the degree of physical pain or discomfort caused to the person by the treatment or  
64 the withholding or withdrawal of treatment;

65 (c) the degree to which the person's medical condition, the treatment, or the  
66 withholding or withdrawal of treatment, result in a severe and continuing impairment of the  
67 dignity of the person by subjecting the person to humiliation and dependency;

68 (d) the effect of the treatment on the life expectancy of the person;

69 (e) the prognosis of the person for recovery with and without the treatment;

- 165 (1) An adult is presumed to have:
- 166 (a) health care decision making capacity; and
- 167 (b) capacity to make or revoke an advance health care directive.
- 168 (2) To overcome the presumption of capacity described in Subsection (1)(a), a

- 170 adult and assessed the adult's health care decision making capacity must:
- 171 (a) find that the adult lacks health care decision making capacity;
- 172 (b) record the finding in the adult's medical chart including an indication of whether
- 173 the adult is likely to regain health care decision making capacity; and
- 174 (c) make a reasonable effort to communicate the determination to:
- 175 (i) the adult;
- 176 (ii) other health care providers or health care facilities that the [~~physician or APRN~~]
- 177 person who makes the finding would routinely inform of such a finding; and
- 178 (iii) if the adult has a surrogate, any known surrogate.
- 179 (3) (a) [~~If a physician or APRN finds that an adult lacks~~] An adult who is found to lack
- 180 health care decision making capacity in accordance with Subsection (2)[~~, the adult~~] may, at any

193 challenges the finding under Subsection (3)(a).

194 (e) If an adult does not challenge the finding described in Subsection (2), the health  
195 care provider and health care facility may rely on a surrogate, pursuant to the provisions of this  
196 chapter, to make health care decisions for the adult.

197 (4) A health care provider or health care facility that relies on a surrogate to make  
198 decisions on behalf of an adult has an ongoing obligation to consider whether the adult  
199 continues to lack health care decision making capacity.

200 (5) If at any time a health care provider finds, based on an examination and assessment,  
201 that the adult has regained health care decision making capacity, the health care provider shall  
202 record the results of the assessment in the adult's medical record, and the adult can direct the  
203 adult's own health care.

204 Section 3. Section **75-2a-106** is amended to read:

226 (A) the person; or  
227 (B) an adult who is directed by the person to sign the life with dignity order on behalf  
228 of the person;  
229 (ii) if the person to whom the life with dignity order relates is an adult who lacks health

234 (C) a person directed to sign the order by, and on behalf of, the persons described in  
235 Subsection (3)(b)(ii)(A) or (B); or  
236 (iii) if the person to whom the life with dignity order relates is a minor, by a parent or

246 the order relates; and

247 (d) may direct that life sustaining care be withheld or withdrawn from the person to  
248 whom the order relates.

249 (6) A health care provider or emergency medical service provider, licensed or certified  
250 under Title 26, Chapter 8a, Utah Emergency Medical Services System Act, is immune from  
251 civil or criminal liability, and is not subject to discipline for unprofessional conduct, for:

252 (a) complying with a life with dignity order in good faith; or  
253 (b) providing life sustaining treatment to a person when a life with dignity order directs  
254 that the life sustaining treatment be withheld or withdrawn.

255 (7) To the extent that the provisions of a life with dignity order described in this  
256 section conflict with the provisions of an advance health care directive made under Section  
257 75-2a-107, the provisions of the life with dignity order take precedence.

258 (8) An adult, or a parent or guardian of a minor, may revoke a life with dignity order  
259 by:

260 (a) orally informing emergency service personnel;  
261 (b) writing "void" across the form;  
262 (c) burning, tearing, or otherwise destroying or defacing:

282 the emergency ends.

283 (10) (a) The Department of Health shall adopt rules, in accordance with Title 63G,  
284 Chapter 3, Utah Administrative Rulemaking Act, to:

293 **75-2a-109. Effect of current health care preferences -- When a surrogate may act.**

294 (1) An adult with health care decision making capacity retains the right to make health  
295 care decisions as long as the adult has health care decision making capacity as defined in  
296 Section 75-2a-103. For purposes of this chapter, the inability to communicate through speech  
297 does not mean that the adult lacks health care decision making capacity.

298 (2) An adult's current health care decisions, however expressed or indicated, always  
299 supersede an adult's prior decisions or health care directives.

300 (3) Unless otherwise directed in an advance health care directive, an advance health  
301 care directive or the authority of a surrogate to make health care decisions on behalf of an  
302 adult:

303 (a) is effective only after a physician, physician assistant, psychologist, or APRN  
304 makes a determination of incapacity as provided in Section 75-2a-104;

305 (b) remains in effect during any period of time in which the declarant lacks capacity to  
306 make health care decisions; and

307 (c) ceases to be effective when:

308 (i) a declarant disqualifies a surrogate or revokes the advance health care directive;

309 (ii) a health care provider finds that the declarant has health care decision making  
310 capacity;

311 (iii) a court issues an order invalidating a health care directive; or

312 (iv) the declarant has challenged the finding of incapacity under the provisions of

313 Subsection 75-2a-104(3).

314 Section 5. Section **75-2a-117** is amended to read:

315 **75-2a-117. Optional form.**

316 (1) The form created in Subsection (2), or a substantially similar form, is presumed
