32 *Be it enacted by the Legislature of the state of Utah:*

33 Section 1. Section **58-67-302.7** is enacted to read:

34 **58-67-302.7. Licensing of physician-educators.**

35 (1) As used in this section:

36 (a) "Foreign country" means a country other than the United States, its territories, or  
37 Canada.

38 (b) "Foreign medical school" means a medical school that is outside the United States,  
39 its territories, and Canada.

40 (2) Notwithstanding any provision of law to the contrary, an individual may receive a  
41 type I foreign teaching license if the individual:

42 (a) submits an application in a form prescribed by the division, which may include:

43 (i) submission by the applicant of information maintained in a practitioner data bank,  
44 as designated by division rule, with respect to the applicant;

45 (ii) a record of professional liability claims made against the applicant and settlements  
46 paid by or on behalf of the applicant; and

47 (iii) the applicant's curriculum vitae;

48 (b) is a graduate of a foreign medical school that is accepted for certification by the  
49 Educational Commission for Foreign Medical Graduates;

50 (c) is licensed in good standing in a foreign country, the United States, its territories, or  
51 Canada.

52 (d) does not have an investigation or action pending against the physician's healthcare  
53 license, does not have a healthcare license that was suspended or revoked, and has not  
54 surrendered a healthcare license in lieu of disciplinary action, unless:

55 (i) the license was subsequently reinstated in good standing;

56 (ii) the division in collaboration with the board determines to its satisfaction, after full

57 disclosure by the applicant and full consideration by the division in collaboration with the  
58 board, that the conduct has been corrected, monitored, and resolved; or  
59 (iii) a mitigating circumstance exists that prevents resolution;  
60 (e) submits documentation of legal status to work in the United States;  
61 (f) meets at least three of the following qualifications:  
62 (i) (A) published original results of clinical research, within 10 years before the day on  
63 which the application is submitted, in a medical journal listed in the Index Medicus or an  
64 equivalent scholarly publication; and  
65 (B) submits the publication to the Board in English or in a foreign language with a  
66 verifiable, certified English translation;  
67 (ii) held an appointment at a medical school approved by the LCME or at any medical  
68 school listed in the World Health Organization directory at the level of associate or full  
69 professor, or its equivalent, for at least five years;  
70 (iii) (A) developed a treatment modality, surgical technique, or other verified original  
71 contribution to the field of medicine within 10 years before the day on which the application  
72 was submitted; and  
73 (B) has the treatment modality, surgical technique, or other verified original  
74 contribution attested to by the dean of an LCME accredited school of medicine in Utah;  
75 (iv) actively practiced medicine cumulatively for 10 years; or  
76 (v) is a member in good standing of a board of the American Board of Medical  
77 Specialities or equivalent specialty board;  
78 (g) is of good moral character;  
79 (h) is able to read, write, speak, understand, and be understood in the English language  
80 and demonstrates proficiency to the satisfaction of the division in collaboration with the board,  
81 if requested;  
82 (i) is invited by an LCME accredited medical school in Utah to serve as a full-time  
83 member of the medical school's academic faculty, as evidenced by written certification from:  
84 (i) the dean of the medical school, stating that the applicant has been appointed to a  
85 full-time faculty position, that because the applicant has unique expertise in a specific field of  
86 medicine the medical school considers the applicant to be a valuable member of the faculty,  
87 and that the applicant is qualified by knowledge, skill, and ability to practice medicine in the

88 state; and

89 (ii) the head of the department to which the applicant is to be appointed, stating that the  
90 applicant will be under the direction of the head of the department and will be permitted to  
91 practice medicine only as a necessary part of the applicant's duties, providing detailed evidence  
92 of the applicant's qualifications and competence, including the nature and location of the  
93 applicant's proposed responsibilities, reasons for any limitations of the applicant's practice  
94 responsibilities, and the degree of supervision, if any, under which the applicant will function;

95 (j) pays a licensing fee determined by the division under 63J-1-504; and

96 (k) has practiced medicine for at least 10 years as an attending physician.

97 (3) Notwithstanding any provision of law to the contrary, any individual may receive a  
98 type II foreign teaching license if the individual:

99 (a) satisfies the requirements of Subsections 2(a) through (e) and (g) through (j); and

100 (b) has delivered clinical care to patients cumulatively for five years after gradation  
101 from medical school.

102 (4) After an initial term of one year, a type I license may be renewed for periods of two  
103 years if the licensee continues to satisfy the requirements described in Subsection (2) and  
104 completes the division's continuing education renewal requirements established under Section  
105 58-67-303.

106 (5) A type II license may be renewed on an annual basis, up to four times, if the  
107 licensee continues to satisfy the requirements described in Subsection (3) and completes the  
108 division's continuing education renewal requirements established under Section 58-67-303.

109 (6) A licence issued under this section:

110 (a) authorizes the licensee to practice medicine:

111 (i) within the scope of the licensee's employment at the medical school described in  
112 Subsection (2)(i) and the licensee's academic position; and

113 (ii) at a hospital or clinic affiliated with the medical school described in Subsection  
114 (2)(i) for the purpose of teaching, clinical care, or pursuing research;

115 (b) shall list the limitations described in Subsection (6)(a); and

116 (c) shall expire on the earlier of:

117 (i) one year after the day on which the type I or type II license is initially issued;

118 (ii) two years after the day on which the type I license was renewed; or

119 (iii) the day on which employment at the medical school described in Subsection (2)(i)  
120 ends.

121 (7) A person who holds a type I license for five consecutive years may apply for  
122 licensure as a physician and surgeon in this state and shall be licensed if the individual satisfies  
123 the requirements described in Subsection (8). If the person fails to obtain licensure as a  
124 physician and surgeon in this state, the person may apply for a renewal of the type I license  
125 under Subsection (2).

126 (8) A person who holds a type I or type II license for five consecutive years is eligible  
127 for licensure as a physician and surgeon in this state if the person:

128 (a) obtains certification from the Educational Commission for Foreign Medical  
129 Graduates or any successor organization approved by the division in collaboration with the  
130 board;

131 (b) obtains a passing score on the final step of the licensing examination sequence  
132 required by division rule made in collaboration with the board; and

133 (c) satisfies the requirements described in Subsections 58-67-302(1)(a) through (c) and  
134 (h) through (k).

135 (9) If a person who holds a type II license fails to obtain licensure as a physician and  
136 surgeon in this state after applying under the procedures described in Subsection (8), the person  
137 may not:

138 (a) reapply for or renew a type II license; or

139 (b) apply for a type I license.

140 (10) The division or the board may require an applicant for licensure under this section  
141 to meet with the board and representatives of the division for the purpose of evaluating the  
142 applicant's qualifications for licensure.

143 (11) The division in collaboration with the board may withdraw a license under this  
144 section at any time for material misrepresentation or unlawful or unprofessional conduct.

145 Section 2. Section **58-67-303** is amended to read:

146 **58-67-303. Term of license -- Expiration -- Renewal.**

147 (1) (a) [~~The~~] Except as provided in Section 58-67-302.7, the division shall issue each  
148 license under this chapter in accordance with a two-year renewal cycle established by division  
149 rule.

150 (b) The division may by rule extend or shorten a renewal period by as much as one year  
151 to stagger the renewal cycles it administers.

152 (2) At the time of renewal, the licensee shall show compliance with:

153 (a) continuing education renewal requirements; and

154 (b) the requirement for designation of a contact person and alternate contact person for  
155 access to medical records and notice to patients as required by Subsections 58-67-304(1)(b)  
156 and (c).

157 (3) Each license issued under this chapter expires on the expiration date shown on the  
158 license unless renewed in accordance with Section 58-1-308.

159 Section 3. Section **58-67-502** is amended to read:

160 **58-67-502. Unprofessional conduct.**

161 "Unprofessional conduct" includes, in addition to the definition in Section 58-1-501,  
162 using or employing the services of any individual to assist a licensee in any manner not in  
163 accordance with the generally recognized practices, standards, or ethics of the profession, state  
164 law, or division rule, or making a material misrepresentation regarding the qualifications for  
165 licensure under Section 58-67-302.7.

2011 GENERAL SESSION, STATE OF UTAH

## STATE GOVERNMENT (UCA 36-12-13(2)(b))

Enactment of this legislation will result in revenue of \$500 in FY 2012 and \$1,000 in odd-numbered years thereafter. Commerce Department expenses associated with the new licensure are estimated at \$400 in FY 2012 and \$500 annually thereafter. Commerce Service Fund revenue and expenditures affect the annual transfer to the General Fund. As such, this bill will result in transfers to the General Fund of \$100 in FY 2012 and \$500 in FY 2013 and every odd-numbered year after that. Transfers to the General Fund will decrease by \$500 in even-numbered years after FY 2013.

## STATE BUDGET DETAIL TABLE

	FY 2011	FY 2012	FY 2013
<b>Revenue:</b>			
General Fund	\$0	\$100	\$500
Commerce Service Fund	\$0	\$400	\$500
Total Revenue	\$0	\$500	\$1,000
<b>Expenditure:</b>			
Commerce Service Fund	\$0	\$400	\$500
Total Expenditure	\$0	\$400	\$500
Net Impact, All Funds (Rev.-Exp.)	\$0	\$100	\$500
Net Impact, General/Education Funds	\$0	\$100	\$500

## LOCAL GOVERNMENTS (UCA 36-12-13(2)(c))

Enactment of this bill likely will not result in direct, measurable costs for local governments.

## DIRECT EXPENDITURES BY UTAH RESIDENTS AND BUSINESSES (UCA 36-12-13(2)(d))

Enactment of this legislation would require an estimated five licensees to pay the \$100 application fee in FY 2012. An additional five applicants are expected in FY 2013, together with the renewal of the original five licensees.
