25                   WHEREAS, the United States Congress authorized the state of Utah to receive 37.5%  
26 of the royalties from the production of mineral leases on that portion of the Navajo Reservation  
27 in Utah, to be expended for the benefit of the Navajo residents of San Juan County, Utah;

28 WHEREAS, oil and gas was discovered in commercial quantities within the boundaries

30 until the current day;

31 WHEREAS, the state of Utah has managed the royalty receipts for the health,  
32 education, and welfare of Utah Navajos since that time;

33 WHEREAS, the state of Utah managed the funds for many years through a state  
34 governmental entity known as the Navajo Trust Fund (Fund);

35 WHEREAS, the state of Utah indicated its desire to resign as trustee of the fund in the  
36 2008 General Session of the Utah Legislature in order to allow the Utah Navajo residents of  
37 San Juan County the ability to manage the royalty receipts themselves;

38 WHEREAS, the Navajo Trust Fund was repealed, effective June 30, 2008, and  
39 authority to manage the funds was transferred to the Department of Administrative Services,  
40 which created the Utah Navajo Royalties Holding Fund to manage expenditures until a  
41 successor management entity could be Congressionally authorized;

42 WHEREAS, the Navajo Trust Fund was required to decline any further projects for  
43 approval after the statutorily created May 2008 cut-off date, except for applications for  
44 assisting new Navajo students with their secondary education expenses;

45 WHEREAS, the Utah Navajo Royalties Holding Fund has been winding down  
46 expenditures from the activities of the Navajo Trust Fund by completing projects authorized  
47 before the May 2008 cut-off date, and by assisting students;

48 WHEREAS, the authority to expend funds for any project authorized before the cut-off

50 the end of June 2012;

52 accounting for all assets of the Fund in preparation for an efficient transfer to the expected  
53 Congressionally authorized successor management entity;

54 WHEREAS, the State of Utah desires to turn the funds over to a successor management  
55 entity as soon as feasible in order to allow the Navajo residents of Utah to manage the funds for  
56 their own benefit;

57 WHEREAS, Utah Navajos have a great need for expenditure of the royalty receipts for  
58 secondary education, housing, power lines, waterlines, health care, and the creation of jobs,

59 among other pressing needs;

60 WHEREAS, Utah's Congressional delegation has been asked to sponsor and advance  
61 legislation through the United States Congress designating a successor management entity; and

62 WHEREAS, this legislation has not advanced through Congress to this point, and  
63 action does not appear imminent:

64 NOW THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the  
65 Governor concurring therein, urges the United States Congress to quickly pass legislation  
66 establishing a successor management structure that protects the ability of the Utah Navajo  
67 residents of San Juan County to receive the benefit of Navajo Trust Fund money.

68 BE IT FURTHER RESOLVED that the Legislature and the Governor urge the United
