

**CONCURRENT RESOLUTION APPROVING
CLASSIFICATION OF SOLID WASTE
FACILITY SOLID WASTE PERMIT**

2010 GENERAL SESSION

STATE OF UTAH

Chief Sponsor: Brent H. Goodfellow

House Sponsor: Susan Duckworth

LONG TITLE

General Description:

This concurrent resolution of the Legislature and the Governor gives approval for the operation of a landfill to receive specified nonhazardous solid waste.

Highlighted Provisions:

This resolution:

▶ addresses the proposed Mountain View Landfill, that is owned by Mountain View Landfill, Inc., and that is located in Salt Lake City, in Salt Lake County;

▶ grants statutorily required approval of the operating plan, as approved by the Department of Environmental Quality, and allows the Mountain View Landfill to operate as a Class V landfill and receive nonhazardous waste, industrial waste, construction and demolition waste, and special wastes as enumerated;

▶ reiterates that the Mountain View Landfill is required under state law to apply for and receive approval from the Department of Environmental Quality in order to receive an exemption from the daily cover requirement; and

▶ reiterates that the Mountain View Landfill is required under state law to apply for and receive approval from the Department of Environmental Quality, if the landfill desires to change a specified element of its waste stream.

Special Clauses:

28 None

29

30 *Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:*

31 WHEREAS, Mountain View Landfill Inc., desires to construct and operate a Class V
32 commercial landfill to receive nonhazardous solid waste for disposal as defined in Section
33 19-6-102;

34 WHEREAS, the facility is to be located at the site currently known as the Mountain
35 View Landfill;

36 WHEREAS, this site is a rectangularly shaped 76-acre parcel in Section 10, Township 1
37 South, Range 2 West, Salt Lake Base and Meridian, and is located approximately nine miles
38 west of downtown Salt Lake City, in Salt Lake County;

39 WHEREAS, Mountain View Landfill, Inc., currently holds a permit to operate at this
40 site a noncommercial, nonhazardous solid waste facility that would only receive construction
41 and demolition waste under contract with local businesses and individuals;

42 WHEREAS, Section 19-6-108 requires that an applicant for authority to construct a
43 commercial landfill receive approval from the Utah State Legislature and the Governor of the
44 State as a part of the approval process;

45 WHEREAS, Section 19-6-108 also requires that an applicant for authority to operate a
46 commercial landfill receive approval from the executive secretary of the Solid and Hazardous
47 Waste Control Board within the Department of Environmental Quality prior to receiving
48 legislative and gubernatorial approval;

49 WHEREAS, Mountain View Landfill, Inc., has submitted a proposed operation plan for
50 the Mountain View Landfill as a Class V commercial, nonhazardous solid waste landfill to the
51 Department of Environmental Quality, and the operation plan was approved by the executive
52 secretary of the Solid and Hazardous Waste Control Board on February 8, 2010, with an
53 effective approval date of February 8, 2010;

54 WHEREAS, the approved operating plan for the Mountain View Landfill allows the
55 landfill to receive nonhazardous construction and demolition waste, including asbestos waste,
56 as enumerated in the operation plan and in the plan approval of the executive secretary, and as
57 defined in Administrative Rule R315-315, Special Waste Requirements; and

58 WHEREAS, the approved operating plan requires, under Title 19, Environmental

59 Quality Code, that the landfill provide daily cover, and this requirement may be changed only
60 upon application to the Department of Environmental Quality, review by the department of the
61 effectiveness of the proposed alternative to the daily cover, and a determination by the
62 department that the alternative meets the landfill maintenance requirements no less effectively
63 than a daily cover:

64 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the
65 Governor concurring therein, grant their approval to Mountain View Landfill, Inc. to construct
66 and operate a Class V commercial, nonhazardous solid waste landfill known as the Mountain
67 View Landfill in Salt Lake City, Utah.
