48 **53A-1-410**, Utah Code Annotated 1953

50 *Be it enacted by the Legislature of the state of Utah:*

51 Section 1. Section **53A-1-410** is enacted to read:

52 **53A-1-410. Pilot online school survey system.**

53 (1) As used in this section, "board" means the State Board of Education.

54 (2) (a) Beginning with the 2012-13 school year, the State Board of Education shall
55 establish a three-year pilot online school survey system in consultation with representatives of
56 local school boards, charter school governing boards, school district and school administrators,
57 teachers, and parents.

58 (b) The board shall develop the technology, or contract with a provider selected
59 through a request for proposals process to provide the technology, for the pilot online school
60 survey system to be used by the board, a school district, or a school.

61 (3) The purposes of the pilot online school survey system are to:

62 (a) provide information to school districts and schools on how to better serve and meet
63 the needs of students and parents;

64 (b) allow school districts and schools to monitor progress of school improvement
65 efforts; and

66 (c) provide data that may be used as part of a school district's or school's educator
67 evaluation system and inform decisions about employment and professional development.

68 (4) The pilot online school survey system shall include:

69 (a) age appropriate surveys for students to evaluate each of their teachers;

70 (b) age appropriate surveys for students to evaluate their school's administrators;

71 (c) a survey for parents to evaluate their children's teachers;

72 (d) a survey for parents to evaluate their children's schools and administrators,
73 including whether the school or administrators solicited parent involvement in the school;

74 (e) a survey for parents to self-evaluate their participation in their children's education,
75 including attendance at parent teacher conferences, involvement in the school, and involvement
76 in their children's homework;

77 (f) a survey for teachers to evaluate their school, including safety and security of the
78 school;

79 (g) a survey for teachers to evaluate their school's administrators and, if applicable,
80 their school district's administrators;

81 (h) statistically valid and reliable measurement tools; and

82 (i) survey questions that represent information that a student, parent, or teacher has
83 direct knowledge of.

84 (5) (a) Except as provided in Subsection (5)(b), the pilot online school survey
85 instruments shall be uniform statewide to allow for comparison of:

86 (i) survey results statewide; and

87 (ii) survey results from year to year.

88 (b) The State Board of Education may allow a school participating in the pilot program
89 to create a supplement to the pilot online school survey instrument that includes items specific
90 to the school.

91 (6) (a) The board shall select a sampling of schools to participate in and administer the
92 pilot online school survey to students, parents, and teachers.

93 (b) The sampling of urban and rural schools selected by the board shall:

94 (i) represent at least 5% of total state enrollment in public schools; and

95 (ii) include at least:

96 (A) eight elementary schools;

97 (B) eight junior high or middle schools;

98 (C) eight high schools; and

99 (D) five charter schools.

100 (c) The schools selected in Subsection (6)(b)(ii) shall be selected from at least five
101 school districts.

102 (d) Except as provided in Subsection (6)(e), a participating school shall survey all of
103 the students enrolled in the participating school.

104 (e) A participating school shall survey:

105 (i) students in grades 1 and 2 if considered appropriate;

106 (ii) students in grades 3 through 12; and

107 (iii) parents and teachers of students in kindergarten through grade 12.

108 (7) (a) A participating school shall, annually for an elementary school or semi-annually
109 for a secondary school:

110 (i) administer online student surveys of teachers for each of a student's teachers;

111 (ii) make available to parents online access to surveys, which they may complete for
112 each their children's teachers and schools; and

113 (iii) make available to teachers online access to a survey of their school, which they

114 may complete.

115 (b) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
116 State Board of Education shall make rules establishing procedures for administering or making
117 available online the surveys specified in Subsection (7)(a), including rules to ensure the privacy
118 and protection of individual educator survey results.

119 (8) The survey data shall be available to:

120 (a) the State Board of Education for the purpose of analyzing and aggregating the
121 survey data; and

122 (b) school district and school administrators for the purposes stated in Subsection (2).

123 (9) On or before the November meeting of the Education Interim Committee in 2012,
124 the State Board of Education shall report:

125 (a) the names of the participating schools;

126 (b) the identity of the provider selected through the request for proposals process; and

127 (c) the progress of the pilot online school survey system.

128 (10) On or before the November meeting of the Education Interim Committee in 2013
129 and 2014, the State Board of Education shall report:

130 (a) the response rate of students, parents, and teachers in each of the participating
131 schools; and

132 (b) the reliability of the pilot online school survey system as an evaluation tool.
