Be it enacted by the Legislature of the state of Utah:

Section 1. Section **26-9-5** is enacted to read:

26-9-5. Rural County Health Care Special Service District Retirement Grant

Program.

(1) As used in this section:

(a) "Participating employer" means an employer that was required to participate in the Utah State Retirement System under Sections 49-12-201, 49-12-202, 49-13-201, or 49-13-202.

(b) "Retirement liability" means an obligation in excess of \$750,000 owed to the Utah State Retirement Office by a rural county health care special service district as a participating employer.

(c) "Rural county health care special service district" means a special service district formed to provide health care in a third, fourth, fifth, or sixth class county as defined in Section 17-50-501.

(2) Because there is a compelling statewide public purpose in promoting health care in Utah's rural counties, and particularly in ensuring the continued existence and financial viability of hospital services provided by rural county health care special service districts, there is created a grant program to assist rural county health care special service districts in meeting a retirement liability.

(3) (a) Subject to legislative appropriation and this Subsection (3), the department shall make grants to rural county health care special service districts.

(b) To qualify for a grant, a rural county health care special service district shall:

(i) file a grant application with the department detailing:

(A) the name of the rural county health care special service district;

(B) the estimated total amount of the retirement liability;

(C) the grant amount that the rural county health care special service district is requesting; and

(D) the amount of matching funds to be provided by the rural county health care special service district to help fund the retirement liability as required by Subsection (3)(d); and

(ii) commit to provide matching funds as required by Subsection (3)(d).

(c) The department shall review each grant application and, subject to legislative

59 appropriation, award grants to each rural health care special service district that qualifies for a
60 grant under Subsection (3)(b).

61 (d) The department may not award a grant to a rural county health care special service
62 district unless the rural county health care special service district commits to provide matching
63 funds to the grant equal to at least 40% of the amount of the grant.

64 **Section 2. Appropriation.**

65 Under the terms and conditions of Title 63J, Chapter 1, Budgetary Procedures Act, the
66 following sums of money are appropriated from resources not otherwise appropriated, or
67 reduced from amounts previously appropriated, out of the funds or accounts indicated for the
68 fiscal year beginning July 1, 2012 and ending June 30, 2013. These are additions to any
69 amounts previously appropriated for fiscal year 2013.

70 To Department of Health - Family Health and Preparedness

71 From General Fund, one-time \$900,000

72 Schedule of Programs:

73 Rural County Health Care Special Service

74 District Retirement Grant Program \$900,000

75 The Legislature intends that, under Section 63J-1-603 of the Utah Code, appropriations

77 **Section 3. Effective date.**

78 This bill takes effect on July 1, 2012.
