

Senator Gregory S. Bell proposes the following substitute bill:

**RESOLUTION DESIGNATING SEPTEMBER
2009 AS HYDROCEPHALUS AWARENESS
MONTH AND URGING NATIONAL REGISTRY**

2009 GENERAL SESSION

STATE OF UTAH

Chief Sponsor: Gregory S. Bell

LONG TITLE

General Description:

This resolution of the Senate designates September 2009 as Hydrocephalus Awareness Month, and urges the Federal government to create a national registry for collecting comprehensive statistics and data regarding Hydrocephalus.

Highlighted Provisions:

This resolution:

- ▶ designates September 2009 as Hydrocephalus Awareness Month in the state of Utah; and
- ▶ urges the Federal government to create a national registry for collecting comprehensive statistics and data regarding Hydrocephalus and its impact on American families.

Special Clauses:

None

Be it resolved by the Senate of the state of Utah:

WHEREAS, hydrocephalus is a serious neurological condition characterized by the abnormal buildup of cerebrospinal fluids in the ventricles of the brain;

26 WHEREAS, there is no known cure for hydrocephalus, which affects an estimated one
27 million Americans;

28 WHEREAS, one in every 2,700 infants are born with hydrocephalus;

29 WHEREAS, more than 375,000 older Americans have hydrocephalus, which often
30 remains undetected or incorrectly diagnosed as dementia, Alzheimer's disease, or Parkinson's
31 disease;

32 WHEREAS, with appropriate diagnosis and treatment, people with hydrocephalus have
33 the opportunity to live full and productive lives;

34 WHEREAS, the standard treatment for hydrocephalus was developed in 1952 and
35 unfortunately carries multiple risks including shunt failure, infection, and over drainage;

36 WHEREAS, each year American taxpayers spend more than \$1 billion to treat
37 hydrocephalus;

38 WHEREAS, the Hydrocephalus Association is one of the nation's oldest and largest
39 patient and research advocacy and support networks for individuals suffering from
40 hydrocephalus; and

41 WHEREAS, the Federal government should create a registry for collecting data and
42 statistics on the impact of hydrocephalus:

43 NOW, THEREFORE, BE IT RESOLVED that the Senate of the state of Utah
44 designates September 2009 as Hydrocephalus Awareness Month in the state of Utah.

45 BE IT FURTHER RESOLVED that the Legislature of the state of Utah urges the
46 Federal government to create a national registry for collecting comprehensive statistics and
47 data regarding hydrocephalus and its impact on American families.

48 BE IT FURTHER RESOLVED that a copy of this resolution be sent to the
49 Hydrocephalus Association, the United States Department of Health and Human Services, the
50 Utah Department of Health, and to the members of Utah's congressional delegation.
