691 is necessary and expedient.

692 (2) If any provision of this act or the application thereof is found to be in conflict with
693 any state or federal law, conflict with which would impair funding otherwise receivable from
694 the state or federal government, the conflicting part is hereby declared to be inoperative solely

699 adopted by the county legislative body which would deprive the county or any of its
700 departments, agencies, or institutions of state or federal grants or other forms of financial
701 assistance.

702 Section 28. Section **17-34-5** is amended to read:

703 **17-34-5. Budgeting, accounting for, and disbursing of funds -- Annual audit.**

706 outside the limits of incorporated towns and cities, including levying of taxes and imposition of
707 fees and charges under Section 17-34-3, each county legislative body shall separately budget
708 and strictly account for and apportion to the costs of providing municipal-type services and
709 functions the following:

710 (i) the salaries of each county commissioner and the salaries and wages of all other
711 elected and appointed county officials and employees;

712 (ii) the operation and maintenance costs of each municipal-type service or function

715 providing municipal-type services or functions; and

716 (iv) all other costs including~~[-but not limited to,]~~ administrative costs associated,
717 directly or indirectly, with the costs of providing municipal-type services or functions.

718 (b) At all times these funds and any expenditures from these funds shall be separately
719 accounted for and utilized only for the purposes of providing municipal-type services and
720 functions to areas of the county outside the limits of incorporated towns or cities.

721 (2) To implement Subsection (1):

722 (a) a budget shall be adopted and administered in the same manner as the budget for
723 general purposes of the county which furnishes the municipal-type services and functions is
724 adopted and administered, either as a part of the general budget or separate from it;

725 (b) funds for the purposes of furnishing municipal-type services and functions under
726 this chapter shall be collected, held, and administered in the same manner as other funds of the
727 county are collected, held, and administered, but shall be segregated and separately maintained,
728 except that where, in the judgment of the county legislative body, advantages inure to the fund
729 from coinvestment of these funds and other funds also subject to control by the county
730 legislative body, the county legislative body may direct this coinvestment, but in no event may

732 be used for purposes other than those described in Section 17-34-1;

733 (c) expenditures shall be made in the same manner as other expenditures of the county
734 are made; and

735 (d) any taxes levied under this chapter shall be levied at the same time and in the same
736 manner as other taxes of the county are levied.

737 (3) An annual audit of the budgeting, accounting for, and disbursing of funds used to
738 furnish municipal-type services and functions, shall be conducted by an independent certified
739 public accountant.

740 Section 29. Section **17-35b-303** is amended to read:

741 **17-35b-303. Community council form of county government.**

742 (1) The structural form of county government known as the "community council" form
743 unites in a single consolidated city and county government the powers, duties, and functions
744 which, immediately prior to its effective date, are vested in the county, the largest city in the
745 county, such other cities and towns as elect to merge in it, and all special taxing districts, public
746 authorities, service areas, and other local public entities functioning within the boundaries of
747 the county, except school districts. The consolidated government shall have power to extend on
748 a countywide basis any governmental service or function which is authorized by law or which
749 the previous county, cities, and other local public agencies included therein were empowered to
750 provide for their residents, but no such service shall be provided within an incorporated
751 municipality which continues to provide that service for its own inhabitants, except upon a
752 contract basis for the municipality, and no taxes, assessments, fees, or other charges shall be
753 extended or collected within the municipality for the purpose of financing any service which is
754 not provided by the consolidated government within the municipality. "Largest city," as used in
755 this section, means a city or cities the population of which, as shown by the most recent
756 decennial or special census, exceeds 35% of the total county population.

757 (2) The incorporated cities and towns, other than the largest city, in the county shall
758 retain independent corporate existence and shall continue to provide local services to their
759 inhabitants of the type and to the extent provided in the plan, but any such city or town, by
760 majority vote of its qualified voters, cast either concurrently with the election at which the plan
761 is approved or subsequently to it, as provided by the governing body of the city or town, may
762 cause the city or town to be dissolved and its powers, duties, and functions vested in the
763 countywide government.

764 (3) The county legislative body of the countywide government shall be a council
765 composed of not less than five persons as specified in the plan, elected respectively from
766 communities, which collectively include all of the territory within the county, having
767 boundaries described in the plan embracing substantially equal populations. In addition to
768 other powers vested in the countywide government by law or pursuant to this act, the county
769 council shall have all of the legislative and policymaking powers which it is possible for the
770 governing body of a county or a city to possess and which are not expressly denied by the
771 constitution, by a general law applicable to all cities or all counties, or by a specific restriction

772 in the plan itself.

773 (4) The voters of each community shall elect a community council composed of the
774 community's elected member of the county council, who shall be chairman of the community
775 council, and not less than two nor more than four additional members elected either from
776 districts of substantially equal population within the community, or at large therein, as may be
777 provided in the plan. A community council shall have the power and duty, in conformity with
778 guidelines prescribed by the county council, to adopt policies and formulate specific programs
779 relating to and defining the kinds and levels of local governmental services necessary to satisfy
780 the needs and desires of the citizens within the community, but a community council shall have
781 no power to engage personnel or to acquire facilities, property, or equipment for the
782 administration or performance of such services. Authorized programs for local governmental
783 services which have been approved by a community council shall be submitted to the county
784 council for implementation and shall be carried into effect by the county council and county
785 executive unless, by a vote of not less than 3/4 of its entire membership, the county council
786 determines that a particular program, in whole or in part, should be rejected as contrary to the
787 general welfare of the county. A community council program for local governmental services
788 within a community:

- 789 (a) shall include a method or methods for financing such services;
- 790 (b) may provide for supplying of such services by contract or by joint or cooperative
791 action pursuant to Title 11, Chapter 13, Interlocal Cooperation Act, in which case the
792 community council shall be considered a "public agency" within the meaning of said act; and
- 793 (c) may provide for supplying of such services through the creation of service areas
794 pursuant to Title 17B, Chapter 2a, Part 9, Service Area Act.

795 (5) Notwithstanding Subsection (4), in any community which includes, in whole or in
796 part, the territory of a city or town, no community council program for local government
797 services above the minimum level of area-wide services provided countywide may be
798 submitted to the county council for implementation unless it first is submitted to the governing
799 body of each such city or town for review. Within 30 days after such submission, the governing
800 body of the city or town:

- 801 (a) may file with the community council a written statement of its comments,
802 suggestions, and recommendations relating to the program, and the community council shall

803 give due consideration thereto; or

804 (b) may, by resolution or ordinance, provide that any designated part of the community
805 council program relating to a service to be provided within the city or town shall be submitted
806 to the voters thereof at a general or special election to be held therein within 60 days after the
807 date of the resolution or ordinance. Any part of the program submitted to the voters of a city or
808 town under this Subsection (5) [~~shall not~~] may not be included in the program as submitted to
809 the county council unless it receives an approving vote at such election by majority of all votes
810 cast on the question.

811 (6) Except as provided herein, the qualifications, mode of election, term of office,
812 method of removal, procedure to fill vacancies, compensation, and other appropriate provisions
813 relating to membership on the county council or community councils shall be provided in the
814 plan.

815 (7) Upon the effective date of the plan and as provided in it, all properties and assets,
816 whether tangible or intangible, and all obligations, debts, and liabilities, of those governmental
817 entities which are merged into the new countywide government shall become vested and
818 transferred by operation of law in and to the new countywide government. The properties,
819 assets, obligations, debts, and liabilities of any city or town not merged into the new
820 countywide government, so far as allocated, used, or incurred primarily to discharge a function
821 which under the plan will no longer be a responsibility of the city or town, shall likewise be
822 vested in and transferred to the new countywide government. All transfers under this
823 Subsection (7) shall be subject to equitable adjustments, conditions, and limitations provided in
824 the plan and determined by procedures specified in the plan, but the contractual rights of any
825 bondholder or creditor [~~shall not~~] may not be impaired.

826 (8) Upon the effective date of the plan and as provided in it, nonelective officers and
827 employees of governmental entities which are merged into the new countywide government
828 and such officers and employees of nonmerged cities or towns whose qualifications and duties
829 relate primarily to functions which under the plan will no longer be a responsibility of those
830 cities or towns, shall be blanketed in and transferred to the new countywide government as
831 officers and employees of it. Standards and procedures relating to such personnel transfers, and
832 for resolving disputes or grievances relating thereto, shall be provided in the plan.

833 Section 30. Section **17-35b-304** is amended to read:

834 **17-35b-304. Consolidated city and county -- Structural form.**

835 (1) The structural form of county government known as the "consolidated city and
836 county" form unites in a single consolidated city and county government the powers, duties,
837 and functions which, immediately prior to its effective date, are vested in the county, the largest
838 city in the county, such other cities and towns as elect to merge in it, and all special taxing
839 districts, public authorities, county service areas, and other local public entities functioning
840 within the boundaries of the county, except school districts. The consolidated government shall
841 with the consent of the continuing municipalities have power to extend on a countywide basis
842 any governmental service or function which is authorized by law or which the previous county,
843 cities, and other local public agencies included in them were empowered to provide for their
844 residents. No such service, however, shall be provided within an incorporated municipality
845 which continues to provide that such service for its own inhabitants, except upon a contract
846 basis for the municipality. No taxes, assessments, fees, or other charges shall be extended or
847 collected by the consolidated government within any municipality for the purpose of financing
848 any service which is not provided by the consolidated government within the municipality.

849 "Largest city," as used in this section, means a city or cities the population of which, as shown
850 by the most recent decennial or special census, exceeds 35% of the total county population.

851 (2) The incorporated cities and towns, other than the largest city in the county, shall
852 retain independent corporate existence and shall continue to provide local services to their
853 inhabitants of the type and to the extent provided in the plan; but any such city or town by
854 majority vote of its qualified voters cast either concurrently with the election at which the plan
855 is approved or subsequently to it, as provided by the governing body of the city or town, may
856 cause the city or town to be dissolved and its powers, duties, and functions vested in the
857 consolidated government.

858 (3) The governing body of the consolidated government shall be a council composed of
859 not less than five persons elected as specified in the plan. In addition to other powers vested in
860 the consolidated government by law or pursuant to this act, the county council shall have all the
861 legislative and policymaking powers which it is possible for the governing body of a county or
862 a city to possess and which are not expressly denied by the constitution, by general law
863 applicable to all cities or all counties, or by a specific restriction in the plan itself.

864 (4) Except as provided in this act, the qualifications, mode of election, term of office,

865 method of removal, procedure to fill vacancies, compensation, or other appropriate provisions
866 relating to membership on the county council shall be provided in the plan.

867 (5) Upon the effective date of the plan, as provided in it, all properties and assets,
868 whether tangible or intangible, and all obligations, debts, and liabilities of those governmental
869 entities which are merged into the consolidated government shall become vested and
870 transferred by operation of law in and to the consolidated government. The properties, assets,
871 obligations, debts, and liabilities of any city or town not merged into the consolidated
872 government, so far as allocated, used, or incurred primarily to discharge a function which under
873 the plan will no longer be a responsibility of the city or town, shall likewise be vested in and
874 transferred to the consolidated government. All transfers under this Subsection (5) shall be
875 subject to equitable adjustments, conditions, and limitations provided in the plan and
876 determined by procedures specified in the plan, but the contractual rights of any bondholder or
877 creditor [~~shall not~~] may not be impaired.

878 (6) Upon the effective date of the plan, and as provided in it, nonelective officers and
879 employees of the governmental entities which are merged into the consolidated government
880 and such officers and employees of nonmerged cities or towns whose qualifications and duties
881 relate primarily to functions which under the plan will no longer be a responsibility of those
882 cities or towns shall be blanketed in and transferred to the consolidated government as officers
883 and employees of it. Standards and procedures relating to such personnel transfers and for
884 resolving disputes or grievances relating to them shall be provided in the plan.

885 Section 31. Section **17-36-10** is amended to read:

886 **17-36-10. Preparation of tentative budget.**

887 (1) On or before the first day of the next to last month of every fiscal period, the budget
888 officer shall prepare for the next budget period and file with the governing body a tentative
889 budget for each fund for which a budget is required.

890 (2) The tentative budget shall set forth in tabular form:

891 (a) actual revenues and expenditures in the last completed fiscal period;

892 (b) estimated total revenues and expenditures for the current fiscal period;

893 (c) the estimated available revenues and expenditures for the ensuing budget period
894 computed by determining:

895 (i) the estimated expenditure for each fund after review of each departmental budget

896 request;

897 (ii) (A) the total revenue requirements of the fund;

898 (B) the part of the total revenue that will be derived from revenue sources other than
899 property tax; and

900 (C) the part of the total revenue that [~~must~~] shall be derived from property taxes; and

901 (d) if required by the governing body, actual performance experience to the extent
902 available in work units, unit costs, man hours, and man years for each budgeted fund that
903 includes an appropriation for salaries or wages for the last completed fiscal period and the first
904 eight months of the current fiscal period if the county is on an annual fiscal period, or the first
905 20 months of the current fiscal period if the county is on a biennial fiscal period, together with
906 the total estimated performance data of like character for the current fiscal period and for the
907 ensuing budget period.

908 (3) The budget officer may recommend modification of any departmental budget
909 request under Subsection (2)(c)(i) before it is filed with the governing body, if each department
910 head has been given an opportunity to be heard concerning the modification.

911 (4) Each tentative budget shall contain the estimates of expenditures submitted by any
912 department together with specific work programs and other supportive data as the governing
913 body requests. The tentative budget shall be accompanied by a supplementary estimate of all
914 capital projects or planned capital projects within the budget period and within the next three
915 succeeding years.

916 (5) (a) Each tentative budget submitted in a county with a population in excess of
917 25,000 determined pursuant to Section 17-36-4 shall be accompanied by a budget message in
918 explanation of the budget.

919 (b) The budget message shall contain an outline of the proposed financial policies of

1195 number of the property as to which the owner is signing the request;

1196 (d) designate up to three signers of the petition as sponsors, or in the case of a petition

1199 address and telephone number of each;

1200 (e) state the reasons for withdrawal; and

1201 (f) when the petition is filed with the local district board of trustees, be accompanied by
1202 a map generally depicting the boundaries of the area proposed to be withdrawn and a legal
1203 description of the area proposed to be withdrawn.

1204 (2) (a) The local district may prepare an itemized list of expenses, other than attorney
1205 expenses, that will necessarily be incurred by the local district in the withdrawal proceeding.

1206 The itemized list of expenses may be submitted to the contact sponsor. If the list of expenses is
1207 submitted to the contact sponsor within 21 days after receipt of the petition, the contact sponsor
1208 on behalf of the petitioners shall be required to pay the expenses to the local district within 90
1209 days of receipt. Until funds to cover the expenses are delivered to the local district, the district
1210 will have no obligation to proceed with the withdrawal and the time limits on the district stated
1211 in this part will be tolled. If the expenses are not paid within the 90 days, or within 90 days
1212 from the conclusion of any arbitration under Subsection (2)(b), the petition requesting the
1213 withdrawal shall be considered to have been withdrawn.

1214 (b) If there is no agreement between the board of trustees of the local district and the
1215 contact sponsor on the amount of expenses that will necessarily be incurred by the local district
1216 in the withdrawal proceeding, either the board of trustees or the contact sponsor may submit
1217 the matter to binding arbitration in accordance with Title 78B, Chapter 6, Part 2, Alternative
1218 Dispute Resolution Act; provided that, if the parties cannot agree upon an arbitrator and the

1221 (3) A signer of a petition may withdraw or, once withdrawn, reinstate the signer's
1222 signature at any time before the public hearing under Section 17B-1-508 by submitting a
1223 written withdrawal or reinstatement with the board of trustees of the local district in which the
1224 area proposed to be withdrawn is located.

1225 (4) If it reasonably appears that, if the withdrawal which is the subject of a petition
1226 filed under Subsection 17B-1-504(1)(a)(i) or (ii) is granted, it will be necessary for a
1227 municipality to provide to the withdrawn area the service previously supplied by the local
1228 district, the board of trustees of the local district may, within 21 days after receiving the
1229 petition, notify the contact sponsor in writing that, before it will be considered by the board of
1230 trustees, the petition [~~must~~] shall be presented to and approved by the governing body of the
1231 municipality as provided in Subsection 17B-1-504(1)(a)(iv) before it will be considered by the
1232 local district board of trustees. If the notice is timely given to the contact sponsor, the petition
1233 shall be considered to have been withdrawn until the municipality files a petition with the local
1234 district under Subsection 17B-1-504(1)(a)(iv).

1235 (5) (a) After receiving the notice required by Subsection 17B-1-504(2), unless
1236 specifically allowed by law, a public entity may not make expenditures from public funds to

1237 support or oppose the gathering of signatures on a petition for withdrawal.

1238 (b) Nothing in this section prohibits a public entity from providing factual information
1239 and analysis regarding a withdrawal petition to the public, so long as the information grants
1240 equal access to both the opponents and proponents of the petition for withdrawal.

1241 (c) Nothing in this section prohibits a public official from speaking, campaigning,
1242 contributing personal money, or otherwise exercising the public official's constitutional rights.

1243 Section 42. Section **17B-1-510** is amended to read:

1244 **17B-1-510. Resolution approving or rejecting withdrawal -- Criteria for approval**
1245 **or rejection -- Terms and conditions.**

1246 (1) (a) On or before the date of the board meeting next following the public hearing
1247 under Section 17B-1-508, but in no case later than 90 days after the public hearing or, if no
1248 hearing is held, within 90 days after the filing of a petition under Section 17B-1-504, the board
1249 of trustees of the local district in which the area proposed to be withdrawn is located shall
1250 adopt a resolution:

- 1251 (i) approving the withdrawal of some or all of the area from the local district; or
- 1252 (ii) rejecting the withdrawal.

1253 (b) Each resolution approving a withdrawal shall:

- 1254 (i) include a legal description of the area proposed to be withdrawn;
- 1255 (ii) state the effective date of the withdrawal; and
- 1256 (iii) set forth the terms and conditions under Subsection (5), if any, of the withdrawal.

1257 (c) Each resolution rejecting a withdrawal shall include a detailed explanation of the
1258 board of trustees' reasons for the rejection.

1259 (2) Unless denial of the petition is required under Subsection (3), the board of trustees
1260 shall adopt a resolution approving the withdrawal of some or all of the area from the local
1261 district if the board of trustees determines that:

1262 (a) the area to be withdrawn does not and will not require the service that the local
1263 district provides;

1264 (b) the local district will not be able to provide service to the area to be withdrawn for
1265 the reasonably foreseeable future; or

1266 (c) the area to be withdrawn has obtained the same service that is provided by the local
1267 district or a commitment to provide the same service that is provided by the local district from

1268 another source.

1269 (3) The board of trustees shall adopt a resolution denying the withdrawal if it
1270 determines that the proposed withdrawal would:

1271 (a) result in a breach or default by the local district under:

1272 (i) any of its notes, bonds, or other debt or revenue obligations;

1273 (ii) any of its agreements with entities which have insured, guaranteed, or otherwise
1274 credit-enhanced any debt or revenue obligations of the local district; or

1275 (iii) any of its agreements with the United States or any agency of the United States;
1276 provided, however, that, if the local district has entered into an agreement with the United
1277 States that requires the consent of the United States for a withdrawal of territory from the
1278 district, a withdrawal under this part may occur if the written consent of the United States is
1279 obtained and filed with the board of trustees;

1280 (b) adversely affect the ability of the local district to make any payments or perform
1281 any other material obligations under:

1282 (i) any of its agreements with the United States or any agency of the United States;

1283 (ii) any of its notes, bonds, or other debt or revenue obligations; or

1284 (iii) any of its agreements with entities which have insured, guaranteed, or otherwise
1285 credit-enhanced any debt or revenue obligations of the local district;

1286 (c) result in the reduction or withdrawal of any rating on an outstanding note, bond, or
1287 other debt or revenue obligation of the local district;

1288 (d) create an island or peninsula of nondistrict territory within the local district or of
1289 district territory within nondistrict territory that has a material adverse affect on the local
1290 district's ability to provide service or materially increases the cost of providing service to the
1291 remainder of the local district;

1292 (e) materially impair the operations of the remaining local district; or

1293 (f) require the local district to materially increase the fees it charges or property taxes
1294 or other taxes it levies in order to provide to the remainder of the district the same level and
1295 quality of service that was provided before the withdrawal.

1296 (4) In determining whether the withdrawal would have any of the results described in
1297 Subsection (3), the board of trustees may consider the cumulative impact that multiple
1298 withdrawals over a specified period of time would have on the local district.

1299 (5) (a) Despite the presence of one or more of the conditions listed in Subsection (3),
1300 the board of trustees may approve a resolution withdrawing an area from the local district
1301 imposing terms or conditions that mitigate or eliminate the conditions listed in Subsection (3),
1302 including:

1303 (i) a requirement that the owners of property located within the area proposed to be
1304 withdrawn or residents within that area pay their proportionate share of any outstanding district
1305 bond or other obligation as determined pursuant to Subsection (5)(b);

1306 (ii) a requirement that the owners of property located within the area proposed to be
1307 withdrawn or residents within that area make one or more payments in lieu of taxes, fees, or
1308 assessments;

1309 (iii) a requirement that the board of trustees and the receiving entity agree to reasonable
1310 payment and other terms in accordance with Subsections (5)(f) through (g) regarding the
1311 transfer to the receiving entity of district assets that the district used before withdrawal to
1312 provide service to the withdrawn area but no longer needs because of the withdrawal; provided
1313 that, if those district assets are allocated in accordance with Subsections (5)(f) through (g), the
1314 district shall immediately transfer to the receiving entity on the effective date of the
1315 withdrawal, all title to and possession of district assets allocated to the receiving entity; or

1316 (iv) any other reasonable requirement considered to be necessary by the board of
1317 trustees.

1318 (b) Other than as provided for in Subsection 17B-1-511(2), and except as provided in
1319 Subsection (5)(e), in determining the proportionate share of outstanding bonded indebtedness
1320 or other obligations under Subsection (5)(a)(i) and for purposes of determining the allocation
1321 and transfer of district assets under Subsection (5)(a)(iii), the board of trustees and the
1322 receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the
1323 petition shall:

1324 (i) engage engineering and accounting consultants chosen by the procedure provided in
1325 Subsection (5)(d); provided however, that if the withdrawn area is not receiving service, an
1326 engineering consultant need not be engaged; and

1327 (ii) require the engineering and accounting consultants engaged under Subsection
1328 (5)(b)(i) to communicate in writing to the board of trustees and the receiving entity, or in cases
1329 where there is no receiving entity, the board and the sponsors of the petition the information

1330 required by Subsections (5)(f) through (h).

1331 (c) For purposes of this Subsection (5):

1332 (i) "accounting consultant" means a certified public accountant or a firm of certified
1333 public accountants with the expertise necessary to make the determinations required under
1334 Subsection (5)(h); and

1335 (ii) "engineering consultant" means a person or firm that has the expertise in the
1336 engineering aspects of the type of system by which the withdrawn area is receiving service that
1337 is necessary to make the determination required under Subsections (5)(f) and (g).

1338 (d) (i) Unless the board of trustees and the receiving entity, or in cases where there is
1339 no receiving entity, the board and the sponsors of the petition agree on an engineering
1340 consultant and an accounting consultant, each consultant shall be chosen from a list of
1341 consultants provided by the Consulting Engineers Council of Utah and the Utah Association of
1342 Certified Public Accountants, respectively, as provided in this Subsection (5)(d).

1343 (ii) A list under Subsection (5)(d)(i) may not include a consultant who has had a
1344 contract for services with the district or the receiving entity during the two-year period
1345 immediately before the list is provided to the local district.

1346 (iii) Within 20 days of receiving the lists described in Subsection (5)(d)(i), the board of
1347 trustees shall eliminate the name of one engineering consultant from the list of engineering
1348 consultants and the name of one accounting consultant from the list of accounting consultants
1349 and shall notify the receiving entity, or in cases where there is no receiving entity, the sponsors
1350 of the petition in writing of the eliminations.

1351 (iv) Within three days of receiving notification under Subsection (5)(d), the receiving
1352 entity, or in cases where there is no receiving entity, the sponsors of the petition shall eliminate
1353 another name of an engineering consultant from the list of engineering consultants and another
1354 name of an accounting consultant from the list of accounting consultants and shall notify the
1355 board of trustees in writing of the eliminations.

1356 (v) The board of trustees and the receiving entity, or in cases where there is no
1357 receiving entity, the board and the sponsors of the petition shall continue to alternate between
1358 them, each eliminating the name of one engineering consultant from the list of engineering
1359 consultants and the name of one accounting consultant from the list of accounting consultants
1360 and providing written notification of the eliminations within three days of receiving

1361 notification of the previous notification, until the name of only one engineering consultant
1362 remains on the list of engineering consultants and the name of only one accounting consultant
1363 remains on the list of accounting consultants.

1364 (e) The requirement under Subsection (5)(b) to engage engineering and accounting
1365 consultants does not apply if the board of trustees and the receiving entity, or in cases where
1366 there is no receiving entity, the board and the sponsors of the petition agree on the allocations
1367 that are the engineering consultant's responsibility under Subsection (5)(f) or the
1368 determinations that are the accounting consultant's responsibility under Subsection (5)(h);
1369 provided however, that if engineering and accounting consultants are engaged, the district and
1370 the receiving entity, or in cases where there is no receiving entity, the district and the sponsors
1371 of the petition shall equally share the cost of the engineering and accounting consultants.

1372 (f) (i) The engineering consultant shall allocate the district assets between the district
1373 and the receiving entity as provided in this Subsection (5)(f).

1374 (ii) The engineering consultant shall allocate:

1375 (A) to the district those assets reasonably needed by the district to provide to the area
1376 of the district remaining after withdrawal the kind, level, and quality of service that was
1377 provided before withdrawal; and

1378 (B) to the receiving entity those assets reasonably needed by the receiving entity to
1379 provide to the withdrawn area the kind and quality of service that was provided before
1380 withdrawal.

1381 (iii) If the engineering consultant determines that both the local district and the
1382 receiving entity reasonably need a district asset to provide to their respective areas the kind and
1383 quality of service provided before withdrawal, the engineering consultant shall:

1384 (A) allocate the asset between the local district and the receiving entity according to
1385 their relative needs, if the asset is reasonably susceptible of division; or

1386 (B) allocate the asset to the local district, if the asset is not reasonably susceptible of
1387 division.

1388 (g) All district assets remaining after application of Subsection (5)(f) shall be allocated
1389 to the local district.

1390 (h) (i) The accounting consultant shall determine the withdrawn area's proportionate
1391 share of any redemption premium and the principal of and interest on:

1392 (A) the local district's revenue bonds that were outstanding at the time the petition was
1393 filed;

1394 (B) the local district's general obligation bonds that were outstanding at the time the
1395 petition was filed; and

1396 (C) the local district's general obligation bonds that:

1397 (I) were outstanding at the time the petition was filed; and

1398 (II) are treated as revenue bonds under Subsection (5)(i); and

1399 (D) the district's bonds that were issued prior to the date the petition was filed to refund
1400 the district's revenue bonds, general obligation bonds, or general obligation bonds treated as
1401 revenue bonds.

1402 (ii) For purposes of Subsection (5)(h)(i), the withdrawn area's proportionate share of
1403 redemption premium, principal, and interest shall be the amount that bears the same
1404 relationship to the total redemption premium, principal, and interest for the entire district that
1405 the average annual gross revenues from the withdrawn area during the three most recent
1406 complete fiscal years before the filing of the petition bears to the average annual gross revenues
1407 from the entire district for the same period.

1408 (i) For purposes of Subsection (5)(h)(i), a district general obligation bond shall be
1409 treated as a revenue bond if:

1410 (i) the bond is outstanding on the date the petition was filed; and

1411 (ii) the principal of and interest on the bond, as of the date the petition was filed, had
1412 been paid entirely from local district revenues and not from a levy of ad valorem tax.

1413 (j) (i) Before the board of trustees of the local district files a resolution approving a
1414 withdrawal, the receiving entity, or in cases where there is no receiving entity, the sponsors of
1415 the petition shall irrevocably deposit government obligations, as defined in Subsection
1416 11-27-2(6), into an escrow trust fund the principal of and interest on which are sufficient to
1417 provide for the timely payment of the amount determined by the accounting consultant under
1418 Subsection (5)(h) or in an amount mutually agreeable to the board of trustees of the local
1419 district and the receiving entity, or in cases where there is no receiving entity, the board and the
1420 sponsors of the petition. Notwithstanding Subsection 17B-1-512(1), the board of trustees
1421 [~~shall not~~] may not be required to file a resolution approving a withdrawal until the
1422 requirements for establishing and funding an escrow trust fund in this Subsection (5)(j)(i) have

1423 been met; provided that, if the escrow trust fund has not been established and funded within
1424 180 days after the board of trustees passes a resolution approving a withdrawal, the resolution
1425 approving the withdrawal shall be void.

1426 (ii) Concurrently with the creation of the escrow, the receiving entity, or in cases where
1427 there is no receiving entity, the sponsors of the petition shall provide to the board of trustees of
1428 the local district:

1429 (A) a written opinion of an attorney experienced in the tax-exempt status of municipal
1430 bonds stating that the establishment and use of the escrow to pay the proportionate share of the
1431 district's outstanding revenue bonds and general obligation bonds that are treated as revenue
1432 bonds will not adversely affect the tax-exempt status of the bonds; and

1433 (B) a written opinion of an independent certified public accountant verifying that the
1434 principal of and interest on the deposited government obligations are sufficient to provide for
1435 the payment of the withdrawn area's proportionate share of the bonds as provided in Subsection
1436 (5)(h).

1437 (iii) The receiving entity, or in cases where there is no receiving entity, the sponsors of
1438 the petition shall bear all expenses of the escrow and the redemption of the bonds.

1439 (iv) The receiving entity may issue bonds under Title 11, Chapter 14, Local
1440 Government Bonding Act, and Title 11, Chapter 27, Utah Refunding Bond Act, to fund the
1441 escrow.

1442 (6) A requirement imposed by the board of trustees as a condition to withdrawal under
1443 Subsection (5) shall, in addition to being expressed in the resolution, be reduced to a duly
1444 authorized and executed written agreement between the parties to the withdrawal.

1445 (7) An area that is the subject of a withdrawal petition under Section 17B-1-504 that
1446 results in a board of trustees resolution denying the proposed withdrawal may not be the
1447 subject of another withdrawal petition under Section 17B-1-504 for two years after the date of
1448 the board of trustees resolution denying the withdrawal.

1449 Section 43. Section **17B-1-512** is amended to read:

1461 automatic withdrawal under Subsection 17B-1-502(2), after receiving a copy of the municipal
1462 legislative body's resolution approving an automatic withdrawal under Subsection
1463 17B-1-502(3)(a), or after receiving notice of a withdrawal of a municipality from a local
1464 district under Section 17B-2-505.

1465 (c) Upon the lieutenant governor's issuance of a certificate of withdrawal under Section
1466 67-1a-6.5, the board shall:

1467 (i) if the withdrawn area is located within the boundary of a single county, submit to
1468 the recorder of that county:

1469 (A) the original:

1470 (I) notice of an impending boundary action;

1471 (II) certificate of withdrawal; and

1472 (III) approved final local entity plat; and

1482 county.

1483 (2) (a) Upon the lieutenant governor's issuance of the certificate of withdrawal under
1484 Section 67-1a-6.5 for a withdrawal under Section 17B-1-510, for an automatic withdrawal

1485 under Subsection 17B-1-502(3), or for the withdrawal of a municipality from a local district
1486 under Section 17B-1-505, the withdrawal shall be effective, subject to the conditions of the
1487 withdrawal resolution, if applicable.

1488 (b) An automatic withdrawal under Subsection 17B-1-502(3) shall be effective upon
1489 the lieutenant governor's issuance of a certificate of withdrawal under Section 67-1a-6.5.

1490 (3) (a) The local district may provide for the publication of any resolution approving or
1491 denying the withdrawal of an area:

1492 (i) in a newspaper of general circulation in the area proposed for withdrawal; and

1493 (ii) as required in Section 45-1-101.

1494 (b) In lieu of publishing the entire resolution, the local district may publish a notice of
1495 withdrawal or denial of withdrawal, containing:

1496 (i) the name of the local district;

1497 (ii) a description of the area proposed for withdrawal;

1498 (iii) a brief explanation of the grounds on which the board of trustees determined to
1499 approve or deny the withdrawal; and

1500 (iv) the times and place where a copy of the resolution may be examined, which shall
1501 be at the place of business of the local district, identified in the notice, during regular business
1502 hours of the local district as described in the notice and for a period of at least 30 days after the
1503 publication of the notice.

1504 (4) Any sponsor of the petition or receiving entity may contest the board's decision to
1505 deny a withdrawal of an area from the local district by submitting a request, within 60 days
1506 after the resolution is adopted under Section 17B-1-510, to the board of trustees, suggesting
1507 terms or conditions to mitigate or eliminate the conditions upon which the board of trustees
1508 based its decision to deny the withdrawal.

1509 (5) Within 60 days after the request under Subsection (4) is submitted to the board of
1510 trustees, the board may consider the suggestions for mitigation and adopt a resolution
1511 approving or denying the request in the same manner as provided in Section 17B-1-510 with
1512 respect to the original resolution denying the withdrawal and file a notice of the action as
1513 provided in Subsection (1).

1514 (6) (a) Any person in interest may seek judicial review of:

1515 (i) the board of trustees' decision to withdraw an area from the local district;

1516 (ii) the terms and conditions of a withdrawal; or
1517 (iii) the board's decision to deny a withdrawal.

1518 (b) Judicial review under this Subsection (6) shall be initiated by filing an action in the
1519 district court in the county in which a majority of the area proposed to be withdrawn is located:

1520 (i) if the resolution approving or denying the withdrawal is published under Subsection
1521 (3), within 60 days after the publication or after the board of trustees' denial of the request
1522 under Subsection (5);

1523 (ii) if the resolution is not published pursuant to Subsection (3), within 60 days after
1524 the resolution approving or denying the withdrawal is adopted; or

1525 (iii) if a request is submitted to the board of trustees of a local district under Subsection
1526 (4), and the board adopts a resolution under Subsection (5), within 60 days after the board
1527 adopts a resolution under Subsection (5) unless the resolution is published under Subsection
1528 (3), in which event the action [~~must~~] shall be filed within 60 days after the publication.

1529 (c) A court in which an action is filed under this Subsection (6) may not overturn, in
1530 whole or in part, the board of trustees' decision to approve or reject the withdrawal unless:

1531 (i) the court finds the board of trustees' decision to be arbitrary or capricious; or

1532 (ii) the court finds that the board materially failed to follow the procedures set forth in
1533 this part.

1534 (d) A court may award costs and expenses of an action under this section, including
1535 reasonable attorney fees, to the prevailing party.

1536 (7) After the applicable contest period under Subsection (4) or (6), no person may
1537 contest the board of trustees' approval or denial of withdrawal for any cause.

1538 Section 44. Section **17B-1-607** is amended to read:

1539 **17B-1-607. Tentative budget to be prepared -- Review by governing body.**

1542 local district shall prepare for the ensuing year, on forms provided by the state auditor, and file

1544 (2) (a) Each tentative budget under Subsection (1) shall provide in tabular form:

1545 (i) actual revenues and expenditures for the last completed fiscal year;

1546 (ii) estimated total revenues and expenditures for the current fiscal year; and

1547 (iii) the budget officer's estimates of revenues and expenditures for the budget year.

1548 (b) The budget officer shall estimate the amount of revenue available to serve the needs
1549 of each fund, estimate the portion to be derived from all sources other than general property
1550 taxes, and estimate the portion that [~~must~~] shall be derived from general property taxes.

1551 (3) The tentative budget, when filed by the budget officer with the board of trustees,
1552 shall contain the estimates of expenditures together with specific work programs and any other
1553 supporting data required by this part or requested by the board.

1554 (4) The board of trustees shall review, consider, and tentatively adopt the tentative
1555 budget in any regular meeting or special meeting called for that purpose and may amend or
1556 revise the tentative budget in any manner that the board considers advisable prior to public
1557 hearings, but no appropriation required for debt retirement and interest or reduction of any
1558 existing deficits under Section 17B-1-613, or otherwise required by law, may be reduced below
1559 the minimums so required.

1562 the fiscal year;

1563 (b) substantially comply with all other provisions of this part with respect to notices
1564 and hearings; and

1566 Section 45. Section ~~17B-2a-807~~ is amended to read:

1567 **17B-2a-807. Public transit district board of trustees -- Appointment --**
1568 **Apportionment -- Qualifications -- Quorum -- Compensation -- Terms.**

1570 district, the board of trustees shall consist of members appointed by the legislative bodies of
1571 each municipality, county, or unincorporated area within any county on the basis of one
1572 member for each full unit of regularly scheduled passenger routes proposed to be served by the
1573 district in each municipality or unincorporated area within any county in the following calendar
1574 year.

1575 (b) For purposes of determining membership under Subsection (1)(a), the number of

1582 (d) Members appointed under this Subsection (1) shall be appointed and added to the
1583 board or omitted from the board at the time scheduled routes are changed, or as municipalities,
1584 counties, or unincorporated areas of counties annex to or withdraw from the district using the
1585 same appointment procedures.

1586 (e) For purposes of appointing members under this Subsection (1), municipalities,
1587 counties, and unincorporated areas of counties in which regularly scheduled passenger routes
1588 proposed to be served by the district in the following calendar year is less than a full unit, as
1589 defined in Subsection (1)(b), may combine with any other similarly situated municipality or
1590 unincorporated area to form a whole unit and may appoint one member for each whole unit
1591 formed.

1592 (2) (a) Subject to Section 17B-2a-807.5, if more than 200,000 people reside within the
1593 boundaries of a public transit district, the board of trustees shall consist of:

1610 (d) (i) If rounding to the nearest 1/11 of the total public transit district apportionment
1611 basis under Subsection (2)(b) results in an apportionment of more than 11 members, the county
1612 or combination of counties with the smallest additional fraction of a whole member proportion
1613 shall have one less member apportioned to it.

1614 (ii) If rounding to the nearest 1/11 of the total public transit district apportionment

1616 or combination of counties with the largest additional fraction of a whole member proportion
1617 shall have one more member apportioned to it.

1618 (e) If the population in the unincorporated area of a county is at least 140,000, the

1630 county shall represent the county or combination of counties, if Subsection (2)(c) applies, or
1631 the municipalities within the county.

1632 (i) If the entire county is not within the district, and the county is not joined with
1633 another county under Subsection (2)(c), the remaining voting members for the county shall
1634 represent a municipality or combination of municipalities.

1635 (j) (i) Except as provided under Subsections (2)(e) and (f), voting members
1636 representing counties, combinations of counties if Subsection (2)(c) applies, or municipalities

- 2008 of the amount necessary to purchase qualified health insurance coverage for an employee and
- 2009 the dependents of an employee of the contractor or subcontractor who was not offered qualified
- 2010 health insurance coverage during the duration of the contract; and
- 2011 (iii) a website on which the department shall post the benchmark for the qualified

2012 health insurance coverage identified in Subsection (1)(c)(i).

2013 (7) (a) (i) In addition to the penalties imposed under Subsection (6)(c), a contractor or
2014 subcontractor who intentionally violates the provisions of this section shall be liable to the
2015 employee for health care costs that would have been covered by qualified health insurance
2016 coverage.

2017 (ii) An employer has an affirmative defense to a cause of action under Subsection
2018 (7)(a)(i) if:

2019 (A) the employer relied in good faith on a written statement of actuarial equivalency
2020 provided by:

2021 (I) an actuary; or

2022 (II) an underwriter who is responsible for developing the employer group's premium
2023 rates; or

2024 (B) the department determines that compliance with this section is not required under
2025 the provisions of Subsection (3) or (4).

2026 (b) An employee has a private right of action only against the employee's employer to
2027 enforce the provisions of this Subsection (7).

2028 (8) Any penalties imposed and collected under this section shall be deposited into the
2029 Medicaid Restricted Account created in Section 26-18-402.

2030 (9) The failure of a contractor or subcontractor to provide qualified health insurance
2031 coverage as required by this section:

2032 (a) may not be the basis for a protest or other action from a prospective bidder, offeror,
2033 or contractor under Section 63G-6-801 or any other provision in Title 63G, Chapter 6, Part 8,
2034 Legal and Contractual Remedies; and

2035 (b) may not be used by the procurement entity or a prospective bidder, offeror, or
2036 contractor as a basis for any action or suit that would suspend, disrupt, or terminate the design
2037 or construction.

2038 Section 49. Section **19-2-109.1** is amended to read:

2039 **19-2-109.1. Operating permit required -- Emissions fee -- Implementation.**

2040 (1) As used in this section and Sections 19-2-109.2 and 19-2-109.3:

2041 (a) "EPA" means the federal Environmental Protection Agency.

2042 (b) "1990 Clean Air Act" means the federal Clean Air Act as amended in 1990.

2043 (c) "Operating permit" means a permit issued by the executive secretary to sources of
2044 air pollution that meet the requirements of Titles IV and V of the 1990 Clean Air Act.

2045 (d) "Program" means the air pollution operating permit program established under this
2046 section to comply with Title V of the 1990 Clean Air Act.

2047 (e) "Regulated pollutant" has the same meaning as defined in Title V of the 1990 Clean
2048 Air Act and implementing federal regulations.

2049 (2) (a) A person may not operate any source of air pollution required to have a permit
2050 under Title V of the 1990 Clean Air Act without having obtained an operating permit from the
2051 executive secretary under procedures the board establishes by rule.

2052 (b) A person is not required to submit an operating permit application until the
2053 governor has submitted an operating permit program to the EPA.

2054 (c) Any operating permit issued under this section may not become effective until the
2055 day after the EPA issues approval of the permit program or November 15, 1995, whichever
2056 occurs first.

2057 (3) (a) Operating permits issued under this section shall be for a period of five years
2058 unless the board makes a written finding, after public comment and hearing, and based on
2059 substantial evidence in the record, that an operating permit term of less than five years is
2060 necessary to protect the public health and the environment of the state.

2061 (b) The executive secretary may issue, modify, or renew an operating permit only after
2062 providing public notice, an opportunity for public comment, and an opportunity for a public
2063 hearing.

2064 (c) The executive secretary shall, in conformity with the 1990 Clean Air Act and
2065 implementing federal regulations, revise the conditions of issued operating permits to
2066 incorporate applicable federal regulations in conformity with Section 502(b)(9) of the 1990
2067 Clean Air Act, if the remaining period of the permit is three or more years.

2068 (d) The executive secretary may terminate, modify, revoke, or reissue an operating
2069 permit for cause.

2070 (4) (a) The board shall establish a proposed annual emissions fee that conforms with
2071 Title V of the 1990 Clean Air Act for each ton of regulated pollutant, applicable to all sources
2072 required to obtain a permit. The emissions fee established under this section is in addition to
2073 fees assessed under Section 19-2-108 for issuance of an approval order.

2074 (b) In establishing the fee the board shall comply with the provisions of Section
2075 63J-1-504 that require a public hearing and require the established fee to be submitted to the
2076 Legislature for its approval as part of the department's annual appropriations request.

2077 (c) The fee shall cover all reasonable direct and indirect costs required to develop and
2078 administer the program and the small business assistance program established under Section
2079 19-2-109.2. The board shall prepare an annual report of the emissions fees collected and the
2080 costs covered by those fees under this Subsection (4).

2081 (d) The fee shall be established uniformly for all sources required to obtain an
2082 operating permit under the program and for all regulated pollutants.

2083 (e) The fee may not be assessed for emissions of any regulated pollutant if the
2084 emissions are already accounted for within the emissions of another regulated pollutant.

2085 (f) An emissions fee may not be assessed for any amount of a regulated pollutant
2086 emitted by any source in excess of 4,000 tons per year of that regulated pollutant.

2087 (5) Emissions fees for the period:

2088 (a) of July 1, 1992, through June 30, 1993, shall be based on the most recent emissions
2089 inventory prepared by the executive secretary; and

2090 (b) on and after July 1, 1993, but ~~prior to~~ before issuance of an operating permit, shall
2091 be based on the most recent emissions inventory, unless a source elects prior to July 1, 1992, to
2092 base the fee on allowable emissions, if applicable for a regulated pollutant.

2093 (6) After an operating permit is issued the emissions fee shall be based on actual
2094 emissions for a regulated pollutant unless a source elects, prior to the issuance or renewal of a
2095 permit, to base the fee during the period of the permit on allowable emissions for that regulated
2096 pollutant.

2097 (7) If the owner or operator of a source subject to this section fails to timely pay an
2098 annual emissions fee, the executive secretary may:

2099 (a) impose a penalty of not more than 50% of the fee, in addition to the fee, plus
2100 interest on the fee computed at 12% annually; or

2101 (b) revoke the operating permit.

2102 (8) The owner or operator of a source subject to this section may contest an emissions
2103 fee assessment or associated penalty in an adjudicative hearing under the Title 63G, Chapter 4,
2104 Administrative Procedures Act, and Section 19-1-301, as provided in this Subsection (8).

2105 (a) The owner or operator [~~must~~] shall pay the fee under protest prior to being entitled
2106 to a hearing. Payment of an emissions fee or penalty under protest is not a waiver of the right
2107 to contest the fee or penalty under this section.

2108 (b) A request for a hearing under this Subsection (8) shall be made after payment of the
2109 emissions fee and within six months after the emissions fee was due.

2110 (9) To reinstate an operating permit revoked under Subsection (7) the owner or
2111 operator shall pay all outstanding emissions fees, a penalty of not more than 50% of all
2112 outstanding fees, and interest on the outstanding emissions fees computed at 12% annually.

2113 (10) All emissions fees and penalties collected by the department under this section
2114 shall be deposited in the General Fund as the Air Pollution Operating Permit Program
2115 dedicated credit to be used solely to pay for the reasonable direct and indirect costs incurred by
2116 the department in developing and administering the program and the small business assistance
2117 program under Section 19-2-109.2.

2118 (11) Failure of the executive secretary to act on any operating permit application or
2119 renewal is a final administrative action only for the purpose of obtaining judicial review by any
2120 of the following persons to require the executive secretary to take action on the permit or its
2121 renewal without additional delay:

2122 (a) the applicant;

2123 (b) any person who participated in the public comment process; or

2124 (c) any other person who could obtain judicial review of that action under applicable
2125 law.

2126 Section 50. Section **19-2-113** is amended to read:

2127 **19-2-113. Variances -- Judicial review.**

2128 (1) (a) Any person who owns or is in control of any plant, building, structure,
2129 establishment, process, or equipment may apply to the board for a variance from its rules.

2130 (b) The board may grant the requested variance following an announced public
2131 meeting, if it finds, after considering the endangerment to human health and safety and other
2132 relevant factors, that compliance with the rules from which variance is sought would produce
2133 serious hardship without equal or greater benefits to the public.

2134 (2) A variance may not be granted under this section until the board has considered the
2135 relative interests of the applicant, other owners of property likely to be affected by the

2136 discharges, and the general public.

2137 (3) Any variance or renewal of a variance shall be granted within the requirements of
2138 Subsection (1) and for time periods and under conditions consistent with the reasons for it, and
2139 within the following limitations:

2140 (a) if the variance is granted on the grounds that there are no practicable means known
2141 or available for the adequate prevention, abatement, or control of the air pollution involved, it
2142 shall be only until the necessary means for prevention, abatement, or control become known
2143 and available, and subject to the taking of any substitute or alternate measures that the board
2144 may prescribe;

2145 (b) (i) if the variance is granted on the grounds that compliance with the requirements
2146 from which variance is sought will require that measures, because of their extent or cost, must
2147 be spread over a long period of time, the variance shall be granted for a reasonable time that, in
2148 the view of the board, is required for implementation of the necessary measures; and

2149 (ii) a variance granted on this ground shall contain a timetable for the implementation
2150 of remedial measures in an expeditious manner and shall be conditioned on adherence to the
2151 timetable; or

2152 (c) if the variance is granted on the ground that it is necessary to relieve or prevent
2153 hardship of a kind other than that provided for in Subsection (3)(a) or (b), it ~~shall not~~ may not
2154 be granted for more than one year.

2155 (4) (a) Any variance granted under this section may be renewed on terms and
2156 conditions and for periods that would be appropriate for initially granting a variance.

2157 (b) If a complaint is made to the board because of the variance, a renewal may not be
2158 granted unless, following an announced public meeting, the board finds that renewal is
2159 justified.

2160 (c) To receive a renewal, an applicant shall submit a request for agency action to the
2161 board requesting a renewal.

2162 (d) Immediately upon receipt of an application for renewal, the board shall give public
2163 notice of the application as required by its rules.

2164 (5) (a) A variance or renewal is not a right of the applicant or holder but may be
2165 granted at the board's discretion.

2166 (b) A person aggrieved by the board's decision may obtain judicial review.

2167 (c) Venue for judicial review of informal adjudicative proceedings is in the district
2168 court in which the air contaminant source is situated.

2169 (6) (a) The board may review any variance during the term for which it was granted.

2170 (b) The review procedure is the same as that for an original application.

2171 (c) The variance may be revoked upon a finding that:

2172 (i) the nature or amount of emission has changed or increased; or

2173 (ii) if facts existing at the date of the review had existed at the time of the original
2174 application, the variance would not have been granted.

2175 (7) Nothing in this section and no variance or renewal granted pursuant to it shall be
2176 construed to prevent or limit the application of the emergency provisions and procedures of
2177 Section 19-2-112 to any person or property.

2178 Section 51. Section **19-2-115** is amended to read:

2179 **19-2-115. Violations -- Penalties -- Reimbursement for expenses.**

2180 (1) As used in this section, the terms "knowingly," "willfully," and "criminal
2181 negligence" shall mean as defined in Section 76-2-103.

2182 (2) (a) A person who violates this chapter, or any rule, order, or permit issued or made
2183 under this chapter is subject in a civil proceeding to a penalty not to exceed \$10,000 per day for
2184 each violation.

2185 (b) Subsection (2)(a) also applies to rules made under the authority of Section
2186 19-2-104, for implementation of 15 U.S.C.A. 2601 et seq., Toxic Substances Control Act,
2187 Subchapter II - Asbestos Hazard Emergency Response.

2188 (c) Penalties assessed for violations described in 15 U.S.C.A. 2647, Toxic Substances
2189 Control Act, Subchapter II - Asbestos Hazard Emergency Response, may not exceed the
2190 amounts specified in that section and shall be used in accordance with that section.

2191 (3) A person is guilty of a class A misdemeanor and is subject to imprisonment under
2192 Section 76-3-204 and a fine of not more than \$25,000 per day of violation if that person
2193 knowingly violates any of the following under this chapter:

2194 (a) an applicable standard or limitation;

2195 (b) a permit condition; or

2196 (c) a fee or filing requirement.

2197 (4) A person is guilty of a third degree felony and is subject to imprisonment under

2198 Section 76-3-203 and a fine of not more than \$25,000 per day of violation who knowingly:

2199 (a) makes any false material statement, representation, or certification, in any notice or
2200 report required by permit; or

2201 (b) renders inaccurate any monitoring device or method required to be maintained by
2202 this chapter or applicable rules made under this chapter.

2203 (5) Any fine or penalty assessed under Subsections (2) or (3) is in lieu of any penalty
2204 under Section 19-2-109.1.

2205 (6) A person who willfully violates Section 19-2-120 is guilty of a class A
2206 misdemeanor.

2207 (7) A person who knowingly violates any requirement of an applicable implementation
2208 plan adopted by the board, more than 30 days after having been notified in writing by the
2209 executive secretary that the person is violating the requirement, knowingly violates an order
2210 issued under Subsection 19-2-110(1)(a), or knowingly handles or disposes of asbestos in
2211 violation of a rule made under this chapter is guilty of a third degree felony and subject to
2212 imprisonment under Section 76-3-203 and a fine of not more than \$25,000 per day of violation
2213 in the case of the first offense, and not more than \$50,000 per day of violation in the case of
2214 subsequent offenses.

2215 (8) (a) As used in this section:

2216 (i) "Hazardous air pollutant" means any hazardous air pollutant listed under 42 U.S.C.
2217 7412 or any extremely hazardous substance listed under 42 U.S.C. 11002(a)(2).

2218 (ii) "Organization" means a legal entity, other than a government, established or
2219 organized for any purpose, and includes a corporation, company, association, firm, partnership,
2220 joint stock company, foundation, institution, trust, society, union, or any other association of
2221 persons.

2222 (iii) "Serious bodily injury" means bodily injury which involves a substantial risk of
2223 death, unconsciousness, extreme physical pain, protracted and obvious disfigurement, or
2224 protracted loss or impairment of the function of a bodily member, organ, or mental faculty.

2225 (b) (i) A person is guilty of a class A misdemeanor and subject to imprisonment under
2226 Section 76-3-204 and a fine of not more than \$25,000 per day of violation if that person with
2227 criminal negligence:

2228 (A) releases into the ambient air any hazardous air pollutant; and

2229 (B) places another person in imminent danger of death or serious bodily injury.

2230 (ii) As used in this Subsection (8)(b), "person" does not include an employee who is
2231 carrying out the employee's normal activities and who is not a part of senior management
2232 personnel or a corporate officer.

2233 (c) A person is guilty of a second degree felony and is subject to imprisonment under
2234 Section 76-3-203 and a fine of not more than \$50,000 per day of violation if that person:

2235 (i) knowingly releases into the ambient air any hazardous air pollutant; and

2236 (ii) knows at the time that the person is placing another person in imminent danger of
2237 death or serious bodily injury.

2238 (d) If a person is an organization, it shall, upon conviction of violating Subsection
2239 (8)(c), be subject to a fine of not more than \$1,000,000.

2240 (e) (i) A defendant who is an individual is considered to have acted knowingly under
2241 Subsections (8)(c) and (d), if:

2242 (A) the defendant's conduct placed another person in imminent danger of death or
2243 serious bodily injury; and

2244 (B) the defendant was aware of or believed that there was an imminent danger of death
2245 or serious bodily injury to another person.

2246 (ii) Knowledge possessed by a person other than the defendant may not be attributed to
2247 the defendant.

2248 (iii) Circumstantial evidence may be used to prove that the defendant possessed actual
2249 knowledge, including evidence that the defendant took affirmative steps to be shielded from
2250 receiving relevant information.

2251 (f) (i) It is an affirmative defense to prosecution under this Subsection (8) that the
2252 conduct charged was freely consented to by the person endangered and that the danger and
2253 conduct charged were reasonably foreseeable hazards of:

2254 (A) an occupation, a business, a profession; or

2255 (B) medical treatment or medical or scientific experimentation conducted by
2256 professionally approved methods and the other person was aware of the risks involved prior to
2257 giving consent.

2258 (ii) The defendant has the burden of proof to establish any affirmative defense under
2259 this Subsection (8)(f) and ~~must~~ shall prove that defense by a preponderance of the evidence.

2260 (9) (a) Except as provided in Subsection (9)(b), and unless prohibited by federal law,
2261 all penalties assessed and collected under the authority of this section shall be deposited in the
2262 General Fund.

2263 (b) The department may reimburse itself and local governments from money collected
2264 from civil penalties for extraordinary expenses incurred in environmental enforcement
2265 activities.

2266 (c) The department shall regulate reimbursements by making rules in accordance with
2267 Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that:

- 2268 (i) define qualifying environmental enforcement activities; and
- 2269 (ii) define qualifying extraordinary expenses.

2270 Section 52. Section **19-3-302** is amended to read:

2271 **19-3-302. Legislative intent.**

2272 (1) (a) The state [~~of Utah~~] enacts this part to prevent the placement of any high-level
2273 nuclear waste or greater than class C radioactive waste in Utah. The state also recognizes that
2274 high-level nuclear waste or greater than class C radioactive waste may be placed within the
2275 exterior boundaries of the state, pursuant to a license from the federal government, or by the
2276 federal government itself, in violation of this state law.

2277 (b) Due to this possibility, the state also enacts provisions in this part to regulate
2278 transportation, transfer, storage, decay in storage, treatment, and disposal of any high-level
2279 nuclear waste and greater than class C radioactive waste in Utah, thereby asserting and
2280 protecting the state's interests in environmental and economic resources consistent with 42
2281 U.S.C.A. 2011 et seq., Atomic Energy Act and 42 U.S.C.A. 10101 et seq., Nuclear Waste
2282 Policy Act, should the federal government decide to authorize any entity to operate, or operate
2283 itself, in violation of this state law.

2284 (2) Neither the Atomic Energy Act nor the Nuclear Waste Policy Act provides for
2285 siting a large privately owned high-level nuclear waste transfer, storage, decay in storage, or
2286 treatment facility away from the vicinity of the reactors. The Atomic Energy Act and the
2287 Nuclear Waste Policy Act specifically define authorized storage and disposal programs and
2288 activities. The state [~~of Utah~~] in enacting this part is not preempted by federal law, since any
2289 proposed facilities that would be sited in Utah are not contemplated or authorized by federal
2290 law and, in any circumstance, this part is not contrary to or inconsistent with federal law or

2291 congressional intent.

2292 (3) The state [~~of Utah~~] has environmental and economic interests which do not involve
2293 nuclear safety regulation, and which [~~must~~] shall be considered and complied with in siting a
2294 high-level nuclear waste or greater than class C radioactive waste transfer, storage, decay in
2295 storage, treatment, or disposal facility and in transporting these wastes in the state.

2296 (4) An additional primary purpose of this part is to ensure protection of the state from
2297 nonradiological hazards associated with any waste transportation, transfer, storage, decay in
2298 storage, treatment, or disposal.

2299 (5) The state recognizes the sovereign rights of Indian tribes within the state [~~of Utah~~].
2300 However, any proposed transfer, storage, decay in storage, treatment, or disposal facility
2301 located on a reservation which directly affects and impacts state interests by creating
2302 off-reservation effects such as potential or actual degradation of soils and groundwater,
2303 potential or actual contamination of surface water, pollution of the ambient air, emergency
2304 planning costs, impacts on development, agriculture, and ranching, and increased
2305 transportation activity, is subject to state jurisdiction.

2306 (6) There is no tradition of regulation by the Indian tribes in Utah of high-level nuclear
2307 waste or higher than class C radioactive waste. The state does have a long history of regulation
2308 of radioactive sources and natural resources and in the transfer, storage, treatment, and
2309 transportation of materials and wastes throughout the state. The state finds that its interests are
2310 even greater when nonmembers of an Indian tribe propose to locate a facility on tribal trust
2311 lands primarily to avoid state regulation and state authorities under federal law.

2312 (7) (a) This part is not intended to modify existing state requirements for obtaining
2313 environmental approvals, permits, and licenses, including surface and groundwater permits and
2314 air quality permits, when the permits are necessary under state and federal law to construct and
2315 operate a high-level nuclear waste or greater than class C radioactive waste transfer, storage,
2316 decay in storage, treatment, or disposal facility.

2317 (b) Any source of air pollution proposed to be located within the state, including
2318 sources located within the boundaries of an Indian reservation, which will potentially or
2319 actually have a direct and significant impact on ambient air within the state, is required to
2320 obtain an approval order and permit from the state under Section 19-2-108.

2321 (c) Any facility which will potentially or actually have a significant impact on the

2322 state's surface or groundwater resources is required to obtain a permit under Section 19-5-107
2323 even if located within the boundaries of an Indian reservation.

2324 (8) The state finds that the transportation, transfer, storage, decay in storage, treatment,
2325 and disposal of high-level nuclear waste and greater than class C radioactive waste within the
2326 state is an ultra-hazardous activity which carries with it the risk that any release of waste may
2327 result in enormous economic and human injury.

2328 Section 53. Section **19-3-308** is amended to read:

2329 **19-3-308. Application fee and annual fees.**

2330 (1) (a) Any application for a waste transfer, storage, decay in storage, treatment, or
2331 disposal facility shall be accompanied by an initial fee of \$5,000,000.

2332 (b) The applicant shall subsequently pay an additional fee to cover the costs to the state
2333 associated with review of the application, including costs to the state and the state's contractors
2334 for permitting, technical, administrative, legal, safety, and emergency response reviews,
2335 planning, training, infrastructure, and other impact analyses, studies, and services required to
2336 evaluate a proposed facility.

2337 (2) For the purpose of funding the state oversight and inspection of any waste transfer,
2338 storage, decay in storage, treatment, or disposal facility, and to establish state infrastructure,
2339 including~~[-but not limited to]~~ providing for state Department of Environmental Quality, state
2340 Department of Transportation, state Department of Public Safety, and other state agencies'
2341 technical, administrative, legal, infrastructure, maintenance, training, safety, socio-economic,
2342 law enforcement, and emergency resources necessary to respond to these facilities, the owner
2343 or operator shall pay to the state a fee as established by department rule under Section
2344 63J-1-504, to be assessed:

2345 (a) per ton of storage cask and high-level nuclear waste per year for storage, decay in
2346 storage, treatment, or disposal of high-level nuclear waste;

2347 (b) per ton of transportation cask and high-level nuclear waste for each transfer of
2348 high-level nuclear waste;

2349 (c) per ton of storage cask and greater than class C radioactive waste for the storage,
2350 decay in storage, treatment, or disposal of greater than class C radioactive waste; and

2351 (d) per ton of transportation cask and greater than class C radioactive waste for each
2352 transfer of greater than class C radioactive waste.

2353 (3) Funds collected under Subsection (2) shall be placed in the Nuclear Accident and
2354 Hazard Compensation Account, created in Subsection 19-3-309(3).

2355 (4) The owner or operator of the facility shall pay the fees imposed under this section
2356 to the department on or before the 15th day of the month following the month in which the fee
2357 accrued.

2358 (5) Annual fees due under this part accrue on July 1 of each year and shall be paid to
2359 the department by July 15 of that year.

2360 Section 54. Section **19-4-112** is amended to read:

2718 comply with applicable rules, the executive secretary shall issue an order prohibiting any action
2719 under the proposed plan for modification or closure in whole or in part.

2720 (8) Any person who owns or operates a facility or site required to have an approved
2721 hazardous waste operation plan under this section and who has pending a permit application
2722 before the United States Environmental Protection Agency shall be treated as having an
2723 approved plan until final administrative disposition of the permit application is made under this
2724 section, unless the board determines that final administrative disposition of the application has

2725 not been made because of the failure of the owner or operator to furnish any information
2726 requested, or the facility's interim status has terminated under Section 3005 (e) of the Resource
2727 Conservation and Recovery Act, 42 U.S.C. Section 6925 (e).

2728 (9) No proposed nonhazardous solid or hazardous waste operation plan may be
2729 approved unless it contains the information that the board requires, including:

2730 (a) estimates of the composition, quantities, and concentrations of any hazardous waste
2731 identified under this part and the proposed treatment, storage, or disposal of it;

2732 (b) evidence that the disposal of nonhazardous solid waste or treatment, storage, or
2733 disposal of hazardous waste will not be done in a manner that may cause or significantly
2734 contribute to an increase in mortality, an increase in serious irreversible or incapacitating
2735 reversible illness, or pose a substantial present or potential hazard to human health or the
2736 environment;

2737 (c) consistent with the degree and duration of risks associated with the disposal of
2738 nonhazardous solid waste or treatment, storage, or disposal of specified hazardous waste,
2739 evidence of financial responsibility in whatever form and amount that the executive secretary
2740 determines is necessary to insure continuity of operation and that upon abandonment, cessation,
2741 or interruption of the operation of the facility or site, all reasonable measures consistent with
2742 the available knowledge will be taken to insure that the waste subsequent to being treated,
2743 stored, or disposed of at the site or facility will not present a hazard to the public or the
2744 environment;

2745 (d) evidence that the personnel employed at the facility or site have education and
2746 training for the safe and adequate handling of nonhazardous solid or hazardous waste;

2747 (e) plans, specifications, and other information that the executive secretary considers
2748 relevant to determine whether the proposed nonhazardous solid or hazardous waste operation
2749 plan will comply with this part and the rules of the board; and

2750 (f) compliance schedules, where applicable, including schedules for corrective action
2751 or other response measures for releases from any solid waste management unit at the facility,
2752 regardless of the time the waste was placed in the unit.

2753 (10) The executive secretary may not approve a commercial nonhazardous solid or
2754 hazardous waste operation plan that meets the requirements of Subsection (9) unless it contains
2755 the information required by the board, including:

2756 (a) evidence that the proposed commercial facility has a proven market of
2757 nonhazardous solid or hazardous waste, including:

2758 (i) information on the source, quantity, and price charged for treating, storing, and
2759 disposing of potential nonhazardous solid or hazardous waste in the state and regionally;

2760 (ii) a market analysis of the need for a commercial facility given existing and potential
2761 generation of nonhazardous solid or hazardous waste in the state and regionally; and

2762 (iii) a review of other existing and proposed commercial nonhazardous solid or
2763 hazardous waste facilities regionally and nationally that would compete for the treatment,
2764 storage, or disposal of the nonhazardous solid or hazardous waste;

2765 (b) a description of the public benefits of the proposed facility, including:

2766 (i) the need in the state for the additional capacity for the management of nonhazardous
2767 solid or hazardous waste;

2768 (ii) the energy and resources recoverable by the proposed facility;

2769 (iii) the reduction of nonhazardous solid or hazardous waste management methods,
2770 which are less suitable for the environment, that would be made possible by the proposed
2771 facility; and

2772 (iv) whether any other available site or method for the management of hazardous waste
2773 would be less detrimental to the public health or safety or to the quality of the environment;
2774 and

2775 (c) compliance history of an owner or operator of a proposed commercial
2776 nonhazardous solid or hazardous waste treatment, storage, or disposal facility, which may be
2777 applied by the executive secretary in a nonhazardous solid or hazardous waste operation plan
2778 decision, including any plan conditions.

2779 (11) The executive secretary may not approve a commercial nonhazardous solid or
2780 hazardous waste facility operation plan unless based on the application, and in addition to the
2781 determination required in Subsections (9) and (10), the executive secretary determines that:

2782 (a) the probable beneficial environmental effect of the facility to the state outweighs
2783 the probable adverse environmental effect; and

2784 (b) there is a need for the facility to serve industry within the state.

2785 (12) Approval of a nonhazardous solid or hazardous waste operation plan may be
2786 revoked, in whole or in part, if the person to whom approval of the plan has been given fails to

2787 comply with that plan.

2788 (13) The executive secretary shall review all approved nonhazardous solid and
2789 hazardous waste operation plans at least once every five years.

2790 (14) The provisions of Subsections (10) and (11) do not apply to hazardous waste
2791 facilities in existence or to applications filed or pending in the department prior to April 24,
2792 1989, that are determined by the executive secretary on or before December 31, 1990, to be
2793 complete, in accordance with state and federal requirements applicable to operation plans for
2794 hazardous waste facilities.

2795 (15) The provisions of Subsections (9), (10), and (11) do not apply to a nonhazardous
2796 solid waste facility in existence or to an application filed or pending in the department prior to
2797 January 1, 1990, that is determined by the executive secretary, on or before December 31,
2798 1990, to be complete in accordance with state and federal requirements applicable to operation
2799 plans for nonhazardous solid waste facilities.

2800 (16) Nonhazardous solid waste generated outside of this state that is defined as
2801 hazardous waste in the state where it is generated and which is received for disposal in this
2802 state ~~shall not~~ may not be disposed of at a nonhazardous waste disposal facility owned and
2803 operated by local government or a facility under contract with a local government solely for
2804 disposal of nonhazardous solid waste generated within the boundaries of the local government,
2805 unless disposal is approved by the executive secretary.

2806 (17) This section may not be construed to exempt any facility from applicable
2807 regulation under the federal Atomic Energy Act, 42 U.S.C. Sections 2014 and 2021 through
2808 2114.

2809 Section 60. Section **19-6-116** is amended to read:

2810 **19-6-116. Application of part subject to state assumption of primary**
2811 **responsibility from federal government -- Authority of political subdivisions.**

2812 (1) The requirements of this part applicable to the generation, treatment, storage, or
2813 disposal of hazardous waste, and the rules adopted under this part, ~~shall not~~ do not take effect
2814 until this state is qualified to assume, and does assume, primacy from the federal government
2815 for the control of hazardous wastes.

2816 (2) This part does not alter the authority of political subdivisions of the state to control
2817 solid and hazardous wastes within their local jurisdictions so long as any local laws,

2818 ordinances, or rules are not inconsistent with this part or the rules of the board.

2819 Section 61. Section **19-6-202** is amended to read:

2820 **19-6-202. Definitions.**

2821 As used in this part:

2822 (1) "Board" means the Solid and Hazardous Waste Control Board created in Section
2823 19-1-106.

2824 (2) "Disposal" means the final disposition of hazardous wastes into or onto the lands,
2825 waters, and air of this state.

2826 (3) "Hazardous wastes" means wastes as defined in Section 19-6-102.

2827 (4) "Hazardous waste treatment, disposal, and storage facility" means a facility or site
2828 used or intended to be used for the treatment, storage, or disposal of hazardous waste materials,
2829 including [~~but not limited to~~] physical, chemical, or thermal processing systems, incinerators,
2830 and secure landfills.

2831 (5) "Site" means land used for the treatment, disposal, or storage of hazardous wastes.

2832 (6) "Siting plan" means the state hazardous waste facilities siting plan adopted by the
2833 board pursuant to Sections 19-6-204 and 19-6-205.

2834 (7) "Storage" means the containment of hazardous wastes for a period of more than 90
2835 days.

2836 (8) "Treatment" means any method, technique, or process designed to change the
2837 physical, chemical, or biological character or composition of any hazardous waste to neutralize
2838 or render it nonhazardous, safer for transport, amenable to recovery or storage, convertible to
2839 another usable material, or reduced in volume and suitable for ultimate disposal.

2840 Section 62. Section **19-6-203** is amended to read:

2841 **19-6-203. Other provisions relating to hazardous waste.**

2842 This part [~~shall not~~] may not be construed to supersede any other state or local law
2843 relating to hazardous waste, except as otherwise provided in Section 19-6-207.

2844 Section 63. Section **19-6-205** is amended to read:

2845 **19-6-205. Siting plan -- Procedure for adoption -- Review -- Effect.**

2846 (1) After completion of the guidelines, the board shall prepare and publish a
2847 preliminary siting plan for the state. The preliminary siting plan is not final until adopted by the
2848 board in accordance with Subsection (2) and shall be based upon the guidelines adopted under

2849 Section 19-6-204 and be published within one year after adoption of the guidelines.

2850 (2) (a) After completion of its guidelines, the board shall publish notice of intent to
2851 prepare a siting plan. The notice shall invite all interested persons to nominate sites for
2852 inclusion in the siting plan. It shall be published at least twice in not less than two newspapers
2853 with statewide circulation and shall also be sent to any person, business, or other organization
2854 that has notified the board of an interest or involvement in hazardous waste management
2855 activities.

2856 (b) Nominations for the location of hazardous waste sites shall be accepted by the
2857 board for a period of 120 days after the date of first publication of notice. Nominations may
2858 include a description of the site or sites suggested or may simply suggest a general area. In
2859 addition, any nomination may provide data and reasons in support of inclusion of the site
2860 nominated.

2861 (c) The board, in cooperation with other state agencies and private sources, shall then
2862 prepare an inventory of:

2863 (i) the hazardous wastes generated in the state;

2864 (ii) those likely to be generated in the future;

2865 (iii) those being generated in other states that are likely to be treated, disposed of, or
2866 stored in the state;

2867 (iv) the sites within the state currently being used for hazardous waste and those
2868 suggested through the nomination process;

2869 (v) the treatment, storage, and disposal processes and management practices that are
2870 required to comply with Section 19-6-108; and

2871 (vi) an estimate of the public and private costs for meeting the long-term demand for
2872 hazardous waste treatment, disposal, and storage facilities.

2873 (d) (i) After the hazardous waste inventory and cost estimate are complete, the board,
2874 with the use of the guidelines developed in Section 19-6-204, shall provide for the geographical
2875 distribution of enough sites to fulfill the state's needs for hazardous waste disposal, treatment,
2876 and storage for the next 25 years.

2877 (ii) The board [~~shall not~~] may not exclude any area of the state from consideration in
2878 the selection of potential sites but, to the maximum extent possible, shall give preference to
2879 sites located in areas already dedicated through zoning or other land use regulations to

2880 industrial use or to areas located near industrial uses. However, the board shall give
2881 consideration to excluding an area designated for disposal of uranium mill tailings or for
2882 disposal of nuclear wastes unless the proposed disposal site is approved by the affected county
2883 through its county executive and county legislative body.

2884 (e) The board shall also analyze and identify areas of the state where, due to the
2885 concentration of industrial waste generation processes or to favorable geology or hydrology, the
2886 construction and operation of hazardous waste treatment, disposal, and storage facilities
2887 appears to be technically, environmentally, and economically feasible.

2888 (3) (a) The preliminary siting plan prepared pursuant to Subsection (2) shall, before
2889 adoption, be distributed to all units of local government located near existing or proposed sites.

2890 (b) Notice of the availability of the preliminary siting plan for examination shall be
2891 published at least twice in two newspapers, if available, with general circulation in the areas of
2892 the state that potentially will be affected by the plan.

2893 (c) The board shall also issue a statewide news release that informs persons where
2894 copies of the preliminary siting plan may be inspected or purchased at cost.

2895 (d) After release of the preliminary siting plan, the board shall hold not less than two
2896 public hearings in different areas of the state affected by the proposed siting plan to allow local
2897 officials and other interested persons to express their views and submit information relevant to
2898 the plan. The hearings shall be conducted not less than 60 nor more than 90 days after release
2899 of the plan. Within 30 days after completion of the hearings, the board shall prepare and make
2900 available for public inspection a summary of public comments.

2901 (4) (a) The board, between 30 and 60 days after publication of the public comments,
2902 shall prepare a final siting plan.

2903 (b) The final siting plan shall be widely distributed to members of the public.

2904 (c) The board, at any time between 30 and 60 days after release of the final plan, on its
2905 own initiative or that of interested parties, shall hold not less than two public hearings in each
2906 area of the state affected by the final plan to allow local officials and other interested persons to
2907 express their views.

2908 (d) The board, within 30 days after the last hearing, shall vote to adopt, adopt with
2909 modification, or reject the final siting plan.

2910 (5) (a) Any person adversely affected by the board's decision may seek judicial review

2911 of the decision by filing a petition for review with the district court for Salt Lake County within
2912 90 days after the board's decision.

2913 (b) Judicial review may be had, however, only on the grounds that the board violated
2914 the procedures set forth in this section, that it acted without or in excess of its powers, or that
2915 its actions were arbitrary or capricious and not based on substantial evidence.

2916 (6) If the final siting plan is adopted, the board shall cause it to be published.

2917 (7) After publication of the final siting plan, the board shall engage in a continuous
2918 monitoring and review process to ensure that the long-range needs of hazardous waste
2919 producers likely to dispose of hazardous wastes in this state are met at a reasonable cost. An
2920 annual review of the adequacy of the plan shall be conducted and published by the board.

2921 (8) (a) If necessary, the board may amend the siting plan to provide additional sites or
2922 delete sites which are no longer suitable.

2923 (b) Before any plan amendment adding or deleting a site is adopted, the board, upon
2924 not less than 20 days' public notice, shall hold at least one public hearing in the area where the
2925 affected site is located.

2926 (9) After adoption of the final plan, an applicant for approval of a plan to construct and
2927 operate a hazardous waste treatment, storage, and disposal facility who seeks protection under
2928 this part shall select a site contained on the final site plan.

2929 (10) Nothing in this part, however, shall be construed to prohibit the construction and
2930 operation of an approved hazardous waste treatment, storage, and disposal facility at a site
2931 which is not included within the final site plan, but such a facility is not entitled to the
2932 protections afforded under this part.

2933 Section 64. Section **19-6-413** is amended to read:

2934 **19-6-413. Tank tightness test -- Actions required after testing.**

2935 (1) The owner or operator of any petroleum storage tank registered [~~prior to~~] before
2936 July 1, 1991, [~~must~~] shall submit to the executive secretary the results of a tank tightness test
2937 conducted:

2938 (a) on or after September 1, 1989, and [~~prior to~~] before January 1, 1990, if the test
2939 meets requirements set by rule regarding tank tightness tests that were applicable during that
2940 period; or

2941 (b) on or after January 1, 1990, and [~~prior to~~] before July 1, 1991.

2942 (2) The owner or operator of any petroleum storage tank registered on or after July 1,
2943 1991, [~~must~~] shall submit to the executive secretary the results of a tank tightness test
2944 conducted within the six months before the tank was registered or within 60 days after the date
2945 the tank was registered.

2946 (3) If the tank test performed under Subsection (1) or (2) shows no release of
2947 petroleum, the owner or operator of the petroleum storage tank shall submit a letter to the
2948 executive secretary at the same time the owner or operator submits the test results, stating that
2949 under customary business inventory practices standards, the owner or operator is not aware of
2950 any release of petroleum from the tank.

2951 (4) (a) If the tank test shows a release of petroleum from the petroleum storage tank,
2952 the owner or operator of the tank shall:

2953 (i) correct the problem; and

2954 (ii) submit evidence of the correction to the executive secretary.

2955 (b) When the executive secretary receives evidence from an owner or operator of a
2956 petroleum storage tank that the problem with the tank has been corrected, the executive
2957 secretary shall:

2958 (i) approve or disapprove the correction; and

2959 (ii) notify the owner or operator that the correction has been approved or disapproved.

2960 (5) The executive secretary shall review the results of the tank tightness test to
2961 determine compliance with this part and any rules adopted under the authority of Section
2962 19-6-403.

2963 (6) If the owner or operator of the tank is required by 40 C.F.R., Part 280, Subpart D,
2964 to perform release detection on the tank, the owner or operator shall submit the results of the
2965 tank tests in compliance with 40 C.F.R., Part 280, Subpart D.

2966 Section 65. Section **19-6-714** is amended to read:

2967 **19-6-714. Recycling fee on sale of oil.**

2968 (1) On and after October 1, 1993, a recycling fee of \$.04 per quart or \$.16 per gallon is
2969 imposed upon the first sale in Utah by a lubricating oil vendor of lubricating oil. The
2970 lubricating oil vendor shall collect the fee at the time the lubricating oil is sold.

2971 (2) A fee under this section [~~shall not~~] may not be collected on sales of lubricating oil:

2972 (a) shipped outside the state;

2973 (b) purchased in five-gallon or smaller containers and used solely in underground
2974 mining operations; or

2977 imposed on the sale of lubricating oil.

2978 (4) The exemptions from sales and use tax provided in Section 59-12-104 do not apply
2979 to this part.

2993 which is less than the amount requested by the recycler, the local health department [~~must~~]
2994 shall submit its written report of the investigation and recommendation to the recycler at least
2995 five days prior to submitting the report and recommendation to the Division of Finance.

4183 (4) A member of a local school board may not, during the member's term in office, also
4184 serve as an employee of that board.

4185 Section 91. Section **22-1-11** is amended to read:

4186 **22-1-11. Transactions prior to May 12, 1925, excepted.**

4187 The provisions of this chapter [~~shall not~~] do not apply to transactions taking place prior
4188 to May 12, 1925.

4189 Section 92. Section **22-3-104** is amended to read:

4190 **22-3-104. Trustee's power to adjust.**

4191 (1) A trustee may adjust between principal and income to the extent the trustee
4192 considers necessary if the trustee invests and manages trust assets as a prudent investor, the
4193 terms of the trust describe the amount that may or [~~must~~] shall be distributed to a beneficiary
4194 by referring to the trust's income, and the trustee determines, after applying the rules in
4195 Subsection 22-3-103(1), that the trustee is unable to comply with Subsection 22-3-103(2).

4196 (2) In deciding whether and to what extent to exercise the power conferred by
4197 Subsection (1), a trustee shall consider all factors relevant to the trust and its beneficiaries,
4198 including the following factors to the extent they are relevant:

4199 (a) the nature, purpose, and expected duration of the trust;

4200 (b) the intent of the settlor;

4201 (c) the identity and circumstances of the beneficiaries;

4202 (d) the needs for liquidity, regularity of income, and preservation and appreciation of
4203 capital;

4204 (e) (i) the assets held in the trust;

4205 (ii) the extent to which [~~they~~] the assets consist of financial assets, interests in closely
4206 held enterprises, tangible and intangible personal property, or real property;

4207 (iii) the extent to which an asset is used by a beneficiary; and

4208 (iv) whether an asset was purchased by the trustee or received from the settlor;

4209 (f) the net amount allocated to income under the other sections of this chapter and the
4210 increase or decrease in the value of the principal assets, which the trustee may estimate as to
4211 assets for which market values are not readily available;

4212 (g) whether and to what extent the terms of the trust give the trustee the power to

4213 invade principal or accumulate income or prohibit the trustee from invading principal or
4214 accumulating income, and the extent to which the trustee has exercised a power from time to
4215 time to invade principal or accumulate income;

4216 (h) the actual and anticipated effect of economic conditions on principal and income
4217 and effects of inflation and deflation; and

4218 (i) the anticipated tax consequences of an adjustment.

4219 (3) A trustee may not make an adjustment:

4220 (a) that diminishes the income interest in a trust that requires all of the income to be
4221 paid at least annually to a spouse and for which an estate tax or gift tax marital deduction
4222 would be allowed, in whole or in part, if the trustee did not have the power to make the
4223 adjustment;

4224 (b) that reduces the actuarial value of the income interest in a trust to which a person
4225 transfers property with the intent to qualify for a gift tax exclusion;

4226 (c) that changes the amount payable to a beneficiary as a fixed annuity or a fixed
4227 fraction of the value of the trust assets;

4228 (d) from any amount that is permanently set aside for charitable purposes under a will
4229 or the terms of a trust unless both income and principal are so set aside;

4230 (e) if possessing or exercising the power to make an adjustment causes an individual to
4231 be treated as the owner of all or part of the trust for income tax purposes, and the individual
4232 would not be treated as the owner if the trustee did not possess the power to make an
4233 adjustment;

4234 (f) if possessing or exercising the power to make an adjustment causes all or part of the
4235 trust assets to be included for estate tax purposes in the estate of an individual who has the
4236 power to remove a trustee or appoint a trustee, or both, and the assets would not be included in
4237 the estate of the individual if the trustee did not possess the power to make an adjustment;

4238 (g) if the trustee is a beneficiary of the trust; or

4239 (h) if the trustee is not a beneficiary, but the adjustment would benefit the trustee
4240 directly or indirectly.

4241 (4) If Subsection (3)(e), (f), (g), or (h) applies to a trustee and there is more than one
4242 trustee, a cotrustee to whom the provision does not apply may make the adjustment unless the
4243 exercise of the power by the remaining trustee or trustees is not permitted by the terms of the

4244 trust.

4245 (5) A trustee may release the entire power conferred by Subsection (1) or may release
4246 only the power to adjust from income to principal or the power to adjust from principal to
4247 income if the trustee is uncertain about whether possessing or exercising the power will cause a
4248 result described in Subsections (3)(a) through (f) or Subsection (3)(h) or if the trustee
4249 determines that possessing or exercising the power will or may deprive the trust of a tax benefit
4250 or impose a tax burden not described in Subsection (3). The release may be permanent or for a
4251 specified period, including a period measured by the life of an individual.

4252 (6) Terms of a trust that limit the power of a trustee to make an adjustment between
4253 principal and income do not affect the application of this section unless it is clear from the
4254 terms of the trust that the terms are intended to deny the trustee the power of adjustment
4255 conferred by Subsection (1).

4256 Section 93. Section **22-3-202** is amended to read:

4257 **22-3-202. Distribution to residuary and remainder beneficiaries.**

4258 (1) Each beneficiary described in Subsection 22-3-201(4) is entitled to receive a
4259 portion of the net income equal to the beneficiary's fractional interest in undistributed principal
4260 assets, using values as of the distribution date. If a fiduciary makes more than one distribution
4261 of assets to beneficiaries to whom this section applies, each beneficiary, including one who
4262 does not receive part of the distribution, is entitled, as of each distribution date, to the net
4263 income the fiduciary has received after the date of death or terminating event or earlier
4264 distribution date but has not distributed as of the current distribution date.

4265 (2) In determining a beneficiary's share of net income, the following rules apply:

4266 (a) The beneficiary is entitled to receive a portion of the net income equal to the
4267 beneficiary's fractional interest in the undistributed principal assets immediately before the
4268 distribution date, including assets that later may be sold to meet principal obligations.

4269 (b) The beneficiary's fractional interest in the undistributed principal assets [~~must~~] shall
4270 be calculated without regard to property specifically given to a beneficiary and property
4271 required to pay pecuniary amounts not in trust.

4272 (c) The beneficiary's fractional interest in the undistributed principal assets [~~must~~] shall
4273 be calculated on the basis of the aggregate value of those assets as of the distribution date
4274 without reducing the value by any unpaid principal obligation.

4275 (d) The distribution date for purposes of this section may be the date as of which the
4276 fiduciary calculates the value of the assets if that date is reasonably near the date on which
4277 assets are actually distributed.

4278 (3) If a fiduciary does not distribute all of the collected but undistributed net income to
4279 each person as of a distribution date, the fiduciary shall maintain appropriate records showing
4280 the interest of each beneficiary in that net income.

4281 (4) A fiduciary may apply the rules in this section, to the extent that the fiduciary
4282 considers it appropriate, to net gain or loss realized after the date of death or terminating event
4283 or earlier distribution date from the disposition of a principal asset if this section applies to the
4284 income from the asset.

4285 Section 94. Section **22-3-302** is amended to read:

4286 **22-3-302. Apportionment of receipts and disbursements when decedent dies or**
4287 **income interest begins.**

4288 (1) A trustee shall allocate an income receipt or disbursement other than one to which
4289 Subsection 22-3-201(1) applies to principal if its due date occurs before a decedent dies in the
4290 case of an estate or before an income interest begins in the case of a trust or successive income
4291 interest.

4292 (2) A trustee shall allocate an income receipt or disbursement to income if its due date
4293 occurs on or after the date on which a decedent dies or an income interest begins and it is a
4294 periodic due date. An income receipt or disbursement [~~must~~] shall be treated as accruing from
4295 day to day if its due date is not periodic or it has no due date. The portion of the receipt or
4296 disbursement accruing before the date on which a decedent dies or an income interest begins
4297 [~~must~~] shall be allocated to principal and the balance [~~must~~] shall be allocated to income.

4298 (3) An item of income or an obligation is due on the date the payer is required to make
4299 a payment. If a payment date is not stated, there is no due date for the purposes of this chapter.
4300 Distributions to shareholders or other owners from an entity to which Section 22-3-401 applies
4301 are considered to be due on the date fixed by the entity for determining who is entitled to
4302 receive the distribution or, if no date is fixed, on the declaration date for the distribution. A
4303 due date is periodic for receipts or disbursements that must be paid at regular intervals under a
4304 lease or an obligation to pay interest or if an entity customarily makes distributions at regular
4305 intervals.

4306 Section 95. Section **22-3-303** is amended to read:

4307 **22-3-303. Apportionment when income interest ends.**

4308 (1) In this section, "undistributed income" means net income received before the date
4309 on which an income interest ends. The term does not include an item of income or expense
4310 that is due or accrued or net income that has been added or is required to be added to principal
4311 under the terms of the trust.

4312 (2) When a mandatory income interest ends, the trustee shall pay to a mandatory
4313 income beneficiary who survives that date, or the estate of a deceased mandatory income
4314 beneficiary whose death causes the interest to end, the beneficiary's share of the undistributed
4315 income that is not disposed of under the terms of the trust unless the beneficiary has an
4316 unqualified power to revoke more than 5% of the trust immediately before the income interest
4317 ends. In the latter case, the undistributed income from the portion of the trust that may be
4318 revoked [~~must~~] shall be added to principal.

4319 (3) When a trustee's obligation to pay a fixed annuity or a fixed fraction of the value of
4320 the trust's assets ends, the trustee shall prorate the final payment if and to the extent required by
4321 applicable law to accomplish a purpose of the trust or its settlor relating to income, gift, estate,
4322 or other tax requirements.

4323 Section 96. Section **22-3-403** is amended to read:

4324 **22-3-403. Receipts from entities -- Business and other activities conducted by**
4325 **trustee.**

4326 (1) If a trustee who conducts a business or other activity determines that it is in the best
4327 interest of all the beneficiaries to account separately for the business or activity instead of
4328 accounting for it as part of the trust's general accounting records, the trustee may maintain
4329 separate accounting records for its transactions, whether or not its assets are segregated from
4330 other trust assets.

4331 (2) A trustee who accounts separately for a business or other activity may determine
4332 the extent to which its net cash receipts [~~must~~] shall be retained for working capital, the
4333 acquisition or replacement of fixed assets, and other reasonably foreseeable needs of the
4334 business or activity, and the extent to which the remaining net cash receipts are accounted for
4335 as principal or income in the trust's general accounting records. If a trustee sells assets of the
4336 business or other activity, other than in the ordinary course of the business or activity, the

4337 trustee shall account for the net amount received as principal in the trust's general accounting
4338 records to the extent the trustee determines that the amount received is no longer required in
4339 the conduct of the business.

4340 (3) Activities for which a trustee may maintain separate accounting records include:

4341 (a) retail, manufacturing, service, and other traditional business activities;

4342 (b) farming;

4343 (c) raising and selling livestock and other animals;

4344 (d) management of rental properties;

4345 (e) extraction of minerals and other natural resources;

4346 (f) timber operations; and

4347 (g) activities to which Section 22-3-414 applies.

4348 Section 97. Section **22-3-405** is amended to read:

4349 **22-3-405. Receipts not normally apportioned -- Rental property.**

4350 To the extent that a trustee accounts for receipts from rental property pursuant to this
4351 section, the trustee shall allocate to income an amount received as rent of real or personal
4352 property, including an amount received for cancellation or renewal of a lease. An amount
4353 received as a refundable deposit, including a security deposit or a deposit that is to be applied
4354 as rent for future periods, ~~must~~ shall be added to principal and held subject to the terms of the
4355 lease and is not available for distribution to a beneficiary until the trustee's contractual
4356 obligations have been satisfied with respect to that amount.

4357 Section 98. Section **22-3-406** is amended to read:

4358 **22-3-406. Receipts not normally apportioned -- Obligation to pay money.**

4359 (1) An amount received as interest, whether determined at a fixed, variable, or floating
4360 rate, on an obligation to pay money to the trustee, including an amount received as
4361 consideration for prepaying principal, ~~must~~ shall be allocated to income without any
4362 provision for amortization of premium.

4363 (2) A trustee shall allocate to principal an amount received from the sale, redemption,
4364 or other disposition of an obligation to pay money to the trustee more than one year after it is
4365 purchased or acquired by the trustee, including an obligation whose purchase price or value
4366 when it is acquired is less than its value at maturity. If the obligation matures within one year
4367 after it is purchased or acquired by the trustee, an amount received in excess of its purchase

4368 price or its value when acquired by the trust [must] shall be allocated to income.

4369 (3) This section does not apply to an obligation to which Section 22-3-409, 22-3-410,
4370 22-3-411, 22-3-412, 22-3-414, or 22-3-415 applies.

4371 Section 99. Section **22-3-411** is amended to read:

4372 **22-3-411. Receipts normally apportioned -- Minerals, water, and other natural**
4373 **resources.**

4374 (1) To the extent that a trustee accounts for receipts from an interest in minerals or
4375 other natural resources pursuant to this section, the trustee shall allocate them as follows:

4376 (a) If received as nominal delay rental or nominal annual rent on a lease, a receipt
4377 [must] shall be allocated to income.

4378 (b) If received from a production payment, a receipt [must] shall be allocated to income
4379 if and to the extent that the agreement creating the production payment provides a factor for
4380 interest or its equivalent. The balance [must] shall be allocated to principal.

4381 (c) If an amount received as a royalty, shut-in-well payment, take-or-pay payment,
4382 bonus, or delay rental is more than nominal, 90% [must] shall be allocated to principal and the
4383 balance to income.

4384 (d) If an amount is received from a working interest or any other interest not provided
4385 for in Subsection (1)(a), (b), or (c), 90% of the net amount received [must] shall be allocated to
4386 principal and the balance to income.

4387 (2) An amount received on account of an interest in water that is renewable [must]
4388 shall be allocated to income. If the water is not renewable, 90% of the amount [must] shall be
4389 allocated to principal and the balance to income.

4390 (3) This chapter applies whether or not a decedent or donor was extracting minerals,
4391 water, or other natural resources before the interest became subject to the trust.

4392 (4) If a trust owns an interest in minerals, water, or other natural resources on May 3,
4393 2004, the trustee may allocate receipts from the interest as provided in this chapter or in the
4394 manner used by the trustee before May 3, 2004. If the trust acquires an interest in minerals,
4395 water, or other natural resources after May 3, 2004, the trustee shall allocate receipts from the
4396 interest as provided in this chapter.

4397 Section 100. Section **22-3-414** is amended to read:

4398 **22-3-414. Receipts normally apportioned -- Derivatives and options.**

4399 (1) In this section, "derivative" means a contract or financial instrument or a
4400 combination of contracts and financial instruments which gives a trust the right or obligation to
4401 participate in some or all changes in the price of a tangible or intangible asset or group of
4402 assets, or changes in a rate, an index of prices or rates, or other market indicator for an asset or
4403 a group of assets.

4404 (2) To the extent that a trustee does not account under Section 22-3-403 for
4405 transactions in derivatives, the trustee shall allocate to principal receipts from and
4406 disbursements made in connection with those transactions.

4407 (3) If a trustee grants an option to buy property from the trust, whether or not the trust
4408 owns the property when the option is granted, grants an option that permits another person to
4409 sell property to the trust, or acquires an option to buy property for the trust or an option to sell
4410 an asset owned by the trust, and the trustee or other owner of the asset is required to deliver the
4411 asset if the option is exercised, an amount received for granting the option [must] shall be
4412 allocated to principal. An amount paid to acquire the option [must] shall be paid from
4413 principal. A gain or loss realized upon the exercise of an option, including an option granted to
4414 a settlor of the trust for services rendered, [must] shall be allocated to principal.

4415 Section 101. Section **22-3-505** is amended to read:

4416 **22-3-505. Income taxes.**

4417 (1) A tax required to be paid by a trustee based on receipts allocated to income [must]
4418 shall be paid from income.

4419 (2) A tax required to be paid by a trustee based on receipts allocated to principal [must]
4420 shall be paid from principal, even if the tax is called an income tax by the taxing authority.

4421 (3) A tax required to be paid by a trustee on the trust's share of an entity's taxable
4422 income [must] shall be paid:

4423 (a) from income to the extent that receipts from the entity are allocated only to income;

4424 (b) from principal to the extent that receipts from the entity are allocated only to
4425 principal;

4426 (c) proportionately from principal and income to the extent that receipts from the entity
4427 are allocated to both income and principal; and

4428 (d) from principal to the extent that the tax exceeds the total receipts from the entity.

4429 (4) After applying Subsections (1) through (3), the trustee shall adjust income or

4430 principal receipts to the extent that the trust's taxes are reduced because the trust receives a
4431 deduction for payments made to a beneficiary.

4432 Section 102. Section **22-3-506** is amended to read:

4433 **22-3-506. Adjustments between principal and income because of taxes.**

4434 (1) A fiduciary may make adjustments between principal and income to offset the
4435 shifting of economic interests or tax benefits between income beneficiaries and remainder
4436 beneficiaries which arise from:

4437 (a) elections and decisions, other than those described in Subsection (2), that the
4438 fiduciary makes from time to time regarding tax matters;

4439 (b) an income tax or any other tax that is imposed upon the fiduciary or a beneficiary as
4440 a result of a transaction involving or a distribution from the estate or trust; or

4441 (c) the ownership by an estate or trust of an interest in an entity whose taxable income,
4442 whether or not distributed, is includable in the taxable income of the estate, trust, or a
4443 beneficiary.

4444 (2) If the amount of an estate tax marital deduction or charitable contribution deduction
4445 is reduced because a fiduciary deducts an amount paid from principal for income tax purposes
4446 instead of deducting it for estate tax purposes, and as a result estate taxes paid from principal
4447 are increased and income taxes paid by an estate, trust, or beneficiary are decreased, each
4448 estate, trust, or beneficiary that benefits from the decrease in income tax shall reimburse the
4449 principal from which the increase in estate tax is paid. The total reimbursement ~~[must]~~ shall
4450 equal the increase in the estate tax to the extent that the principal used to pay the increase
4451 would have qualified for a marital deduction or charitable contribution deduction but for the
4452 payment. The proportionate share of the reimbursement for each estate, trust, or beneficiary
4453 whose income taxes are reduced ~~[must]~~ shall be the same as its proportionate share of the total
4454 decrease in income tax. An estate or trust shall reimburse principal from income.

4455 Section 103. Section **22-3-601** is amended to read:

4456 **22-3-601. Uniformity of application and construction.**

4457 In applying and construing this chapter, consideration ~~[must]~~ shall be given to the need
4458 to promote uniformity of the law with respect to its subject matter among states that enact it.

5373 (2) (a) (i) Except as provided by Subsection (2)(a)(ii), if livestock are damaged by a
5374 bear, mountain lion, wolf, or an eagle, the owner may receive compensation for the fair market
5375 value of the damage.
5376 (ii) The owner may not receive compensation if the livestock is damaged by a wolf
5377 within an area where a wolf is endangered or threatened under the Endangered Species Act of
5378 1973, 16 U.S.C. Sec. 1531, et seq.
5379 (b) To obtain this compensation, the owner of the damaged livestock shall notify the
5380 division of the damage as soon as possible, but no later than four days after the damage is
5381 discovered.
5382 (c) The owner [~~must~~] shall notify the division each time any damage is discovered.
5383 (3) The livestock owner shall file a proof of loss form, provided by the division, no
5384 later than 30 days after the original notification of damage was given to the division by the
5385 owner.
5386 (4) (a) (i) The division, with the assistance of the Department of Agriculture and Food
5387 shall:
5388 (A) within 30 days after the owner files the proof of loss form, either accept or deny the
5389 claim for damages; and
5390 (B) subject to Subsections (4)(a)(ii) through (4)(a)(iv), pay all accepted claims to the

5391 extent money appropriated by the Legislature is available for this purpose.

5392 (ii) Money appropriated from the Wildlife Resources Account may be used to provide
5393 compensation for only up to 50% of the fair market value of any damaged livestock.

5394 (iii) Money appropriated from the Wildlife Resources Account may not be used to
5395 provide compensation for livestock damaged by an eagle or a wolf.

5396 (iv) The division may not pay any eagle damage claim until the division has paid all
5397 accepted mountain lion and bear damage claims for the fiscal year.

5398 (b) The division may not pay mountain lion, bear, wolf, or eagle damage claims to a
5399 livestock owner unless the owner has filed a completed livestock form and the appropriate fee
5400 as outlined in Section 4-23-7 for the immediately preceding and current year.

5401 (c) (i) Unless the division denies a claim for the reason identified in Subsection (4)(b),
5402 the owner may appeal the decision to a panel consisting of one person selected by the owner,
5403 one person selected by the division, and a third person selected by the first two panel members.

5404 (ii) The panel shall decide whether the division should pay all of the claim, a portion of
5405 the claim, or none of the claim.

5406 (5) By following the procedures and requirements of Title 63G, Chapter 3, Utah
5407 Administrative Rulemaking Act, the Wildlife Board may make and enforce rules to administer
5408 and enforce this section.

5409 Section 132. Section **24-1-8** is amended to read:

5410 **24-1-8. Criminal procedures.**

5411 (1) In cases where an owner is criminally prosecuted for conduct giving rise to
5412 forfeiture, the prosecuting attorney may elect to forfeit the owner's interest in the property
5413 civilly or criminally, provided that no civil forfeiture judgment may be entered with respect to
5414 the property of a defendant who is acquitted of the offense on which the forfeiture claim is
5415 based.

5416 (2) If the prosecuting attorney elects to criminally forfeit the owner's interest in the
5417 property, the information or indictment [~~must~~] shall state that the owner's interest in the
5418 specifically described property is subject to criminal forfeiture and the basis for the forfeiture.

5419 (3) (a) Upon application of the prosecuting attorney, the court may enter restraining
5420 orders or injunctions, or take other reasonable action to preserve for forfeiture under this
5421 section any forfeitable property if, after notice to persons known, or discoverable after due

5422 diligence, to have an interest in the property and after affording them an opportunity for a
5423 hearing, the court determines that:

5424 (i) there is a substantial probability that the state will prevail on the issue of forfeiture
5425 and that failure to enter the order will result in the property being sold, transferred, destroyed,
5426 or removed from the jurisdiction of the court or otherwise made unavailable for forfeiture; and

5427 (ii) the need to preserve the availability of the property or prevent its sale, transfer,
5428 destruction, or removal through the entry of the requested order outweighs the hardship against
5429 any party against whom the order is to be entered.

5430 (b) A temporary restraining order may be entered ex parte upon application of the
5431 prosecuting attorney before or after an information or indictment has been filed with respect to
5432 the property, if the prosecuting attorney demonstrates that:

5433 (i) there is probable cause to believe that the property with respect to which the order is
5434 sought would, in the event of a conviction, be subject to forfeiture under this section; and

5435 (ii) provision of notice would jeopardize the availability of the property for forfeiture
5436 or would jeopardize an ongoing criminal investigation.

5437 (c) The temporary order expires not more than 10 days after entry unless extended for
5438 good cause shown or unless the party against whom it is entered consents to an extension. An
5439 adversarial hearing concerning an order entered under this section shall be held as soon as
5440 practicable and prior to the expiration of the temporary order.

5441 (d) The court is not bound by the Utah Rules of Evidence regarding evidence it may
5442 receive and consider at any hearing under this section.

5443 (4) (a) Upon conviction by a jury of an owner for conduct giving rise to criminal
5444 forfeiture, the jury shall be instructed and asked to return a special verdict as to the extent of
5445 the property identified in the information or indictment, if any, that is forfeitable.

5446 (b) Whether property is forfeitable shall be proven beyond a reasonable doubt.

5447 (5) (a) Upon conviction of a person for violating any provision of state law subjecting
5448 an owner's property to forfeiture and upon the jury's special verdict that the property is
5449 forfeitable, the court shall enter a judgment and order the property forfeited to the state upon
5450 the terms stated by the court in its order.

5451 (b) Following the entry of an order declaring property forfeited, the court may, upon
5452 application of the prosecuting attorney, enter appropriate restraining orders or injunctions,

5453 require the execution of satisfactory performance bonds, appoint receivers, conservators,
5454 appraisers, accountants, or trustees, or take any other action to protect the interest of the state in
5455 property ordered forfeited.

5456 (6) (a) After property is ordered forfeited under this section, the seizing agency shall
5457 direct the disposition of the property under Section 24-1-17. Any property right or interest not
5458 exercisable by or transferable for value to the state expires and does not revert to the defendant.
5459 The defendant or any person acting in concert with or on behalf of the defendant is not eligible
5460 to purchase forfeited property at any sale held by the seizing agency unless approved by the
5461 judge.

5462 (b) The court may stay the sale or disposition of the property pending the conclusion of
5463 any appeal of the criminal case giving rise to the forfeiture if the defendant demonstrates that
5464 proceeding with the sale or disposition of the property may result in irreparable injury, harm or
5465 loss to [~~him~~] the defendant.

5466 (7) Except under Subsection (3) or (10), a party claiming an interest in property subject
5467 to criminal forfeiture under this section:

5468 (a) may not intervene in a trial or appeal of a criminal case involving the forfeiture of
5469 property under this section; and

5470 (b) may not commence an action at law or equity against the state or the county
5471 concerning the validity of [~~his~~] the party's alleged interests in the property subsequent to the
5472 filing of an indictment or an information alleging that the property is subject to forfeiture under
5473 this section.

5474 (8) The district court of the state which has jurisdiction of a case under this part may
5475 enter orders under this section without regard to the location of any property which may be
5476 subject to forfeiture under this section, or which has been ordered forfeited under this section.

5477 (9) To facilitate the identification or location of property declared forfeited and to
5478 facilitate the disposition of petitions for remission or mitigation of forfeiture, after the entry of
5479 an order declaring property forfeited to the state, the court may upon application of the
5480 prosecuting attorney order that the testimony of any witness relating to the property forfeited be
5481 taken by deposition, and that any book, paper, document, record, recording, or other material
5482 not privileged shall be produced as provided for depositions and discovery under the Utah
5483 Rules of Civil Procedure.

5484 (10) (a) Following the entry of an order of forfeiture under this section, the prosecuting
5485 attorney shall publish notice of the order's intent to dispose of the property as the court may
5486 direct. The prosecuting attorney shall also provide direct written notice to any person known to
5487 have an alleged interest in the property subject to the order of forfeiture.

5488 (b) Any person, other than the defendant, asserting a legal interest in property which
5489 has been ordered forfeited to the state under this section may, within 30 days of the final
5490 publication of notice or [~~his~~] the person's receipt of written notice under Subsection (10)(a),
5491 whichever is earlier, petition the court for a hearing to adjudicate the validity of [~~his~~] the
5492 person's alleged interest in the property. Any genuine issue of material fact, including issues of
5493 standing, is triable to a jury upon demand of any party.

5494 (c) The petition shall be in writing and signed by the petitioner under penalty of
5495 perjury. It shall set forth the nature and extent of the petitioner's right, title, or interest in the
5496 property, the time and circumstances of the petitioner's acquisition of the right, title, or interest
5497 in the property, and any additional facts supporting the petitioner's claim and the relief sought.

5498 (d) The trial or hearing on the petition shall be expedited to the extent practicable. The
5499 court may consolidate a trial or hearing on the petition and any petition filed by any other
5500 person under this section other than the defendant. The court shall permit the parties to
5501 conduct pretrial discovery pursuant to the Utah Rules of Civil Procedure.

5502 (e) At the trial or hearing, the petitioner may testify and present evidence and witnesses
5503 on [~~his~~] the petitioner's own behalf and cross-examine witnesses who appear at the hearing.
5504 The prosecuting attorney may present evidence and witnesses in rebuttal and in defense of the
5505 claim to the property and cross-examine witnesses who appear. In addition to testimony and
5506 evidence presented at the trial or hearing, the court may consider the relevant portion of the
5507 record of the criminal case which resulted in the order of forfeiture. Any trial or hearing shall
5508 be conducted pursuant to the Utah Rules of Evidence.

5509 (f) The court shall amend the order of forfeiture in accordance with its determination, if
5510 after the trial or hearing, the court or jury determines that the petitioner has established by a
5511 preponderance of the evidence that:

5512 (i) the petitioner has a legal right, title, or interest in the property, and the right, title, or
5513 interest renders the order of forfeiture invalid in whole or in part because the right, title, or
5514 interest was vested in the petitioner rather than the defendant or was superior to any right, title,

5515 or interest of the defendant at the time of the commission of the acts or conduct which gave rise
5516 to the forfeiture of the property under this section; or

5517 (ii) the petitioner acquired the right, title or interest in the property in a bona fide
5518 transaction for value and, at the time of such acquisition, the petitioner did not know that the
5519 property was subject to forfeiture.

5520 (g) Following the court's disposition of all petitions filed under this Subsection (10), or
5521 if no petitions are filed following the expiration of the period provided in Subsection (10)(b)
5522 for the filing of petitions, the state has clear title to property subject to the order of forfeiture
5523 and may warrant good title to any subsequent purchaser or transferee.

5524 Section 133. Section **25-5-2** is amended to read:

5525 **25-5-2. Wills and implied trusts excepted.**

5526 Section 25-5-1 [~~shall not~~] may not be construed to affect the power of a testator in the
5527 disposition of [~~his~~] the testator's real estate by last will and testament; nor to prevent any trust
5528 from arising or being extinguished by implication or operation of law.

5529 Section 134. Section **25-6-9** is amended to read:

5530 **25-6-9. Good faith transfer.**

5531 (1) A transfer or obligation is not voidable under Subsection 25-6-5(1)(a) against a
5532 person who took in good faith and for a reasonably equivalent value or against any subsequent
5533 transferee or obligee.

5534 (2) Except as otherwise provided in this section, to the extent a transfer is voidable in
5535 an action by a creditor under Subsection 25-6-8(1)(a), the creditor may recover judgment for
5536 the value of the asset transferred, as adjusted under Subsection (3), or the amount necessary to
5537 satisfy the creditor's claim, whichever is less. The judgment may be entered against:

5538 (a) the first transferee of the asset or the person for whose benefit the transfer was
5539 made; or

5540 (b) any subsequent transferee other than a good faith transferee who took for value or
5541 from any subsequent transferee.

5542 (3) If the judgment under Subsection (2) is based upon the value of the asset
5543 transferred, the judgment [~~must~~] shall be for an amount equal to the value of the asset at the
5544 time of the transfer, subject to an adjustment as equities may require.

5545 (4) Notwithstanding voidability of a transfer or an obligation under this chapter, a

5546 good-faith transferee or obligee is entitled, to the extent of the value given the debtor for the
5547 transfer or obligation, to:

5548 (a) a lien on or a right to retain any interest in the asset transferred;

5549 (b) enforcement of any obligation incurred; or

5550 (c) a reduction in the amount of the liability on the judgment.

5551 (5) A transfer is not voidable under Subsection 25-6-5(1)(b) or Section 25-6-6 if the
5552 transfer results from:

5553 (a) termination of a lease upon default by the debtor when the termination is pursuant
5554 to the lease and applicable law; or

5555 (b) enforcement of a security interest in compliance with Title 70A, Chapter 9a,
5556 Uniform Commercial Code - Secured Transactions.

5557 (6) A transfer is not voidable under Subsection 25-6-6(2):

5558 (a) to the extent the insider gave new value to or for the benefit of the debtor after the
5559 transfer was made unless the new value was secured by a valid lien;

5560 (b) if made in the ordinary course of business or financial affairs of the debtor and the
5561 insider; or

5562 (c) if made pursuant to a good-faith effort to rehabilitate the debtor and the transfer
5563 secured present value given for that purpose as well as an antecedent debt of the debtor.

5564 Section 135. Section **26-1-5** is amended to read:

5565 **26-1-5. Rules of department.**

5566 (1) Except in areas regulated by statutory committees created by this title, the
5567 department shall have the power to adopt, amend, or rescind rules necessary to carry out the
5568 provisions of this title.

5569 (2) Rules shall have the force and effect of law and may deal with matters which
5570 materially affect the security of health or the preservation and improvement of public health in
5571 the state, and any matters as to which jurisdiction is conferred upon the department by this title.

5572 (3) Every rule adopted by the department pursuant to this section, or a committee
5573 established under Section 26-1-7 or 26-1-7.5, shall be subject to Title 63G, Chapter 3, Utah
5574 Administrative Rulemaking Act and shall become effective at the time and in the manner
5575 provided in that act.

5576 (4) If, at the next general session of the Legislature following the filing of a rule with

5577 the legislative research director, the Legislature passes a bill disapproving such rule, the rule
5578 shall be null and void.

5579 (5) The department or a committee created under Section 26-1-7 or 26-1-7.5, [~~shall~~
5580 ~~not~~] may not adopt a rule identical to a rule disapproved under Subsection (4) of this section,
5581 before the beginning of the next general session of the Legislature following the general

5597 appointed to four-year terms.

5598 (b) Notwithstanding the requirements of Subsection (2)(a), the governor shall, at the
5599 time of appointment or reappointment, adjust the length of terms to ensure that the terms of
5600 council members are staggered so that approximately half of the council is appointed every two
5601 years.

5602 (c) Terms of office for subsequent appointments shall commence on July 1 of the year
5603 in which the appointment occurs.

5622 (7) The executive director shall ensure that the council has adequate staff support and

5650 made when the requirements of that paragraph [~~have been~~] are met.

5651 Section 141. Section **26-4-2** is amended to read:

5652 **26-4-2. Definitions.**

5653 As used in this chapter:

5654 (1) "Dead body" is as defined in Section 26-2-2.

5655 (2) "Death by violence" means death that resulted by the decedent's exposure to
5656 physical, mechanical, or chemical forces, and includes death which appears to have been due to
5657 homicide, death which occurred during or in an attempt to commit rape, mayhem, kidnapping,
5658 robbery, burglary, housebreaking, extortion, or blackmail accompanied by threats of violence,
5659 assault with a dangerous weapon, assault with intent to commit any offense punishable by
5660 imprisonment for more than one year, arson punishable by imprisonment for more than one
5661 year, or any attempt to commit any of the foregoing offenses.

5662 (3) "Medical examiner" means the state medical examiner appointed pursuant to
5663 Section 26-4-4 or a deputy appointed by the medical examiner.

5664 (4) "Regional pathologist" means a trained pathologist licensed to practice medicine
5665 and surgery in the state, appointed by the medical examiner pursuant to Subsection 26-4-4(3).

5666 (5) "Sudden death while in apparent good health" means apparently instantaneous
5667 death without obvious natural cause, death during or following an unexplained syncope or
5668 coma, or death during an acute or unexplained rapidly fatal illness.

5669 (6) "Sudden infant death syndrome" means the death of a child who was thought to be

5670 in good health or whose terminal illness appeared to be so mild that the possibility of a fatal
5671 outcome was not anticipated.

5672 (7) "Suicide" means death caused by an intentional and voluntary act of a person who
5673 understands the physical nature of the act and intends by such act to accomplish
5674 self-destruction.

5675 (8) "Unattended death" means the death of a person who has not been seen by a
5676 physician within the scope of the physician's professional capacity within 30 days immediately
5677 prior to the date of death. This definition [~~shall not~~] does not require an investigation, autopsy,
5678 or inquest in any case where death occurred without medical attendance solely because the
5679 deceased was under treatment by prayer or spiritual means alone in accordance with the tenets
5680 and practices of a well-recognized church or religious denomination.

5681 (9) (a) "Unavailable for postmortem investigation" means that a dead body is:

5682 (i) transported out of state;

5683 (ii) buried at sea;

5684 (iii) cremated; or

5685 (iv) otherwise made unavailable to the medical examiner for postmortem investigation
5686 or autopsy.

5687 (b) "Unavailable for postmortem investigation" does not include embalming or burial
5688 of a dead body pursuant to the requirements of law.

5689 (10) "Within the scope of the decedent's employment" means all acts reasonably
5690 necessary or incident to the performance of work, including matters of personal convenience
5691 and comfort not in conflict with specific instructions.

5692 Section 142. Section **26-4-9** is amended to read:

5693 **26-4-9. Custody of dead body and personal effects -- Examination of scene of**
5694 **death -- Preservation of body -- Autopsies.**

5695 (1) Upon notification of a death under Section 26-4-8, the medical examiner shall
5696 assume custody of the deceased body, clothing on the body, biological samples taken, and any
5697 article on or near the body which may aid [~~him~~] the medical examiner in determining the cause
5698 of death except those articles which will assist the investigative agency to proceed without
5699 delay with the investigation. In all cases the scene of the event [~~shall not~~] may not be disturbed
5700 until authorization is given by the senior ranking peace officer from the law enforcement

5701 agency having jurisdiction of the case and conducting the investigation. Where death appears to
5702 have occurred under circumstances listed in Section 26-4-7, the person or persons finding or
5703 having custody of the body, or jurisdiction over the investigation of the death, shall take
5704 reasonable precautions to preserve the body and body fluids so that minimum deterioration
5705 takes place. The body [~~shall not~~] may not be moved without permission of the medical
5706 examiner, district attorney, or county attorney having criminal jurisdiction, or his authorized
5707 deputy except in cases of affront to public decency or circumstances where it is not practical to
5708 leave the body where found, or in such cases where the cause of death is clearly due to natural
5709 causes. The body can under direction of a licensed physician or the medical examiner or his
5710 designated representative be moved to a place specified by a funeral director, the attending
5711 physician, the medical examiner, or his representative.

5712 (2) In the event the body, where referred to the medical examiner, is moved, no
5713 cleansing or embalming of the body shall occur without the permission of the medical
5714 examiner. An intentional or knowing violation of this Subsection (2) is a class B misdemeanor.

5715 (3) When the medical examiner assumes lawful custody of a body under Subsection
5716 26-4-7(3) solely because the death was unattended, an autopsy [~~shall not~~] may not be
5717 performed unless requested by the district attorney, county attorney having criminal
5718 jurisdiction, or law enforcement agency having jurisdiction of the place where the body is
5719 found, or a licensed physician, or a spouse, child, parent or guardian of the deceased, and a
5720 licensed physician. The county attorney or district attorney and law enforcement agency having
5721 jurisdiction shall consult with the medical examiner to determine the need for an autopsy. In
5722 any such case concerning unattended deaths qualifying as exempt from autopsy, a death
5723 certificate may be certified by a licensed physician. In this case the physician may be
5724 established as the medical examiner's designated representative. Requested autopsies [~~shall~~
5725 ~~not~~] may not be performed when the medical examiner or [~~his~~] the medical examiner's
5726 designated representative determines the autopsy to be unnecessary, provided that an autopsy
5727 requested by a district or county attorney or law enforcement agency may only be determined to
5728 be unnecessary if the cause of death can be ascertained without an autopsy being performed.

5729 Section 143. Section **26-4-12** is amended to read:

5730 **26-4-12. Order to exhume body -- Procedure.**

5731 (1) In case of any death described in Section 26-4-7, when a body is buried without an

5732 investigation by the medical examiner as to the cause and manner of death, it shall be the duty
5733 of the medical examiner, upon being advised of the fact, to notify the district attorney or county
5734 attorney having criminal jurisdiction where the body is buried or death occurred. Upon
5735 notification, the district attorney or county attorney having criminal jurisdiction may file an
5736 action in the district court to obtain an order to exhume the body. A district judge may order the
5737 body exhumed upon an ex parte hearing.

5738 (2) (a) A body [~~shall not~~] may not be exhumed until notice of the order has been served
5739 upon the executor or administrator of the deceased's estate, or if no executor or administrator
5740 has been appointed, upon the nearest heir of the deceased, determined as if the deceased had
5741 died intestate. If the nearest heir of the deceased cannot be located within the jurisdiction, then
5742 the next heir in succession within the jurisdiction may be served.

5743 (b) The executor, administrator, or heir shall have 24 hours to notify the issuing court
5744 of any objection to the order prior to the time the body is exhumed. If no heirs can be located
5745 within the jurisdiction within 24 hours, the facts shall be reported to the issuing court which
5746 may order that the body be exhumed forthwith.

5747 (c) Notification to the executor, administrator, or heir shall specifically state the nature
5748 of the action and the fact that any objection [~~must~~] shall be filed with the issuing court within
5749 24 hours of the time of service.

5750 (d) In the event an heir files an objection, the court shall set hearing on the matter at the
5751 earliest possible time and issue an order on the matter immediately at the conclusion of the
5752 hearing. Upon the receipt of notice of objection, the court shall immediately notify the county
5753 attorney who requested the order, so that the interest of the state may be represented at the
5754 hearing.

5755 (e) When there is reason to believe that death occurred in a manner described in
5756 Section 26-4-7, the district attorney or county attorney having criminal jurisdiction may make a
5757 motion that the court, upon ex parte hearing, order the body exhumed forthwith and without
5758 notice. Upon a showing of exigent circumstances the court may order the body exhumed
5759 forthwith and without notice. In any event, upon motion of the district attorney or county
5760 attorney having criminal jurisdiction and upon the personal appearance of the medical
5761 examiner, the court for good cause may order the body exhumed forthwith and without notice.

5762 (3) An order to exhume a body shall be directed to the medical examiner, commanding

5763 [~~him~~] the medical examiner to cause the body to be exhumed, perform the required autopsy,
5764 and properly cause the body to be reburied upon completion of the examination.

5765 (4) The examination shall be completed and the complete autopsy report shall be made
5766 to the district attorney or county attorney having criminal jurisdiction for any action the
5767 attorney considers appropriate. The district attorney or county attorney shall submit the return
5768 of the order to exhume within 10 days in the manner prescribed by the issuing court.

5769 Section 144. Section **26-4-20** is amended to read:

5770 **26-4-20. Officials not liable for authorized acts.**

5771 Except as provided in this chapter, a criminal or civil action [~~shall not~~] may not arise
5772 against the county attorney, district attorney, or his deputies, the medical examiner or his
5773 deputies, or regional pathologists for authorizing or performing autopsies authorized by this
5774 chapter or for any other act authorized by this chapter.

5775 Section 145. Section **26-6-3** is amended to read:

5776 **26-6-3. Authority to investigate and control epidemic infections and**
5777 **communicable disease.**

5778 (1) The department has authority to investigate and control the causes of epidemic
5779 infections and communicable disease, and shall provide for the detection, reporting,
5780 prevention, and control of communicable diseases and epidemic infections or any other health
5781 hazard which may affect the public health.

5782 (2) (a) As part of the requirements of Subsection (1), the department shall distribute to
5783 the public and to health care professionals:

5784 (i) medically accurate information about sexually transmitted diseases that may cause
5785 infertility and sterility if left untreated, including descriptions of:

5786 (A) the probable side effects resulting from an untreated sexually transmitted disease,
5787 including infertility and sterility;

5796 sexually transmitted disease; and

5797 (C) abstinence before marriage and fidelity after marriage being the surest prevention
5798 of sexually transmitted disease.

5799 (b) The information required by Subsection (2)(a):

5800 (i) shall be distributed by the department and by local health departments free of
5801 charge;

5802 (ii) shall be relevant to the geographic location in which the information is distributed
5803 by:

5804 (A) listing addresses and telephone numbers for public clinics and agencies providing
5805 services in the geographic area in which the information is distributed; and

5806 (B) providing the information in English as well as other languages that may be
5807 appropriate for the geographic area.

5808 (c) (i) Except as provided in Subsection (2)(c)(ii), the department shall develop written
5809 material that includes the information required by this Subsection (2).

5810 (ii) In addition to the written materials required by Subsection (2)(c)(i), the department
5811 may distribute the information required by this Subsection (2) by any other methods the
5812 department determines is appropriate to educate the public, excluding public schools, including
5813 websites, toll free telephone numbers, and the media.

5814 (iii) If the information required by Subsection (2)(b)(ii)(A) is not included in the
5815 written pamphlet developed by the department, the written material [~~must~~] shall include either

5819 **26-6-18. Venereal disease -- Consent of minor to treatment.**

5820 (1) A consent to medical care or services by a hospital or public clinic or the
5821 performance of medical care or services by a licensed physician executed by a minor who is or
5822 professes to be afflicted with a sexually transmitted disease, shall have the same legal effect
5823 upon the minor and the same legal obligations with regard to the giving of consent as a consent
5824 given by a person of full legal age and capacity, the infancy of the minor and any contrary

5825 provision of law notwithstanding.

5826 (2) The consent of the minor [~~shall not be~~] is not subject to later disaffirmance by
5827 reason of minority at the time it was given and the consent of no other person or persons shall
5828 be necessary to authorize hospital or clinical care or services to be provided to the minor by a
5829 licensed physician.

5830 (3) The provisions of this section shall apply also to minors who profess to be in need
5831 of hospital or clinical care and services or medical care or services provided by a physician for
5832 suspected sexually transmitted disease, regardless of whether such professed suspicions are
5833 subsequently substantiated on a medical basis.

5834 Section 147. Section **26-6-20** is amended to read:

5835 **26-6-20. Serological testing of pregnant or recently delivered women.**

5836 (1) Every licensed physician and surgeon attending a pregnant or recently delivered

5838 blood of the woman at the time of first examination or within 10 days thereafter. The blood
5839 sample shall be submitted to an approved laboratory for a standard serological test for syphilis.
5840 The provisions of this section [~~shall not~~] do not apply to any female who objects thereto on the
5841 grounds that she is a bona fide member of a specified, well recognized religious organization
5842 whose teachings are contrary to the tests.

5843 (2) Every other person attending a pregnant or recently delivered woman, who is not
5844 permitted by law to take blood samples, shall within 10 days from the time of first attendance

5851 (4) For the purpose of this chapter, a "standard serological test" means a test for
5852 syphilis approved by the department and made at an approved laboratory.

6341 issuance or amendment of a license may not create an orphaned area.

6342 (3) The quality of service in the area [~~must~~] shall be maintained or improved. The

6343 officer shall consider the:

6344 (a) staffing and equipment standards of the current licensed provider and the applicant;

6345 (b) training and certification levels of the current licensed provider's staff and the
6346 applicant's staff;

6347 (c) continuing medical education provided by the current licensed provider and the

6379 ground ambulance and paramedic services that serve their areas.

6380 (8) In a formal adjudicative proceeding, the applicant bears the burden of establishing

7490 record used to make the refusal, with the intent to revoke the refusal.

7491 (4) Except as otherwise provided in Subsection 26-28-108(8), in the absence of an
7492 express, contrary indication by the individual set forth in the refusal, an individual's unrevoked
7493 refusal to make an anatomical gift of the individual's body or part bars all other persons from
7494 making an anatomical gift of the individual's body or part.

7495 Section 190. Section **26-28-111** is amended to read:

7496 **26-28-111. Persons that may receive anatomical gift -- Purpose of anatomical gift.**

7497 (1) An anatomical gift may be made to the following persons named in the document
7498 of gift:

7499 (a) a hospital, accredited medical school, dental school, college, university, organ
7500 procurement organization, or other appropriate person, for research or education;

7501 (b) subject to Subsection (2), an individual designated by the person making the
7502 anatomical gift if the individual is the recipient of the part; or

7503 (c) an eye bank or tissue bank.

7504 (2) If an anatomical gift to an individual under Subsection (1)(b) cannot be
7505 transplanted into the individual, the part passes in accordance with Subsection (7) in the
7506 absence of an express, contrary indication by the person making the anatomical gift.

7507 (3) If an anatomical gift of one or more specific parts or of all parts is made in a
7508 document of gift that does not name a person described in Subsection (1) but identifies the
7509 purpose for which an anatomical gift may be used, the following rules apply:

7510 (a) If the part is an eye and the gift is for the purpose of transplantation or therapy, the
7511 gift passes to the appropriate eye bank.

7512 (b) If the part is tissue and the gift is for the purpose of transplantation or therapy, the
7513 gift passes to the appropriate tissue bank.

7514 (c) If the part is an organ and the gift is for the purpose of transplantation or therapy,
7515 the gift passes to the appropriate organ procurement organization as custodian of the organ.

7516 (d) If the part is an organ, an eye, or tissue and the gift is for the purpose of research or
7517 education, the gift passes to the appropriate procurement organization.

7518 (4) For the purpose of Subsection (3), if there is more than one purpose of an
7519 anatomical gift set forth in the document of gift but the purposes are not set forth in any
7520 priority, the gift [~~must~~] shall be used for transplantation or therapy, if suitable. If the gift
7521 cannot be used for transplantation or therapy, the gift may be used for research or education.

7522 (5) If an anatomical gift of one or more specific parts is made in a document of gift that
7523 does not name a person described in Subsection (1) and does not identify the purpose of the
7524 gift, the gift may be used only for transplantation or therapy, and the gift passes in accordance
7525 with Subsection (7).

7526 (6) If a document of gift specifies only a general intent to make an anatomical gift by
7527 words such as "donor," "organ donor," or "body donor," or by a symbol or statement of similar
7528 import, the gift may be used only for transplantation or therapy, and the gift passes in
7529 accordance with Subsection (7).

7530 (7) For purposes of Subsections (2), (5), and (7) the following rules apply:

7531 (a) If the part is an eye, the gift passes to the appropriate eye bank.

7532 (b) If the part is tissue, the gift passes to the appropriate tissue bank.

7533 (c) If the part is an organ, the gift passes to the appropriate organ procurement

7534 organization as custodian of the organ.

7535 (8) An anatomical gift of an organ for transplantation or therapy, other than an

7536 anatomical gift under Subsection (1)(b), passes to the organ procurement organization as

7537 custodian of the organ.

7538 (9) If an anatomical gift does not pass pursuant to Subsections (2) through (8) or the

7539 decedent's body or part is not used for transplantation, therapy, research, or education, custody

7540 of the body or part passes to the person under obligation to dispose of the body or part.

7541 (10) A person may not accept an anatomical gift if the person knows that the gift was

7542 not effectively made under Section 26-28-105 or 26-28-110 or if the person knows that the

7543 decedent made a refusal under Section 26-28-107 that was not revoked. For purposes of this

7544 Subsection (10), if a person knows that an anatomical gift was made on a document of gift, the

7545 person is considered to know of any amendment or revocation of the gift or any refusal to make

7546 an anatomical gift on the same document of gift.

7547 (11) Except as otherwise provided in Subsection (1)(b), nothing in this chapter affects

7548 the allocation of organs for transplantation or therapy.

7549 Section 191. Section **26-28-114** is amended to read:

7550 **26-28-114. Rights and duties of procurement organization and others.**

7551 (1) When a hospital refers an individual at or near death to a procurement organization,

7552 the organization shall make a reasonable search of the records of the Department of Public

7553 Safety and any donor registry that it knows exists for the geographical area in which the

7554 individual resides to ascertain whether the individual has made an anatomical gift.

7555 (2) A procurement organization [~~must~~] shall be allowed reasonable access to

7556 information in the records of the Department of Public Safety to ascertain whether an

7557 individual at or near death is a donor.

7558 (3) When a hospital refers an individual at or near death to a procurement organization,

7559 the organization may conduct any reasonable examination necessary to ensure the medical

7560 suitability of a part that is or could be the subject of an anatomical gift for transplantation,

7561 therapy, research, or education from a donor or a prospective donor. During the examination
7562 period, measures necessary to ensure the medical suitability of the part may not be withdrawn
7563 unless the hospital or procurement organization knows that the individual expressed a contrary
7564 intent.

7565 (4) Unless prohibited by law other than this chapter, at any time after a donor's death,
7566 the person to which a part passes under Section 26-28-111 may conduct any reasonable
7567 examination necessary to ensure the medical suitability of the body or part for its intended
7568 purpose.

7569 (5) Unless prohibited by law other than this chapter, an examination under Subsection
7570 (3) or (4) may include an examination of all medical and dental records of the donor or
7571 prospective donor.

7572 (6) Upon the death of a minor who was a donor or had signed a refusal, unless a
7573 procurement organization knows the minor is emancipated, the procurement organization shall
7574 conduct a reasonable search for the parents of the minor and provide the parents with an
7575 opportunity to revoke or amend the anatomical gift or revoke the refusal.

7576 (7) Upon referral by a hospital under Subsection (1), a procurement organization shall
7577 make a reasonable search for any person listed in Section 26-28-109 having priority to make an
7578 anatomical gift on behalf of a prospective donor. If a procurement organization receives
7579 information that an anatomical gift to any other person was made, amended, or revoked, it shall
7580 promptly advise the other person of all relevant information.

7581 (8) Subject to Subsection 26-28-111(9) and Section 26-28-123, the rights of the person
7582 to which a part passes under Section 26-28-111 are superior to the rights of all others with
7583 respect to the part. The person may accept or reject an anatomical gift in whole or in part.
7584 Subject to the terms of the document of gift and this chapter, a person that accepts an
7585 anatomical gift of an entire body may allow embalming, burial or cremation, and use of
7586 remains in a funeral service. If the gift is of a part, the person to which the part passes under
7587 Section 26-28-111, upon the death of the donor and before embalming, burial, or cremation,
7588 shall cause the part to be removed without unnecessary mutilation.

7589 (9) Neither the physician who attends the decedent at death nor the physician who
7590 determines the time of the decedent's death may participate in the procedures for removing or
7591 transplanting a part from the decedent.

7592 (10) A physician or technician may remove a donated part from the body of a donor
7593 that the physician or technician is qualified to remove.

7594 Section 192. Section **26-28-120** is amended to read:

7595 **26-28-120. Donor registry.**

7596 (1) The Department of Public Safety may establish or contract for the establishment of
7597 a donor registry.

7598 (2) The Driver License Division of the Department of Public Safety shall cooperate
7599 with a person that administers any donor registry that this state establishes, contracts for, or
7600 recognizes for the purpose of transferring to the donor registry all relevant information
7601 regarding a donor's making, amendment to, or revocation of an anatomical gift.

7602 (3) A donor registry [~~must~~] shall:

7603 (a) allow a donor or other person authorized under Section 26-28-104 to include on the
7604 donor registry a statement or symbol that the donor has made, amended, or revoked an
7605 anatomical gift;

7606 (b) be accessible to a procurement organization to allow it to obtain relevant
7607 information on the donor registry to determine, at or near death of the donor or a prospective
7608 donor, whether the donor or prospective donor has made, amended, or revoked an anatomical
7609 gift; and

7610 (c) be accessible for purposes of Subsections (3)(a) and (b) seven days a week on a
7611 24-hour basis.

7612 (4) Personally identifiable information on a donor registry about a donor or prospective
7613 donor may not be used or disclosed without the express consent of the donor, prospective
7614 donor, or person that made the anatomical gift for any purpose other than to determine, at or
7615 near death of the donor or prospective donor, whether the donor or prospective donor has
7616 made, amended, or revoked an anatomical gift.

7617 (5) This section does not prohibit any person from creating or maintaining a donor
7618 registry that is not established by or under contract with the state. Any such registry [~~must~~]
7619 shall comply with Subsections (3) and (4).

7620 Section 193. Section **26-28-121** is amended to read:

7621 **26-28-121. Effect of anatomical gift on advance health care directive.**

7622 (1) As used in this section:

7623 (a) "Advance health care directive" means a power of attorney for health care or a
7624 record signed or authorized by a prospective donor containing the prospective donor's direction
7625 concerning a health care decision for the prospective donor.

7626 (b) "Declaration" means a record signed by a prospective donor specifying the
7627 circumstances under which a life support system may be withheld or withdrawn from the
7628 prospective donor.

7629 (c) "Health care decision" means any decision regarding the health care of the
7630 prospective donor.

7631 (2) If a prospective donor has a declaration or advance health care directive and the
7632 terms of the declaration or directive and the express or implied terms of a potential anatomical
7633 gift are in conflict with regard to the administration of measures necessary to ensure the
7634 medical suitability of a part for transplantation or therapy, the prospective donor's attending
7635 physician and prospective donor shall confer to resolve the conflict. If the prospective donor is
7636 incapable of resolving the conflict, an agent acting under the prospective donor's declaration or
7637 directive, or if no declaration or directive exists or the agent is not reasonably available,
7638 another person authorized by a law other than this chapter to make a health care decision on
7639 behalf of the prospective donor, shall act for the donor to resolve the conflict. The conflict
7640 [~~must~~] shall be resolved as expeditiously as possible. Information relevant to the resolution of
7641 the conflict may be obtained from the appropriate procurement organization and any other
7642 person authorized to make an anatomical gift for the prospective donor under Section
7643 26-28-109. Before resolution of the conflict, measures necessary to ensure the medical
7644 suitability of the part may not be withheld or withdrawn from the prospective donor if
7645 withholding or withdrawing the measures is not contraindicated by appropriate end of life care.

7646 Section 194. Section **26-28-124** is amended to read:

7647 **26-28-124. Uniformity of application and construction.**

7648 In applying and construing this uniform act, consideration [~~must~~] shall be given to the
7649 need to promote uniformity of the law with respect to its subject matter among states that enact
7650 it.

7651 Section 195. Section **26-31-1** is amended to read:

7652 **26-31-1. Procurement and use of blood, plasma, products, and derivatives a**
7653 **service and not a sale.**

7654 The procurement, processing, distribution, or use of whole human blood, plasma, blood
7655 products, and blood derivatives for the purpose of injecting or transfusing them into the human
7656 body together with the process of injecting or transfusing the same shall be construed to be the
7657 rendition of a service by every person participating therein and ~~shall not~~ may not be construed
7658 to be a sale.

7659 Section 196. Section **26-33a-104** is amended to read:

7660 **26-33a-104. Purpose, powers, and duties of the committee.**

7661 (1) The purpose of the committee is to direct a statewide effort to collect, analyze, and
7662 distribute health care data to facilitate the promotion and accessibility of quality and
7663 cost-effective health care and also to facilitate interaction among those with concern for health
7664 care issues.

7665 (2) The committee shall:

7666 (a) develop and adopt by rule, following public hearing and comment, a health data
7667 plan that shall among its elements:

7668 (i) identify the key health care issues, questions, and problems amenable to resolution
7669 or improvement through better data, more extensive or careful analysis, or improved
7670 dissemination of health data;

7671 (ii) document existing health data activities in the state to collect, organize, or make
7672 available types of data pertinent to the needs identified in Subsection (2)(a)(i);

7673 (iii) describe and prioritize the actions suitable for the committee to take in response to
7674 the needs identified in Subsection (2)(a)(i) in order to obtain or to facilitate the obtaining of
7675 needed data, and to encourage improvements in existing data collection, interpretation, and
7676 reporting activities, and indicate how those actions relate to the activities identified under
7677 Subsection (2)(a)(ii);

7678 (iv) detail the types of data needed for the committee's work, the intended data
7679 suppliers, and the form in which such data are to be supplied, noting the consideration given to
7680 the potential alternative sources and forms of such data and to the estimated cost to the
7681 individual suppliers as well as to the department of acquiring these data in the proposed
7682 manner; the plan shall reasonably demonstrate that the committee has attempted to maximize
7683 cost-effectiveness in the data acquisition approaches selected;

7684 (v) describe the types and methods of validation to be performed to assure data validity

7685 and reliability;

7686 (vi) explain the intended uses of and expected benefits to be derived from the data
7687 specified in Subsection (2)(a)(iv), including the contemplated tabulation formats and analysis
7688 methods; the benefits described [~~must~~] shall demonstrably relate to one or more of the
7689 following:

7692 (C) improving access to health care services;

7693 (vii) describe the expected processes for interpretation and analysis of the data flowing
7694 to the committee; noting specifically the types of expertise and participation to be sought in
7695 those processes; and

7697 intended audiences and uses;

7698 (b) have the authority to collect, validate, analyze, and present health data in
7699 accordance with the plan while protecting individual privacy through the use of a control
7700 number as the health data identifier;

7701 (c) evaluate existing identification coding methods and, if necessary, require by rule
7702 that health data suppliers use a uniform system for identification of patients, health care
7703 facilities, and health care providers on health data they submit under this chapter;

7704 (d) report biennially to the governor and the Legislature on how the committee is
7705 meeting its responsibilities under this chapter; and

7706 (e) advise, consult, contract, and cooperate with any corporation, association, or other
7707 entity for the collection, analysis, processing, or reporting of health data identified by control
7708 number only in accordance with the plan.

7709 (3) The committee may adopt rules to carry out the provisions of this chapter in
7710 accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

7711 (4) Except for data collection, analysis, and validation functions described in this
7712 section, nothing in this chapter shall be construed to authorize or permit the committee to
7713 perform regulatory functions which are delegated by law to other agencies of the state or
7714 federal governments or to perform quality assurance or medical record audit functions that
7715 health care facilities, health care providers, or third party payors are required to conduct to

7716 comply with federal or state law. The committee [~~shall not~~] may not recommend or determine
7717 whether a health care provider, health care facility, third party payor, or self-funded employer is
7718 in compliance with federal or state laws including [~~but not limited to~~] federal or state licensure,
7719 insurance, reimbursement, tax, malpractice, or quality assurance statutes or common law.

7720 (5) Nothing in this chapter shall be construed to require a data supplier to supply health
7721 data identifying a patient by name or describing detail on a patient beyond that needed to
7722 achieve the approved purposes included in the plan.

7723 (6) No request for health data shall be made of health care providers and other data
7724 suppliers until a plan for the use of such health data has been adopted.

7725 (7) If a proposed request for health data imposes unreasonable costs on a data supplier,
7726 due consideration shall be given by the committee to altering the request. If the request is not
7727 altered, the committee shall pay the costs incurred by the data supplier associated with
7728 satisfying the request that are demonstrated by the data supplier to be unreasonable.

7729 (8) After a plan is adopted as provided in Section 26-33a-106.1, the committee may
7730 require any data supplier to submit fee schedules, maximum allowable costs, area prevailing
7731 costs, terms of contracts, discounts, fixed reimbursement arrangements, capitations, or other
7732 specific arrangements for reimbursement to a health care provider.

7733 (9) The committee [~~shall not~~] may not publish any health data collected under
7734 Subsection (8) [~~which~~] that would disclose specific terms of contracts, discounts, or fixed
7735 reimbursement arrangements, or other specific reimbursement arrangements between an
7736 individual provider and a specific payer.

7737 (10) Nothing in Subsection (8) shall prevent the committee from requiring the
7738 submission of health data on the reimbursements actually made to health care providers from
7739 any source of payment, including consumers.

7741 **26-33a-106.5. Comparative analyses.**

7742 (1) The committee may publish compilations or reports that compare and identify
7743 health care providers or data suppliers from the data it collects under this chapter or from any
7744 other source.

7745 (2) (a) The committee shall publish compilations or reports from the data it collects
7746 under this chapter or from any other source which:

7749 institutions in the state.

7750 (b) The report required by this Subsection (2) shall:

7751 (i) be published at least annually; and

7752 (ii) contain comparisons based on at least the following factors:

7755 (C) nationally recognized patient safety standards.

7756 (3) The committee may contract with a private, independent analyst to evaluate the
7757 standard comparative reports of the committee that identify, compare, or rank the performance
7758 of data suppliers by name. The evaluation shall include a validation of statistical
7759 methodologies, limitations, appropriateness of use, and comparisons using standard health
7760 services research practice. The analyst ~~[must]~~ shall be experienced in analyzing large
7761 databases from multiple data suppliers and in evaluating health care issues of cost, quality, and
7762 access. The results of the analyst's evaluation ~~[must]~~ shall be released to the public before the
7763 standard comparative analysis upon which it is based may be published by the committee.

7764 (4) The committee shall adopt by rule a timetable for the collection and analysis of data
7765 from multiple types of data suppliers.

7766 (5) The comparative analysis required under Subsection (2) shall be available free of
7767 charge and easily accessible to the public.

7768 Section 198. Section **26-33a-111** is amended to read:

7769 **26-33a-111. Health data not subject to subpoena or compulsory process --**

7770 **Exception.**

7772 under this chapter ~~[shall not be]~~ are not subject to subpoena or similar compulsory process in
7773 any civil or criminal, judicial, administrative, or legislative proceeding, nor shall any individual
7774 or organization with lawful access to identifiable health data under the provisions of this
7775 chapter be compelled to testify with regard to such health data, except that data pertaining to a
7776 party in litigation may be subject to subpoena or similar compulsory process in an action
7777 brought by or on behalf of such individual to enforce any liability arising under this chapter.

7778 Section 199. Section **26-34-2** is amended to read:

7779 **26-34-2. Definition of death -- Determination of death.**

7780 (1) An individual is dead if the individual has sustained either:

7783 (2) A determination of death [~~must~~] shall be made in accordance with accepted medical
7784 standards.

7789 nursing care facilities for providing services pursuant to the Medicaid program [~~must~~] shall be
7790 changed as follows:

7791 (1) except as otherwise provided in Subsection (2), to the rates paid to nursing care
7792 facilities on June 30, 2004; or

7793 (2) if the Legislature or the department has on or after July 1, 2004, changed the rates
7794 paid to facilities through a manner other than the use of expenditures from the Nursing Care
7795 Facilities Account, to the rates provided for by the Legislature or the department.

7796 Section 201. Section **26-36a-102** is amended to read:

7797 **26-36a-102. Legislative findings.**

7798 (1) The Legislature finds that there is an important state purpose to improve the access
7799 of Medicaid patients to quality care in Utah hospitals because of continuous decreases in state
7800 revenues and increases in enrollment under the Utah Medicaid program.

7801 (2) The Legislature finds that in order to improve this access to those persons described
7802 in Subsection (1):

7803 (a) the rates paid to Utah hospitals [~~must~~] shall be adequate to encourage and support
7804 improved access; and

7805 (b) adequate funding [~~must~~] shall be provided to increase the rates paid to Utah

7811 (2) (a) An annual assessment is payable on a quarterly basis for each hospital in an
7812 amount calculated at a uniform assessment rate for each hospital discharge, in accordance with
7813 this section.

7814 (b) The uniform assessment rate shall be determined using the total number of hospital
7815 discharges for assessed hospitals divided into the total non-federal portion of the upper
7816 payment limit gap.

7817 (c) Any quarterly changes to the uniform assessment rate [~~must~~] shall be applied
7818 uniformly to all assessed hospitals.

7819 (d) (i) Except as provided in Subsection (2)(d)(ii), the annual uniform assessment rate

7823 share of the annual upper payment limit gap for the fiscal year.

7824 (B) For fiscal year 2010-11 the department may generate an additional amount from
7825 the assessment imposed under Subsection (2)(d)(i) in the amount of \$2,000,000 which shall be
7826 used by the department and the division as follows:

7835 hospital fiscal years ending between October 1, 2007, and September 30, 2008.

- 8238 (1) Any person who applies for a marriage license shall have the right to secure the
- 8239 license and to marry notwithstanding their failure to conform to the required premarital
- 8240 counseling or their failure to obtain a certificate of authorization from the premarital counseling
- 8241 board if they wait six months from the date of application for issuance of the license.

8273 **30-3-16.7. Effect of petition -- Pendency of action.**

8274 (1) The filing of a petition for conciliation under this act shall, for a period of 60 days
 8275 thereafter, act as a bar to the filing by either spouse of an action for divorce, annulment of
 8276 marriage or separate maintenance unless the court otherwise orders.

8277 (2) The pendency of an action for divorce, annulment of marriage or separate
 8278 maintenance ~~[shall not]~~ does not prevent either party to the action from filing a petition for

8313 appropriate court a written evaluation of the prospects or prognosis of a particular marriage
8314 without divulging facts or revealing confidential disclosures.

8315 Section 223. Section **30-3-18** is amended to read:

8316 **30-3-18. Waiting period for hearing after filing for divorce -- Exemption -- Use of**
8317 **counseling and education services not to be construed as condonation or promotion.**

8318 (1) Unless the court, for good cause shown and set forth in the findings, otherwise
8319 orders, no hearing for decree of divorce shall be held by the court until 90 days shall have
8320 elapsed from the filing of the complaint, [~~provided~~] but the court may make [~~such~~] interim

8323 case where both parties have completed the mandatory educational course for divorcing parents
8324 as provided in Section 30-3-11.3.

8325 (3) The use of counseling, mediation, and education services provided under this
8326 chapter may not be construed as condoning the acts that may constitute grounds for divorce on
8327 the part of either spouse nor of promoting divorce.

8328 Section 224. Section **30-3-33** is amended to read:

8329 **30-3-33. Advisory guidelines.**

8330 In addition to the parent-time schedules provided in Sections 30-3-35 and 30-3-35.5,
8331 the following advisory guidelines are suggested to govern all parent-time arrangements
8332 between parents.

8333 (1) Parent-time schedules mutually agreed upon by both parents are preferable to a
8334 court-imposed solution.

8335 (2) The parent-time schedule shall be utilized to maximize the continuity and stability

8336 of the child's life.

8337 (3) Special consideration shall be given by each parent to make the child available to
8338 attend family functions including funerals, weddings, family reunions, religious holidays,
8339 important ceremonies, and other significant events in the life of the child or in the life of either
8340 parent which may inadvertently conflict with the parent-time schedule.

8341 (4) The responsibility for the pick up, delivery, and return of the child shall be
8342 determined by the court when the parent-time order is entered, and may be changed at any time
8343 a subsequent modification is made to the parent-time order.

8344 (5) If the noncustodial parent will be providing transportation, the custodial parent
8345 shall have the child ready for parent-time at the time the child is to be picked up and shall be
8346 present at the custodial home or shall make reasonable alternate arrangements to receive the
8347 child at the time the child is returned.

8348 (6) If the custodial parent will be transporting the child, the noncustodial parent shall
8349 be at the appointed place at the time the noncustodial parent is to receive the child, and have
8350 the child ready to be picked up at the appointed time and place, or have made reasonable
8351 alternate arrangements for the custodial parent to pick up the child.

8352 (7) Regular school hours may not be interrupted for a school-age child for the exercise
8353 of parent-time by either parent.

8354 (8) The court may make alterations in the parent-time schedule to reasonably
8355 accommodate the work schedule of both parents and may increase the parent-time allowed to
8356 the noncustodial parent but ~~shall not~~ may not diminish the standardized parent-time provided
8357 in Sections 30-3-35 and 30-3-35.5.

8358 (9) The court may make alterations in the parent-time schedule to reasonably
8359 accommodate the distance between the parties and the expense of exercising parent-time.

8360 (10) Neither parent-time nor child support is to be withheld due to either parent's
8361 failure to comply with a court-ordered parent-time schedule.

8362 (11) The custodial parent shall notify the noncustodial parent within 24 hours of
8363 receiving notice of all significant school, social, sports, and community functions in which the
8364 child is participating or being honored, and the noncustodial parent shall be entitled to attend
8365 and participate fully.

8366 (12) The noncustodial parent shall have access directly to all school reports including

8367 preschool and daycare reports and medical records and shall be notified immediately by the
8368 custodial parent in the event of a medical emergency.

8369 (13) Each parent shall provide the other with [his] the parent's current address and
8370 telephone number, email address, and other virtual parent-time access information within 24
8371 hours of any change.

8372 (14) Each parent shall permit and encourage, during reasonable hours, reasonable and
8373 uncensored communications with the child, in the form of mail privileges and virtual
8374 parent-time if the equipment is reasonably available, provided that if the parties cannot agree
8375 on whether the equipment is reasonably available, the court shall decide whether the equipment
8376 for virtual parent-time is reasonably available, taking into consideration:

8377 (a) the best interests of the child;

8378 (b) each parent's ability to handle any additional expenses for virtual parent-time; and

8379 (c) any other factors the court considers material.

8380 (15) Parental care shall be presumed to be better care for the child than surrogate care
8381 and the court shall encourage the parties to cooperate in allowing the noncustodial parent, if
8382 willing and able to transport the children, to provide the child care. Child care arrangements
8383 existing during the marriage are preferred as are child care arrangements with nominal or no
8384 charge.

8385 (16) Each parent shall provide all surrogate care providers with the name, current
8386 address, and telephone number of the other parent and shall provide the noncustodial parent
8387 with the name, current address, and telephone number of all surrogate care providers unless the
8388 court for good cause orders otherwise.

8389 (17) Each parent shall be entitled to an equal division of major religious holidays
8390 celebrated by the parents, and the parent who celebrates a religious holiday that the other parent
8391 does not celebrate shall have the right to be together with the child on the religious holiday.

8392 (18) If the child is on a different parent-time schedule than a sibling, based on Sections
8393 30-3-35 and 30-3-35.5, the parents should consider if an upward deviation for parent-time with
8394 all the minor children so that parent-time is uniform between school aged and nonschool aged
8395 children, is appropriate.

8396 Section 225. Section **30-8-3** is amended to read:

8397 **30-8-3. Writing -- Signature required.**

8398 A premarital agreement [~~must~~] shall be in writing and signed by both parties. It is
8399 enforceable without consideration.

8400 Section 226. Section **31A-2-301** is amended to read:

8401 **31A-2-301. Special hearing officers -- Witness and mileage fees.**

8402 (1) If the commissioner considers it necessary because of the technicality or complexity
8403 of the subject, [~~he~~] the commissioner may appoint a special hearing officer from outside the
8404 department staff and may contract for a reasonable professional fee for the services.

8405 (2) (a) In hearings before the commissioner, witness fees and reimbursement for
8406 mileage traveled, if claimed, shall be allowed at the same rate as in district courts.

8407 (b) Witness fees and reimbursement for mileage, together with the actual expense
8408 necessarily incurred in securing attendance of witnesses and their testimony, and the hearing
8409 officer's fee and reasonable actual expenses, shall be paid by the Insurance Department.

8410 (c) The commissioner shall be reimbursed for these costs as provided in Section
8411 31A-2-205 if:

8412 (i) the hearing is incident to an examination for which costs are payable under Section
8413 31A-2-205; or

8414 (ii) the commissioner orders the persons involved in the hearing to reimburse the
8415 department for hearing costs, which the commissioner may do if [~~he~~] the commissioner had
8416 reasonable cause to believe that the order which issued or might have issued was necessary.

8417 (3) Whenever the commissioner is reimbursed for costs under this section, the
8418 expenditures [~~shall not~~] may not be charged against the department budget.

8419 Section 227. Section **31A-2-302** is amended to read:

8420 **31A-2-302. Commissioner's disapproval.**

8421 (1) When the law requires the commissioner's approval for a certain action without a
8422 deemer clause, that approval [~~must~~] shall be express. The commissioner's disapproval of an
8423 action is assumed if the commissioner does not act within 60 days after receiving the
8424 application for approval or give notice of the commissioner's reasonable extension of that time
8425 period with the commissioner's reasons for the extension. Assumed disapproval under this
8426 subsection entitles the aggrieved person to request agency action under Section 63G-4-201.

8427 (2) When the law provides that a certain action is not effective if disapproved by the
8428 commissioner within a certain period, the affirmative approval by the commissioner may make

8429 the action effective at a designated earlier date, but not earlier than the date of the
8430 commissioner's affirmative approval.

8431 (3) Subsections (1) and (2) do not apply to the extent that the law specifically provides
8432 otherwise.

8433 Section 228. Section **31A-5-208** is amended to read:

8434 **31A-5-208. Deposit of proceeds of subscriptions.**

8435 (1) All funds, and the securities and documents representing interests in property,
8436 received by a stock corporation for stock subscriptions or by a mutual for applications for
8437 insurance policies or for mutual bond or contribution note subscriptions, shall be deposited in
8438 the name of the corporation with a custodian financial institution qualified under Subsection
8439 31A-2-206(1). This deposit is subject to an escrow agreement approved by the commissioner
8440 under which withdrawals may be made only in accordance with conditions specified in the
8441 agreement, and with the commissioner's approval. Securities may be held as authorized in
8442 Subsection 31A-2-206(2) and ~~[must]~~ are required to be approved by the commissioner.

8443 (2) This section does not apply to stock or mutual insurance corporations already in
8444 existence on July 1, 1986.

8445 Section 229. Section **31A-5-305** is amended to read:

8446 **31A-5-305. Authorized securities.**

8447 (1) (a) The articles of incorporation of a stock corporation may authorize the kind of
8448 shares permitted by Sections 16-10a-601 and 16-10a-602, and stock rights and options, except
8449 that:

8450 (i) nonvoting common stock may not be issued;

8451 (ii) all classes of common stock ~~[must]~~ shall have equal voting rights;

8452 (iii) all common stock ~~[must]~~ shall have a stated par value; and

8453 (iv) except with the commissioner's approval, for two years after the initial issuance of
8454 a certificate of authority, the corporation may issue no shares and no other securities
8455 convertible into shares except a single class of common stock.

8456 (b) Section 16-10a-604 applies to the issuance of certificates for fractional shares or
8457 scrip.

8458 (c) The consideration and payment for shares and certificates representing shares is
8459 governed by Subsection 31A-5-207(1)(a).

8460 (d) The liability of subscribers and shareholders for unpaid subscriptions and the status
8461 of stock is governed by Section 16-10a-622.

8462 (e) A shareholder's preemptive rights is governed by Section 16-10a-630.

8463 (f) Stock corporations may issue bonds and contribution notes on the same basis as
8464 mutuals under Subsections (2)(a) and (b).

8465 (2) (a) The articles of incorporation of a nonassessable mutual may authorize bonds of
8466 one or more classes. The articles of incorporation shall specify the amount of each class of
8467 bonds the corporation is authorized to issue, their designations, preferences, limitations, rates
8468 of interest, relative rights, and other terms, subject to all of the following provisions:

8469 (i) During the first year after the initial issuance of a certificate of authority, the
8470 corporation may issue only a single class of bonds with identical rights.

8471 (ii) After the first year, but within five years after the initial issuance of a certificate of
8472 authority, additional classes of bonds may be authorized after receiving the approval of the
8473 commissioner. The commissioner shall approve the issuance if the commissioner finds that
8474 policyholders and prior bondholders will not be prejudiced.

8475 (iii) The rate of interest shall be fair.

8476 (iv) The bonds shall bear a maturity date not later than 10 years from the date of
8477 issuance, when principal and accrued interest shall be due and payable, subject to Subsection
8478 (2)(d).

8479 (b) A mutual may issue contribution notes with the commissioner's approval. The
8480 contribution notes may be denominated by any name that is not misleading. The contribution
8481 notes are subject to this subsection. The commissioner may approve the issuance only if the
8482 commissioner finds that:

8483 (i) the notes will not be issued in denominations of less than \$2,500, and no single
8484 issue will be sold to more than 15 persons;

8485 (ii) no discount, commission, or other fee will be paid or allowed;

8486 (iii) the notes will not be the subject of a public offering;

8487 (iv) the terms of the notes are not prejudicial to policyholders, holders of mutual bonds,
8488 or prior contribution notes; and

8489 (v) the mutual's articles or bylaws do not forbid their issuance.

8490 (c) A mutual may not:

8491 (i) if it has any outstanding obligations on bonds or contribution notes, borrow on
8492 contribution notes from, or sell bonds to, any other insurer without the approval of the
8493 commissioner; or

8494 (ii) make a loan to another insurer except a fully secured loan at usual market rates of
8495 interest.

8496 (d) Payment of the principal or interest on bonds or contribution notes may be made in
8497 whole or in part only after approval by the commissioner. The commissioner's approval shall
8498 be given if all the financial requirements of the issuer to do the insurance business it is then
8499 doing will continue to be satisfied after that payment, and if the interests of its insureds and the
8500 public are not endangered by the payment. In the event of liquidation under Chapter 27a,
8501 Insurer Receivership Act, unpaid amounts of principal and interest on contribution notes are
8502 subordinate to the payment of principal and interest on any bonds issued by the corporation.

8503 (e) This section does not prevent a mutual from borrowing money on notes which are
8504 its general obligations, nor from pledging any part of its disposable assets.

8505 (3) This section does not apply to securities issued prior to July 1, 1986.

8506 Section 230. Section **31A-6a-104** is amended to read:

8507 **31A-6a-104. Required disclosures.**

8508 (1) A service contract reimbursement insurance policy insuring a service contract that
8509 is issued, sold, or offered for sale in this state [~~must~~] shall conspicuously state that, upon failure
8510 of the service contract provider to perform under the contract, the issuer of the policy shall:

8511 (a) pay on behalf of the service contract provider any sums the service contract

8543 (4) If prior approval of repair work is required, a service contract [~~must~~] shall
8544 conspicuously state the procedure for obtaining prior approval and for making a claim,
8545 including:

8546 (a) a toll free telephone number for claim service; and

8547 (b) a procedure for obtaining reimbursement for emergency repairs performed outside
8548 of normal business hours.

8549 (5) A preexisting condition clause in a service contract [~~must~~] shall specifically state

8554 state and federal laws.

8555 (c) This Subsection (6) does not apply to a home warranty contract.

8556 Section 231. Section **31A-8a-201** is amended to read:

8557 **31A-8a-201. License required.**

8558 (1) Except as provided in Subsection 31A-8a-103(3), prior to operating a health
8559 discount program, a person [~~must~~] shall:

8560 (a) be authorized to transact business in this state; and

8871 Section 243. Section **31A-17-506** is amended to read:

8872 **31A-17-506. Computation of minimum standard by calendar year of issue.**

8873 (1) Applicability of Section 31A-17-506: The interest rates used in determining the
8874 minimum standard for the valuation shall be the calendar year statutory valuation interest rates
8875 as defined in this section for:

8876 (a) all life insurance policies issued in a particular calendar year, on or after the
8877 operative date of Subsection 31A-22-408(6)(d);

8882 (d) the net increase, if any, in a particular calendar year after January 1, 1982, in
8883 amounts held under guaranteed interest contracts.

8884 (2) Calendar year statutory valuation interest rates:

8885 (a) The calendar year statutory valuation interest rates, "I," shall be determined as
8886 follows and the results rounded to the nearer 1/4 of 1%:

8887 (i) for life insurance:

8888
$$I = .03 + W(R1 - .03) + (W/2)(R2 - .09);$$

8889 (ii) for single premium immediate annuities and for annuity benefits involving life
8890 contingencies arising from other annuities with cash settlement options and from guaranteed
8891 interest contracts with cash settlement options:

8892
$$I = .03 + W(R - .03),$$

8893 where R1 is the lesser of R and .09,

8894 R2 is the greater of R and .09,
8895 R is the reference interest rate defined in Subsection (4), and
8896 W is the weighting factor defined in this section;
8897 (iii) for other annuities with cash settlement options and guaranteed interest contracts
8898 with cash settlement options, valued on an issue year basis, except as stated in Subsection
8899 (2)(a)(ii), the formula for life insurance stated in Subsection (2)(a)(i) shall apply to annuities
8900 and guaranteed interest contracts with guarantee durations in excess of 10 years, and the
8901 formula for single premium immediate annuities stated in Subsection (2)(a)(ii) shall apply to
8902 annuities and guaranteed interest contracts with guarantee duration of 10 years or less;
8903 (iv) for other annuities with no cash settlement options and for guaranteed interest
8904 contracts with no cash settlement options, the formula for single premium immediate annuities
8905 stated in Subsection (2)(a)(ii) shall apply; and

8907 with cash settlement options, valued on a change in fund basis, the formula for single premium
8908 immediate annuities stated in Subsection (2)(a)(ii) shall apply.
8909 (b) However, if the calendar year statutory valuation interest rate for any life insurance
8910 policies issued in any calendar year determined without reference to this sentence differs from
8911 the corresponding actual rate for similar policies issued in the immediately preceding calendar
8912 year by less than [~~1/2~~] one-half of 1% the calendar year statutory valuation interest rate for such
8913 life insurance policies shall be equal to the corresponding actual rate for the immediately
8914 preceding calendar year. For purposes of applying the immediately preceding sentence, the
8915 calendar year statutory valuation interest rate for life insurance policies issued in a calendar
8916 year shall be determined for 1980, using the reference interest rate defined in 1979, and shall be
8917 determined for each subsequent calendar year regardless of when Subsection 31A-22-408(6)(d)
8918 becomes operative.
8919 (3) Weighting factors:
8920 (a) The weighting factors referred to in the formulas stated in Subsection (2) are given

8925	10 or less:	.50
8926	More than 10, but less than 20:	.45
8927	More than 20:	.35

8928 (B) For life insurance, the guarantee duration is the maximum number of years the life
 8929 insurance can remain in force on a basis guaranteed in the policy or under options to convert to
 8930 plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed
 8931 in the original policy;

8932 (ii) Weighting factor for single premium immediate annuities and for annuity benefits
 8933 involving life contingencies arising from other annuities with cash settlement options and
 8934 guaranteed interest contracts with cash settlement options: .80

8935 (iii) Weighting factors for other annuities and for guaranteed interest contracts, except
 8936 as stated in Subsection (3)(a)(ii), shall be as specified in the tables in Subsections (3)(a)(iii)(A),
 8937 (B), and (C), according to the rules and definitions in Subsection (3)(b):

8938 (A) For annuities and guaranteed interest contracts valued on an issue year basis:

8939	Guarantee Duration (Years)	Weighting Factors for Plan Type		
8940		A	B	C
8941	5 or less:	.80	.60	.50
8942	More than 5, but not more than 10:	.75	.60	.50
8943	More than 10, but not more than 20:	.65	.50	.45
8944	More than 20:	.45	.35	.35
8945	Plan Type			
8946		A	B	C

8947 (B) For annuities and guaranteed interest
 8948 contracts valued on a change in fund basis, the
 8949 factors shown in Subsection (3)(a)(iii)(A)
 8950 increased by:

8951		.15	.25	.05
8952		Plan Type		
8953		A	B	C

8954 (C) For annuities and guaranteed interest
8955 contracts valued on an issue year basis, other than
8956 those with no cash settlement options, which do
8957 not guarantee interest on considerations received
8958 more than one year after issue or purchase and for
8959 annuities and guaranteed interest contracts valued
8960 on a change in fund basis which do not guarantee
8961 interest rates on considerations received more
8962 than 12 months beyond the valuation date, the
8963 factors shown in Subsection (3)(a)(iii)(A) or
8964 derived in Subsection (3)(a)(iii)(B) increased by:

.05 .05 .05.

8965 (b) (i) For other annuities with cash settlement options and guaranteed interest
8966 contracts with cash settlement options, the guarantee duration is the number of years for which
8967 the contract guarantees interest rates in excess of the calendar year statutory valuation interest
8968 rate for life insurance policies with guarantee duration in excess of 20 years. For other annuities
8969 with no cash settlement options and for guaranteed interest contracts with no cash settlement
8970 options, the guaranteed duration is the number of years from the date of issue or date of
8971 purchase to the date annuity benefits are scheduled to commence.

8972 (ii) Plan type as used in the above tables is defined as follows:

8973 (A) Plan Type A: At any time policyholder may withdraw funds only:

8974 (I) with an adjustment to reflect changes in interest rates or asset values since receipt of
8975 the funds by the insurance company;

8976 (II) without such adjustment but installments over five years or more;

8977 (III) as an immediate life annuity; or

8978 (IV) no withdrawal permitted.

8979 (B) (I) Plan Type B: Before expiration of the interest rate guarantee, policyholder
8980 withdraw funds only:

8981 (Aa) with an adjustment to reflect changes in interest rates or asset values since receipt

8982 of the funds by the insurance company;

8983 (Bb) without such adjustment but in installments over five years or more; or

8984 (Cc) no withdrawal permitted.

8985 (II) At the end of interest rate guarantee, funds may be withdrawn without such

8986 adjustment in a single sum or installments over less than five years.

8987 (C) Plan Type C: Policyholder may withdraw funds before expiration of interest rate

8988 guarantee in a single sum or installments over less than five years either:

8989 (I) without adjustment to reflect changes in interest rates or asset values since receipt of

8990 the funds by the insurance company; or

8991 (II) subject only to a fixed surrender charge stipulated in the contract as a percentage of

8992 the fund.

8993 (iii) A company may elect to value guaranteed interest contracts with cash settlement

8994 options and annuities with cash settlement options on either an issue year basis or on a change

8995 in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities

8996 with no cash settlement options [~~must~~] shall be valued on an issue year basis. As used in this

8997 section, an issue year basis of valuation refers to a valuation basis under which the interest rate

8998 used to determine the minimum valuation standard for the entire duration of the annuity or

8999 guaranteed interest contract is the calendar year valuation interest rate for the year of issue or

9000 year of purchase of the annuity or guaranteed interest contract, and the change in fund basis of

9001 valuation refers to a valuation basis under which the interest rate used to determine the

9002 minimum valuation standard applicable to each change in the fund held under the annuity or

9003 guaranteed interest contract is the calendar year valuation interest rate for the year of the

9004 change in the fund.

9005 (4) Reference interest rate: "Reference interest rate" referred to in Subsection (2)(a) is

9006 defined as follows:

9007 (a) For all life insurance, the lesser of the average over a period of 36 months and the

9008 average over a period of 12 months, ending on June 30 of the calendar year next preceding the

9009 year of issue, of the Monthly Average of the composite Yield on Seasoned Corporate Bonds, as

9010 published by Moody's Investors Service, Inc.

9011 (b) For single premium immediate annuities and for annuity benefits involving life

9012 contingencies arising from other annuities with cash settlement options and guaranteed interest

9013 contracts with cash settlement options, the average over a period of 12 months, ending on June
9014 30 of the calendar year of issue or year of purchase, of the Monthly Average of the Composite
9015 Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service, Inc.

9016 (c) For other annuities with cash settlement options and guaranteed interest contracts
9017 with cash settlement options, valued on a year of issue basis, except as stated in Subsection
9018 (4)(b), with guarantee duration in excess of 10 years, the lesser of the average over a period of
9019 36 months and the average over a period of 12 months, ending on June 30 of the calendar year
9020 of issue or purchase, of the Monthly Average of the Composite Yield on Seasoned Corporate
9021 Bonds, as published by Moody's Investors Service, Inc.

9022 (d) For other annuities with cash settlement options and guaranteed interest contracts
9023 with cash settlement options, valued on a year of issue basis, except as stated in Subsection
9024 (4)(b), with guarantee duration of 10 years or less, the average over a period of 12 months,
9025 ending on June 30 of the calendar year of issue or purchase, of the Monthly Average of the
9026 Composite Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service,
9027 Inc.

9028 (e) For other annuities with no cash settlement options and for guaranteed interest
9029 contracts with no cash settlement options, the average over a period of 12 months, ending on
9030 June 30 of the calendar year of issue or purchase, of the Monthly Average of the Composite
9031 Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service, Inc.

9032 (f) For other annuities with cash settlement options and guaranteed interest contracts
9033 with cash settlement options, valued on a change in fund basis, except as stated in Subsection
9034 (4)(b), the average over a period of 12 months, ending on June 30 of the calendar year of the
9035 change in the fund, of the Monthly Average of the Composite Yield on Seasoned Corporate
9036 Bonds, as published by Moody's Investors Service, Inc.

9037 (5) Alternative method for determining reference interest rates: In the event that the
9038 Monthly Average of the Composite Yield on Seasoned Corporate Bonds is no longer published
9039 by Moody's Investors Service, Inc. or in the event that the National Association of Insurance
9040 Commissioners determines that the Monthly Average of the Composite Yield on Seasoned
9041 Corporate Bonds as published by Moody's Investors Service, Inc. is no longer appropriate for
9042 the determination of the reference interest rate, then an alternative method for determination of
9043 the reference interest rate, which is adopted by the National Association of Insurance

9044 Commissioners and approved by rule promulgated by the commissioner, may be substituted.

9045 Section 244. Section **31A-17-507** is amended to read:

9046 **31A-17-507. Reserve valuation method -- Life insurance and endowment benefits.**

9047 (1) Except as otherwise provided in Sections 31A-17-508, 31A-17-511, and
9048 31A-17-513, reserves according to the commissioner's reserve valuation method, for the life
9049 insurance and endowment benefits of policies providing for a uniform amount of insurance and
9050 requiring the payment of uniform premiums shall be the excess, if any, of the present value, at
9051 the date of valuation, of such future guaranteed benefits provided for by such policies, over the
9052 then present value of any future modified net premiums therefor. The modified net premiums
9053 for any such policy shall be such uniform percentage of the respective contract premiums for
9054 such benefits that the present value, at the date of issue of the policy, of all such modified net
9055 premiums shall be equal to the sum of the then present value of such benefits provided for by
9056 the policy and the excess of Subsection (1)(a) over Subsection (1)(b), as follows:

9057 (a) A net level annual premium equal to the present value, at the date of issue, of such
9058 benefits provided for after the first policy year, divided by the present value, at the date of
9059 issue, of an annuity of one per annum payable on the first and each subsequent anniversary of
9060 such policy on which a premium falls due; provided, however, that such net level annual
9061 premium [~~shall not~~] may not exceed the net level annual premium on the 19 year premium
9062 whole life plan for insurance of the same amount at an age one year higher than the age at issue
9063 of such policy.

9064 (b) A net one year term premium for such benefits provided for in the first policy year.

9065 (2) Provided that for any life insurance policy issued on or after January 1, 1997, for
9066 which the contract premium in the first policy year exceeds that of the second year and for
9067 which no comparable additional benefit is provided in the first year for such excess and which
9068 provides an endowment benefit or a cash surrender value or a combination thereof in an
9069 amount greater than such excess premium, the reserve according to the commissioner's reserve
9070 valuation method as of any policy anniversary occurring on or before the assumed ending date
9071 defined herein as the first policy anniversary on which the sum of any endowment benefit and
9072 any cash surrender value then available is greater than such excess premium shall, except as
9073 otherwise provided in Section 31A-17-511, be the greater of the reserve as of such policy
9074 anniversary calculated as described in Subsection (1) and the reserve as of such policy

9075 anniversary calculated as described in that subsection, but with:

9076 (a) the value defined in Subsection (1)(a) being reduced by 15% of the amount of such
9077 excess first year premium;

9078 (b) all present values of benefits and premiums being determined without reference to
9079 premiums or benefits provided for by the policy after the assumed ending date;

9080 (c) the policy being assumed to mature on such date as an endowment; and

9081 (d) the cash surrender value provided on such date being considered as an endowment
9082 benefit. In making the above comparison the mortality and interest bases stated in Sections
9083 31A-17-504 and 31A-17-506 shall be used.

9084 (3) Reserves according to the commissioner's reserve valuation method for:

9085 (a) life insurance policies providing for a varying amount of insurance or requiring the
9086 payment of varying premiums;

9087 (b) group annuity and pure endowment contracts purchased under a retirement plan or
9088 plan of deferred compensation, established or maintained by an employer, including a
9089 partnership or sole proprietorship, or by an employee organization, or by both, other than a plan
9090 providing individual retirement accounts or individual retirement annuities under Section 408,
9091 Internal Revenue Code;

9092 (c) accident and health and accidental death benefits in all policies and contracts; and

9093 (d) all other benefits, except life insurance and endowment benefits in life insurance
9094 policies and benefits provided by all other annuity and pure endowment contracts, shall be
9095 calculated by a method consistent with the principles of Subsections (1) and (2).

9096 Section 245. Section **31A-17-510** is amended to read:

9097 **31A-17-510. Optional reserve calculation.**

9098 (1) Reserves for all policies and contracts issued prior to January 1, 1994, may be
9099 calculated, at the option of the company, according to any standards which produce greater
9100 aggregate reserves for all such policies and contracts than the minimum reserves required by
9101 the laws in effect immediately prior to that date. Reserves for any category of policies,
9102 contracts, or benefits as established by the commissioner, issued on or after January 1, 1994,
9103 may be calculated, at the option of the company, according to any standards which produce
9104 greater aggregate reserves for such category than those calculated according to the minimum
9105 standard herein provided, but the rate or rates of interest used for policies and contracts, other

9106 than annuity and pure endowment contracts, [~~shall not~~] may not be higher than the
9107 corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided
9108 therein.

9109 (2) Any such company which at any time shall have adopted any standard of valuation
9110 producing greater aggregate reserves than those calculated according to the minimum standard
9111 herein provided may, with the approval of the commissioner, adopt any lower standard of
9112 valuation, but not lower than the minimum herein provided; provided, however, that, for the
9113 purposes of this section, the holding of additional reserves previously determined by a qualified
9114 actuary to be necessary to render the opinion required by Section 31A-17-502 [~~shall not~~] may
9115 not be considered to be the adoption of a higher standard of valuation.

9116 Section 246. Section **31A-17-512** is amended to read:

9117 **31A-17-512. Reserve calculation -- Indeterminate premium plans.**

9118 (1) In the case of any plan of life insurance which provides for future premium
9119 determination, the amounts of which are to be determined by the insurance company based on
9120 then estimates of future experience, or in the case of any plan of life insurance or annuity which
9121 is of such a nature that the minimum reserves cannot be determined by the methods described
9122 in Sections 31A-17-507, 31A-17-508, and 31A-17-511, the reserves which are held under any
9123 such plan [~~must~~] shall:

9124 (a) be appropriate in relation to the benefits and the pattern of premiums for that plan;
9125 and

9126 (b) be computed by a method which is consistent with the principles of this part, as
9127 determined by rules promulgated by the commissioner.

9128 Section 247. Section **31A-18-106** is amended to read:

9129 **31A-18-106. Investment limitations generally applicable.**

9130 (1) The investment limitations listed in Subsections (1)(a) through (m) apply to an
9131 insurer.

9141 (e) For an investment authorized under Subsection 31A-18-105(5), the limitation is

9170 insurer.

9171 (a) (i) For all investments in a single entity, its affiliates, and subsidiaries, the

9176 (C) an investment in the insurer's insurance subsidiaries; or

9177 (D) a cash deposit that:

9178 (I) is cash;

9246 (b) A security is not eligible for purchase at a price above its market value.

9247 (4) Computation of percentage limitations under this section:

9248 (a) is based only upon the insurer's total qualified invested assets described in Section
9249 31A-18-105 and this section, as these assets are valued under Section 31A-17-401; and

9250 (b) excludes investments permitted under Section 31A-18-108 and Subsections
9251 31A-17-203(2) and (3).

9252 (5) An insurer may not make an investment that, because the investment does not

9254 Chapter 17, Part 6, Risk-Based Capital, subject to proceedings under Chapter 27a, Insurer
9255 Receivership Act.

9256 (6) A pattern of persistent deviation from the investment diversification standards set
9257 forth in Section 31A-18-105 and this section may be grounds for a finding that the one or more
9258 persons with authority to make the insurer's investment decisions are "incompetent" as used in
9259 Subsection 31A-5-410(3).

9260 (7) Section 77r-1 of the Secondary Mortgage Market Enhancement Act of 1984 does

9261 not apply to the purchase, holding, investment, or valuation limitations of assets of insurance
9262 companies subject to this chapter.

9263 Section 248. Section **31A-19a-206** is amended to read:

9264 **31A-19a-206. Disapproval of rates.**

9265 (1) (a) Except for a conflict with the requirements of Section 31A-19a-201 or
9266 31A-19a-202, the commissioner may disapprove a rate at any time that the rate directly
9267 conflicts with:

9268 (i) this title; or

9269 (ii) any rule made under this title.

9270 (b) The disapproval under Subsection (1)(a) shall:

9271 (i) be in writing;

9272 (ii) specify the statute or rule with which the filing conflicts; and

9274 (c) (i) If an insurer's or rate service organization's rate filing is disapproved under
9275 Subsection (1)(a), the insurer or rate service organization may request a hearing on the
9276 disapproval within 30 calendar days of the date on which the order described in Subsection
9277 (1)(a) is issued.

9278 (ii) If a hearing is requested under Subsection (1)(c)(i), the commissioner shall
9279 schedule the hearing within 30 calendar days of the date on which the commissioner receives
9280 the request for a hearing.

9281 (iii) After the hearing, the commissioner shall issue an order:

9282 (A) approving the rate filing; or

9283 (B) disapproving the rate filing.

9284 (2) (a) If within 90 calendar days of the date on which a rate filing is filed the
9285 commissioner finds that the rate filing does not meet the requirements of Section 31A-19a-201
9286 or 31A-19a-202, the commissioner shall send a written order disapproving the rate filing to the
9287 insurer or rate organization that made the filing.

9288 (b) The order described in Subsection (2)(a) shall specify how the rate filing fails to
9289 meet the requirements of Section 31A-19a-201 or 31A-19a-202.

9290 (c) (i) If an insurer's or rate service organization's rate filing is disapproved under
9291 Subsection (2)(a), the insurer or rate service organization may request a hearing on the

9292 disapproval within 30 calendar days of the date on which the order described in Subsection
9293 (2)(a) is issued.

9294 (ii) If a hearing is requested under Subsection (2)(c)(i), the commissioner shall
9295 schedule the hearing within 30 calendar days of the date on which the commissioner receives
9296 the request for a hearing.

9297 (iii) After the hearing, the commissioner shall issue an order:

9298 (A) approving the rate filing; or

9299 (B) (I) disapproving the rate filing; and

9300 (II) stating when, within a reasonable time from the date on which the order is issued,
9301 the rate is no longer effective.

9302 (d) In a hearing held under this Subsection (2), the insurer or rate service organization
9303 bears the burden of proving compliance with the requirements of Section 31A-19a-201 or
9304 31A-19a-202.

9305 (3) (a) If the order described in Subsection (2)(a) is issued after the implementation of
9306 the rate filing, the commissioner may order that use of the rate filing be discontinued for any
9307 policy issued or renewed on or after a date not less than 30 calendar days from the date the
9308 order was issued.

9309 (b) If an insurer or rate service organization requests a hearing under Subsection (2),
9310 the order to discontinue use of the rate filing is stayed:

9311 (i) beginning on the date the insurer or rate service organization requests a hearing; and

9312 (ii) ending on the date the commissioner issues an order after the hearing that addresses
9313 the stay.

9314 (4) If the order described in Subsection (2)(a) is issued before the implementation of
9315 the rate filing:

9316 (a) an insurer or rate service organization may not implement the rate filing; and

9317 (b) the rates of the insurer or rate service organization at the time of disapproval
9318 continue to be in effect.

9319 (5) (a) If after a hearing the commissioner finds that a rate that has been previously
9320 filed and has been in effect for more than 90 calendar days no longer meets the requirements of
9321 Section 31A-19a-201 or 31A-19a-202, the commissioner may order that use of the rate by any
9322 insurer or rate service organization be discontinued.

9323 (b) The commissioner shall give any insurer that will be affected by an order that may
9324 be issued under Subsection (5)(a) notice of the hearing at least 10 business days prior to the
9325 hearing.

9326 (c) The order issued under Subsection (5)(a) shall:

9327 (i) be in writing;

9328 (ii) state the grounds for the order; and

9329 (iii) state when, within a reasonable time from the date on which the order is issued,
9330 the rate is no longer effective.

9331 (d) The order issued under Subsection (5)(a) [~~shall not~~] may not affect any contract or
9332 policy made or issued prior to the expiration of the period set forth in the order.

9333 (e) The order issued under Subsection (5)(a) may include a provision for a premium
9334 adjustment for contracts or policies made or issued after the effective date of the order.

9335 (6) (a) When an insurer has no legally effective rates as a result of the commissioner's
9336 disapproval of rates or other act, the commissioner shall, on the insurer's request, specify
9337 interim rates for the insurer.

9338 (b) An interim rate described in Subsection (6)(a):

9339 (i) shall be high enough to protect the interests of all parties; and

9340 (ii) may, when necessary to protect the policyholders, order that a specified portion of
9341 the premiums be placed in an escrow account approved by the commissioner.

9342 (c) When the new rates become effective, the commissioner shall order the escrowed
9343 funds or any overcharge in the interim rates to be distributed appropriately, except that minimal
9344 refunds to policyholders need not be distributed.

9345 Section 249. Section **31A-19a-208** is amended to read:

9346 **31A-19a-208. Special restrictions on individual insurers.**

9347 (1) The commissioner may require by order that a particular insurer file any or all of its
9348 rates and supplementary rate information 30 calendar days prior to their effective date, if the
9349 commissioner finds, after a hearing, that to protect the interests of the insurer's insureds and the
9350 public in Utah, the commissioner [~~must~~] shall exercise closer supervision of the insurer's rates,
9351 because of the insurer's financial condition or rating practices.

9352 (2) The commissioner may extend the waiting period described in Subsection (1) for
9353 any filing for not to exceed 30 additional calendar days, by written notice to the insurer before

9354 the first 30-day period expires.

9355 (3) A filing that has not been disapproved before the expiration of the waiting period is
9356 considered to meet the requirements of this chapter, subject to the possibility of subsequent
9357 disapproval under Section 31A-19a-206.

9358 Section 250. Section **31A-19a-309** is amended to read:

9359 **31A-19a-309. Recording and reporting of experience.**

9360 (1) (a) The commissioner may adopt rules for the development of statistical plans, for
9361 use by all insurers in recording and reporting their loss and expense experience, in order that
9362 the experience of those insurers may be made available to the commissioner.

9363 (b) The rules provided for in Subsection (1) may include:

9364 (i) the data that [~~must~~] shall be reported by an insurer;

9365 (ii) definitions of data elements;

9366 (iii) the timing and frequency of data reporting by an insurer;

9367 (iv) data quality standards;

9368 (v) data edit and audit requirements;

9369 (vi) data retention requirements;

9370 (vii) reports to be generated; and

9371 (viii) the timing of reports to be generated.

9372 (c) Except for workers' compensation insurance under Section 31A-19a-404, an insurer
9373 may not be required to record or report its experience on a classification basis that is
9374 inconsistent with its own rating system.

9375 (2) (a) The commissioner may designate one or more rate service organizations to
9376 assist the commissioner in gathering that experience and making compilations of the
9377 experience.

9378 (b) The compilations developed under Subsection (2)(a) shall be made available to the
9379 public.

9380 (3) The commissioner may make rules and plans for the interchange of data necessary
9381 for the application of rating plans.

9382 (4) To further uniform administration of rate regulatory laws, the commissioner and
9383 every insurer and rate service organization may:

9384 (a) exchange information and experience data with insurance supervisory officials,

9385 insurers, and rate service organizations in other states; and

9386 (b) consult with the persons described in Subsection (4)(a) with respect to the
9387 application of rating systems and the reporting of statistical data.

9388 Section 251. Section **31A-21-101** is amended to read:

9389 **31A-21-101. Scope of Chapters 21 and 22.**

9390 (1) Except as provided in Subsections (2) through (6), this chapter and Chapter 22,
9391 Contracts in Specific Lines, apply to all insurance policies, applications, and certificates:

9392 (a) delivered or issued for delivery in this state;

9393 (b) on property ordinarily located in this state;

9394 (c) on persons residing in this state when the policy is issued; or

9395 (d) on business operations in this state.

9396 (2) This chapter and Chapter 22 do not apply to:

9397 (a) an exemption provided in Section 31A-1-103;

9398 (b) an insurance policy procured under Sections 31A-15-103 and 31A-15-104;

9399 (c) an insurance policy on business operations in this state:

9400 (i) if:

9401 (A) the contract is negotiated primarily outside this state; and

9402 (B) the operations in this state are incidental or subordinate to operations outside this
9403 state; and

9404 (ii) except that insurance required by a Utah statute [~~must~~] shall conform to the
9405 statutory requirements; or

9406 (d) other exemptions provided in this title.

9407 (3) (a) Sections 31A-21-102, 31A-21-103, 31A-21-104, Subsections 31A-21-107(1)
9408 and (3), and Sections 31A-21-306, 31A-21-308, 31A-21-312, and 31A-21-314 apply to ocean
9409 marine and inland marine insurance.

9410 (b) Section 31A-21-201 applies to inland marine insurance that is written according to
9411 manual rules or rating plans.

9412 (4) A group or blanket policy is subject to this chapter and Chapter 22, except:

9413 (a) a group or blanket policy outside the scope of this title under Subsection
9414 31A-1-103(3)(h); and

9415 (b) other exemptions provided under Subsection (5).

9416 (5) The commissioner may by rule exempt any class of insurance contract or class of
9417 insurer from any or all of the provisions of this chapter and Chapter 22 if the interests of the
9418 Utah insureds, creditors, or the public would not be harmed by the exemption.

9419 (6) Workers' compensation insurance, including that written by the Workers'
9420 Compensation Fund created under Chapter 33, Workers' Compensation Fund, is subject to this
9421 chapter and Chapter 22.

9422 (7) Unless clearly inapplicable, any provision of this chapter or Chapter 22 applicable
9423 to either a policy or a contract is applicable to both.

9424 Section 252. Section **31A-21-312** is amended to read:

9425 **31A-21-312. Notice and proof of loss.**

9426 (1) Every insurance policy shall provide that:

9427 (a) when notice of loss is required separately from proof of loss, notice given by or on
9428 behalf of the insured to any authorized agent of the insurer within this state, with particulars
9429 sufficient to identify the policy, is notice to the insurer; and

9430 (b) failure to give any notice or file any proof of loss required by the policy within the
9431 time specified in the policy does not invalidate a claim made by the insured, if the insured
9432 shows that it was not reasonably possible to give the notice or file the proof of loss within the
9433 prescribed time and that notice was given or proof of loss filed as soon as reasonably possible.

9434 (2) Failure to give notice or file proof of loss as required by Subsection (1)(b) does not
9435 bar recovery under the policy if the insurer fails to show it was prejudiced by the failure. This
9436 subsection may not be construed to extend the statute of limitations applicable under Section
9437 31A-21-313.

9438 (3) The insurer shall, on request, promptly furnish an insured any forms or instructions
9439 needed to make a proof of loss.

9440 (4) As an alternative to giving notice directly under Subsection (1)(a), it is a sufficient
9441 service of notice or of proof of loss if a first class postage prepaid envelope addressed to the
9442 insurer and containing the proper notice or proof of loss is deposited in any United States post
9443 office within the time prescribed.

9444 (5) The commissioner shall adopt rules dealing with notice of loss and proof of loss
9445 time limitations under insurance policies. Under Section 31A-21-202, the commissioner's
9446 express approval [~~must~~] shall be received before any contract clause requiring notice of loss or

9447 proof of loss in a manner inconsistent with the rule may be used in an insurance contract.

9448 (6) The acknowledgment by the insurer of the receipt of notice, the furnishing of forms
9449 for filing proofs of loss, the acceptance of those proofs, or the investigation of any claim are
9450 not alone sufficient to waive any of the rights of the insurer in defense of any claim arising
9451 under the insurance policy.

9452 Section 253. Section **31A-21-313** is amended to read:

9453 **31A-21-313. Limitation of actions.**

9454 (1) An action on a written policy or contract of first party insurance [~~must~~] shall be
9455 commenced within three years after the inception of the loss.

9456 (2) Except as provided in Subsection (1) or elsewhere in this title, the law applicable to
9457 limitation of actions in Title 78B, Chapter 2, Statutes of Limitations, applies to actions on
9458 insurance policies.

9459 (3) An insurance policy may not:

9460 (a) limit the time for beginning an action on the policy to a time less than that
9461 authorized by statute;

9462 (b) prescribe in what court an action may be brought on the policy; or

9463 (c) provide that no action may be brought, subject to permissible arbitration provisions
9464 in contracts.

9465 (4) Unless by verified complaint it is alleged that prejudice to the complainant will
9466 arise from a delay in bringing suit against an insurer, which prejudice is other than the delay
9467 itself, no action may be brought against an insurer on an insurance policy to compel payment
9468 under the policy until the earlier of:

9469 (a) 60 days after proof of loss has been furnished as required under the policy;

9470 (b) waiver by the insurer of proof of loss; or

9471 (c) the insurer's denial of full payment.

9472 (5) The period of limitation is tolled during the period in which the parties conduct an
9473 appraisal or arbitration procedure prescribed by the insurance policy, by law, or as agreed to by
9474 the parties.

9475 Section 254. Section **31A-21-403** is amended to read:

9476 **31A-21-403. Orders terminating effectiveness of policies.**

9477 Upon the commissioner's order, no mass marketed life or accident and health insurance

9478 issued by an insurer may continue to be effected on persons in this state. The commissioner
9479 may issue an order under this section only if ~~he~~ the commissioner finds, after a hearing, that
9480 the total charges for the insurance to the persons insured are unreasonable in relation to the
9481 benefits provided. The commissioner's findings under this section ~~must~~ shall be in writing.
9482 Orders under this section may direct the insurer to cease effecting the insurance until the total
9483 charges for the insurance are found by the commissioner to be reasonable in relation to the
9484 benefits provided.

9485 Section 255. Section **31A-22-305** is amended to read:

9486 **31A-22-305. Uninsured motorist coverage.**

9487 (1) As used in this section, "covered persons" includes:

9488 (a) the named insured;

9489 (b) persons related to the named insured by blood, marriage, adoption, or guardianship,
9490 who are residents of the named insured's household, including those who usually make their
9491 home in the same household but temporarily live elsewhere;

9492 (c) any person occupying or using a motor vehicle:

9493 (i) referred to in the policy; or

9494 (ii) owned by a self-insured; and

9495 (d) any person who is entitled to recover damages against the owner or operator of the
9496 uninsured or underinsured motor vehicle because of bodily injury to or death of persons under
9497 Subsection (1)(a), (b), or (c).

9498 (2) As used in this section, "uninsured motor vehicle" includes:

9499 (a) (i) a motor vehicle, the operation, maintenance, or use of which is not covered
9500 under a liability policy at the time of an injury-causing occurrence; or

9501 (ii) (A) a motor vehicle covered with lower liability limits than required by Section
9502 31A-22-304; and

9503 (B) the motor vehicle described in Subsection (2)(a)(ii)(A) is uninsured to the extent of
9504 the deficiency;

9505 (b) an unidentified motor vehicle that left the scene of an accident proximately caused
9506 by the motor vehicle operator;

9507 (c) a motor vehicle covered by a liability policy, but coverage for an accident is
9508 disputed by the liability insurer for more than 60 days or continues to be disputed for more than

9509 60 days; or

9510 (d) (i) an insured motor vehicle if, before or after the accident, the liability insurer of
9511 the motor vehicle is declared insolvent by a court of competent jurisdiction; and

9512 (ii) the motor vehicle described in Subsection (2)(d)(i) is uninsured only to the extent
9513 that the claim against the insolvent insurer is not paid by a guaranty association or fund.

9514 (3) (a) Uninsured motorist coverage under Subsection 31A-22-302(1)(b) provides
9515 coverage for covered persons who are legally entitled to recover damages from owners or
9516 operators of uninsured motor vehicles because of bodily injury, sickness, disease, or death.

9517 (b) For new policies written on or after January 1, 2001, the limits of uninsured
9518 motorist coverage shall be equal to the lesser of the limits of the insured's motor vehicle
9519 liability coverage or the maximum uninsured motorist coverage limits available by the insurer
9520 under the insured's motor vehicle policy, unless the insured purchases coverage in a lesser
9521 amount by signing an acknowledgment form that:

9522 (i) is filed with the department;

9523 (ii) is provided by the insurer;

9524 (iii) waives the higher coverage;

9525 (iv) reasonably explains the purpose of uninsured motorist coverage; and

9526 (v) discloses the additional premiums required to purchase uninsured motorist
9527 coverage with limits equal to the lesser of the limits of the insured's motor vehicle liability
9528 coverage or the maximum uninsured motorist coverage limits available by the insurer under the
9529 insured's motor vehicle policy.

9530 (c) A self-insured, including a governmental entity, may elect to provide uninsured
9531 motorist coverage in an amount that is less than its maximum self-insured retention under
9532 Subsections (3)(b) and (4)(a) by issuing a declaratory memorandum or policy statement from
9533 the chief financial officer or chief risk officer that declares the:

9534 (i) self-insured entity's coverage level; and

9535 (ii) process for filing an uninsured motorist claim.

9536 (d) Uninsured motorist coverage may not be sold with limits that are less than the
9537 minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

9538 (e) The acknowledgment under Subsection (3)(b) continues for that issuer of the
9539 uninsured motorist coverage until the insured, in writing, requests different uninsured motorist

9540 coverage from the insurer.

9541 (f) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for
9542 policies existing on that date, the insurer shall disclose in the same medium as the premium
9543 renewal notice, an explanation of:

9544 (A) the purpose of uninsured motorist coverage; and

9545 (B) the costs associated with increasing the coverage in amounts up to and including
9546 the maximum amount available by the insurer under the insured's motor vehicle policy.

9547 (ii) The disclosure required under this Subsection (3)(f) shall be sent to all insureds that
9548 carry uninsured motorist coverage limits in an amount less than the insured's motor vehicle
9549 liability policy limits or the maximum uninsured motorist coverage limits available by the
9550 insurer under the insured's motor vehicle policy.

9551 (4) (a) (i) Except as provided in Subsection (4)(b), the named insured may reject
9552 uninsured motorist coverage by an express writing to the insurer that provides liability
9553 coverage under Subsection 31A-22-302(1)(a).

9554 (ii) This rejection shall be on a form provided by the insurer that includes a reasonable
9555 explanation of the purpose of uninsured motorist coverage.

9556 (iii) This rejection continues for that issuer of the liability coverage until the insured in
9557 writing requests uninsured motorist coverage from that liability insurer.

9558 (b) (i) All persons, including governmental entities, that are engaged in the business of,
9559 or that accept payment for, transporting natural persons by motor vehicle, and all school
9560 districts that provide transportation services for their students, shall provide coverage for all
9561 motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance,
9562 uninsured motorist coverage of at least \$25,000 per person and \$500,000 per accident.

9563 (ii) This coverage is secondary to any other insurance covering an injured covered
9564 person.

9565 (c) Uninsured motorist coverage:

9566 (i) is secondary to the benefits provided by Title 34A, Chapter 2, Workers'
9567 Compensation Act;

9568 (ii) may not be subrogated by the workers' compensation insurance carrier;

9569 (iii) may not be reduced by any benefits provided by workers' compensation insurance;

9570 (iv) may be reduced by health insurance subrogation only after the covered person has

9571 been made whole;

9572 (v) may not be collected for bodily injury or death sustained by a person:

9573 (A) while committing a violation of Section 41-1a-1314;

9574 (B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated

9575 in violation of Section 41-1a-1314; or

9576 (C) while committing a felony; and

9577 (vi) notwithstanding Subsection (4)(c)(v), may be recovered:

9578 (A) for a person under 18 years of age who is injured within the scope of Subsection

9579 (4)(c)(v) but limited to medical and funeral expenses; or

9580 (B) by a law enforcement officer as defined in Section 53-13-103, who is injured

9581 within the course and scope of the law enforcement officer's duties.

9582 (d) As used in this Subsection (4), "motor vehicle" has the same meaning as under

9583 Section 41-1a-102.

9584 (5) When a covered person alleges that an uninsured motor vehicle under Subsection

9585 (2)(b) proximately caused an accident without touching the covered person or the motor

9586 vehicle occupied by the covered person, the covered person [~~must~~] shall show the existence of

9587 the uninsured motor vehicle by clear and convincing evidence consisting of more than the

9588 covered person's testimony.

9589 (6) (a) The limit of liability for uninsured motorist coverage for two or more motor

9590 vehicles may not be added together, combined, or stacked to determine the limit of insurance

9591 coverage available to an injured person for any one accident.

9592 (b) (i) Subsection (6)(a) applies to all persons except a covered person as defined under

9593 Subsection (7)(b)(ii).

9594 (ii) A covered person as defined under Subsection (7)(b)(ii) is entitled to the highest

9595 limits of uninsured motorist coverage afforded for any one motor vehicle that the covered

9596 person is the named insured or an insured family member.

9597 (iii) This coverage shall be in addition to the coverage on the motor vehicle the covered

9598 person is occupying.

9599 (iv) Neither the primary nor the secondary coverage may be set off against the other.

9600 (c) Coverage on a motor vehicle occupied at the time of an accident shall be primary

9601 coverage, and the coverage elected by a person described under Subsections (1)(a) and (b) shall

9602 be secondary coverage.

9603 (7) (a) Uninsured motorist coverage under this section applies to bodily injury,
9604 sickness, disease, or death of covered persons while occupying or using a motor vehicle only if
9605 the motor vehicle is described in the policy under which a claim is made, or if the motor
9606 vehicle is a newly acquired or replacement motor vehicle covered under the terms of the policy.
9607 Except as provided in Subsection (6) or this Subsection (7), a covered person injured in a
9608 motor vehicle described in a policy that includes uninsured motorist benefits may not elect to
9609 collect uninsured motorist coverage benefits from any other motor vehicle insurance policy
9610 under which the person is a covered person.

9611 (b) Each of the following persons may also recover uninsured motorist benefits under
9612 any one other policy in which they are described as a "covered person" as defined in Subsection
9613 (1):

9614 (i) a covered person injured as a pedestrian by an uninsured motor vehicle; and
9615 (ii) except as provided in Subsection (7)(c), a covered person injured while occupying
9616 or using a motor vehicle that is not owned, leased, or furnished:

9617 (A) to the covered person;

9618 (B) to the covered person's spouse; or

9619 (C) to the covered person's resident parent or resident sibling.

9620 (c) (i) A covered person may recover benefits from no more than two additional
9621 policies, one additional policy from each parent's household if the covered person is:

9622 (A) a dependent minor of parents who reside in separate households; and

9623 (B) injured while occupying or using a motor vehicle that is not owned, leased, or
9624 furnished:

9625 (I) to the covered person;

9626 (II) to the covered person's resident parent; or

9627 (III) to the covered person's resident sibling.

9628 (ii) Each parent's policy under this Subsection (7)(c) is liable only for the percentage of
9629 the damages that the limit of liability of each parent's policy of uninsured motorist coverage
9630 bears to the total of both parents' uninsured coverage applicable to the accident.

9631 (d) A covered person's recovery under any available policies may not exceed the full
9632 amount of damages.

9633 (e) A covered person in Subsection (7)(b) is not barred against making subsequent
9634 elections if recovery is unavailable under previous elections.

9635 (f) (i) As used in this section, "interpolicy stacking" means recovering benefits for a
9636 single incident of loss under more than one insurance policy.

9637 (ii) Except to the extent permitted by Subsection (6) and this Subsection (7),
9638 interpolicy stacking is prohibited for uninsured motorist coverage.

9639 (8) (a) When a claim is brought by a named insured or a person described in
9640 Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the
9641 claimant may elect to resolve the claim:

9642 (i) by submitting the claim to binding arbitration; or

9643 (ii) through litigation.

9644 (b) Unless otherwise provided in the policy under which uninsured benefits are
9645 claimed, the election provided in Subsection (8)(a) is available to the claimant only.

9646 (c) Once the claimant has elected to commence litigation under Subsection (8)(a)(ii),
9647 the claimant may not elect to resolve the claim through binding arbitration under this section
9648 without the written consent of the uninsured motorist carrier.

9649 (d) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to
9650 binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.

9651 (ii) All parties shall agree on the single arbitrator selected under Subsection (8)(d)(i).

9652 (iii) If the parties are unable to agree on a single arbitrator as required under Subsection
9653 (8)(d)(ii), the parties shall select a panel of three arbitrators.

9654 (e) If the parties select a panel of three arbitrators under Subsection (8)(d)(iii):

9655 (i) each side shall select one arbitrator; and

9656 (ii) the arbitrators appointed under Subsection (8)(e)(i) shall select one additional
9657 arbitrator to be included in the panel.

9658 (f) Unless otherwise agreed to in writing:

9659 (i) each party shall pay an equal share of the fees and costs of the arbitrator selected
9660 under Subsection (8)(d)(i); or

9661 (ii) if an arbitration panel is selected under Subsection (8)(d)(iii):

9662 (A) each party shall pay the fees and costs of the arbitrator selected by that party; and

9663 (B) each party shall pay an equal share of the fees and costs of the arbitrator selected

9664 under Subsection (8)(e)(ii).

9665 (g) Except as otherwise provided in this section or unless otherwise agreed to in
9666 writing by the parties, an arbitration proceeding conducted under this section shall be governed
9667 by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

9668 (h) The arbitration shall be conducted in accordance with Rules 26 through 37, 54, and
9669 68 of the Utah Rules of Civil Procedure.

9670 (i) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

9671 (j) A written decision by a single arbitrator or by a majority of the arbitration panel
9672 shall constitute a final decision.

9673 (k) (i) The amount of an arbitration award may not exceed the uninsured motorist
9674 policy limits of all applicable uninsured motorist policies, including applicable uninsured
9675 motorist umbrella policies.

9676 (ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all
9677 applicable uninsured motorist policies, the arbitration award shall be reduced to an amount
9678 equal to the combined uninsured motorist policy limits of all applicable uninsured motorist
9679 policies.

9680 (l) The arbitrator or arbitration panel may not decide the issues of coverage or
9681 extra-contractual damages, including:

9682 (i) whether the claimant is a covered person;

9683 (ii) whether the policy extends coverage to the loss; or

9684 (iii) any allegations or claims asserting consequential damages or bad faith liability.

9685 (m) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or
9686 class-representative basis.

9687 (n) If the arbitrator or arbitration panel finds that the action was not brought, pursued,
9688 or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees
9689 and costs against the party that failed to bring, pursue, or defend the claim in good faith.

9690 (o) An arbitration award issued under this section shall be the final resolution of all
9691 claims not excluded by Subsection (8)(l) between the parties unless:

9692 (i) the award was procured by corruption, fraud, or other undue means; or

9693 (ii) either party, within 20 days after service of the arbitration award:

9694 (A) files a complaint requesting a trial de novo in the district court; and

9695 (B) serves the nonmoving party with a copy of the complaint requesting a trial de novo
9696 under Subsection (8)(o)(ii)(A).

9697 (p) (i) Upon filing a complaint for a trial de novo under Subsection (8)(o), the claim
9698 shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules
9699 of Evidence in the district court.

9700 (ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may
9701 request a jury trial with a complaint requesting a trial de novo under Subsection (8)(o)(ii)(A).

9702 (q) (i) If the claimant, as the moving party in a trial de novo requested under
9703 Subsection (8)(o), does not obtain a verdict that is at least \$5,000 and is at least 20% greater
9704 than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

9705 (ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested
9706 under Subsection (8)(o), does not obtain a verdict that is at least 20% less than the arbitration
9707 award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

9708 (iii) Except as provided in Subsection (8)(q)(iv), the costs under this Subsection (8)(q)
9709 shall include:

9710 (A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

9711 (B) the costs of expert witnesses and depositions.

9712 (iv) An award of costs under this Subsection (8)(q) may not exceed \$2,500.

9713 (r) For purposes of determining whether a party's verdict is greater or less than the
9714 arbitration award under Subsection (8)(q), a court may not consider any recovery or other relief
9715 granted on a claim for damages if the claim for damages:

9716 (i) was not fully disclosed in writing prior to the arbitration proceeding; or

9717 (ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil
9718 Procedure.

9719 (s) If a district court determines, upon a motion of the nonmoving party, that the
9720 moving party's use of the trial de novo process was filed in bad faith in accordance with
9721 Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving
9722 party.

9723 (t) Nothing in this section is intended to limit any claim under any other portion of an
9724 applicable insurance policy.

9725 (u) If there are multiple uninsured motorist policies, as set forth in Subsection (7), the

9726 claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist
9727 carriers.

9728 (9) (a) Within 30 days after a covered person elects to submit a claim for uninsured
9729 motorist benefits to binding arbitration or files litigation, the covered person shall provide to
9730 the uninsured motorist carrier:

9731 (i) a written demand for payment of uninsured motorist coverage benefits, setting forth:

9732 (A) the specific monetary amount of the demand; and

9733 (B) the factual and legal basis and any supporting documentation for the demand;

9734 (ii) a written statement under oath disclosing:

9735 (A) (I) the names and last known addresses of all health care providers who have
9736 rendered health care services to the covered person that are material to the claims for which
9737 uninsured motorist benefits are sought for a period of five years preceding the date of the event
9738 giving rise to the claim for uninsured motorist benefits up to the time the election for
9739 arbitration or litigation has been exercised; and

9740 (II) whether the covered person has seen other health care providers who have rendered
9741 health care services to the covered person, which the covered person claims are immaterial to
9742 the claims for which uninsured motorist benefits are sought, for a period of five years
9743 preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the
9744 time the election for arbitration or litigation has been exercised that have not been disclosed
9745 under Subsection (9)(a)(ii)(A)(I);

9746 (B) (I) the names and last known addresses of all health insurers or other entities to
9747 whom the covered person has submitted claims for health care services or benefits material to
9748 the claims for which uninsured motorist benefits are sought, for a period of five years
9749 preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the
9750 time the election for arbitration or litigation has been exercised; and

9751 (II) whether the identity of any health insurers or other entities to whom the covered
9752 person has submitted claims for health care services or benefits, which the covered person
9753 claims are immaterial to the claims for which uninsured motorist benefits are sought, for a
9754 period of five years preceding the date of the event giving rise to the claim for uninsured
9755 motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

9756 (C) if lost wages, diminished earning capacity, or similar damages are claimed, all

9757 employers of the covered person for a period of five years preceding the date of the event
9758 giving rise to the claim for uninsured motorist benefits up to the time the election for
9759 arbitration or litigation has been exercised;

9760 (D) other documents to reasonably support the claims being asserted; and

9761 (E) all state and federal statutory lienholders including a statement as to whether the
9762 covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health
9763 Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act,
9764 or if the claim is subject to any other state or federal statutory liens; and

9765 (iii) signed authorizations to allow the uninsured motorist carrier to only obtain records
9766 and billings from the individuals or entities disclosed.

9767 (b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed
9768 health care providers or health care insurers under Subsection (9)(a)(ii) is reasonably necessary,
9769 the uninsured motorist carrier may:

9770 (A) make a request for the disclosure of the identity of the health care providers or
9771 health care insurers; and

9772 (B) make a request for authorizations to allow the uninsured motorist carrier to only
9773 obtain records and billings from the individuals or entities not disclosed.

9774 (ii) If the covered person does not provide the requested information within 10 days:

9775 (A) the covered person shall disclose, in writing, the legal or factual basis for the
9776 failure to disclose the health care providers or health care insurers; and

9777 (B) either the covered person or the uninsured motorist carrier may request the
9778 arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be
9779 provided if the covered person has elected arbitration.

9780 (iii) The time periods imposed by Subsection (9)(c)(i) are tolled pending resolution of
9781 the dispute concerning the disclosure and production of records of the health care providers or
9782 health care insurers.

9783 (c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice
9784 of filing litigation and the demand for payment of uninsured motorist benefits under Subsection
9785 (9)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and
9786 receipt of the items specified in Subsections (9)(a)(i) through (iii), to:

9787 (A) provide a written response to the written demand for payment provided for in

9788 Subsection (9)(a)(i);

9789 (B) except as provided in Subsection (9)(c)(i)(C), tender the amount, if any, of the
9790 uninsured motorist carrier's determination of the amount owed to the covered person; and

9791 (C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah
9792 Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's
9793 Health Insurance Act, or if the claim is subject to any other state or federal statutory liens,
9794 tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed
9795 to the covered person less:

9796 (I) if the amount of the state or federal statutory lien is established, the amount of the
9797 lien; or

9798 (II) if the amount of the state or federal statutory lien is not established, two times the
9799 amount of the medical expenses subject to the state or federal statutory lien until such time as
9800 the amount of the state or federal statutory lien is established.

9801 (ii) If the amount tendered by the uninsured motorist carrier under Subsection (9)(c)(i)
9802 is the total amount of the uninsured motorist policy limits, the tendered amount shall be
9803 accepted by the covered person.

9804 (d) A covered person who receives a written response from an uninsured motorist
9805 carrier as provided for in Subsection (9)(c)(i), may:

9806 (i) elect to accept the amount tendered in Subsection (9)(c)(i) as payment in full of all
9807 uninsured motorist claims; or

9808 (ii) elect to:

9809 (A) accept the amount tendered in Subsection (9)(c)(i) as partial payment of all
9810 uninsured motorist claims; and

9811 (B) litigate or arbitrate the remaining claim.

9812 (e) If a covered person elects to accept the amount tendered under Subsection (9)(c)(i)
9813 as partial payment of all uninsured motorist claims, the final award obtained through
9814 arbitration, litigation, or later settlement shall be reduced by any payment made by the
9815 uninsured motorist carrier under Subsection (9)(c)(i).

9816 (f) In an arbitration proceeding on the remaining uninsured claims:

9817 (i) the parties may not disclose to the arbitrator or arbitration panel the amount paid
9818 under Subsection (9)(c)(i) until after the arbitration award has been rendered; and

9819 (ii) the parties may not disclose the amount of the limits of uninsured motorist benefits
9820 provided by the policy.

9821 (g) If the final award obtained through arbitration or litigation is greater than the
9822 average of the covered person's initial written demand for payment provided for in Subsection
9823 (9)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection
9824 (9)(c)(i), the uninsured motorist carrier shall pay:

9825 (i) the final award obtained through arbitration or litigation, except that if the award
9826 exceeds the policy limits of the subject uninsured motorist policy by more than \$15,000, the
9827 amount shall be reduced to an amount equal to the policy limits plus \$15,000; and

9828 (ii) any of the following applicable costs:

9829 (A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

9830 (B) the arbitrator or arbitration panel's fee; and

9831 (C) the reasonable costs of expert witnesses and depositions used in the presentation of
9832 evidence during arbitration or litigation.

9833 (h) (i) The covered person shall provide an affidavit of costs within five days of an
9834 arbitration award.

9835 (ii) (A) Objection to the affidavit of costs shall specify with particularity the costs to
9836 which the uninsured motorist carrier objects.

9837 (B) The objection shall be resolved by the arbitrator or arbitration panel.

9838 (iii) The award of costs by the arbitrator or arbitration panel under Subsection (9)(g)(ii)
9839 may not exceed \$5,000.

9840 (i) (i) A covered person shall disclose all material information, other than rebuttal
9841 evidence, as specified in Subsection (9)(a).

9842 (ii) If the information under Subsection (9)(i)(i) is not disclosed, the covered person
9843 may not recover costs or any amounts in excess of the policy under Subsection (9)(g).

9844 (j) This Subsection (9) does not limit any other cause of action that arose or may arise
9845 against the uninsured motorist carrier from the same dispute.

9846 (k) The provisions of this Subsection (9) only apply to motor vehicle accidents that
9847 occur on or after March 30, 2010.

9848 Section 256. Section **31A-22-408** is amended to read:

9849 **31A-22-408. Standard Nonforfeiture Law for Life Insurance.**

9850 (1) This section is known as the "Standard Nonforfeiture Law for Life Insurance." It
9851 does not apply to group life insurance.

9852 (2) In the case of policies issued on or after July 1, 1961, no policy of life insurance,
9853 except as stated in Subsection (8), may be delivered or issued for delivery in this state unless it
9854 contains in substance the following provisions, or corresponding provisions which in the
9855 opinion of the commissioner are at least as favorable to the defaulting or surrendering
9856 policyholder as are the minimum requirements hereinafter specified, and are essentially in
9857 compliance with Subsection (8):

9858 (a) That, in the event of default in any premium payment, after premiums have been
9859 paid for at least one full year the company will grant, upon proper request not later than 60 days
9860 after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated
9861 in the policy, effective as of such due date, of such amount as is specified in this section. In
9862 lieu of that stipulated paid-up nonforfeiture benefit, the company may substitute, upon proper
9863 request not later than 60 days after the due date of the premium in default, an actuarially
9864 equivalent alternative paid-up nonforfeiture benefit which provides a greater amount or longer
9865 period of death benefits or, if applicable, a greater amount or earlier payment of endowment
9866 benefits.

9867 (b) That, upon surrender of the policy within 60 days after the due date of any premium
9868 payment in default after premiums have been paid for at least three full years in the case of
9869 ordinary insurance or five full years in the case of industrial insurance, the company will pay,
9870 in lieu of any paid-up nonforfeiture benefit, a cash surrender value of such amount as is
9871 specified in this section.

9872 (c) That a specified paid-up nonforfeiture benefit shall become effective as specified in
9873 the policy unless the person entitled to make such election elects another available option not
9874 later than 60 days after the due date of the premium in default.

9875 (d) That, if the policy shall have been paid by the completion of all premium payments
9876 or if it is continued under any paid-up nonforfeiture benefit which became effective on or after
9877 the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in
9878 the case of industrial insurance, the company will pay upon surrender of the policy within 30
9879 days after any policy anniversary, a cash surrender value in the amount specified in this section.

9880 (e) In the case of policies which cause, on a basis guaranteed in the policy, unscheduled

9881 changes in benefits or premiums, or which provide an option for changes in benefits or
9882 premiums other than a change to a new policy, a statement of the mortality table, interest rate,
9883 and method used in calculating cash surrender values and the paid-up nonforfeiture benefits
9884 available under the policy. In the case of all other policies, a statement of the mortality table
9885 and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture
9886 benefit, if any, available under the policy on each policy anniversary either during the first 20
9887 policy years or during the term of the policy, whichever is shorter, such values and benefits to
9888 be calculated upon the assumption that there are no dividends or paid-up additions credited to
9889 the policy and that there is no indebtedness to the company on the policy.

9890 (f) A statement that the cash surrender values and the paid-up nonforfeiture benefits
9891 available under the policy are not less than the minimum values and benefits required by or
9892 pursuant to the insurance law of the state in which the policy is delivered; an explanation of the
9893 manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by
9894 the existence of any paid-up additions credited to the policy or any indebtedness to the
9895 company on the policy; if a detailed statement of the method of computation of the values and
9896 benefits shown in the policy is not stated therein, a statement that such method of computation
9897 has been filed with the insurance supervisory official of the state in which the policy is
9898 delivered; and a statement of the method to be used in calculating the cash surrender value and
9899 paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the
9900 last anniversary for which such values and benefits are consecutively shown in the policy.

9901 Any of the foregoing provisions or portions thereof not applicable by reason of the plan
9902 of insurance may, to the extent inapplicable, be omitted from the policy.

9903 The company shall reserve the right to defer the payment of any cash surrender value
9904 for a period of six months after demand therefor with surrender of the policy with the consent
9905 of the commissioner; provided, however, that the policy shall remain in full force and effect
9906 until the insurer has made the payment.

9907 (3) Any cash surrender value available under the policy in the event of default in a
9908 premium payment due on any policy anniversary, whether or not required by Subsection (2),
9909 shall be an amount not less than the excess, if any, of the present value, on such anniversary, of
9910 the future guaranteed benefits which would have been provided for by the policy, including any
9911 existing paid-up additions, if there had been no default, over the sum of: (a) the then present

9912 value of the adjusted premiums as defined in Subsections (5) and (6), corresponding to
9913 premiums which would have fallen due on and after such anniversary, and (b) the amount of
9914 any indebtedness to the company on the policy.

9915 Provided, however, that for any policy issued on or after the operative date of
9916 Subsection (6)(d) as defined therein, which provides supplemental life insurance or annuity
9917 benefits at the option of the insured and for an identifiable additional premium by rider or
9918 supplemental policy provision, the cash surrender value referred to in the first paragraph of this
9919 subsection shall be an amount not less than the sum of the cash surrender value as defined in
9920 such paragraph for an otherwise similar policy issued at the same age without such rider or
9921 supplemental policy provision and the cash surrender value as defined in such paragraph for a
9922 policy which provides only the benefits otherwise provided by such rider or supplemental
9923 policy provision.

9924 Provided, further, that for any family policy issued on or after the operative date of
9925 Subsection (6)(d) as defined therein, which defines a primary insured and provides term
9926 insurance on the life of the spouse of the primary insured expiring before the spouse's age 71,
9927 the cash surrender value referred to in the first paragraph of this subsection shall be an amount
9928 not less than the sum of the cash surrender value as defined in such paragraph for an otherwise
9929 similar policy issued at the same age without such term insurance on the life of the spouse and
9930 the cash surrender value as defined in such paragraph for a policy which provides only the
9931 benefits otherwise provided by such term insurance on the life of the spouse. Any cash
9932 surrender value available within 30 days after any policy anniversary under any policy paid-up
9933 by completion of all premium payments or any policy continued under any paid-up
9934 nonforfeiture benefit, whether or not required by Subsection (2) shall be an amount not less
9935 than the present value, on such anniversary, of the future guaranteed benefits provided for by
9936 the policy, including any existing paid-up additions, decreased by any indebtedness to the
9937 company on the policy.

9938 (4) Any paid-up nonforfeiture benefit available under the policy in the event of default
9939 in a premium payment due on any policy anniversary shall be such that its present value as of
9940 such anniversary shall be at least equal to the cash surrender value then provided for by the
9941 policy or, if none is provided for, that cash surrender value which would have been required by
9942 this section in the absence of the condition that premiums shall have been paid for at least a

9943 specified period.

9944 (5) (a) This Subsection (5)(a) does not apply to policies issued on or after the operative
9945 date of Subsection (6)(d) as defined therein. Except as provided in Subsection (5)(c), the
9946 adjusted premiums for any policy shall be calculated on an annual basis and shall be such
9947 uniform percentage of the respective premiums specified in the policy for each policy year,
9948 excluding any extra premiums charged because of impairments or special hazards, that the
9949 present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to
9950 the sum of: (i) the then present value of the future guaranteed benefits provided for by the
9951 policy; (ii) 2% of the amount of insurance, if the insurance be uniform in amount, or of the
9952 equivalent uniform amount if the amount of insurance varies with duration of the policy; (iii)
9953 40% of the adjusted premium for the first policy year; and (iv) 25% of either the adjusted
9954 premium for the first policy year or the adjusted premium for a whole life policy of the same
9955 uniform or equivalent uniform amount with uniform premiums for the whole of life issued at
9956 the same age for the same amount of insurance, whichever is less. Provided, however, that in
9957 applying the percentages specified in Subsections (5)(a)(iii) and (iv), no adjusted premium
9958 shall be considered to exceed 4% of the amount of insurance or uniform amount equivalent
9959 thereto. The date of issue of a policy for the purpose of this section shall be the date as of
9960 which the rated age of the insured is determined.

9961 (b) In the case of a policy providing an amount of insurance varying with duration of
9962 the policy, the equivalent uniform amount thereof for the purpose of this section shall be
9963 considered to be the uniform amount of insurance provided by an otherwise similar policy,
9964 containing the same endowment benefit or benefits, if any, issued at the same age and for the
9965 same term, the amount of which does not vary with duration and the benefits under which have
9966 the same present value at the date of issue as the benefits under the policy; provided, however,
9967 that in the case of a policy providing a varying amount of insurance issued on the life of a child
9968 under age 10, the equivalent uniform amount may be computed as though the amount of
9969 insurance provided by the policy prior to the attainment of age 10 were the amount provided by
9970 such policy at age 10.

9971 (c) The adjusted premiums for any policy providing term insurance benefits by rider or
9972 supplemental policy provision shall be equal to: (i) the adjusted premiums for an otherwise
9973 similar policy issued at the same age without such term insurance benefits, increased, during

9974 the period for which premiums for such term insurance benefits are payable, by (ii) the adjusted
9975 premiums for such term insurance, the foregoing items (i) and (ii) of this [paragraph]
9976 Subsection (5)(c) being calculated separately and as specified in Subsections (5)(a) and (b)
9977 except that, for the purposes of (ii), (iii), and (iv) of Subsection (5)(a), the amount of insurance
9978 or equivalent uniform amount of insurance used in calculation of the adjusted premiums
9979 referred to in (ii) of this [paragraph] Subsection (5)(c) shall be equal to the excess of the
9980 corresponding amount determined for the entire policy over the amount used in the calculation
9981 of the adjusted premiums in (i) of this [paragraph] Subsection (5)(c).

9982 (d) Except as otherwise provided in Subsection (6), all adjusted premiums and present
9983 values referred to in this section shall for all policies of ordinary insurance be calculated on the
9984 basis of the Commissioner's 1941 Standard Ordinary Mortality Table, provided that for any
9985 category of ordinary insurance issued on female risks, adjusted premiums and present values
9986 may be calculated according to an age not more than three years younger than the actual age of
9987 the insured and such calculations for all policies of industrial insurance shall be made on the
9988 basis of the 1941 Standard Industrial Mortality Table. All calculations shall be made on the
9989 basis of the rate of interest, not exceeding 3-1/2% per annum, specified in the policy for
9990 calculating cash surrender values and paid-up nonforfeiture benefits. Provided, however, that
9991 in calculating the present value of any paid-up term insurance with accompanying pure
9992 endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be
9993 not more than 130% of the rates of mortality according to such applicable table. Provided,
9994 further, that for insurance issued on a substandard basis, the calculation of any such adjusted
9995 premiums and present values may be based on such other table of mortality as may be specified
9996 by the company and approved by the commissioner.

9997 (6) (a) This Subsection (6)(a) does not apply to ordinary policies issued on or after the
9998 operative date of Subsection (6)(d) as defined therein. In the case of ordinary policies issued
9999 on or after the operative date of Subsection (6)(a) as defined in Subsection (6)(b), all adjusted
10000 premiums and present values referred to in this section shall be calculated on the basis of the
10001 Commissioner's 1958 Standard Ordinary Mortality Table and the rate of interest as specified in
10002 the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided
10003 that such rate of interest [~~shall not~~ may not exceed 3-1/2% per annum for policies issued
10004 before June 1, 1973, 4% per annum for policies issued on or after May 31, 1973, and before

10005 April 2, 1980, and the rate of interest [~~shall not~~] may not exceed 5-1/2% per annum for policies
10006 issued after April 2, 1980, except that for any single premium whole life or endowment
10007 insurance policy a rate of interest not exceeding 6-1/2% per annum may be used, and provided
10008 that for any category of ordinary insurance issued on female risks, adjusted premiums and
10009 present values may be calculated according to an age not more than six years younger than the
10010 actual age of the insured. Provided, however, that in calculating the present value of any
10011 paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture
10012 benefit, the rates of mortality assumed may be not more than those shown in the
10013 Commissioner's 1958 Extended Term Insurance Table. Provided, further, that for insurance
10014 issued on a substandard basis, the calculation of any such adjusted premiums and present
10015 values may be based on such other table of mortality as may be specified by the company and
10016 approved by the commissioner.

10017 (b) Any company may file with the commissioner a written notice of its election to
10018 comply with the provisions of Subsection (6)(a) after a specified date before January 1, 1966.
10019 After filing such notice, then upon such specified date, which is the operative date of
10020 Subsection (6)(a) for such company, this Subsection (6)(a) shall become operative with respect
10021 to the ordinary policies thereafter issued by such company. If a company makes no such
10022 election, the operative date of Subsection (6)(a) for such company is January 1, 1966.

10023 (c) This Subsection (6)(c) does not apply to industrial policies issued after the
10024 operative date of Subsection (6)(d) as defined therein. In the case of industrial policies issued
10025 on or after the operative date of this Subsection (6)(c) as defined herein, all adjusted premiums
10026 and present values referred to in this section shall be calculated on the basis of the
10027 Commissioner's 1961 Standard Industrial Mortality Table and the rate of interest specified in
10028 the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided
10029 that such rate of interest [~~shall not~~] may not exceed 3-1/2% per annum for policies issued
10030 before June 1, 1973, 4% per annum for policies issued after May 31, 1973, and before April 2,
10031 1980, and 5-1/2% per annum for policies issued after April 2, 1980, except that for any single
10032 premium whole life or endowment insurance policy issued after April 2, 1980, a rate of interest
10033 not exceeding 6-1/2% per annum may be used. Provided, however, that in calculating the
10034 present value of any paid-up term insurance with accompanying pure endowment, if any,
10035 offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those

10036 shown in the Commissioner's 1961 Industrial Extended Term Insurance Table. Provided,
10037 further, that for insurance issued on a substandard basis, the calculation of any such adjusted
10038 premiums and present values may be based on such other table of mortality as may be specified
10039 by the company and approved by the commissioner.

10040 Any company may file with the commissioner a written notice of its election to comply
10041 with the provisions of this Subsection (6)(c) after a specified date before January 1, 1968.
10042 After filing such notice, then upon that specified date, which is the operative date of this
10043 Subsection (6) (c) for such company, this Subsection (6)(c) shall become operative with respect
10044 to the industrial policies thereafter issued by such company. If a company makes no such
10045 election, the operative date of this ~~[paragraph]~~ Subsection (6)(c) for such company shall be
10046 January 1, 1968.

10047 (d) (i) This Subsection (6)(d) applies to all policies issued on or after the operative date
10048 of this subsection as defined herein. Except as provided in Subsection (6)(d)(vii), the adjusted
10049 premiums for any policy shall be calculated on an annual basis and shall be such uniform
10050 percentage of the respective premiums specified in the policy for each policy year, excluding
10051 amounts payable as extra premiums to cover impairments or special hazards and also excluding
10052 any uniform annual contract charge or policy fee specified in the policy in a statement of the
10053 method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits,
10054 that the present value, at the date of issue of policy, of all adjusted premiums shall be equal to
10055 the sum of: (A) the then present value of the future guaranteed benefits provided for by the
10056 policy; (B) 1% of either the amount of insurance, if the insurance be uniform in amount, or the
10057 average amount of insurance at the beginning of each of the first 10 policy years; and (C) 125%
10058 of the nonforfeiture net level premium as hereinafter defined. Provided, however, that in
10059 applying the percentage specified in (C), no nonforfeiture net level premium shall be
10060 considered to exceed 4% of either the amount of insurance, if the insurance be uniform in
10061 amount, or the average amount of insurance at the beginning of each of the first 10 policy
10062 years. The date of issue of a policy for the purpose of this subsection shall be the date as of
10063 which the rated age of the insured is determined.

10064 (ii) The nonforfeiture net level premium shall be equal to the present value, at the date
10065 of issue of the policy, of the guaranteed benefits provided for by the policy divided by the
10066 present value, at the date of issue of the policy, of an annuity of one per annum payable on the

10067 date of issue of the policy and on each anniversary of such policy on which a premium falls
10068 due.

10069 (iii) In the case of policies which cause on a basis guaranteed in the policy unscheduled
10070 changes in benefits or premiums, or which provide an option for changes in benefits or
10071 premiums other than change to a new policy, the adjusted premiums and present values shall
10072 initially be calculated on the assumption that future benefits and premiums do not change from
10073 those stipulated at the date of issue of the policy. At the time of any such change in the
10074 benefits or premiums the future adjusted premiums, nonforfeiture net level premiums, and
10075 present values shall be recalculated on the assumption that future benefits and premiums do not
10076 change from those stipulated by the policy immediately after the change.

10077 (iv) Except as otherwise provided in Subsection (6)(d)(vii), the recalculated future
10078 adjusted premiums for any such policy shall be such uniform percentage of the respective
10079 future premiums specified in the policy for each policy year, excluding amounts specified in
10080 the policy for each policy year, excluding amounts payable as extra premiums to cover
10081 impairments and special hazards, and also excluding any uniform annual contract charge or
10082 policy fee specified in the policy in a statement of the method to be used in calculating the cash
10083 surrender values and paid-up nonforfeiture benefits, that the present value, at the time of
10084 change to the newly defined benefits or premiums, of all such future adjusted premiums shall
10085 be equal to the excess of (A) the sum of: (I) the then present value of the then future guaranteed
10086 benefits provided for by the policy and (II) the additional expense allowance, if any, over (B)
10087 the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit
10088 under the policy.

10089 (v) The additional expense allowance, at the time of the change to the newly defined
10090 benefits or premiums, shall be the sum of: (A) 1% of the excess, if positive, of the average
10091 amount of insurance at the beginning of each of the first 10 policy years subsequent to the
10092 change over the average amount of insurance prior to the change at the beginning of each of the
10093 first 10 policy years subsequent to the time of the most recent previous change, or, if there has
10094 been no previous change, the date of issue of the policy; and (B) 125% of the increase, if
10095 positive, in the nonforfeiture net level premium.

10096 (vi) The recalculated nonforfeiture net level premium shall be equal to the result
10097 obtained by dividing (A) by (B) where

10098 (A) equals the sum of:

10099 (I) the nonforfeiture net level premium applicable prior to the change times the present
10100 value of an annuity of one per annum payable on each anniversary of the policy on or
10101 subsequent to the date of the change on which a premium would have fallen due had the
10102 change not occurred; and

10103 (II) the present value of the increase in future guaranteed benefits provided for by the
10104 policy; and

10105 (B) equals the present value of an annuity of one per annum payable on each
10106 anniversary of the policy on or subsequent to the date of change on which a premium falls due.

10107 (vii) Notwithstanding any other provision of this Subsection (6)(d) to the contrary, in
10108 the case of a policy issued on a substandard basis which provides reduced graded amounts of
10109 insurance so that, in each policy year, such policy has the same tabular mortality cost as an
10110 otherwise similar policy issued on the standard basis which provides higher uniform amounts
10111 of insurance, adjusted premiums and present values for such substandard policy may be
10112 calculated as if it were issued to provide such higher uniform amounts of insurance on the
10113 standard basis.

10114 (viii) All adjusted premiums and present values referred to in this section shall for all
10115 policies of ordinary insurance be calculated on the basis of: (A) the Commissioner's 1980
10116 Standard Ordinary Mortality Table; or (B) at the election of the company for any one or more
10117 specified plans of life insurance, the Commissioner's 1980 Standard Ordinary Mortality Table
10118 with Ten-Year Select Mortality Factors; shall for all policies of industrial insurance be
10119 calculated on the basis of the Commissioner's 1961 Standard Industrial Mortality Table; and
10120 shall for all policies issued in a particular calendar year be calculated on the basis of a rate of
10121 interest not exceeding the nonforfeiture interest rate as defined in this subsection, for policies
10122 issued in that calendar year. Provided, however, that:

10123 (I) At the option of the company, calculations for all policies issued in a particular
10124 calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture
10125 interest rate, as defined in this subsection, for policies issued in the immediately preceding
10126 calendar year.

10127 (II) Under any paid-up nonforfeiture benefit, including any paid-up dividend additions,
10128 any cash surrender value available, whether or not required by Subsection (2), shall be

10129 calculated on the basis of the mortality table and rate of interest used in determining the
10130 amount of such paid-up nonforfeiture benefit and paid-up dividend additions, if any.

10131 (III) A company may calculate the amount of any guaranteed paid-up nonforfeiture
10132 benefit, including paid-up additions under the policy, on the basis of an interest rate no lower
10133 than that specified in the policy for calculating cash surrender values.

10134 (IV) In calculating the present value of any paid-up term insurance with accompanying
10135 pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may
10136 be not more than those shown in the Commissioner's 1980 Extended Term Insurance Table for
10137 policies of ordinary insurance and not more than the Commissioner's 1961 Industrial Extended
10138 Term Insurance Table for policies of industrial insurance.

10139 (V) For insurance issued on a substandard basis, the calculation of any such adjusted
10140 premiums and present values may be based on appropriate modifications of the aforementioned
10141 tables.

10142 (VI) Any ordinary mortality tables, adopted after 1980 by the National Association of
10143 Insurance Commissioners, that are approved by rules adopted by the commissioner for use in
10144 determining the minimum nonforfeiture standard, may be substituted for the Commissioner's
10145 1980 Standard Ordinary Mortality Table with or without Ten-Year Select Mortality Factors or
10146 for the Commissioner's 1980 Extended Term Insurance Table.

10147 (VII) Any industrial mortality tables, adopted after 1980 by the National Association of
10148 Insurance Commissioners, that are approved by rules adopted by the commissioner for use in
10149 determining the minimum nonforfeiture standard may be substituted for the Commissioner's
10150 1961 Industrial Extended Term Insurance Table.

10151 (ix) The nonforfeiture interest rate per annum for any policy issued in a particular
10152 calendar year shall be equal to 125% of the calendar year statutory valuation interest rate for
10153 such policy as defined in the Standard Valuation Law, rounded to the nearest [~~1/4~~] one-fourth
10154 of 1%.

10155 (x) Notwithstanding any other provision in this title to the contrary, any refiling of
10156 nonforfeiture values or their methods of computation for any previously approved policy form
10157 which involves only a change in the interest rate or mortality table used to compute
10158 nonforfeiture values does not require refiling of any other provisions of that policy form.

10159 (xi) After the effective date of this Subsection (6)(d), any company may, at any time

10160 before January 1, 1989, file with the commissioner a written notice of its election to comply
 10161 with the provisions of this subsection with regard to any number of plans of insurance after a
 10162 specified date before January 1, 1989, which specified date shall be the operative date of this
 10163 Subsection (6)(d) for the plan or plans, but if a company elects to make the provisions of this
 10164 subsection operative before January 1, 1989, for fewer than all plans, the company [~~must~~] shall
 10165 comply with rules adopted by the commissioner. There is no limit to the number of times this
 10166 election may be made. If the company makes no such election, the operative date of this
 10167 subsection for such company shall be January 1, 1989.

10168 (7) In the case of any plan of life insurance which provides for future premium
 10169 determination, the amounts of which are to be determined by the insurance company based on
 10170 the estimates of future experience, or in the case of any plan of life insurance which is of such
 10171 nature that minimum values cannot be determined by the methods described in Subsection (2),
 10172 (3), (4), (5), (6)(a), (6)(b), (6)(c), or (6)(d) herein, then:

10173 (a) the ~~Š~~→ [plan of life insurance shall satisfy] insurer shall demonstrate to the
 10173a satisfaction of ←Š the commissioner [~~must be satisfied~~] that the
 10174 benefits provided under the plan are substantially as favorable to policyholders and insureds as
 10175 the minimum benefits otherwise required by Subsection (2), (3), (4), (5), (6)(a), (6)(b), (6)(c),
 10176 or (6)(d);

10177 (b) the plan of life insurance shall satisfy the commissioner [~~must be satisfied~~] that the
 10178 benefits and the pattern of premiums of that plan are not such as to mislead prospective
 10179 policyholders or insureds; and

10180 (c) the cash surrender values and paid-up nonforfeiture benefits provided by [~~such~~] the
 10181 plan [~~must not~~] may not be less than the minimum values and benefits required for the plan
 10182 computed by a method consistent with the principles of this Standard Nonforfeiture Law for
 10183 Life Insurance, as determined by rules adopted by the commissioner.

10184 (8) Any cash surrender value and any paid-up nonforfeiture benefit, available under the
 10185 policy in the event of default in a premium payment due at any time other than on the policy
 10186 anniversary, shall be calculated with allowance for the lapse of time and the payment of
 10187 fractional premiums beyond the last preceding policy anniversary. All values referred to in
 10188 Subsections (3), (4), (5), and (6) of this section may be calculated upon the assumption that any
 10189 death benefit is payable at the end of the policy year of death. The net value of any paid-up
 10190 additions, other than paid-up term additions, may not be less than the amounts used to provide

10191 such additions. Notwithstanding the provisions of Subsection (3), additional benefits payable:
10192 (a) in the event of death or dismemberment by accident or accidental means, (b) in the event of
10193 total and permanent disability, (c) as reversionary annuity or deferred reversionary annuity
10194 benefits, (d) as term insurance benefits provided by a rider or supplemental policy provision to
10195 which, if issued as a separate policy, this section would not apply, (e) as term insurance on the
10196 life of a child or on the lives of children provided in a policy on the life of a parent of the child,
10197 if such term insurance expires before the child's age is 26, if uniform in amount after the child's
10198 age is one, and has not become paid-up by reason of the death of a parent of the child, and (f)
10199 as other policy benefits additional to life insurance endowment benefits, and premiums for all
10200 such additional benefits, shall be disregarded in ascertaining cash surrender values and
10201 nonforfeiture benefits required by this section, and no such additional benefits shall be required
10202 to be included in any paid-up nonforfeiture benefits.

10203 (9) This Subsection (9), in addition to all other applicable subsections of this section,
10204 applies to all policies issued on or after January 1, 1985. Any cash surrender value available
10205 under the policy in the event of default in a premium payment due on any policy anniversary
10206 shall be in an amount which does not differ by more than 2/10 of 1% of either the amount of
10207 insurance, if the insurance be uniform in amount, or the average amount of insurance at the
10208 beginning of each of the first 10 policy years, from the sum of: (a) the greater of zero and the
10209 basic cash value hereinafter specified, and (b) the present value of any existing paid-up
10210 additions less the amount of any indebtedness to the company under the policy.

10211 The basic cash value shall be equal to the present value, on such anniversary of the
10212 future guaranteed benefits which would have been provided for by the policy, excluding any
10213 existing paid-up additions and before deduction of any indebtedness to the company, if there
10214 had been no default, less the then present value of the nonforfeiture factors, as hereinafter
10215 defined, corresponding to premiums which would have fallen due on and after such
10216 anniversary. Provided, however, that the effects on the basic cash value of supplemental life
10217 insurance or annuity benefits or of family coverage, as described in Subsection (3) or (5),
10218 whichever is applicable, shall be the same as are the effects specified in Subsection (3) or (5),
10219 whichever is applicable, on the cash surrender values defined in that subsection.

10220 The nonforfeiture factor for each policy year shall be an amount equal to a percentage
10221 of the adjusted premium for the policy year, as defined in Subsection (5) or (6)(d), whichever is

10222 applicable. Except as is required by the next succeeding sentence of this paragraph, such
10223 percentage:

10224 (a) [~~must~~] shall be the same percentage for each policy year between the second policy
10225 anniversary and the later of: (i) the fifth policy anniversary and (ii) the first policy anniversary
10226 at which there is available under the policy a cash surrender value in an amount, before
10227 including any paid-up additions and before deducting any indebtedness, of at least 2/10 of 1%
10228 of either the amount of insurance, if the insurance be uniform in amount, or the average amount
10229 of insurance at the beginning of each of the first 10 policy years; and

10230 (b) [~~must~~] shall be such that no percentage after the later of the two policy
10231 anniversaries specified in Subsection (9)(a) may apply to fewer than five consecutive policy
10232 years.

10233 Provided, that no basic cash value may be less than the value which would be obtained
10234 if the adjusted premiums for the policy, as defined in Subsection (5) or Subsection (6)(d),
10235 whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the
10236 basic value.

10237 All adjusted premiums and present values referred to in this Subsection (9) shall for a
10238 particular policy be calculated on the same mortality and interest bases as are used in
10239 demonstrating the policy's compliance with the other subsections of this law. The cash
10240 surrender values referred to in this subsection shall include any endowment benefits provided
10241 for by the policy.

10242 Any cash surrender value available other than in the event of default in a premium
10243 payment due on a policy anniversary, and the amount of any paid-up nonforfeiture benefit
10244 available under the policy in the event of default in a premium payment shall be determined in
10245 manners consistent with the manners specified for determining the analogous minimum
10246 amounts in Subsections (2), (3), (4), (5), (6), and (8). The amounts of any cash surrender
10247 values and of any paid-up nonforfeiture benefits granted in connection with additional benefits
10248 such as those listed as Subsections (8)(a) through (f) shall conform with the principles of this
10249 Subsection (9).

10250 (10) This section does not apply to any of the following:

10251 (a) reinsurance;

10252 (b) group insurance;

- 10253 (c) pure endowment;
- 10254 (d) an annuity or reversionary annuity contract;
- 10255 (e) a term policy of uniform amount, which provides no guaranteed nonforfeiture or
- 10256 endowment benefits, or renewal thereof, of 20 years or less expiring before age 71, for which
- 10257 uniform premiums are payable during the entire term of the policy;
- 10258 (f) a term policy of decreasing amount, which provides no guaranteed nonforfeiture or
- 10259 endowment benefits, on which each adjusted premium, calculated as specified in Subsections
- 10260 (5) and (6), is less than the adjusted premium so calculated, on a term policy of uniform
- 10261 amount, or renewal thereof, which provides no guaranteed nonforfeiture or endowment
- 10262 benefits, issued at the same age and for the same initial amount of insurance, and for a term of
- 10263 20 years or less expiring before age 71, for which uniform premiums are payable during the
- 10264 entire term of the policy;
- 10265 (g) a policy, which provides no guaranteed nonforfeiture or endowment benefits, for
- 10266 which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at
- 10267 the beginning of any policy year, calculated as specified in Subsections (3), (4), (5), and (6)
- 10268 exceeds 2-1/2% of the amount of insurance at the beginning of the same policy year; or
- 10269 (h) a policy which shall be delivered outside this state through an agent or other
- 10270 representative of the company issuing the policy.

10271 For purposes of determining the applicability of this section, the age of expiry for a

10272 joint term insurance policy shall be the age of expiry of the oldest life.

10273 (11) The commissioner may adopt rules interpreting, describing, and clarifying the

10274 application of this nonforfeiture law to any form of life insurance for which the interpretation,

10275 description, or clarification is ~~deemed~~ considered necessary by the commissioner, including

10276 ~~[but not limited to,]~~ unusual and new forms of life insurance.

10277 Section 257. Section **31A-22-610.5** is amended to read:

10278 **31A-22-610.5. Dependent coverage.**

10279 (1) As used in this section, "child" has the same meaning as defined in Section

10280 78B-12-102.

10281 (2) (a) Any individual or group accident and health insurance policy or health

10282 maintenance organization contract that provides coverage for a policyholder's or certificate

10283 holder's dependent may not terminate coverage of an unmarried dependent by reason of the

10284 dependent's age before the dependent's 26th birthday and shall, upon application, provide
10285 coverage for all unmarried dependents up to age 26.

10286 (b) The cost of coverage for unmarried dependents 19 to 26 years of age shall be
10287 included in the premium on the same basis as other dependent coverage.

10288 (c) This section does not prohibit the employer from requiring the employee to pay all
10289 or part of the cost of coverage for unmarried dependents.

10290 (d) An individual health insurance policy, group health insurance policy, or health
10291 maintenance organization shall continue in force coverage for a dependent through the last day
10292 of the month in which the dependent ceases to be a dependent:

10293 (i) if premiums are paid; and

10294 (ii) notwithstanding Section 31A-8-402.3, 31A-8-402.5, 31A-22-721, 31A-30-107.1,
10295 or 31A-30-107.3.

10296 (3) An individual or group accident and health insurance policy or health maintenance
10297 organization contract shall reinstate dependent coverage, and for purposes of all exclusions and
10298 limitations, shall treat the dependent as if the coverage had been in force since it was
10299 terminated; if:

10300 (a) the dependent has not reached the age of 26 by July 1, 1995;

10301 (b) the dependent had coverage prior to July 1, 1994;

10302 (c) prior to July 1, 1994, the dependent's coverage was terminated solely due to the age
10303 of the dependent; and

10304 (d) the policy has not been terminated since the dependent's coverage was terminated.

10305 (4) (a) When a parent is required by a court or administrative order to provide health
10306 insurance coverage for a child, an accident and health insurer may not deny enrollment of a

10950 (3) Except as provided in Subsection (4), the policy or certificate shall be delivered to
 10951 the debtor within 30 days after the date when the indebtedness is incurred.

10952 (4) (a) If the policy or certificate is not delivered to the debtor within 30 days after the

10991 (4) (a) The definition of preexisting condition does not prohibit an insurer from using
10992 an application form designed to elicit the complete health history of an applicant and from
10993 underwriting in accordance with that insurer's established underwriting standards on the basis
10994 of the answers on that application.

11264 (1) This section applies if, in any calendar year, the aggregate amount of gross written
11265 premium on business placed with a controlled insurer by a controlling producer is equal to or
11266 greater than 5% of the admitted assets of the controlled insurer, as reported in the controlled
11267 insurer's quarterly statement filed as of September 30 of the prior year.

11268 (2) Notwithstanding Subsection (1), this section does not apply if:

11269 (a) the controlling producer places insurance only with the controlled insurer, or only
11270 with the controlled insurer and members of the controlled insurer's holding company system, or
11271 with the controlled insurer's parent, affiliate, or subsidiary and receives no compensation based
11272 upon the amount of premiums written in connection with the insurance placed;

11273 (b) the controlling producer accepts insurance placements only from nonaffiliated
11274 producers who are not controlling producers, and not directly from insureds; and

11275 (c) the controlled insurer, except for insurance business written through a residual

11276 market facility, accepts insurance business only from a controlling producer, a producer
11277 controlled by the controlled insurer, or a producer that is a subsidiary of the controlled insurer.

11278 (3) A controlled insurer may not accept business from a controlling producer and a
11279 controlling producer may not place business with a controlled insurer unless there is a written
11280 contract between the controlling producer and the insurer that specifies the responsibilities of
11281 each party and that has been approved by the board of directors of the insurer. The contract
11282 shall contain the following minimum provisions:

11283 (a) The controlled insurer may terminate the contract for cause, upon written notice to

11286 termination.

11287 (b) The controlling producer shall render accounts to the controlled insurer detailing all
11288 material transactions, including information necessary to support all commissions, charges, and
11289 other fees received by, or owing to, the controlling producer.

11290 (c) The controlling producer shall remit all funds due under the terms of the contract to

11293 of any policy placed with the controlled insurer under the contract.

11294 (d) All funds collected for the controlled insurer's account shall be held by the
11295 controlling producer in a fiduciary capacity, in one or more appropriately identified bank

11317 with the insurer, is to be compensated contingent upon the insurer's profits on that business,
11318 then the compensation may not be determined and paid until at least five years after the
11319 premiums on liability insurance are earned, and at least one year after the premiums are earned
11320 on any other insurance. In no event may the commissions be paid until the adequacy of the
11321 controlled insurer's reserves on remaining claims has been independently verified pursuant to
11322 Subsection (5).

11323 (j) The contract shall include a limit on the controlling producer's writings in relation to

11335 with which the automatic agreements are in effect, the coverages and amounts or percentages
11336 that may be reinsured, and commission schedules.

11337 (4) Each controlled insurer shall have an audit committee of the board of directors.

11344 actuary, or any other independent loss reserve specialist acceptable to the commissioner. The
11345 opinion shall report loss ratios for each line of business written and shall attest to the adequacy
11346 of loss reserves established for losses incurred and outstanding as of year-end on business
11347 placed by the producer including losses incurred but not reported.

11348 (b) The controlled insurer shall annually report to the commissioner the amount of
11349 commissions paid to the producer, the percentage that amount represents of the net premiums
11350 written, and comparable amounts and percentage paid to noncontrolling producers for
11351 placements of the same kinds of insurance.

11352 Section 274. Section **31A-23a-806** is amended to read:

11353 **31A-23a-806. Prohibited acts.**

11354 (1) The reinsurance intermediary-manager may not cede retrocessions on behalf of the
11355 reinsurer, except that the reinsurance intermediary-manager may cede facultative retrocessions
11356 pursuant to obligatory facultative agreements if the contract with the reinsurer contains
11357 reinsurance underwriting guidelines for facultative retrocessions. The guidelines shall include
11358 a list of reinsurers with which automatic agreements are in effect, and for each listed reinsurer,
11359 the coverages and amounts or percentages that may be reinsured, and commission schedules.

11360 (2) The reinsurance intermediary-manager may not commit the reinsurer to participate

11925 commissioner as if those records and files were maintained directly by the life settlement
11926 provider.

11927 (10) Regardless of the method of compensation, a life settlement producer:

12918 In the interpretation and application of this chapter, the public policy of this state is

12919 declared as follows:

12920 (1) It [~~shall not be~~] is not unlawful for employees to organize themselves into or carry
12921 on labor unions for the purpose of lessening hours of labor, increasing wages, bettering the
12922 conditions of members, or carrying out the legitimate purposes of such organizations as freely
12923 as they could do if acting singly.

12924 (2) The labor of a human being is not a commodity or article of commerce. Nothing
12925 contained in the antitrust laws shall be construed to forbid the existence and operation of labor,
12926 agricultural or horticultural organizations, instituted for the purpose of mutual help and not
12927 having capital stock or conducted for profit, or to forbid or restrain individual members of such
12928 organizations from lawfully carrying out the legitimate object thereof; nor shall such
12929 organizations or membership in them be held to be illegal combinations or conspiracies in
12930 restraint of trade under the antitrust laws.

12931 (3) Negotiations of terms and conditions of labor should result from voluntary
12932 agreement between employer and employee. Governmental authority has permitted and
12933 encouraged employers to organize in the corporate and other forms of capital control. In
12934 dealing with such employers the individual unorganized worker is helpless to exercise actual
12935 liberty of contract and to protect [~~his~~] the individual unorganized worker's freedom of labor and
12936 thereby to obtain acceptable terms and conditions of employment. Therefore, it is necessary
12937 that the individual employee have full freedom of association, self-organization, and
12938 designation of representatives of [~~his~~] the individual employee's own choosing to negotiate the
12939 terms and conditions of [~~his~~] the individual employee's employment, and that [~~he~~] the
12940 individual employee shall be free from the interference, restraint or coercion of employers of
12941 labor, or their agents, in the designation of such representatives or in self-organization or in
12942 other concerted activities for the purpose of collective bargaining or their mutual aid or
12943 protection.

12944 Section 304. Section **34-19-9** is amended to read:

12945 **34-19-9. Injunctive relief -- Contempt -- Rights of accused.**

12946 In all cases where a person shall be charged with indirect criminal contempt for
12947 violation of a restraining order or injunction issued by a court, or judge or judges of it, the
12948 accused shall enjoy:

12949 (1) the rights as to admission to bail that are accorded to persons accused of crime;

12950 (2) the right to be notified of the accusation and a reasonable time to make a defense,
12951 provided the alleged contempt is not committed in the immediate view of or in the presence of
12952 the court;

12953 (3) upon demand, the right to a speedy and public trial by an impartial jury of the
12954 judicial district in which the contempt shall have been committed. This requirement [~~shall not~~
12955 may not be construed to apply to contempts committed in the presence of the court or so near to
12956 it as to interfere directly with the administration of justice or to apply to the misbehavior,
12957 misconduct, or disobedience of any officer of the court in respect to the writs, orders or process
12958 of the court; and

12959 (4) the right to file with the court a demand for the retirement of the judge sitting in the
12960 proceeding, if the contempt arises from an attack upon the character or conduct of such judge
12961 and if the attack occurred otherwise than in open court. Upon the filing of any such demand the
12962 judge shall proceed no further, but another judge shall be designated by the presiding judge of
12963 the court. The demand shall be filed prior to the hearing in the contempt proceeding.

12964 Section 305. Section **34-19-10** is amended to read:

12965 **34-19-10. Injunctive relief -- Contempt -- Penalty.**

12966 Punishment for a contempt, specified in Section 34-19-9, may be by fine, not exceeding
12967 \$100, or by imprisonment not exceeding 15 days in the jail of the county where the court is
12968 sitting, or both, in the discretion of the court. Where a person is committed to jail for the
12969 nonpayment of such a fine, [~~he must~~] the person shall be discharged at the expiration of 15
12970 days; but [~~where he~~] if the person is also committed for a definite time, the 15 days [~~must~~] shall
12971 be computed from the expiration of the definite time.

12972 Section 306. Section **34-19-13** is amended to read:

12973 **34-19-13. Agreements against public policy.**

12974 [~~Every undertaking or promise~~] Each of the following undertakings or promises
12975 hereafter made, whether written or oral, express or implied, between any employee or
12976 prospective employee and [~~his~~] the employee's or prospective employee's employer,
12977 prospective employer, or any other individual, firm, company, association, or corporation,

12981 party to act in disregard of the undertaking or promise:

 12983 party to join or to remain a member of some specific labor organization or organizations or to
 12984 join or remain a member of some specific employer organization or any employer organization
 12985 or organizations; [~~and/or~~]

12986 (2) [~~either party thereto undertakes or promises not to~~] an undertaking or promise by
 12987 either party to not join or not [~~to~~] remain a member of some specific labor organization or any
 12988 labor organization or organizations, or of some specific employer organization or any employer
 12989 organization or organizations; [~~and/or~~] or

12990 (3) [~~either party thereto undertakes or promises that he will~~] an undertaking or promise
 12991 by either party to withdraw from an employment relation in the event that [~~he~~] the party joins
 12992 or remains a member of some specific labor organization or any labor organization or
 12993 organizations, or of some specific employer organization or any employer organization or
 12994 organizations[; is hereby declared to be contrary to public policy and shall not afford any basis
 12995 for the granting of legal or equitable relief by any court against a party to such undertaking or
 12996 promise, or against any other persons who may advise, urge or induce, without fraud, violence
 12997 or threat thereof, either party thereto to act in disregard of such undertaking or promise].

13260 (1) (a) In the case of a permanent total disability resulting from an industrial accident

13262 (b) To establish entitlement to permanent total disability compensation, the employee
13263 [~~must~~] shall prove by a preponderance of evidence that:

13264 (i) the employee sustained a significant impairment or combination of impairments as a
13265 result of the industrial accident or occupational disease that gives rise to the permanent total
13266 disability entitlement;

13267 (ii) the employee is permanently totally disabled; and

13268 (iii) the industrial accident or occupational disease is the direct cause of the employee's
13269 permanent total disability.

13270 (c) To establish that an employee is permanently totally disabled the employee [~~must~~]
13271 shall prove by a preponderance of the evidence that:

13272 (i) the employee is not gainfully employed;

13273 (ii) the employee has an impairment or combination of impairments that limit the
13274 employee's ability to do basic work activities;

13275 (iii) the industrial or occupationally caused impairment or combination of impairments
13276 prevent the employee from performing the essential functions of the work activities for which
13277 the employee has been qualified until the time of the industrial accident or occupational disease
13278 that is the basis for the employee's permanent total disability claim; and

13279 (iv) the employee cannot perform other work reasonably available, taking into
13280 consideration the employee's:

13281 (A) age;

13282 (B) education;

13283 (C) past work experience;

13284 (D) medical capacity; and

13285 (E) residual functional capacity.

13286 (d) Evidence of an employee's entitlement to disability benefits other than those
13287 provided under this chapter and Chapter 3, Utah Occupational Disease Act, if relevant:

13288 (i) may be presented to the commission;

13289 (ii) is not binding; and

13290 (iii) creates no presumption of an entitlement under this chapter and Chapter 3, Utah

13291 Occupational Disease Act.

13292 (e) In determining under Subsections (1)(b) and (c) whether an employee cannot
13293 perform other work reasonably available, the following may not be considered:

13294 (i) whether the employee is incarcerated in a facility operated by or contracting with a
13295 federal, state, county, or municipal government to house a criminal offender in either a secure
13296 or nonsecure setting; or

13297 (ii) whether the employee is not legally eligible to be employed because of a reason
13298 unrelated to the impairment or combination of impairments.

13299 (2) For permanent total disability compensation during the initial 312-week
13300 entitlement, compensation is 66-2/3% of the employee's average weekly wage at the time of the
13301 injury, limited as follows:

13302 (a) compensation per week may not be more than 85% of the state average weekly
13303 wage at the time of the injury;

13305 sum of \$45 per week and:

13306 (A) \$5 for a dependent spouse; and

13307 (B) \$5 for each dependent child under the age of 18 years, up to a maximum of four
13308 dependent minor children; and

13309 (ii) the amount calculated under Subsection (2)(b)(i) may not exceed:

13310 (A) the maximum established in Subsection (2)(a); or

13311 (B) the average weekly wage of the employee at the time of the injury; and

13312 (c) after the initial 312 weeks, the minimum weekly compensation rate under
13313 Subsection (2)(b) is 36% of the current state average weekly wage, rounded to the nearest
13314 dollar.

13315 (3) This Subsection (3) applies to claims resulting from an accident or disease arising
13316 out of and in the course of the employee's employment on or before June 30, 1994.

13317 (a) The employer or its insurance carrier is liable for the initial 312 weeks of permanent
13318 total disability compensation except as outlined in Section 34A-2-703 as in effect on the date
13319 of injury.

13320 (b) The employer or its insurance carrier may not be required to pay compensation for
13321 any combination of disabilities of any kind, as provided in this section and Sections 34A-2-410

13322 through 34A-2-412 and Part 5, Industrial Noise, in excess of the amount of compensation
13323 payable over the initial 312 weeks at the applicable permanent total disability compensation
13324 rate under Subsection (2).

13325 (c) The Employers' Reinsurance Fund shall for an overpayment of compensation
13326 described in Subsection (3)(b), reimburse the overpayment:

13327 (i) to the employer or its insurance carrier; and

13328 (ii) out of the Employers' Reinsurance Fund's liability to the employee.

13329 (d) After an employee receives compensation from the employee's employer, its
13330 insurance carrier, or the Employers' Reinsurance Fund for any combination of disabilities
13331 amounting to 312 weeks of compensation at the applicable permanent total disability
13332 compensation rate, the Employers' Reinsurance Fund shall pay all remaining permanent total
13333 disability compensation.

13334 (e) Employers' Reinsurance Fund payments shall commence immediately after the
13335 employer or its insurance carrier satisfies its liability under this Subsection (3) or Section
13336 34A-2-703.

13337 (4) This Subsection (4) applies to claims resulting from an accident or disease arising
13338 out of and in the course of the employee's employment on or after July 1, 1994.

13339 (a) The employer or its insurance carrier is liable for permanent total disability
13340 compensation.

13341 (b) The employer or its insurance carrier may not be required to pay compensation for
13342 any combination of disabilities of any kind, as provided in this section and Sections 34A-2-410
13343 through 34A-2-412 and Part 5, Industrial Noise, in excess of the amount of compensation
13344 payable over the initial 312 weeks at the applicable permanent total disability compensation
13345 rate under Subsection (2).

13346 (c) The employer or its insurance carrier may recoup the overpayment of compensation
13347 described in Subsection (4) by reasonably offsetting the overpayment against future liability
13348 paid before or after the initial 312 weeks.

13349 (5) (a) A finding by the commission of permanent total disability is not final, unless
13350 otherwise agreed to by the parties, until:

13351 (i) an administrative law judge reviews a summary of reemployment activities
13352 undertaken pursuant to Chapter 8a, Utah Injured Worker Reemployment Act;

13353 (ii) the employer or its insurance carrier submits to the administrative law judge:
13354 (A) a reemployment plan as prepared by a qualified rehabilitation provider reasonably
13355 designed to return the employee to gainful employment; or
13356 (B) notice that the employer or its insurance carrier will not submit a plan; and
13357 (iii) the administrative law judge, after notice to the parties, holds a hearing, unless
13358 otherwise stipulated, to:
13359 (A) consider evidence regarding rehabilitation; and
13360 (B) review any reemployment plan submitted by the employer or its insurance carrier
13361 under Subsection (5)(a)(ii).
13362 (b) Before commencing the procedure required by Subsection (5)(a), the administrative
13363 law judge shall order:
13364 (i) the initiation of permanent total disability compensation payments to provide for the
13365 employee's subsistence; and
13366 (ii) the payment of any undisputed disability or medical benefits due the employee.
13367 (c) Notwithstanding Subsection (5)(a), an order for payment of benefits described in
13368 Subsection (5)(b) is considered a final order for purposes of Section 34A-2-212.
13369 (d) The employer or its insurance carrier shall be given credit for any disability
13370 payments made under Subsection (5)(b) against its ultimate disability compensation liability
13371 under this chapter or Chapter 3, Utah Occupational Disease Act.
13372 (e) An employer or its insurance carrier may not be ordered to submit a reemployment
13373 plan. If the employer or its insurance carrier voluntarily submits a plan, the plan is subject to
13374 Subsections (5)(e)(i) through (iii).
13375 (i) The plan may include, but not require an employee to pay for:
13376 (A) retraining;
13377 (B) education;
13378 (C) medical and disability compensation benefits;
13379 (D) job placement services; or
13380 (E) incentives calculated to facilitate reemployment.
13381 (ii) The plan shall include payment of reasonable disability compensation to provide
13382 for the employee's subsistence during the rehabilitation process.
13383 (iii) The employer or its insurance carrier shall diligently pursue the reemployment

13384 plan. The employer's or insurance carrier's failure to diligently pursue the reemployment plan
13385 is cause for the administrative law judge on the administrative law judge's own motion to make
13386 a final decision of permanent total disability.

13387 (f) If a preponderance of the evidence shows that successful rehabilitation is not
13388 possible, the administrative law judge shall order that the employee be paid weekly permanent
13389 total disability compensation benefits.

13390 (g) If a preponderance of the evidence shows that pursuant to a reemployment plan, as
13391 prepared by a qualified rehabilitation provider and presented under Subsection (5)(e), an
13392 employee could immediately or without unreasonable delay return to work but for the
13393 following, an administrative law judge shall order that the employee be denied the payment of
13394 weekly permanent total disability compensation benefits:

13395 (i) incarceration in a facility operated by or contracting with a federal, state, county, or
13396 municipal government to house a criminal offender in either a secure or nonsecure setting; or

13397 (ii) not being legally eligible to be employed because of a reason unrelated to the
13398 impairment or combination of impairments.

13399 (6) (a) The period of benefits commences on the date the employee became
13400 permanently totally disabled, as determined by a final order of the commission based on the
13401 facts and evidence, and ends:

13402 (i) with the death of the employee; or

13403 (ii) when the employee is capable of returning to regular, steady work.

13404 (b) An employer or its insurance carrier may provide or locate for a permanently totally
13405 disabled employee reasonable, medically appropriate, part-time work in a job earning at least
13406 minimum wage, except that the employee may not be required to accept the work to the extent
13407 that it would disqualify the employee from Social Security disability benefits.

13408 (c) An employee shall:

13409 (i) fully cooperate in the placement and employment process; and

13410 (ii) accept the reasonable, medically appropriate, part-time work.

13411 (d) In a consecutive four-week period when an employee's gross income from the work
13412 provided under Subsection (6)(b) exceeds \$500, the employer or insurance carrier may reduce
13413 the employee's permanent total disability compensation by 50% of the employee's income in
13414 excess of \$500.

13415 (e) If a work opportunity is not provided by the employer or its insurance carrier, a
13416 permanently totally disabled employee may obtain medically appropriate, part-time work
13417 subject to the offset provisions of Subsection (6)(d).

13418 (f) (i) The commission shall establish rules regarding the part-time work and offset.

13419 (ii) The adjudication of disputes arising under this Subsection (6) is governed by Part
13420 8, Adjudication.

13421 (g) The employer or its insurance carrier has the burden of proof to show that
13422 medically appropriate part-time work is available.

13423 (h) The administrative law judge may:

13424 (i) excuse an employee from participation in any work:

13425 (A) that would require the employee to undertake work exceeding the employee's:

13426 (I) medical capacity; or

13427 (II) residual functional capacity; or

13428 (B) for good cause; or

13429 (ii) allow the employer or its insurance carrier to reduce permanent total disability
13430 benefits as provided in Subsection (6)(d) when reasonable, medically appropriate, part-time
13431 work is offered, but the employee fails to fully cooperate.

13432 (7) When an employee is rehabilitated or the employee's rehabilitation is possible but
13433 the employee has some loss of bodily function, the award shall be for permanent partial
13434 disability.

13435 (8) As determined by an administrative law judge, an employee is not entitled to
13436 disability compensation, unless the employee fully cooperates with any evaluation or
13437 reemployment plan under this chapter or Chapter 3, Utah Occupational Disease Act. The
13438 administrative law judge shall dismiss without prejudice the claim for benefits of an employee
13439 if the administrative law judge finds that the employee fails to fully cooperate, unless the
13440 administrative law judge states specific findings on the record justifying dismissal with
13441 prejudice.

13442 (9) (a) The loss or permanent and complete loss of the use of the following constitutes
13443 total and permanent disability that is compensated according to this section:

13444 (i) both hands;

13445 (ii) both arms;

- 13446 (iii) both feet;
- 13447 (iv) both legs;
- 13448 (v) both eyes; or
- 13449 (vi) any combination of two body members described in this Subsection (9)(a).
- 13450 (b) A finding of permanent total disability pursuant to Subsection (9)(a) is final.
- 13451 (10) (a) An insurer or self-insured employer may periodically reexamine a permanent
- 13452 total disability claim, except those based on Subsection (9), for which the insurer or
- 13453 self-insured employer had or has payment responsibility to determine whether the employee
- 13454 remains permanently totally disabled.
- 13455 (b) Reexamination may be conducted no more than once every three years after an
- 13456 award is final, unless good cause is shown by the employer or its insurance carrier to allow
- 13457 more frequent reexaminations.
- 13458 (c) The reexamination may include:
- 13459 (i) the review of medical records;
- 13460 (ii) employee submission to one or more reasonable medical evaluations;
- 13461 (iii) employee submission to one or more reasonable rehabilitation evaluations and
- 13462 retraining efforts;
- 13463 (iv) employee disclosure of Federal Income Tax Returns;
- 13464 (v) employee certification of compliance with Section 34A-2-110; and
- 13465 (vi) employee completion of one or more sworn affidavits or questionnaires approved
- 13466 by the division.
- 13467 (d) The insurer or self-insured employer shall pay for the cost of a reexamination with
- 13468 appropriate employee reimbursement pursuant to rule for reasonable travel allowance and per
- 13469 diem as well as reasonable expert witness fees incurred by the employee in supporting the
- 13470 employee's claim for permanent total disability benefits at the time of reexamination.
- 13471 (e) If an employee fails to fully cooperate in the reasonable reexamination of a
- 13472 permanent total disability finding, an administrative law judge may order the suspension of the
- 13473 employee's permanent total disability benefits until the employee cooperates with the
- 13474 reexamination.
- 13475 (f) (i) If the reexamination of a permanent total disability finding reveals evidence that
- 13476 reasonably raises the issue of an employee's continued entitlement to permanent total disability

13477 compensation benefits, an insurer or self-insured employer may petition the Division of
13478 Adjudication for a rehearing on that issue. The insurer or self-insured employer shall include
13479 with the petition, documentation supporting the insurer's or self-insured employer's belief that
13480 the employee is no longer permanently totally disabled.

13481 (ii) If the petition under Subsection (10)(f)(i) demonstrates good cause, as determined
13482 by the Division of Adjudication, an administrative law judge shall adjudicate the issue at a
13483 hearing.

13484 (iii) Evidence of an employee's participation in medically appropriate, part-time work
13485 may not be the sole basis for termination of an employee's permanent total disability
13486 entitlement, but the evidence of the employee's participation in medically appropriate, part-time
13487 work under Subsection (6) may be considered in the reexamination or hearing with other
13488 evidence relating to the employee's status and condition.

13489 (g) In accordance with Section 34A-1-309, the administrative law judge may award
13490 reasonable attorney fees to an attorney retained by an employee to represent the employee's
13491 interests with respect to reexamination of the permanent total disability finding, except if the
13492 employee does not prevail, the attorney fees shall be set at \$1,000. The attorney fees awarded
13493 shall be paid by the employer or its insurance carrier in addition to the permanent total
13494 disability compensation benefits due.

13495 (h) During the period of reexamination or adjudication, if the employee fully
13496 cooperates, each insurer, self-insured employer, or the Employers' Reinsurance Fund shall
13497 continue to pay the permanent total disability compensation benefits due the employee.

13498 (11) If any provision of this section, or the application of any provision to any person
13499 or circumstance, is held invalid, the remainder of this section is given effect without the invalid
13500 provision or application.

13501 Section 324. Section **34A-2-802** is amended to read:

13502 **34A-2-802. Rules of evidence and procedure before commission -- Admissible**
13503 **evidence.**

13504 (1) The commission, the commissioner, an administrative law judge, or the Appeals
13505 Board, is not bound by the usual common law or statutory rules of evidence, or by any
13506 technical or formal rules or procedure, other than as provided in this section or as adopted by
13507 the commission pursuant to this chapter and Chapter 3, Utah Occupational Disease Act. The

13508 commission may make its investigation in such manner as in its judgment is best calculated to
13509 ascertain the substantial rights of the parties and to carry out justly the spirit of the chapter.

13510 (2) The commission may receive as evidence and use as proof of any fact in dispute all
13511 evidence [~~deemed~~] considered material and relevant including[~~, but not limited to~~] the
13512 following:

- 13514 (b) reports of attending or examining physicians, or of pathologists;
- 13515 (c) reports of investigators appointed by the commission;
- 13516 (d) reports of employers, including copies of time sheets, book accounts, or other

13519 Section 325. Section **34A-3-104** is amended to read:

13520 **34A-3-104. Employer liability for compensation.**

13521 (1) Every employer is liable for the payment of disability and medical benefits to every
13522 employee who becomes disabled, or death benefits to the dependents of any employee who
13523 dies, by reason of an occupational disease under the terms of this chapter.

13524 (2) Compensation [~~shall not~~] may not be paid when the last day of injurious exposure
13525 of the employee to the hazards of the occupational disease occurred prior to 1941.

13526 Section 326. Section **34A-6-108** is amended to read:

13527 **34A-6-108. Collection, compilation, and analysis of statistics.**

13528 (1) The division shall develop and maintain an effective program of collection,
13529 compilation, and analysis of occupational safety and health statistics. The program may cover
13530 all employments whether subject to this chapter but [~~shall not~~] may not cover employments
13531 excluded by Subsection 34A-6-104(2). The division shall compile accurate statistics on work
13532 injuries and occupational diseases.

13533 (2) The division may use the functions imposed by Subsection (1) to:

- 13534 (a) promote, encourage, or directly engage in programs of studies, information, and
13535 communication concerning occupational safety and health statistics;
- 13536 (b) assist agencies or political subdivisions in developing and administering programs
13537 dealing with occupational safety and health statistics; and
- 13538 (c) arrange, through assistance, for the conduct of research and investigations which

13539 give promise of furthering the objectives of this section.

13540 (3) The division may, with the consent of any state agency or political subdivision of
13541 the state, accept and use the services, facilities, and employees of state agencies or political
13542 subdivisions of the state, with or without reimbursement, to assist it in carrying out its
13543 functions under this section.

13544 (4) On the basis of the records made and kept under Subsection 34A-6-301(3),
13545 employers shall file reports with the division in the form and manner prescribed by the
13546 division.

13547 (5) Agreements between the United States Department of Labor and Utah pertaining to
13548 the collection of occupational safety and health statistics already in effect on July 1, 1973,
13549 remain in effect until superseded.

13550 Section 327. Section **34A-6-202** is amended to read:

13551 **34A-6-202. Standards -- Procedure for issuance, modification, or revocation by**
13552 **division -- Emergency temporary standard -- Variances from standards -- Statement of**
13553 **reasons for administrator's actions -- Judicial review -- Priority for establishing**
13554 **standards.**

13555 (1) (a) The division, as soon as practicable, shall issue as standards any national
13556 consensus standard, any adopted federal standard, or any adopted Utah standard, unless it
13557 determines that issuance of the standard would not result in improved safety or health.

13558 (b) All codes, standards, and rules adopted under Subsection (1)(a) shall take effect 30
13559 days after publication unless otherwise specified.

13560 (c) If any conflict exists between standards, the division shall issue the standard that
13561 assures the greatest protection of safety or health for affected employees.

13562 (2) The division may issue, modify, or revoke any standard as follows:

13563 (a) (i) Whenever the administrator determines upon the basis of information submitted
13564 in writing by an interested person, a representative of any organization of employers or
13565 employees, a nationally recognized standards-producing organization, the Department of
13566 Health, or a state agency or political subdivision, or on information developed by the division
13567 or otherwise available, that a rule should be promulgated to promote the objectives of this
13568 chapter, the administrator may request recommendations from the advisory council.

13569 (ii) The administrator shall provide the advisory council with proposals, together with

13570 all pertinent factual information developed by the division, or otherwise available, including
13571 the results of research, demonstrations, and experiments.

13572 (iii) The advisory council shall submit to the administrator its recommendations
13573 regarding the rule to be promulgated within a period as prescribed by the administrator.

13574 (b) The division shall publish a proposed rule issuing, modifying, or revoking an
13575 occupational safety or health standard and shall afford interested parties an opportunity to
13576 submit written data or comments as prescribed by Title 63G, Chapter 3, Utah Administrative
13577 Rulemaking Act. When the administrator determines that a rule should be issued, the division
13578 shall publish the proposed rule after the submission of the advisory council's recommendations
13579 or the expiration of the period prescribed by the administrator for submission.

13580 (c) The administrator, in issuing standards for toxic materials or harmful physical
13581 agents under this subsection, shall set the standard which most adequately assures, to the extent
13582 feasible, on the basis of the best available evidence, that no employee will suffer material
13583 impairment of health or functional capacity even if the employee has regular exposure to the
13584 hazard during an employee's working life. Development of standards under this subsection
13585 shall be based upon research, demonstrations, experiments, and other information deemed
13586 appropriate. In addition to the attainment of the highest degree of health and safety protection
13587 for the employee, other considerations shall be the latest available scientific data in the field,
13588 the feasibility of the standards, and experience under this and other health and safety laws.
13589 Whenever practicable, the standard shall be expressed in terms of objective criteria and of the
13590 performance desired.

13591 (d) (i) Any employer may apply to the administrator for a temporary order granting a
13592 variance from a standard issued under this section. Temporary orders shall be granted only if
13593 the employer:

13594 (A) files an application which meets the requirements of Subsection (2)(d)(iv);

13595 (B) establishes that the employer is unable to comply with a standard by its effective
13596 date because of unavailability of professional or technical personnel or of materials and
13597 equipment needed for compliance with the standard or because necessary construction or
13598 alteration of facilities cannot be completed by the effective date;

13599 (C) establishes that the employer is taking all available steps to safeguard the
13600 employer's employees against hazards; and

13601 (D) establishes that the employer has an effective program for compliance as quickly as
13602 practicable.

13603 (ii) Any temporary order shall prescribe the practices, means, methods, operations, and
13604 processes which the employer [~~must~~] shall adopt and use while the order is in effect and state
13605 in detail the employer's program for compliance with the standard. A temporary order may be
13606 granted only after notice to employees and an opportunity for a public hearing; provided, that
13607 the administrator may issue one interim order effective until a decision is made after public
13608 hearing.

13609 (iii) A temporary order may not be in effect longer than the period reasonably required
13610 by the employer to achieve compliance. In no case shall the period of a temporary order
13611 exceed one year.

13612 (iv) An application for a temporary order under Subsection (2)(d) shall contain:

13613 (A) a specification of the standard or part from which the employer seeks a variance;

13614 (B) a representation by the employer, supported by representations from qualified
13615 persons having first-hand knowledge of the facts represented, that the employer is unable to
13616 comply with the standard or some part of the standard;

13617 (C) a detailed statement of the reasons the employer is unable to comply;

13618 (D) a statement of the measures taken and anticipated with specific dates, to protect
13619 employees against the hazard;

13620 (E) a statement of when the employer expects to comply with the standard and what
13621 measures the employer has taken and those anticipated, giving specific dates for compliance;
13622 and

13623 (F) a certification that the employer has informed the employer's employees of the
13624 application by:

13625 (I) giving a copy to their authorized representative;

13626 (II) posting a statement giving a summary of the application and specifying where a
13627 copy may be examined at the place or places where notices to employees are normally posted;
13628 and

13629 (III) by other appropriate means.

13630 (v) The certification required under Subsection (2)(d)(iv) shall contain a description of
13631 how employees have been informed.

13632 (vi) The information to employees required under Subsection (2)(d)(v) shall inform the
13633 employees of their right to petition the division for a hearing.

13634 (vii) The administrator is authorized to grant a variance from any standard or some part
13635 of the standard when the administrator determines that it is necessary to permit an employer to
13636 participate in a research and development project approved by the administrator to demonstrate
13637 or validate new and improved techniques to safeguard the health or safety of workers.

13638 (e) (i) Any standard issued under this subsection shall prescribe the use of labels or
13639 other forms of warning necessary to ensure that employees are apprised of all hazards, relevant
13640 symptoms and emergency treatment, and proper conditions and precautions of safe use or
13641 exposure. When appropriate, a standard shall prescribe suitable protective equipment and
13642 control or technological procedures for use in connection with such hazards and provide for
13643 monitoring or measuring employee exposure at such locations and intervals, and in a manner
13644 necessary for the protection of employees. In addition, any such standard shall prescribe the
13645 type and frequency of medical examinations or other tests which shall be made available by the
13646 employer, or at the employer's cost, to employees exposed to hazards in order to most
13647 effectively determine whether the health of employees is adversely affected by exposure. If
13648 medical examinations are in the nature of research as determined by the division, the
13649 examinations may be furnished at division expense. The results of such examinations or tests
13650 shall be furnished only to the division; and, at the request of the employee, to the employee's
13651 physician.

13652 (ii) The administrator may by rule make appropriate modifications in requirements for
13653 the use of labels or other forms of warning, monitoring or measuring, and medical
13654 examinations warranted by experience, information, or medical or technological developments
13655 acquired subsequent to the promulgation of the relevant standard.

13656 (f) Whenever a rule issued by the administrator differs substantially from an existing
13657 national consensus standard, the division shall publish a statement of the reasons why the rule
13658 as adopted will better effectuate the purposes of this chapter than the national consensus
13659 standard.

13660 (g) Whenever a rule, standard, or national consensus standard is modified by the
13661 secretary so as to make less restrictive the federal Williams-Steiger Occupational Safety and
13662 Health Act of 1970, the less restrictive modification shall be immediately applicable to this

13663 chapter and shall be immediately implemented by the division.

13664 (3) (a) The administrator shall provide an emergency temporary standard to take
13665 immediate effect upon publication if the administrator determines that:

13666 (i) employees are exposed to grave danger from exposure to substances or agents
13667 determined to be toxic or physically harmful or from new hazards; and

13668 (ii) that the standard is necessary to protect employees from danger.

13669 (b) An emergency standard shall be effective until superseded by a standard issued in
13670 accordance with the procedures prescribed in Subsection (3)(c).

13671 (c) Upon publication of an emergency standard the division shall commence a
13672 proceeding in accordance with Subsection (2) and the standard as published shall serve as a
13673 proposed rule for the proceedings. The division shall issue a standard under Subsection (3) no
13674 later than 120 days after publication of the emergency standard.

13675 (4) (a) Any affected employer may apply to the division for a rule or order for a
13676 variance from a standard issued under this section. Affected employees shall be given notice of
13677 each application and may participate in a hearing. The administrator shall issue a rule or order
13678 if the administrator determines on the record, after opportunity for an inspection where
13679 appropriate and a hearing, that the proponent of the variance has demonstrated by a
13680 preponderance of the evidence that the conditions, practices, means, methods, operations, or
13681 processes used or proposed to be used by an employer will provide employment and a
13682 workplace to the employer's employees that are as safe and healthful as those which would
13683 prevail if the employer complied with the standard.

13684 (b) The rule or order issued under Subsection (4)(a) shall prescribe the conditions the
13685 employer must maintain, and the practices, means, methods, operations and processes that the
13686 employer must adopt and use to the extent they differ from the standard in question.

13687 (c) A rule or order issued under Subsection (4)(a) may be modified or revoked upon
13688 application by an employer, employees, or by the administrator on its own motion, in the
13689 manner prescribed for its issuance under Subsection (4) at any time after six months from its
13690 issuance.

13691 (5) The administrator shall include a statement of reasons for the administrator's actions
13692 when the administrator:

13693 (a) issues any code, standard, rule, or order;

13694 (b) grants any exemption or extension of time; or

13695 (c) compromises, mitigates, or settles any penalty assessed under this chapter.

13696 (6) Any person adversely affected by a standard issued under this section, at any time
13697 prior to 60 days after a standard is issued, may file a petition challenging its validity with the
13698 district court having jurisdiction for judicial review. A copy of the petition shall be served
13699 upon the division by the petitioner. The filing of a petition [~~shall not~~] may not, unless
13700 otherwise ordered by the court, operate as a stay of the standard. The determinations of the
13701 division shall be conclusive if supported by substantial evidence on the record as a whole.

13702 (7) In determining the priority for establishing standards under this section, the division
13703 shall give due regard to the urgency of the need for mandatory safety and health standards for
13704 particular industries, trades, crafts, occupations, businesses, workplaces or work environments.
13705 The administrator shall also give due regard to the recommendations of the Department of
13706 Health about the need for mandatory standards in determining the priority for establishing the
13707 standards.

13708 Section 328. Section **34A-6-301** is amended to read:

13709 **34A-6-301. Inspection and investigation of workplace, worker injury, illness, or**
13710 **complaint -- Warrants -- Attendance of witnesses -- Recordkeeping by employers --**
13711 **Employer and employee representatives -- Request for inspection -- Compilation and**
13712 **publication of reports and information -- Rules.**

13713 (1) (a) The division or its representatives, upon presenting appropriate credentials to
13714 the owner, operator, or agent in charge, may:

13715 (i) enter without delay at reasonable times any workplace where work is performed by
13716 an employee of an employer;

13717 (ii) inspect and investigate during regular working hours and at other reasonable times
13718 in a reasonable manner, any workplace, worker injury, occupational disease, or complaint and
13719 all pertinent methods, operations, processes, conditions, structures, machines, apparatus,
13720 devices, equipment, and materials in the workplace; and

13721 (iii) question privately any such employer, owner, operator, agent, or employee.

13722 (b) The division, upon an employer's refusal to permit an inspection, may seek a
13723 warrant pursuant to the Utah Rules of Criminal Procedure.

13724 (2) (a) The division or its representatives may require the attendance and testimony of

13725 witnesses and the production of evidence under oath.

13726 (b) Witnesses shall receive fees and mileage in accordance with Section 78B-1-119.

13727 (c) (i) If any person fails or refuses to obey an order of the division to appear, any

13728 district court within the jurisdiction of which such person is found, or resides or transacts

13729 business, upon the application by the division, shall have jurisdiction to issue to any person an

13730 order requiring that person to:

13731 (A) appear to produce evidence if, as, and when so ordered; and

13732 (B) give testimony relating to the matter under investigation or in question.

13733 (ii) Any failure to obey an order of the court described in this Subsection (2)(c) may be

13734 punished by the court as a contempt.

13735 (3) (a) The commission shall make rules in accordance with Title 63G, Chapter 3, Utah

13736 Administrative Rulemaking Act, requiring employers:

13737 (i) to keep records regarding activities related to this chapter considered necessary for

13738 enforcement or for the development of information about the causes and prevention of

13739 occupational accidents and diseases; and

13740 (ii) through posting of notices or other means, to inform employees of their rights and

13741 obligations under this chapter including applicable standards.

13742 (b) The commission shall make rules in accordance with Title 63G, Chapter 3, Utah

13743 Administrative Rulemaking Act, requiring employers to keep records regarding any

13744 work-related death and injury and any occupational disease as provided in this Subsection

13745 (3)(b).

13746 (i) Each employer shall investigate or cause to be investigated all work-related injuries

13747 and occupational diseases and any sudden or unusual occurrence or change of conditions that

13748 pose an unsafe or unhealthful exposure to employees.

13749 (ii) Each employer shall, within eight hours of occurrence, notify the division of any:

13750 (A) work-related fatality;

13751 (B) disabling, serious, or significant injury; or

13752 (C) occupational disease incident.

13753 (iii) (A) Each employer shall file a report with the Division of Industrial Accidents

13754 within seven days after the occurrence of an injury or occupational disease, after the employer's

13755 first knowledge of the occurrence, or after the employee's notification of the same, in the form

- 13756 prescribed by the Division of Industrial Accidents, of any work-related fatality or any
13757 work-related injury or occupational disease resulting in:
- 13758 (I) medical treatment;
 - 13759 (II) loss of consciousness;
 - 13760 (III) loss of work;
 - 13761 (IV) restriction of work; or
 - 13762 (V) transfer to another job.
- 13763 (B) (I) Each employer shall file a subsequent report with the Division of Industrial
13764 Accidents of any previously reported injury or occupational disease that later resulted in death.
- 13765 (II) The subsequent report shall be filed with the Division of Industrial Accidents
13766 within seven days following the death or the employer's first knowledge or notification of the
13767 death.
- 13768 (iv) A report is not required for minor injuries, such as cuts or scratches that require
13769 first-aid treatment only, unless a treating physician files, or is required to file, the Physician's
13770 Initial Report of Work Injury or Occupational Disease with the Division of Industrial
13771 Accidents.
- 13772 (v) A report is not required:
- 13773 (A) for occupational diseases that manifest after the employee is no longer employed
13774 by the employer with which the exposure occurred; or
 - 13775 (B) where the employer is not aware of an exposure occasioned by the employment
13776 which results in a compensable occupational disease as defined by Section 34A-3-103.
- 13777 (vi) Each employer shall provide the employee with:
- 13778 (A) a copy of the report submitted to the Division of Industrial Accidents; and
 - 13779 (B) a statement, as prepared by the Division of Industrial Accidents, of the employee's
13780 rights and responsibilities related to the industrial injury or occupational disease.
- 13781 (vii) Each employer shall maintain a record in a manner prescribed by the commission
13782 of all work-related fatalities or work-related injuries and of all occupational diseases resulting
13783 in:
- 13784 (A) medical treatment;
 - 13785 (B) loss of consciousness;
 - 13786 (C) loss of work;

13787 (D) restriction of work; or

13788 (E) transfer to another job.

13789 (viii) The commission shall make rules in accordance with Title 63G, Chapter 3, Utah
13790 Administrative Rulemaking Act, to implement this Subsection (3)(b) consistent with nationally
13791 recognized rules or standards on the reporting and recording of work-related injuries and
13792 occupational diseases.

13793 (c) (i) The commission shall make rules in accordance with Title 63G, Chapter 3, Utah
13794 Administrative Rulemaking Act, requiring employers to keep records regarding exposures to
13795 potentially toxic materials or harmful physical agents required to be measured or monitored
13796 under Section 34A-6-202.

13797 (ii) (A) The rules made under Subsection (3)(c)(i) shall provide for employees or their
13798 representatives:

13799 (I) to observe the measuring or monitoring; and

13800 (II) to have access to the records of the measuring or monitoring, and to records that
13801 indicate their exposure to toxic materials or harmful agents.

13802 (B) Each employer shall promptly notify employees being exposed to toxic materials or
13803 harmful agents in concentrations that exceed prescribed levels and inform any such employee
13804 of the corrective action being taken.

13805 (4) Information obtained by the division shall be obtained with a minimum burden
13806 upon employers, especially those operating small businesses.

13807 (5) A representative of the employer and a representative authorized by employees
13808 shall be given an opportunity to accompany the division's authorized representative during the
13809 physical inspection of any workplace. If there is no authorized employee representative, the
13810 division's authorized representative shall consult with a reasonable number of employees
13811 concerning matters of health and safety in the workplace.

13812 (6) (a) (i) (A) Any employee or representative of employees who believes that a
13813 violation of an adopted safety or health standard exists that threatens physical harm, or that an
13814 imminent danger exists, may request an inspection by giving notice to the division's authorized
13815 representative of the violation or danger. The notice shall be:

13816 (I) in writing, setting forth with reasonable particularity the grounds for notice; and

13817 (II) signed by the employee or representative of employees.

13818 (B) A copy of the notice shall be provided the employer or the employer's agent no
13819 later than at the time of inspection.

13820 (C) Upon request of the person giving notice, the person's name and the names of
13821 individual employees referred to in the notice [~~shall not~~] may not appear in the copy or on any
13822 record published, released, or made available pursuant to Subsection (7).

13823 (ii) (A) If upon receipt of the notice the division's authorized representative determines
13824 there are reasonable grounds to believe that a violation or danger exists, the authorized
13825 representative shall make a special inspection in accordance with this section as soon as
13826 practicable to determine if a violation or danger exists.

13827 (B) If the division's authorized representative determines there are no reasonable
13828 grounds to believe that a violation or danger exists, the authorized representative shall notify
13829 the employee or representative of the employees in writing of that determination.

13830 (b) (i) Prior to or during any inspection of a workplace, any employee or representative
13831 of employees employed in the workplace may notify the division or its representative of any
13832 violation of a standard that they have reason to believe exists in the workplace.

13833 (ii) The division shall:

13834 (A) by rule, establish procedures for informal review of any refusal by a representative
13835 of the division to issue a citation with respect to any alleged violation; and

13836 (B) furnish the employees or representative of employees requesting review a written
13837 statement of the reasons for the division's final disposition of the case.

13838 (7) (a) The division may compile, analyze, and publish, either in summary or detailed
13839 form, all reports or information obtained under this section, subject to the limitations set forth
13840 in Section 34A-6-306.

13841 (b) The commission shall make rules in accordance with Title 63G, Chapter 3, Utah
13842 Administrative Rulemaking Act, necessary to carry out its responsibilities under this chapter,
13843 including rules for information obtained under this section, subject to the limitations set forth
13844 in Section 34A-6-306.

13845 (8) Any employer who refuses or neglects to make reports, to maintain records, or to
13846 file reports with the commission as required by this section is guilty of a class C misdemeanor
13847 and subject to citation under Section 34A-6-302 and a civil assessment as provided under
13848 Section 34A-6-307, unless the commission finds that the employer has shown good cause for

13849 submitting a report later than required by this section.

13850 Section 329. Section **34A-7-102** is amended to read:

13851 **34A-7-102. Standards for construction and design -- Special approved designs --**
13852 **Maintenance requirements.**

14041 (5) (a) The department may make a rule in accordance with Title 63G, Chapter 3, Utah

14053 (6) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
14054 department shall establish by rule:

14060 Section 334. Section **35A-3-503** is amended to read:

14061 **35A-3-503. Legislative intent.**

14062 (1) The Legislature finds that public policy should promote and encourage a strong
14063 civic sector. Civic organizations have an important role that cannot be adequately addressed
14064 through either private or public sector action. Important public values such as the condition of
14065 our neighborhoods, the character of our children, and the renewal of our cities directly depend

14066 on the strength of families, neighborhoods, and grassroots community organizations, as well as
14067 the vitality of private and religious institutions that care for those in need. Civic organizations
14068 transmit values between generations, encourage cooperation between citizens, and ensure that
14069 our communities are livable and nurturing environments. The value provided to the state by
14070 civic organizations is called social capital.

14071 (2) The purpose of this part is to promote the availability of social capital. Using social
14072 capital, clients of and applicants for services under this chapter may receive a wide array of
14073 services and supports that cannot be provided by state government alone. Social capital links
14074 all parts of our society together by creating opportunities for service and giving. It facilitates
14075 trust and cooperation and enhances investments in physical and human capital.

14076 (3) In enacting this part, the Legislature recognizes the constitutional limits of state
14077 government to sustain civic institutions that provide social capital. While state government has
14078 always depended on these institutions, it does not create them nor can it replace them. This
14079 part recognizes that state government [~~must~~] shall respect, recognize, and, wherever possible,
14080 constitutionally encourage strong civic institutions that sustain a sense of community and
14081 humanize our lives.

14082 Section 335. Section **35A-4-303** is amended to read:

14083 **35A-4-303. Determination of contribution rates.**

14084 (1) (a) An employer's basic contribution rate is the same as the employer's benefit ratio,
14085 determined by dividing the total benefit costs charged back to an employer during the
14086 immediately preceding four fiscal years by the total taxable wages of the employer for the same
14087 time period, calculated to four decimal places, disregarding the remaining fraction, if any.

14088 (b) In calculating the basic contribution rate under Subsection (1)(a):

14089 (i) if four fiscal years of data are not available, the data of three fiscal years shall be
14090 divided by the total taxable wages for the same time period;

14091 (ii) if three fiscal years of data are not available, the data of two fiscal years shall be
14092 divided by the total taxable wages for the same time period; or

14093 (iii) if two fiscal years of data are not available, the data of one fiscal year shall be
14094 divided by the total taxable wages for the same time period.

14095 (2) (a) In calculating the social contribution rate under Subsection (2)(b) or (c):

14096 (i) if four fiscal years of data are not available, the data of three fiscal years shall be

14097 divided by the total taxable wages for the same time period; or

14098 (ii) if three fiscal years of data are not available, the data of two fiscal years shall be
14099 divided by the total taxable wages for the same time period.

14100 (b) Beginning January 1, 2005, the division shall calculate the social contribution rate
14101 by dividing all social costs as defined in Subsection 35A-4-307(1) applicable to the preceding
14102 four fiscal years by the total taxable wages of all employers subject to contributions for the
14103 same period, calculated to four decimal places, disregarding any remaining fraction.

14104 (c) Beginning January 1, 2009, the division shall calculate the social contribution rate
14105 by dividing all social costs as defined in Subsection 35A-4-307(1) applicable to the preceding
14106 four fiscal years by the total taxable wages of all employers subject to contributions for the
14107 same period, calculated to four decimal places, disregarding any remaining fraction, and
14108 rounded to three decimal places, disregarding any further fraction, if the fourth decimal place is
14109 .0004 or less, or rounding up to the next higher number, if the fourth decimal place is .0005 or
14110 more.

14111 (3) (a) Beginning January 1, 2000, the division shall by administrative decision set the
14112 reserve factor at a rate that shall sustain an adequate reserve.

14113 (b) For the purpose of setting the reserve factor:

14114 (i) (A) the adequate reserve is defined as between 17 and 19 months of benefits at the
14115 average of the five highest benefit cost rates in the last 25 years;

14116 (B) beginning January 1, 2009, the adequate reserve is defined as between 18 and 24
14117 months of benefits at the average of the five highest benefit cost rates in the last 25 years;

14118 (ii) the reserve factor shall be 1.0000 if the actual reserve fund balance as of June 30
14119 preceding the computation date is determined to be an adequate reserve;

14120 (iii) the reserve factor will be set between 0.5000 and 1.0000 if the actual reserve fund
14121 balance as of June 30 preceding the computation date is greater than the adequate reserve;

14122 (iv) the reserve factor will be set between 1.0000 and 1.5000 if the actual reserve fund
14123 balance as of June 30 prior to the computation date is less than the adequate reserve;

14124 (v) if the actual reserve fund balance as of June 30 preceding the computation date is
14125 insolvent or negative or if there is an outstanding loan from the Federal Unemployment
14126 Account, the reserve factor will be set at 2.0000 until the actual reserve fund balance as of June
14127 30 preceding the computation date is determined to be an adequate reserve;

14128 (vi) the reserve factor will be set on or before January 1 of each year; and
14129 (vii) monies made available to the state under Section 903 of the Social Security Act,
14130 as amended, which are received on or after January 1, 2004, may not be considered in
14131 establishing the reserve factor under this section for the rate year 2005 or any subsequent rate
14132 year.

14133 (4) (a) On or after January 1, 2004, an employer's overall contribution rate is the
14134 employer's basic contribution rate multiplied by the reserve factor established according to
14135 Subsection (3), calculated to four decimal places, disregarding the remaining fraction, plus the
14136 social contribution rate established according to Subsection (2), and calculated to three decimal
14137 places, disregarding the remaining fraction, but not more than a maximum overall contribution
14138 rate of 9.0%, plus the applicable social contribution rate and not less than 1.1% for new
14139 employers.

14140 (b) Beginning January 1, 2009, an employer's overall contribution rate is the employer's
14141 basic contribution rate multiplied by the reserve factor established according to Subsection
14142 (3)(b), calculated to four decimal places, disregarding the remaining fraction, plus the social
14143 contribution rate established according to Subsection (2), and calculated to three decimal
14144 places, disregarding the remaining fraction, but not more than a maximum overall contribution
14145 rate of 9%, plus the applicable social contribution rate and not less than 1.1% for new
14146 employers.

14147 (c) The overall contribution rate does not include the addition of any penalty applicable
14148 to an employer as a result of delinquency in the payment of contributions as provided in
14149 Subsection (9).

14150 (d) The overall contribution rate does not include the addition of any penalty applicable
14151 to an employer assessed a penalty rate under Subsection 35A-4-304(5)(a).

14152 (5) Except as provided in Subsection (9), each new employer shall pay a contribution
14153 rate based on the average benefit cost rate experienced by employers of the major industry as
14154 defined by department rule to which the new employer belongs, the basic contribution rate to
14155 be determined as follows:

14156 (a) Except as provided in Subsection (5)(b), by January 1 of each year, the basic
14157 contribution rate to be used in computing the employer's overall contribution rate is the benefit
14158 cost rate which is the greater of:

14159 (i) the amount calculated by dividing the total benefit costs charged back to both active
14160 and inactive employers of the same major industry for the last two fiscal years by the total
14161 taxable wages paid by those employers that were paid during the same time period, computed
14162 to four decimal places, disregarding the remaining fraction, if any; or

14163 (ii) 1%.

14164 (b) If the major industrial classification assigned to a new employer is an industry for
14165 which a benefit cost rate does not exist because the industry has not operated in the state or has
14166 not been covered under this chapter, the employer's basic contribution rate shall be 5.4%. This
14167 basic contribution rate is used in computing the employer's overall contribution rate.

14168 (6) Notwithstanding any other provision of this chapter, and except as provided in
14169 Subsection (7), if an employing unit that moves into this state is declared to be a qualified
14170 employer because it has sufficient payroll and benefit cost experience under another state, a
14171 rate shall be computed on the same basis as a rate is computed for all other employers subject
14172 to this chapter if that unit furnishes adequate records on which to compute the rate.

14173 (7) An employer who begins to operate in this state after having operated in another
14174 state shall be assigned the maximum overall contribution rate until the employer acquires
14175 sufficient experience in this state to be considered a "qualified employer" if the employer is:

14176 (a) regularly engaged as a contractor in the construction, improvement, or repair of
14177 buildings, roads, or other structures on lands;

14178 (b) generally regarded as being a construction contractor or a subcontractor specialized
14179 in some aspect of construction; or

14180 (c) required to have a contractor's license or similar qualification under Title 58,
14181 Chapter 55, Utah Construction Trades Licensing Act, or the equivalent in laws of another state.

14182 (8) (a) If an employer acquires the business or all or substantially all the assets of
14183 another employer and the other employer had discontinued operations upon the acquisition or
14184 transfers its trade or business, or a portion of its trade or business, under Subsection
14185 35A-4-304(3)(a):

14186 (i) for purposes of determining and establishing the acquiring party's qualifications for
14187 an experience rating classification, the payrolls of both employers during the qualifying period
14188 shall be jointly considered in determining the period of liability with respect to:

14189 (A) the filing of contribution reports;

- 14190 (B) the payment of contributions; and
- 14191 (C) after January 1, 1985, the benefit costs of both employers;
- 14192 (ii) the transferring employer shall be divested of the transferring employer's
- 14193 unemployment experience provided the transferring employer had discontinued operations, but
- 14194 only to the extent as defined under Subsection 35A-4-304(3)(c); and
- 14195 (iii) if an employer transfers its trade or business, or a portion of its trade or business,
- 14196 as defined under Subsection 35A-4-304(3), the transferring employer may not be divested of its
- 14197 employer's unemployment experience.
- 14198 (b) An employing unit or prospective employing unit that acquires the unemployment
- 14199 experience of an employer shall, for all purposes of this chapter, be an employer as of the date
- 14200 of acquisition.
- 14201 (c) Notwithstanding Section 35A-4-310, when a transferring employer, as provided in
- 14202 Subsection (8)(a), is divested of the employer's unemployment experience by transferring all of
- 14203 the employer's business to another and by ceasing operations as of the date of the transfer, the
- 14204 transferring employer shall cease to be an employer, as defined by this chapter, as of the date of
- 14205 transfer.
- 14206 (9) (a) A rate of less than 8% shall be effective January 1 of any contribution year on or
- 14207 after January 1, 1985, but before January 1, 1988, and a rate of less than the maximum overall
- 14208 contribution rate on or after January 1, 1988, only with respect to new employers and to those
- 14209 qualified employers who, except for amounts due under division determinations that have not
- 14210 become final, paid all contributions prescribed by the division with respect to the four
- 14211 consecutive calendar quarters in the fiscal year immediately preceding the computation date on
- 14212 or after January 1, 1985.
- 14213 (b) Notwithstanding Subsections (1), (5), (6), and (8), on or after January 1, 1988, an
- 14214 employer who fails to pay all contributions prescribed by the division with respect to the four
- 14215 consecutive calendar quarters in the fiscal year immediately preceding the computation date,
- 14216 except for amounts due under determinations that have not become final, shall pay a
- 14217 contribution rate equal to the overall contribution rate determined under the experience rating
- 14218 provisions of this chapter, plus a surcharge of 1% of wages.
- 14219 (c) An employer who pays all required contributions shall, for the current contribution
- 14220 year, be assigned a rate based upon the employer's own experience as provided under the

14221 experience rating provisions of this chapter effective the first day of the calendar quarter in
14222 which the payment was made.

14223 (d) Delinquency in filing contribution reports [~~shall~~] may not be the basis for denial of
14224 a rate less than the maximum contribution rate.

14225 Section 336. Section **35A-4-304** is amended to read:

14226 **35A-4-304. Special provisions regarding transfers of unemployment experience**
14227 **and assignment rates.**

14228 (1) As used in this section:

14229 (a) "Knowingly" means having actual knowledge of or acting with deliberate ignorance
14230 or reckless disregard for the prohibition involved.

14231 (b) "Person" has the meaning given that term by Section 7701(a)(1) of the Internal
14232 Revenue Code of 1986.

14233 (c) "Trade or business" includes the employer's workforce.

14234 (d) "Violate or attempt to violate" includes intent to evade, misrepresentation, or
14235 willful nondisclosure.

14236 (2) Notwithstanding any other provision of this chapter, Subsections (3) and (4) shall
14237 apply regarding assignment of rates and transfers of unemployment experience.

14238 (3) (a) If an employer transfers its trade or business, or a portion of its trade or
14239 business, to another employer and, at the time of the transfer, there is common ownership,
14240 management, or control of the employers, then the unemployment experience attributable to
14241 each employer shall be combined into a common experience rate calculation.

14242 (b) The contribution rates of the employers shall be recalculated and made effective
14243 upon the date of the transfer of trade or business as determined by division rule in accordance
14244 with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

14245 (c) (i) If one or more of the employers is a qualified employer at the time of the
14246 transfer, then all employing units that are party to a transfer described in Subsection (3)(a) of
14247 this section shall be assigned an overall contribution rate under Subsection 35A-4-303(4)(d),
14248 using combined unemployment experience rating factors, for the rate year during which the
14249 transfer occurred and for the subsequent three rate years.

14250 (ii) If none of the employing units is a qualified employer at the time of the transfer,
14251 then all employing units that are party to the transfer described in Subsection (3)(a) shall be

14252 assigned the highest overall contribution rate applicable at the time of the transfer to any
14253 employer who is party to the acquisition for the rate year during which the transfer occurred
14254 and for subsequent rate years until the time when one or more of the employing units is a
14255 qualified employer.

14256 (iii) Once one or more employing units described in Subsection (3)(c)(ii) is a qualified
14257 employer, all the employing units shall be assigned an overall rate under Subsection
14258 35A-4-303(4)(d), using combined unemployment experience rating factors for subsequent rate
14259 years, not to exceed three years following the year of the transfer.

14260 (d) The transfer of some or all of an employer's workforce to another employer shall be
14261 considered a transfer of its trade or business when, as the result of the transfer, the transferring
14262 employer no longer performs trade or business with respect to the transferred workforce, and
14263 the trade or business is now performed by the employer to whom the workforce is transferred.

14264 (4) (a) Whenever a person is not an employer under this chapter at the time it acquires
14265 the trade or business of an employer, the unemployment experience of the acquired business
14266 [~~shall not~~] may not be transferred to that person if the division finds that the person acquired
14267 the business solely or primarily for the purpose of obtaining a lower rate of contributions.

14268 (b) The person shall be assigned the applicable new employer rate under Subsection
14269 35A-4-303(5).

14270 (c) In determining whether the business was acquired solely or primarily for the
14271 purpose of obtaining a lower rate of contributions, the division shall use objective factors
14272 which may include:

14273 (i) the cost of acquiring the business;

14274 (ii) whether the person continued the business enterprise of the acquired business;

14275 (iii) how long the business enterprise was continued; or

14276 (iv) whether a substantial number of new employees were hired for performance of
14277 duties unrelated to the business activity conducted prior to acquisition.

14278 (5) (a) If a person knowingly violates or attempts to violate Subsection (3) or (4) or any
14279 other provision of this chapter related to determining the assignment of a contribution rate, or if
14280 a person knowingly advises another person in a way that results in a violation of any of those
14281 subsections or provisions, the person is subject to the following penalties:

14282 (i) (A) If the person is an employer, then the employer shall be assigned an overall

14283 contribution rate of 5.4% for the rate year during which the violation or attempted violation
14284 occurred and for the subsequent rate year.

14285 (B) If the person's business is already at 5.4% for any year, or if the amount of increase
14286 in the person's rate would be less than 2% for that year, then a penalty surcharge of
14287 contributions of 2% of taxable wages shall be imposed for the rate year during which the
14288 violation or attempted violation occurred and for the subsequent rate year.

14289 (ii) (A) If the person is not an employer, the person shall be subject to a civil penalty of
14290 not more than \$5,000.

14291 (B) The fine shall be deposited in the penalty and interest account established under
14292 Section 35A-4-506.

14293 (b) (i) In addition to the penalty imposed by Subsection (5)(a), a violation of this
14294 section may be prosecuted as unemployment insurance fraud.

14295 (ii) The determination of the degree of an offense shall be measured by the total value
14296 of all contributions avoided or reduced or contributions sought to be avoided or reduced by the
14297 unlawful conduct as applied to the degrees listed under Subsection 76-8-1301(2)(a).

14298 (6) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
14299 division shall make rules to identify the transfer or acquisition of a business for purposes of this
14300 section.

14301 (7) This section shall be interpreted and applied in a manner that meets the minimum
14302 requirements contained in any guidance or regulations issued by the United States Department
14303 of Labor.

14304 Section 337. Section **35A-4-305** is amended to read:

14305 **35A-4-305. Collection of contributions -- Unpaid contributions to bear interest.**

14306 (1) (a) Contributions unpaid on the date on which they are due and payable, as
14307 prescribed by the division, shall bear interest at the rate of 1% per month from and after that
14308 date until payment plus accrued interest is received by the division.

14309 (b) (i) Contribution reports not made and filed by the date on which they are due as
14310 prescribed by the division are subject to a penalty to be assessed and collected in the same
14311 manner as contributions due under this section equal to 5% of the contribution due if the failure
14312 to file on time was not more than 15 days, with an additional 5% for each additional 15 days or
14313 fraction thereof during which the failure continued, but not to exceed 25% in the aggregate and

14314 not less than \$25 with respect to each reporting period.

14315 (ii) If a report is filed after the required time and it is shown to the satisfaction of the
14316 division or its authorized representative that the failure to file was due to a reasonable cause
14317 and not to willful neglect, no addition shall be made to the contribution.

14318 (c) (i) If contributions are unpaid after 10 days from the date of the mailing or personal
14319 delivery by the division or its authorized representative, of a written demand for payment, there
14320 shall attach to the contribution, to be assessed and collected in the same manner as
14321 contributions due under this section, a penalty equal to 5% of the contribution due.

14322 (ii) A penalty may not attach if within 10 days after the mailing or personal delivery,
14323 arrangements for payment have been made with the division, or its authorized representative,
14324 and payment is made in accordance with those arrangements.

14325 (d) The division shall assess as a penalty a service charge, in addition to any other
14326 penalties that may apply, in an amount not to exceed the service charge imposed by Section
14327 7-15-1 for dishonored instruments if:

14328 (i) any amount due the division for contributions, interest, other penalties or benefit
14329 overpayments is paid by check, draft, order, or other instrument; and

14330 (ii) the instrument is dishonored or not paid by the institution against which it is drawn.

14331 (e) Except for benefit overpayments under Subsection 35A-4-405(5), benefit
14332 overpayments, contributions, interest, penalties, and assessed costs, uncollected three years
14333 after they become due, may be charged as uncollectible and removed from the records of the
14334 division if:

14335 (i) no assets belonging to the liable person and subject to attachment can be found; and

14336 (ii) in the opinion of the division there is no likelihood of collection at a future date.

14337 (f) Interest and penalties collected in accordance with this section shall be paid into the
14338 Special Administrative Expense Account created by Section 35A-4-506.

14339 (g) Action required for the collection of sums due under this chapter is subject to the
14340 applicable limitations of actions under Title 78B, Chapter 2, Statutes of Limitations.

14341 (2) (a) If an employer fails to file a report when prescribed by the division for the
14342 purpose of determining the amount of the employer's contribution due under this chapter, or if
14343 the report when filed is incorrect or insufficient or is not satisfactory to the division, the
14344 division may determine the amount of wages paid for employment during the period or periods

14345 with respect to which the reports were or should have been made and the amount of
14346 contribution due from the employer on the basis of any information it may be able to obtain.

14347 (b) The division shall give written notice of the determination to the employer.

14348 (c) The determination is considered correct unless:

14349 (i) the employer, within 10 days after mailing or personal delivery of notice of the
14350 determination, applies to the division for a review of the determination as provided in Section
14351 35A-4-508; or

14352 (ii) unless the division or its authorized representative of its own motion reviews the
14353 determination.

14354 (d) The amount of contribution determined under Subsection (2)(a) is subject to
14355 penalties and interest as provided in Subsection (1).

14356 (3) (a) If, after due notice, an employer defaults in the payment of contributions,
14357 interest, or penalties on the contributions, or a claimant defaults in a repayment of benefit
14358 overpayments and penalties on the overpayments, the amount due shall be collectible by civil
14359 action in the name of the division, and the employer adjudged in default shall pay the costs of
14360 the action.

14361 (b) Civil actions brought under this section to collect contributions, interest, or
14362 penalties from an employer, or benefit overpayments and penalties from a claimant shall be:

14363 (i) heard by the court at the earliest possible date; and

14364 (ii) entitled to preference upon the calendar of the court over all other civil actions

14365 except:

14366 (A) petitions for judicial review under this chapter; and

14367 (B) cases arising under the workers' compensation law of this state.

14368 (c) (i) (A) To collect contributions, interest, or penalties, or benefit overpayments and
14369 penalties due from employers or claimants located outside Utah, the division may employ
14370 private collectors providing debt collection services outside Utah.

14371 (B) Accounts may be placed with private collectors only after the employer or claimant
14372 has been given a final notice that the division intends to place the account with a private
14373 collector for further collection action.

14374 (C) The notice shall advise the employer or claimant of the employer's or claimant's
14375 rights under this chapter and the applicable rules of the department.

14376 (ii) (A) A private collector may receive as compensation up to 25% of the lesser of the
14377 amount collected or the amount due, plus the costs and fees of any civil action or postjudgment
14378 remedy instituted by the private collector with the approval of the division.

14379 (B) The employer or claimant shall be liable to pay the compensation of the collector,
14380 costs, and fees in addition to the original amount due.

14381 (iii) A private collector is subject to the federal Fair Debt Collection Practices Act, 15
14382 U.S.C. Sec. 1692 et seq.

14383 (iv) (A) A civil action may not be maintained by a private collector without specific
14384 prior written approval of the division.

14385 (B) When division approval is given for civil action against an employer or claimant,
14386 the division may cooperate with the private collector to the extent necessary to effect the civil
14387 action.

14388 (d) (i) Notwithstanding Section 35A-4-312, the division may disclose the contribution,
14389 interest, penalties or benefit overpayments and penalties, costs due, the name of the employer
14390 or claimant, and the employer's or claimant's address and telephone number when any
14391 collection matter is referred to a private collector under Subsection (3)(c).

14392 (ii) A private collector is subject to the confidentiality requirements and penalty
14393 provisions provided in Section 35A-4-312 and Subsection 76-8-1301(4), except to the extent
14394 disclosure is necessary in a civil action to enforce collection of the amounts due.

14395 (e) An action taken by the division under this section may not be construed to be an
14396 election to forego other collection procedures by the division.

14397 (4) (a) In the event of a distribution of an employer's assets under an order of a court
14398 under the laws of Utah, including a receivership, assignment for benefits of creditors,
14399 adjudicated insolvency, composition, or similar proceedings, contributions then or thereafter
14400 due shall be paid in full prior to all other claims except taxes and claims for wages of not more
14401 than \$400 to each claimant, earned within five months of the commencement of the
14402 proceeding.

14403 (b) If an employer commences a proceeding in the Federal Bankruptcy Court under a
14404 chapter of 11 U.S.C. 101 et seq., as amended by the Bankruptcy Abuse Prevention and
14405 Consumer Protection Act of 2005, contributions, interest, and penalties then or thereafter due
14406 shall be entitled to the priority provided for taxes, interest, and penalties in the Bankruptcy

14407 Abuse Prevention and Consumer Protection Act of 2005.

14408 (5) (a) In addition and as an alternative to any other remedy provided by this chapter
14409 and provided that no appeal or other proceeding for review provided by this chapter is then
14410 pending and the time for taking it has expired, the division may issue a warrant in duplicate,
14411 under its official seal, directed to the sheriff of any county of the state, commanding the sheriff
14412 to levy upon and sell the real and personal property of a delinquent employer or claimant found
14413 within the sheriff's county for the payment of the contributions due, with the added penalties,
14414 interest, or benefit overpayment and penalties, and costs, and to return the warrant to the
14415 division and pay into the fund the money collected by virtue of the warrant by a time to be
14416 specified in the warrant, not more than 60 days from the date of the warrant.

14417 (b) (i) Immediately upon receipt of the warrant in duplicate, the sheriff shall file the
14418 duplicate with the clerk of the district court in the sheriff's county.

14419 (ii) The clerk shall enter in the judgment docket, in the column for judgment debtors,
14420 the name of the delinquent employer or claimant mentioned in the warrant, and in appropriate
14421 columns the amount of the contribution, penalties, interest, or benefit overpayment and
14422 penalties, and costs, for which the warrant is issued and the date when the duplicate is filed.

14423 (c) The amount of the docketed warrant shall:

14424 (i) have the force and effect of an execution against all personal property of the
14425 delinquent employer; and

14426 (ii) become a lien upon the real property of the delinquent employer or claimant in the
14427 same manner and to the same extent as a judgment duly rendered by a district court and
14428 docketed in the office of the clerk.

14429 (d) After docketing, the sheriff shall:

14430 (i) proceed in the same manner as is prescribed by law with respect to execution issued
14431 against property upon judgments of a court of record; and

14432 (ii) be entitled to the same fees for the sheriff's services in executing the warrant, to be
14433 collected in the same manner.

14434 (6) (a) Contributions imposed by this chapter are a lien upon the property of an
14435 employer liable for the contribution required to be collected under this section who shall sell
14436 out the employer's business or stock of goods or shall quit business, if the employer fails to
14437 make a final report and payment on the date subsequent to the date of selling or quitting

14438 business on which they are due and payable as prescribed by rule.

14439 (b) (i) An employer's successor, successors, or assigns, if any, are required to withhold
14440 sufficient of the purchase money to cover the amount of the contributions and interest or
14441 penalties due and payable until the former owner produces a receipt from the division showing
14442 that they have been paid or a certificate stating that no amount is due.

14443 (ii) If the purchaser of a business or stock of goods fails to withhold sufficient purchase
14444 money, the purchaser is personally liable for the payment of the amount of the contributions
14445 required to be paid by the former owner, interest and penalties accrued and unpaid by the
14446 former owner, owners, or assignors.

14447 (7) (a) If an employer is delinquent in the payment of a contribution, the division may
14448 give notice of the amount of the delinquency by registered mail to all persons having in their
14449 possession or under their control, any credits or other personal property belonging to the
14450 employer, or owing any debts to the employer at the time of the receipt by them of the notice.

14451 (b) A person notified under Subsection (7)(a) shall neither transfer nor make any other
14452 disposition of the credits, other personal property, or debts until:

14453 (i) the division has consented to a transfer or disposition; or

14454 (ii) 20 days after the receipt of the notice.

14455 (c) All persons notified under Subsection (7)(a) shall, within five days after receipt of
14456 the notice, advise the division of credits, other personal property, or other debts in their
14457 possession, under their control or owing by them, as the case may be.

14458 (8) (a) (i) Each employer shall furnish the division necessary information for the proper
14459 administration of this chapter and shall include wage information for each employee, for each
14460 calendar quarter.

14461 (ii) The information shall be furnished at a time, in the form, and to those individuals
14462 as the department may by rule require.

14463 (b) (i) Each employer shall furnish each individual worker who is separated that
14464 information as the department may by rule require, and shall furnish within 48 hours of the
14465 receipt of a request from the division a report of the earnings of any individual during the
14466 individual's base-period.

14467 (ii) The report shall be on a form prescribed by the division and contain all information
14468 prescribed by the division.

14469 (c) (i) For each failure by an employer to conform to this Subsection (8) the division
14470 shall, unless good cause is shown, assess a \$50 penalty if the filing was not more than 15 days
14471 late.

14472 (ii) If the filing is more than 15 days late, the division shall assess an additional penalty
14473 of \$50 for each 15 days, or a fraction of the 15 days that the filing is late, not to exceed \$250
14474 per filing.

14475 (iii) The penalty is to be collected in the same manner as contributions due under this
14476 chapter.

14477 (d) (i) The division shall prescribe rules providing standards for determining which
14478 contribution reports [~~must~~] shall be filed on magnetic or electronic media or in other
14479 machine-readable form.

14480 (ii) In prescribing these rules, the division:

14481 (A) may not require an employer to file contribution reports on magnetic or electronic
14482 media unless the employer is required to file wage data on at least 250 employees during any
14483 calendar quarter or is an authorized employer representative who files quarterly tax reports on
14484 behalf of 100 or more employers during any calendar quarter;

14485 (B) shall take into account, among other relevant factors, the ability of the employer to
14486 comply at reasonable cost with the requirements of the rules; and

14487 (C) may require an employer to post a bond for failure to comply with the rules
14488 required by this Subsection (8)(d).

14489 (9) (a) (i) An employer liable for payments in lieu of contributions shall file
14490 Reimbursable Employment and Wage Reports.

14491 (ii) The reports are due on the last day of the month that follows the end of each
14492 calendar quarter unless the division, after giving notice, changes the due date.

14493 (iii) A report postmarked on or before the due date is considered timely.

14494 (b) (i) Unless the employer can show good cause, the division shall assess a \$50
14495 penalty against an employer who does not file Reimbursable Employment and Wage Reports
14496 within the time limits set out in Subsection (9)(a) if the filing was not more than 15 days late.

14497 (ii) If the filing is more than 15 days late, the division shall assess an additional penalty
14498 of \$50 for each 15 days, or a fraction of the 15 days that the filing is late, not to exceed \$250
14499 per filing.

14500 (iii) The division shall assess and collect the penalties referred to in this Subsection
14501 (9)(b) in the same manner as prescribed in Sections 35A-4-309 and 35A-4-311.

14502 (10) If a person liable to pay a contribution or benefit overpayment imposed by this
14503 chapter neglects or refuses to pay it after demand, the amount, including any interest, additional
14504 amount, addition to contributions, or assessable penalty, together with any additional accruable
14505 costs, shall be a lien in favor of the division upon all property and rights to property, whether
14506 real or personal belonging to the person.

14507 (11) (a) The lien imposed by Subsection (10) arises at the time the assessment, as
14508 defined in the department rules, is made and continues until the liability for the amount
14509 assessed, or a judgment against the taxpayer arising out of the liability, is satisfied.

14510 (b) (i) The lien imposed by Subsection (10) is not valid as against a purchaser, holder
14511 of a security interest, mechanics' lien holder, or judgment lien creditor until the division files a
14512 warrant with the clerk of the district court.

14513 (ii) For the purposes of this Subsection (11)(b):

14514 (A) "Judgment lien creditor" means a person who obtains a valid judgment of a court
14515 of record for recovery of specific property or a sum certain of money, and who in the case of a
14516 recovery of money, has a perfected lien under the judgment on the property involved. A
14517 judgment lien does not include inchoate liens such as attachment or garnishment liens until
14518 they ripen into a judgment. A judgment lien does not include the determination or assessment
14519 of a quasi-judicial authority, such as a state or federal taxing authority.

14520 (B) "Mechanics' lien holder" means any person who has a lien on real property, or on
14521 the proceeds of a contract relating to real property, for services, labor, or materials furnished in
14522 connection with the construction or improvement of the property. A person has a lien on the
14523 earliest date the lien becomes valid against subsequent purchasers without actual notice, but not
14524 before the person begins to furnish the services, labor, or materials.

14525 (C) "Person" means:

14526 (I) an individual;

14527 (II) a trust;

14528 (III) an estate;

14529 (IV) a partnership;

14530 (V) an association;

- 14531 (VI) a company;
- 14532 (VII) a limited liability company;
- 14533 (VIII) a limited liability partnership; or
- 14534 (IX) a corporation.

14535 (D) "Purchaser" means a person who, for adequate and full consideration in money or
14536 money's worth, acquires an interest, other than a lien or security interest, in property which is
14537 valid under state law against subsequent purchasers without actual notice.

14538 (E) "Security interest" means any interest in property acquired by contract for the

14615 (3) If any nonprofit organization is delinquent in making payments in lieu of
14616 contributions as required under Subsection (2), the division may terminate the organization's

14641 (iv) (A) The division may, at any time, review the adequacy of the deposit made by any
14642 organization.

14643 (B) If, as a result of this review, the division determines that an adjustment is
14644 necessary, it shall require the organization to make an additional deposit within 30 days of
14645 written notice of the division's determination or shall return to it any portion of the deposit the
14646 division no longer considers necessary, as considered appropriate.

14647 (e) If any nonprofit organization fails to make a deposit, or to increase or make whole
14648 the amount of a previously made deposit, as provided under this Subsection (4), the division
14649 may terminate the organization's election to make payments in lieu of contributions.

14650 (f) (i) Termination under Subsection (4)(e) shall continue for not less than the
14651 four-consecutive-calendar-quarter period beginning with the quarter in which the termination
14652 becomes effective.

14653 (ii) The division may extend for good cause the applicable filing, deposit, or
14654 adjustment period by not more than 60 days.

14655 (5) (a) Each employer liable for payments in lieu of contributions shall pay to the
14656 division for the fund the amount of regular benefits plus the amount of [~~1/2~~] one-half of
14657 extended benefits paid that are attributable to service in the employ of the employer.

14658 (b) If benefits paid to an individual are based on wages paid by more than one
14659 employer and one or more of these employers are liable for payments in lieu of contributions,
14660 the amount payable to the fund by each employer liable for the payments shall be determined in
14661 accordance with Subsection (5)(c) or (d).

14662 (c) If benefits paid to an individual are based on wages paid by one or more employers
14663 who are liable for payments in lieu of contributions and on wages paid by one or more
14664 employers who are liable for contributions, the amount of benefits payable by each employer
14665 that is liable for payments in lieu of contributions shall be an amount that bears the same ratio
14666 to the total benefits paid to the individual as the total base-period wages paid to the individual
14667 by that employer bear to the total base-period wages paid to the individual by all of the
14668 individual's base-period employers.

14669 (d) If benefits paid to an individual are based on wages paid by two or more employers
14670 who are liable for payments in lieu of contributions, the amount of benefits payable by each of
14671 those employers shall be an amount which bears the same ratio to the total benefits paid to the
14672 individual as the total base-period wages paid to the individual by the employer bear to the total
14673 base-period wages paid to the individual by all of the individual's base-period employers.

14674 (6) (a) (i) Two or more employers who have become liable for payments in lieu of
14675 contributions, in accordance with this section and Subsection 35A-4-204(2)(d), may file a joint

14678 (ii) Each application shall identify and authorize a group representative to act as the
14679 group's agent for the purpose of this Subsection (6).

14680 (b) (i) Upon approval of the application, the division shall establish a group account for
14681 these employers effective as of the beginning of the calendar quarter in which it receives the
14682 application and shall notify the group's representative of the effective date of the account.

14683 (ii) This account shall remain in effect for not less than two contribution years and
14684 thereafter until terminated at the discretion of the division or upon application by the group.

14685 (c) Upon establishment of the account, each member of the group is liable for

14686 payments in lieu of contributions with respect to each calendar quarter in the amount that bears
14687 the same ratio to the total benefits paid in the quarter attributable to service performed in the
14688 employ of all members of the group as the total wages paid for service in employment by the
14689 member in the quarter bear to the total wages paid during the quarter for service performed in
14690 the employ of all members of the group.

14691 (d) The department shall prescribe rules, with respect to applications for establishment,
14692 maintenance, and termination of group accounts authorized by this Subsection (6), for addition
14693 of new members to, and withdrawal of active members from, these accounts, for the
14694 determination of the amounts that are payable under this Subsection (6) by members of the
14695 group, and the time and manner of these payments.

14696 (7) (a) An employing unit that acquires a nonprofit organization or substantially all the
14697 assets of a nonprofit organization that has elected reimbursable coverage as defined in
14698 Subsection (1), in accordance with rules made by the commission, shall be given the subject
14699 date of the transferring nonprofit organization, provided the transferring nonprofit organization
14700 ceases to operate as an employing unit at the point of acquisition.

14701 (b) The acquiring entity shall reimburse the Unemployment Compensation Fund for the
14702 transferring nonprofit organization's share of any unreimbursed benefits paid to former
14703 employees of the transferring nonprofit organization.

14717 (b) Any county, city, town, school district, political subdivision, or instrumentality
14718 thereof or Indian tribes or tribal units of the state, or combination of the foregoing, that is or
14719 becomes subject to this chapter may elect to become liable for payments in lieu of
14720 contributions for a period of not less than one contribution year beginning with the date on

14735 not terminate such election for a period of two contribution years.

14736 (e) The division may, for good cause, extend the period within which a notice of
14737 election or a notice of termination [~~must~~] shall be filed and may permit an election to be

14753 city, town, school district, political subdivision, or instrumentality thereof.

14754 (b) Payment of any bill rendered under Subsection (2)(a) shall be made not later than
14755 30 days after such bill was mailed to the governmental unit or tribal unit or was otherwise
14756 delivered to it, unless there has been an application for review and redetermination in
14757 accordance with Subsection (2)(c).

14758 (c) (i) The amount due specified in any bill from the division shall be conclusive on the
14759 governmental unit or tribal unit unless, no later than 15 days after the bill was mailed or

14767 or otherwise delivered to it, the governmental unit or tribal unit files an appeal, setting forth the

14774 (3) (a) If any governmental unit or tribal unit is delinquent in making payments in lieu
14775 of contributions as required under Subsection (2), the division may terminate the governmental
14776 unit's or tribal unit's election to make payment in lieu of contributions as of the beginning of

14778 contribution year.

14779 (b) (i) Failure of the Indian tribe or tribal unit to make required payments, including
14780 assessments of interest and penalty, within 90 days of receipt of a billing notice will cause the
14781 Indian tribe to lose the option to make payments in lieu of contributions, as described in
14782 Subsection 35A-4-311(1), for the following tax year unless payment in full is received before
14783 contribution rates for the next tax year are computed.

14784 (ii) Any Indian tribe that loses the option to make payments in lieu of contributions due
14785 to late payment or nonpayment, as described in Subsection (3)(b)(i), shall have the option
14786 reinstated if, after a period of one year:

14787 (A) all contributions have been made timely; and

14788 (B) no contributions, payments in lieu of contributions for benefits paid, penalties, or
14789 interest remain outstanding.

14790 (iii) Notices of payment and reporting delinquency to Indian tribes or their tribal units
14791 shall include information that failure to make full payment within the prescribed time frame:

14792 (A) will cause the Indian tribe to be liable for taxes under the Federal Unemployment

14794 (B) will cause the Indian tribe to lose the option to make payments in lieu of
14795 contributions.

14796 (4) Each governmental unit or tribal unit liable for payments in lieu of contributions
14797 shall pay to the division for the fund the amount of regular benefits plus the amount of
14798 extended benefits paid that are attributable to service in the employ of such governmental unit
14799 or tribal unit. Provided, that governmental units or tribal units electing payments in lieu of
14800 contributions shall, with respect to extended benefit costs for weeks of unemployment
14801 beginning prior to January 1, 1979, pay an amount equal to 50% of such costs and with respect
14802 to extended benefit costs for weeks of unemployment beginning on or after January 1, 1979,
14803 shall pay 100% of such costs. If benefits paid to an individual are based on wages paid by
14804 more than one employer and one or more of such employers are liable for payments in lieu of
14805 contributions, the amount payable to the fund by each employer liable for the payments shall be
14806 determined in accordance with Subsection (4)(a) or (4)(b).

14807 (a) If benefits paid to an individual are based on wages paid by one or more employers
14808 who are liable for payments in lieu of contributions and on wages paid by one or more
14809 employers who are liable for contributions, the amount of benefits payable by each employer

14810 that is liable for payments in lieu of contributions shall be an amount that bears the same ratio
14811 to the total benefits paid to the individual as the total base-period wages paid to the individual
14812 by such employer bear to the total base-period wages paid to the individual by all of his
14813 base-period employers.

14814 (b) If benefits paid to an individual are based on wages paid by two or more employers
14815 who are liable for payments in lieu of contributions, the amount of benefits payable by each
14816 such employer shall be an amount that bears the same ratio to the total benefits paid to the
14817 individual as the total base-period wages paid to the individual by such employer bear to the
14818 total base-period wages paid to the individual by all of his base-period employers.

14819 (5) (a) Two or more Indian tribe or tribal unit employers who have become liable for
14820 payments in lieu of contributions, in accordance with the provisions of this section and
14821 Subsection 35A-4-204(2)(d), may file a joint application to the division for the establishment
14822 of a group account for the purpose of sharing the cost of benefits paid that are attributable to
14823 service in the employ of these employers. Each application shall identify and authorize a group
14824 representative to act as the group's agent for the purpose of this Subsection (5).

14825 (b) Upon approval of the application, the division shall establish a group account for
14826 these employers effective as of the beginning of the calendar quarter in which it receives the
14827 application and shall notify the group's representative of the effective date of the account. This
14828 account shall remain in effect for not less than one contribution year and thereafter until
14829 terminated at the discretion of the division or upon application by the group.

14830 (c) Upon establishment of the account, each member of the group shall be liable for
14831 payments in lieu of contributions with respect to each calendar quarter in the amount that bears
14832 the same ratio to the total benefits paid in the quarter attributable to service performed in the
14833 employ of all members of the group as the total wages paid for service in employment by such
14834 member in the quarter bear to the total wages paid during the quarter for service performed in
14835 the employ of all members of the group.

14836 Section 340. Section **35A-4-404** is amended to read:
