40 *Be it enacted by the Legislature of the state of Utah:*

40a **Ĥ→ Section 1. Section 58-1-301.5 is amended to read:**

40b **58-1-301.5. Division access to Bureau of Criminal Identification records.**

40c (1) The division shall have direct access to criminal background information maintained by
40d the Bureau of Criminal Identification under Title 53, Chapter 10, Part 2, Bureau of Criminal
40e Identification, for background screening of licensure applicants as required in:

40f (a) Section 58-17b-307 of Title 58, Chapter 17b, Pharmacy Practice Act;

40g (b) Section 58-31b-302 of Title 58, Chapter 31b, Nurse Practice Act;

40h (c) Section 58-47b-302 of Title 58, Chapter 47b, Massage Therapy Practice Act;

40i (d) Section 58-55-302 of Title 58, Chapter 55, Utah Construction Trades Licensing Act, as it
40j applies to alarm companies and alarm company agents;

40k (e) Section 58-63-302 of Title 58, Chapter 63, Security Personnel Licensing Act; [and]

40l (f) Section 58-64-302 of Title 58, Chapter 64, Deception Detection Examiners Licensing

40m Act [-] ; and

40n (g) Section 58-61-702, of Title 58, Chapter 61, Part 7, Prescriptive Authority for Licensed
40o Psychologists.

40p (2) The division access under Subsection (1) shall be:

40q (a) in accordance with Section 53-10-108; and

40r (b) to all convictions, pleas of nolo contendere, pleas of guilty or nolo contendere held in
40s abeyance, all dismissed charges, and charges without a known disposition. ←Ĥ

41 Section **Ĥ→ [†] 2 ←Ĥ** . Section **58-61-306** is amended to read:

42 **58-61-306. Continuing education.**

[By rule made under Section 58-1-203, the division may]

The division shall adopt administrative rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, and Section 58-1-203 to:

(1) establish a continuing education requirement as a condition for renewal of a license under this chapter upon finding continuing education is necessary to reasonably protect the public health, safety, or welfare[-]; and

(2) establish continuing education requirements for renewal of a psychologist prescription certificate that shall include at a minimum 48 hours of continuing education for each renewal cycle, with 12 of the 48 hours related to pharmacology.

Section ~~58-61-501~~ **3** is amended to read:

58-61-501. Unlawful conduct.

As used in this chapter, "unlawful conduct" includes:

(1) practice of psychology unless licensed as a psychologist or certified psychology resident under this chapter or exempted from licensure under this title;

(2) practice of mental health therapy by a licensed psychologist who has not acceptably documented to the division his completion of the supervised training in psychotherapy required

under Subsection 58-61-304(1)(f); ~~or~~

(3) representing oneself as or using the title of psychologist, or certified psychology resident unless currently licensed under this chapter~~[-]; or~~

(4) practice inconsistent with the provisions of Part 7, Prescriptive Authority for Licensed Psychologists.

Section ~~H~~→ [3] 4 ~~←H~~ . Section **58-61-701** is enacted to read:

Part 7. Prescriptive Authority for Licensed Psychologists

58-61-701. Definitions.

As used in this part:

(1) "Collaboration" means a process that involves a prescribing psychologist and a primary care provider working together to provide comprehensive care to a patient.

(2) "Conditional prescription certificate" means a document issued by the division to a psychologist that allows the psychologist to prescribe psychotropic medications under the supervision of:

(a) a prescribing psychologist; or

(b) a practitioner as defined in Section 58-17b-103.

(3) "Prescribe" is as defined in Section 58-17b-102.

(4) "Prescribing psychologist" means a psychologist who:

(a) is licensed under this chapter; and

(b) holds a current prescription certificate under this part.

(5) "Prescriptive authority" means a psychologist who is licensed under this chapter and authorized under this part to prescribe and administer psychotropic drugs in the course of professional practice.

(6) "Psychotropic medication" means a controlled substance or drug that:

(a) may not be dispensed or administered without a prescription; and

(b) is customarily used for the treatment of psychiatric, mental, cognitive, nervous, emotional, personality, or behavioral disorders as defined by the current Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association, or the current edition of the International Statistical Classification of Diseases and Related Health Problems published by the World Health Organization.

Section ~~H~~→ [4] 5 ~~←H~~ . Section **58-61-702** is enacted to read:

58-61-702. Prescription certificate required.

A prescription certificate issued in accordance with the provisions of this part is required for a psychologist to prescribe a psychotropic medication in collaboration with a primary care provider.

Section ~~H~~→ [5] 6 ~~←H~~ . Section **58-61-703** is enacted to read:

58-61-703. Qualifications for conditional prescription certificate -- Expiration of certificate.

(1) A psychologist may apply to the division for a conditional prescription certificate if the psychologist:

(a) submits an application to the division in a form prescribed by the division;

(b) pays a fee as determined by the division in accordance with Section 63J-1-504;

(c) produces satisfactory evidence of good moral character as it relates to the psychologist's ability to practice as a prescribing psychologist;

(d) completes a criminal background check ~~H~~→ under the provisions of

Section 58-1-301.5 ~~←H~~ and is free from criminal convictions ~~H~~→ [as

required by Subsections (3) and (4)] ~~←H~~ ;

(e) (i) has at least a master's degree in clinical psychopharmacology from an institution accredited by a regional accreditation organization recognized by the United States Department of Education; or

(ii) has successfully completed:

(A) the United States Department of Defense Psychopharmacology Demonstration Project; or

(B) a program similar to the program described in Subsection (1)(e)(ii)(A) that is operated by any branch of the Armed Forces of the United States; and

(f) has successfully passed an examination that:

(i) is developed by a nationally recognized organization;

(ii) is approved by the board; and

(iii) tests the applicant's knowledge of pharmacology in the diagnosis, care, and treatment of psychiatric, mental, cognitive, nervous, emotional, personality, or behavioral disorders.

(2) (a) A psychologist may hold a conditional prescription certificate for two years.

(b) When the initial two-year conditional prescription certificate expires, a psychologist

may re-apply for a conditional prescription certificate for one additional two-year term if the applicant demonstrates to the board that the applicant:

(i) made significant progress towards completing the requirements for the prescription certificate during the initial two-year conditional prescription certificate; and

(ii) has a compelling reason for not completing the requirements for the prescription certificate within the initial two-year term.

~~§→ [(3) To determine if an applicant meets the qualifications of Subsection (1)(c) or (d), the division shall provide an appropriate number of copies of fingerprint cards to the Department of Public Safety with the division's request to:~~

~~—— (a) conduct a search of records of the Department of Public Safety for criminal history information relating to each applicant for certification under this part; and~~

~~—— (b) forward to the Federal Bureau of Investigation a fingerprint card of each applicant requiring a check of records of the FBI for criminal history information under this section.~~

~~—— (4) The Department of Public Safety shall send to the division:~~

~~—— (a) a written record of criminal history, or certification of no criminal history record, as contained in the records of the Department of Public Safety in a timely manner after receipt of a fingerprint card from the division and a request for review of Department of Public Safety records; and~~

~~—— (b) the results of the FBI review concerning an applicant in a timely manner after receipt of information from the FBI.]~~

~~[(5)] (3) ←§~~ (a) The division shall charge each applicant a fee, in accordance with Section 63J-1-504, equal to the cost of performing the records reviews under this section.

(b) The division shall pay the Department of Public Safety the costs of all records reviews, and the Department of Public Safety shall pay the FBI the costs of records reviews under this part.

~~§→ [(6)] (4) ←§~~ Information obtained by the division from the reviews of criminal history records of the Department of Public Safety and the FBI shall be used or disseminated by the division only for the purpose of determining if an applicant for licensure under this part is qualified for certification.

Section ~~§→ [6] 7 ←§~~ . Section 58-61-704 is enacted to read:

58-61-704. Qualifications for prescription certificate.

A licensed psychologist with a current conditional prescription certificate may apply to the division for a prescription certificate. An applicant shall:

(1) submit an application in the form prescribed by the division;

(2) demonstrate completion of, in no less than six months and no more than 12 months, a supervised clinical experience of at least 200 hours, including differential diagnosis and applied pharmacological management of patients congruent with the speciality role sought;

(3) receive an independent peer review that is approved by the board and adopted by the division by administrative rule;

(4) hold adequate malpractice insurance as determined by the board and adopted by the division by administrative rule; and

(5) meet other requirements as determined by the board and adopted by the division by administrative rule.

Section ~~H~~→ [7] ~~8~~ ←~~H~~ . Section **58-61-705** is enacted to read:

58-61-705. Conditional prescription certificate -- Supervising prescriber.

(1) A psychologist who holds a conditional prescription certificate may prescribe psychotropic medication for the treatment of a psychiatric, mental, cognitive, nervous, emotional, personality, or behavioral disorder:

(a) under the supervision of a prescribing practitioner who is knowledgeable in the administration of psychotropic drugs; and

(b) in accordance with Section 58-61-706.

(2) During the period of supervision under Subsection (1), the person supervising the psychologist is responsible for the acts and omissions related to the prescribing of psychotropic medications by the psychologist.

Section ~~H~~→ [8] ~~9~~ ←~~H~~ . Section **58-61-706** is enacted to read:

58-61-706. Psychologist prescription certificate -- Limitations -- Laboratory testing.

(1) A psychologist who has a prescription certificate or a conditional prescription certificate may prescribe a psychotropic medication to a patient for treatment or management of a psychiatric, mental, cognitive, nervous, emotional, personality, or behavioral disorder if the disorder to be treated is:

(a) listed in the most recent edition of the:

183 (i) Diagnostic and Statistical Manual of Mental Disorders published by the American
184 Psychiatric Association; or

185 (ii) International Statistical Classification of Diseases and Related Health Problems
186 published by the World Health Organization; and

187 (b) the prescribing psychologist is working in collaboration with the patient's primary
188 care provider to ensure that:

189 (i) necessary medical examinations are conducted;

190 (ii) the prescribing psychologist and primary care provider communicate, in a timely
191 manner:

192 (A) the patient's current medical status;

193 (B) any known contraindications to psychotropic medications; and

194 (C) any significant changes in the patient's medical or psychological condition; and

195 (iii) the prescribing psychologist informs the primary care provider, in a timely manner,
196 of psychotropic medications prescribed by the prescribing psychologist.

197 (2) A prescribing psychologist may order and interpret a laboratory test if the
198 laboratory test is necessary for adequate pretreatment health screening and treatment
199 maintenance, including monitoring potential side effects associated with psychotropic
200 medications prescribed by the prescribing psychologist.

201 (3) (a) The prescribing psychologist shall document the collaboration required by
202 Subsection (1)(b) in the clinical record of the patient for whom the psychologist prescribed a
203 psychotropic medication.

204 (b) A primary care provider who is in a collaborative relationship with a prescribing
205 psychologist shall document the collaboration required by Subsection (1)(b) in the primary care
206 provider's clinical record for the patient.

207 (4) The division shall adopt administrative rules in accordance with Title 63G, Chapter
208 3, Utah Administrative Rulemaking Act, to implement this section.

209 Section ~~H~~→ [9] 10 ←~~H~~ . Section **58-61-707** is enacted to read:

210 **58-61-707. Term of license -- Expiration -- Renewal.**

211 The division shall issue each prescription certificate under this chapter in accordance
212 with a two-year renewal cycle established by the division by administrative rule. A license
213 automatically expires on the expiration date shown on the license unless renewed by the
