MOTOR VEHICLE EMISSIONS AMENDMENTS
2011 GENERAL SESSION
STATE OF UTAH
Chief Sponsor: Francis D. Gibson
Senate Sponsor: Margaret Dayton
LONG TITLE
General Description:
This bill modifies the Motor Vehicles Code by amending provisions relating to motor
vehicle emissions.
Highlighted Provisions:
This bill:
 provides that certain county regulations and ordinances shall be compliant with the
analyzer design and certification requirements contained in the state implementation
plan; and
makes technical changes.
Money Appropriated in this Bill:
None
Other Special Clauses:
This bill provides an immediate effective date.
Utah Code Sections Affected:
AMENDS:
41-6a-1642 , as last amended by Laws of Utah 2010, Chapter 295
Be it enacted by the Legislature of the state of Utah:
Section 1. Section 41-6a-1642 is amended to read:
41-6a-1642. Emissions inspection County program.
(1) The legislative body of each county required under federal law to utilize a motor
vehicle emissions inspection and maintenance program or in which an emissions inspection

50	and maintenance program is necessary to attain or maintain any national amolent air quanty
31	standard shall require:
32	(a) a certificate of emissions inspection, a waiver, or other evidence the motor vehicle
33	is exempt from emissions inspection and maintenance program requirements be presented:
34	(i) as a condition of registration or renewal of registration; and
35	(ii) at other times as the county legislative body may require to enforce inspection
36	requirements for individual motor vehicles, except that the county legislative body may not
37	routinely require a certificate of emission inspection, or waiver of the certificate, more often
38	than required under Subsection (6); and
39	(b) compliance with this section for a motor vehicle registered or principally operated
40	in the county and owned by or being used by a department, division, instrumentality, agency, or
41	employee of:
42	(i) the federal government;
43	(ii) the state and any of its agencies; or
14	(iii) a political subdivision of the state, including school districts.
45	(2) (a) The legislative body of a county identified in Subsection (1), in consultation
46	with the Air Quality Board created under Section 19-1-106, shall make regulations or
1 7	ordinances regarding:
48	(i) emissions standards;
19	(ii) test procedures;
50	(iii) inspections stations;
51	(iv) repair requirements and dollar limits for correction of deficiencies; and
52	(v) certificates of emissions inspections.
53	(b) The regulations or ordinances shall:
54	(i) be made to attain or maintain ambient air quality standards in the county, consistent
55	with the state implementation plan and federal requirements; [and]
56	(ii) may allow for a phase-in of the program by geographical area[-]; and
57	(iii) be compliant with the analyzer design and certification requirements contained in

(A) for the transportation of farm products, including livestock and its products, poultry and its products, floricultural and horticultural products; and

- (B) in the transportation of farm supplies, including tile, fence, and every other thing or commodity used in agricultural, floricultural, horticultural, livestock, and poultry production and maintenance.
- (b) The county shall provide to the registered owner who signs and submits a signed statement under this section a certificate of exemption from emission inspection requirements for purposes of registering the exempt vehicle.
- (5) (a) Subject to Subsection (5)(c), the legislative body of each county required under federal law to utilize a motor vehicle emissions inspection and maintenance program or in which an emissions inspection and maintenance program is necessary to attain or maintain any national ambient air quality standard may require each college or university located in a county subject to this section to require its students and employees who park a motor vehicle not registered in a county subject to this section to provide proof of compliance with an emissions inspection accepted by the county legislative body if the motor vehicle is parked on the college or university campus or property.
- (b) College or university parking areas that are metered or for which payment is required per use are not subject to the requirements of this Subsection (5).
- (c) The legislative body of a county shall make the reasons for implementing the provisions of this Subsection (5) part of the record at the time that the county legislative body takes its official action to implement the provisions of this Subsection (5).
- (6) (a) An emissions inspection station shall issue a certificate of emissions inspection for each motor vehicle that meets the inspection and maintenance program requirements established in rules made under Subsection (2).
- (b) The frequency of the emissions inspection shall be determined based on the age of the vehicle as determined by model year and shall be required annually subject to the provisions of Subsection (6)(c).
 - (c) (i) To the extent allowed under the current federally approved state implementation
