- (b) The district may maintain a school program which exceeds the cost of the program referred to in Section 53A-17a-145 with this voted leeway.
  - (c) In order to receive state support the first year, a district must receive voter approval no later than December 1 of the year prior to implementation.
  - (3) (a) Under the voted leeway program, the state shall contribute an amount sufficient to guarantee \$25.25 per weighted pupil unit for each .0001 of the first .0016 per dollar of taxable value.
  - (b) The same dollar amount guarantee per weighted pupil unit for the .0016 per dollar of taxable value under Subsection (3)(a) shall apply to the board-approved leeway authorized in Section 53A-17a-134, so that the guarantee shall apply up to a total of .002 per dollar of taxable value if a school district levies a tax rate under both programs.
  - (c) [<del>(i)</del>] Beginning July 1, [<del>2009</del>] <u>2011</u>, the \$25.25 guarantee under Subsections (3)(a) and (b) shall be indexed each year to the value of the weighted pupil unit by making the value of the guarantee equal to [<del>.009798</del>] <u>.010544</u> times the value of the prior year's weighted pupil unit.
  - [(ii) The guarantee shall increase by .0005 times the value of the prior year's weighted pupil unit for each succeeding year until the guarantee is equal to .010544 times the value of the prior year's weighted pupil unit.]
  - (d) (i) The amount of state guarantee money to which a school district would otherwise be entitled to under this Subsection (3) may not be reduced for the sole reason that the district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.
  - (ii) Subsection (3)(d)(i) applies for a period of five years following any such change in the certified tax rate.
  - (e) The guarantee provided under this section does not apply to the portion of a voted leeway rate that exceeds the voted leeway rate that was in effect for the previous fiscal year, unless an increase in the voted leeway rate was authorized in an election conducted on or after July 1 of the previous fiscal year and before December 2 of the previous fiscal year.
  - (4) (a) An election to modify an existing voted leeway program is not a reconsideration of the existing program unless the proposition submitted to the electors expressly so states.
    - (b) A majority vote opposing a modification does not deprive the district of authority to

305 continue an existing program.

- (c) If adoption of a leeway program is contingent upon an offset reducing other local school board levies, the board must allow the electors, in an election, to consider modifying or discontinuing the program prior to a subsequent increase in other levies that would increase the total local school board levy.
- (d) Nothing contained in this section terminates, without an election, the authority of a school district to continue an existing voted leeway program previously authorized by the voters.
- (5) Notwithstanding Section 59-2-919, a school district may budget an increased amount of ad valorem property tax revenue derived from a voted leeway imposed under this section in addition to revenue from new growth as defined in Subsection 59-2-924(4), without having to comply with the notice requirements of Section 59-2-919, if:
  - (a) the voted leeway is approved:
  - (i) in accordance with Section 53A-16-110 on or after January 1, 2003; and
- (ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted leeway; and
- (b) for a voted leeway approved or modified in accordance with this section on or after January 1, 2009, the school district complies with the requirements of Subsection (7).
- (6) Notwithstanding Section 59-2-919, a school district may levy a tax rate under this section that exceeds the certified tax rate without having to comply with the notice requirements of Section 59-2-919 if:
- (a) the levy exceeds the certified tax rate as the result of a school district budgeting an increased amount of ad valorem property tax revenue derived from a voted leeway imposed under this section;
  - (b) [if] the voted leeway was approved:
  - (i) in accordance with Section 53A-16-110 on or after January 1, 2003; and
- (ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted leeway; and
  - (c) for a voted leeway approved or modified in accordance with this section on or after

| 348 | (b) if a local school board determines that the average class size in the school district is         |
| 349 | not excessive, it may use the monies for other school purposes but only if the board has             |
| 350 | declared the use for other school purposes in a public meeting prior to levying the tax rate; and    |
| 351 | (c) a district may not use the monies for other school purposes under Subsection (1)(b)              |

  - (3) The levy authorized under this section is not in addition to the maximum rate of .002 authorized in Section 53A-17a-133, but is a board-authorized component of the total tax rate under that section.
  - (4) As an exception to Section 53A-17a-133, the board-authorized levy does not require voter approval, but the board may require voter approval if requested by a majority of the board.
  - (5) An election to consider disapproval of the board-authorized levy is required, if within 60 days after the levy is established by the board, referendum petitions signed by the number of legal voters required in Section 20A-7-301, who reside within the school district, are filed with the school district.
  - (6) (a) A local school board shall establish its board-approved levy by April 1 to have the levy apply to the fiscal year beginning July 1 in that same calendar year except that if an election is required under this section, the levy applies to the fiscal year beginning July 1 of the next calendar year.
