LONG TITLE

General Description:

This joint resolution of the Legislature supports jail expansion in San Juan County.

Highlighted Provisions:

This resolution:

- ▶ supports jail expansion as beneficial to both the state and to San Juan County through a contract with the Utah Department of Corrections; and
- ▶ approves expansion of the San Juan jail facility from 70 to 150 beds.

Special Clauses:

None

Be it resolved by the Legislature of the state of Utah:

WHEREAS, counties in Utah contract with the Utah Department of Corrections to provide prison bed space for state prisoners;

WHEREAS, this contracting arrangement has proved beneficial to both the state and the counties and saved taxpayers from the burden of building new state correctional facilities while at the same time assisting counties to meet their own correctional space needs;

WHEREAS, in accordance with Utah Code Annotated, Subsection 64-13e-103(6), the Utah Department of Corrections may not enter into a contract with a county to house state inmates unless the Legislature has previously passed a joint resolution that includes the

28 approximate number of beds to be contracted, the final state daily incarceration rate, the
29 approximate amount of the county's long-term debt, and the repayment time of the debt for the
30 facility where the inmates are to be housed;

31 WHEREAS, the Utah Department of Corrections currently utilizes 70 contract beds
32 with San Juan County and the county presently provides treatment to these inmates with
33 minimal additional funding from the department;

34 WHEREAS, the approximate number of additional beds to be contracted in San Juan
35 County is 80;

36 WHEREAS, San Juan County is committed to providing treatment services for these
37 additional state inmates;

38 WHEREAS, the state daily incarceration rate that the department will pay the county
39 per inmate is currently \$45 per day;

40 WHEREAS, San Juan County plans to finance the prison expansion through a \$4-5
41 million grant from the Utah Permanent Community Impact Fund Board and a \$4-5 million loan
42 from the board on a 20-year repayment schedule;

43 WHEREAS, this planning cannot begin until authorization to build is received, and the
44 Utah Department of Corrections will report this information to the Legislature as soon as it is
45 determined; and

46 WHEREAS, contracting with the Utah Department of Corrections for additional prison
47 bed space would greatly assist the state in addressing projected bed space and treatment needs
48 and San Juan County's efforts to have sufficient capacity to house its prison populations:

49 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah
50 supports jail expansion of the San Juan facility as beneficial to both the state and to San Juan
51 County.

52 BE IT FURTHER RESOLVED that a copy of this resolution be sent to the San Juan
53 County Commission and to the Utah Department of Corrections.
