29 Section 1. **Rule 26**, Utah Rules of Civil Procedure is amended to read:

30 **Rule 26. General provisions governing disclosure and discovery.**

31 (a) Disclosure. This rule applies unless changed or supplemented by a rule governing
32 disclosure and discovery in a practice area.

33 (a) (1) Initial disclosures. Except in cases exempt under paragraph (a)(3), a party shall,
34 without waiting for a discovery request, provide to other parties:

35 (a) (1) (A) the name and, if known, the address and telephone number of:

36 (a) (1) (A) (i) each individual likely to have discoverable information supporting its
37 claims or defenses, unless solely for impeachment, identifying the subjects of the information;
38 and

39 (a) (1) (A) (ii) each fact witness the party may call in its case-in-chief and, except for
40 an adverse party, a summary of the expected testimony;

41 (a) (1) (B) a copy of all documents, data compilations, electronically stored
42 information, and tangible things in the possession or control of the party that the party may
43 offer in its case-in-chief, except charts, summaries and demonstrative exhibits that have not yet
44 been prepared and must be disclosed in accordance with paragraph (a)(5);

45 (a) (1) (C) a computation of any damages claimed and a copy of all discoverable
46 documents or evidentiary material on which such computation is based, including materials
47 about the nature and extent of injuries suffered;

49 part or all of a judgment or to indemnify or reimburse for payments made to satisfy the
50 judgment; and

51 (a) (1) (E) a copy of all documents to which a party refers in its pleadings.

52 (a) (2) Timing of initial disclosures. The disclosures required by paragraph (a)(1) shall
53 be made:

54 (a) (2) (A) by the plaintiff within 14 days after service of the first answer to the
55 complaint; and

56 (a) (2) (B) by the defendant within 28 days after the plaintiff's first disclosure or after
57 that defendant's appearance, whichever is later.

58 (a) (3) Exemptions.

59 (a) (3) (A) Unless otherwise ordered by the court or agreed to by the parties, the
60 requirements of paragraph (a)(1) do not apply to actions:

61 (a) (3) (A) (i) for judicial review of adjudicative proceedings or rule making
62 proceedings of an administrative agency;

63 (a) (3) (A) (ii) governed by Rule 65B or Rule 65C;

66 Determination of Water Rights.

67 (a) (3) (B) In an exempt action, the matters subject to disclosure under paragraph (a)(1)
68 are subject to discovery under paragraph (b).

69 (a) (4) Expert testimony. .

70 (a) (4) (A) Disclosure of expert testimony. A party shall, without waiting for a
71 discovery request, provide to the other parties the following information regarding any person
72 who may be used at trial to present evidence under Rules 702, 703, or of the Utah Rules of
73 Evidence and who is retained or specially employed to provide expert testimony in the case or
74 whose duties as an employee of the party regularly involve giving expert testimony: (i) the
75 expert's name and qualifications, including a list of all publications authored within the
76 preceding 10 years, and a list of any other cases in which the expert has testified as an expert at
77 trial or by deposition within the preceding four years, (ii) a brief summary of the opinions to
78 which the witness is expected to testify, (iii) all data and other information that will be relied
79 upon by the witness in forming those opinions, and (iv) the compensation to be paid for the
80 witness's study and testimony.

81 (a) (4) (B) Limits on expert discovery. Further discovery may be obtained from an
82 expert witness either by deposition or by written report. A deposition shall not exceed four
83 hours and the party taking the deposition shall pay the expert's reasonable hourly fees for
84 attendance at the deposition. A report shall be signed by the expert and shall contain a
85 complete statement of all opinions the expert will offer at trial and the basis and reasons for

86 them. Such an expert may not testify in a party's case-in-chief concerning any matter not fairly
87 disclosed in the report. The party offering the expert shall pay the costs for the report.

88 (a) (4) (C) Timing for expert discovery.

89 (a) (4) (C) (i) The party who bears the burden of proof on the issue for which expert
90 testimony is offered shall provide the information required by paragraph (a)(4)(A) within seven
91 days after the close of fact discovery. Within seven days thereafter, the party opposing the
92 expert may serve notice electing either a deposition of the expert pursuant to paragraph
93 (a)(4)(B) and Rule 30, or a written report pursuant to paragraph (a)(4)(B). The deposition shall
94 occur, or the report shall be provided, within 28 days after the election is made. If no election
95 is made, then no further discovery of the expert shall be permitted.

96 (a) (4) (C) (ii) The party who does not bear the burden of proof on the issue for which
97 expert testimony is offered shall provide the information required by paragraph (a)(4)(A)
98 within seven days after the later of (i) the date on which the election under paragraph
99 (a)(4)(C)(i) is due, or (ii) receipt of the written report or the taking of the expert's deposition
100 pursuant to paragraph (a)(4)(C)(i). Within seven days thereafter, the party opposing the expert
101 may serve notice electing either a deposition of the expert pursuant to paragraph (a)(4)(B) and
102 Rule 30, or a written report pursuant to paragraph (a)(4)(B). The deposition shall occur, or the
103 report shall be provided, within 28 days after the election is made. If no election is made, then
104 no further discovery of the expert shall be permitted.

105 (a) (4) (D) Multiparty actions. In multiparty actions, all parties opposing the expert
106 must agree on either a report or a deposition. If all parties opposing the expert do not agree,
107 then further discovery of the expert may be obtained only by deposition pursuant to paragraph
108 (a)(4)(B) and Rule 30.

109 (a) (4) (E) Summary of non-retained expert testimony. If a party intends to present
110 evidence at trial under Rules 702, 703, or of the Utah Rules of Evidence from any person other
111 than an expert witness who is retained or specially employed to provide testimony in the case
112 or a person whose duties as an employee of the party regularly involve giving expert testimony,
113 that party must provide a written summary of the facts and opinions to which the witness is

114 expected to testify in accordance with the deadlines set forth in paragraph (a)(4)(C). A
115 deposition of such a witness may not exceed four hours.

116 (a) (5) Pretrial disclosures.

117 (a) (5) (A) A party shall, without waiting for a discovery request, provide to other
118 parties:

119 (a) (5) (A) (i) the name and, if not previously provided, the address and telephone
120 number of each witness, unless solely for impeachment, separately identifying witnesses the
121 party will call and witnesses the party may call;

122 (a) (5) (A) (ii) the name of witnesses whose testimony is expected to be presented by
123 transcript of a deposition and a copy of the transcript with the proposed testimony designated;
124 and

125 (a) (5) (A) (iii) a copy of each exhibit, including charts, summaries and demonstrative
126 exhibits, unless solely for impeachment, separately identifying those which the party will offer
127 and those which the party may offer.

128 (a) (5) (B) Disclosure required by paragraph (a)(5) shall be made at least 28 days
129 before trial. At least 14 days before trial, a party shall serve and file counter designations of
130 deposition testimony, objections and grounds for the objections to the use of a deposition and
131 to the admissibility of exhibits. Other than objections under Rules 402 and 403 of the Utah
132 Rules of Evidence, objections not listed are waived unless excused by the court for good cause.

133 (b) Discovery scope.

134 (b) (1) In general. Parties may discover any matter, not privileged, which is relevant to
135 the claim or defense of any party if the discovery satisfies the standards of proportionality set
136 forth below. Privileged matters that are not discoverable or admissible in any proceeding of
137 any kind or character include all information in any form provided during and created
138 specifically as part of a request for an investigation, the investigation, findings, or conclusions
139 of peer review, care review, or quality assurance processes of any organization of health care
140 providers as defined in the Utah Health Care Malpractice Act for the purpose of evaluating care
141 provided to reduce morbidity and mortality or to improve the quality of medical care, or for the

142 purpose of peer review of the ethics, competence, or professional conduct of any health care
143 provider.

144 (b) (2) Proportionality. Discovery and discovery requests are proportional if:

145 (b) (2) (A) the discovery is reasonable, considering the needs of the case, the amount in
146 controversy, the complexity of the case, the parties' resources, the importance of the issues, and
147 the importance of the discovery in resolving the issues;

148 (b) (2) (B) the likely benefits of the proposed discovery outweigh the burden or
149 expense;

150 (b) (2) (C) the discovery is consistent with the overall case management and will
151 further the just, speedy and inexpensive determination of the case;

152 (b) (2) (D) the discovery is not unreasonably cumulative or duplicative;

153 (b) (2) (E) the information cannot be obtained from another source that is more
154 convenient, less burdensome or less expensive; and

155 (b) (2) (F) the party seeking discovery has not had sufficient opportunity to obtain the
156 information by discovery or otherwise, taking into account the parties' relative access to the
157 information.

158 (b) (3) Burden. The party seeking discovery always has the burden of showing
159 proportionality and relevance. To ensure proportionality, the court may enter orders under
160 Rule 37.

161 (b) (4) Electronically stored information. A party claiming that electronically stored
162 information is not reasonably accessible because of undue burden or cost shall describe the
163 source of the electronically stored information, the nature and extent of the burden, the nature
164 of the information not provided, and any other information that will enable other parties to
165 evaluate the claim.

166 (b) (5) Trial preparation materials. A party may obtain otherwise discoverable
167 documents and tangible things prepared in anticipation of litigation or for trial by or for another
168 party or by or for that other party's representative (including the party's attorney, consultant,
169 surety, indemnitor, insurer, or agent) only upon a showing that the party seeking discovery has

170 substantial need of the materials and that the party is unable without undue hardship to obtain
171 substantially equivalent materials by other means. In ordering discovery of such materials, the
172 court shall protect against disclosure of the mental impressions, conclusions, opinions, or legal
173 theories of an attorney or other representative of a party.

174 (b) (6) Statement previously made about the action. A party may obtain without the
175 showing required in paragraph (b)(5) a statement concerning the action or its subject matter
176 previously made by that party. Upon request, a person not a party may obtain without the
177 required showing a statement about the action or its subject matter previously made by that
178 person. If the request is refused, the person may move for a court order under Rule 37. A
179 statement previously made is (A) a written statement signed or approved by the person making
180 it, or (B) a stenographic, mechanical, electronic, or other recording, or a transcription thereof,
181 which is a substantially verbatim recital of an oral statement by the person making it and
182 contemporaneously recorded.

183 (b) (7) Trial preparation; experts.

184 (b) (7) (A) Trial-preparation protection for draft reports or disclosures. Paragraph
185 (b)(5) protects drafts of any report or disclosure required under paragraph (a)(4), regardless of
186 the form in which the draft is recorded.

187 (b) (7) (B) Trial-preparation protection for communications between a party's attorney
188 and expert witnesses. Paragraph (b)(5) protects communications between the party's attorney
189 and any witness required to provide disclosures under paragraph (a)(4), regardless of the form
190 of the communications, except to the extent that the communications:

191 (b) (7) (B) (i) relate to compensation for the expert's study or testimony;

192 (b) (7) (B) (ii) identify facts or data that the party's attorney provided and that the
193 expert considered in forming the opinions to be expressed; or

194 (b) (7) (B) (iii) identify assumptions that the party's attorney provided and that the
195 expert relied on in forming the opinions to be expressed.

196 (b) (7) (C) Expert employed only for trial preparation. Ordinarily, a party may not, by
197 interrogatories or otherwise, discover facts known or opinions held by an expert who has been

198 retained or specially employed by another party in anticipation of litigation or to prepare for
199 trial and who is not expected to be called as a witness at trial. A party may do so only:

200 (b) (7) (C) (i) as provided in Rule 35(b); or

201 (b) (7) (C) (ii) on showing exceptional circumstances under which it is impracticable
202 for the party to obtain facts or opinions on the same subject by other means.

203 (b) (8) Claims of privilege or protection of trial preparation materials.

204 (b) (8) (A) Information withheld. If a party withholds discoverable information by
205 claiming that it is privileged or prepared in anticipation of litigation or for trial, the party shall
206 make the claim expressly and shall describe the nature of the documents, communications, or
207 things not produced in a manner that, without revealing the information itself, will enable other
208 parties to evaluate the claim.

209 (b) (8) (B) Information produced. If a party produces information that the party claims
210 is privileged or prepared in anticipation of litigation or for trial, the producing party may notify
211 any receiving party of the claim and the basis for it. After being notified, a receiving party
212 must promptly return, sequester, or destroy the specified information and any copies it has and
213 may not use or disclose the information until the claim is resolved. A receiving party may
214 promptly present the information to the court under seal for a determination of the claim. If the
215 receiving party disclosed the information before being notified, it must take reasonable steps to
216 retrieve it. The producing party must preserve the information until the claim is resolved.

217 (c) Methods, sequence and timing of discovery; tiers; limits on standard discovery;
218 extraordinary discovery.

219 (c) (1) Methods of discovery. Parties may obtain discovery by one or more of the
220 following methods: depositions upon oral examination or written questions; written
221 interrogatories; production of documents or things or permission to enter upon land or other
222 property, for inspection and other purposes; physical and mental examinations; requests for
223 admission; and subpoenas other than for a court hearing or trial.

224 (c) (2) Sequence and timing of discovery. Methods of discovery may be used in any
225 sequence, and the fact that a party is conducting discovery shall not delay any other party's

226 discovery. Except for cases exempt under paragraph (a)(3), a party may not seek discovery
227 from any source before that party's initial disclosure obligations are satisfied.

228 (c) (3) Definition of tiers for standard discovery. Actions claiming \$50,000 or less in
229 damages are permitted standard discovery as described for Tier 1. Actions claiming more than
230 \$50,000 and less than \$300,000 in damages are permitted standard discovery as described for
231 Tier 2. Actions claiming \$300,000 or more in damages are permitted standard discovery as
232 described for Tier 3. Absent an accompanying damage claim for more than \$300,000, actions
233 claiming non-monetary relief are permitted standard discovery as described for Tier 2.

234 (c) (4) Definition of damages. For purposes of determining standard discovery, the
235 amount of damages includes the total of all monetary damages sought (without duplication for
236 alternative theories) by all parties in all claims for relief in the original pleadings.

237 (c) (5) Limits on standard fact discovery. Standard fact discovery per side (plaintiffs
238 collectively, defendants collectively, and third-party defendants collectively) in each tier is as
239 follows. The days to complete standard fact discovery are calculated from the date the first
240 defendant's first disclosure is due and do not include expert discovery under paragraphs
241 (a)(4)(C) and (D).

242

Tier	Amount of Damages	Total Fact Deposition Hours	Rule 33 Interrogatories including all discrete subparts	Rule 34 Requests for Production	Rule 36 Requests for Admission	Days to Complete Standard Fact Discovery
1	\$50,000 or less	3	0	5	5	120

243

244

2	More than \$50,000 and less than \$300,000 or non-monetary relief	15	10	10	10	180
3	\$300,000 or more	30	20	20	20	210

245

246

(c) (6) Extraordinary discovery. To obtain discovery beyond the limits established in paragraph (c)(5), a party shall file:

247

248

(c) (6) (A) before the close of standard discovery and after reaching the limits of standard discovery imposed by these rules, a stipulated statement that extraordinary discovery is necessary and proportional under paragraph (b)(2) and that each party has reviewed and approved a discovery budget; or

249

250

251

252

(c) (6) (B) before the close of standard discovery and after reaching the limits of standard discovery imposed by these rules, a motion for extraordinary discovery setting forth the reasons why the extraordinary discovery is necessary and proportional under paragraph (b)(2) and certifying that the party has reviewed and approved a discovery budget and certifying that the party has in good faith conferred or attempted to confer with the other party in an effort to achieve a stipulation.

253

254

255

256

257

258

(d) Requirements for disclosure or response; disclosure or response by an organization; failure to disclose; initial and supplemental disclosures and responses.

259

260

(d) (1) A party shall make disclosures and responses to discovery based on the information then known or reasonably available to the party.

261

262

(d) (2) If the party providing disclosure or responding to discovery is a corporation, partnership, association, or governmental agency, the party shall act through one or more

263

264 officers, directors, managing agents, or other persons, who shall make disclosures and
265 responses to discovery based on the information then known or reasonably available to the
266 party.

267 (d) (3) A party is not excused from making disclosures or responses because the party
268 has not completed investigating the case or because the party challenges the sufficiency of
269 another party's disclosures or responses or because another party has not made disclosures or
270 responses.

271 (d) (4) If a party fails to disclose or to supplement timely a disclosure or response to
272 discovery, that party may not use the undisclosed witness, document or material at any hearing
273 or trial unless the failure is harmless or the party shows good cause for the failure.

274 (d) (5) If a party learns that a disclosure or response is incomplete or incorrect in some
275 important way, the party must timely provide the additional or correct information if it has not
276 been made known to the other parties. The supplemental disclosure or response must state why
277 the additional or correct information was not previously provided.

278 (e) Signing discovery requests, responses, and objections. Every disclosure, request for
279 discovery, response to a request for discovery and objection to a request for discovery shall be
280 in writing and signed by at least one attorney of record or by the party if the party is not
281 represented. The signature of the attorney or party is a certification under Rule 11. If a request
282 or response is not signed, the receiving party does not need to take any action with respect to it.
283 If a certification is made in violation of the rule, the court, upon motion or upon its own
284 initiative, may take any action authorized by Rule 11 or Rule 37(e).

285 (f) Filing. Except as required by these rules or ordered by the court, a party shall not
286 file with the court a disclosure, a request for discovery or a response to a request for discovery,
287 but shall file only the certificate of service stating that the disclosure, request for discovery or
288 response has been served on the other parties and the date of service.

289 **Section 2. Legislative note.**

290 It is the intent of the Legislature that when the Court Rules are compiled and printed,
291 the following language be added as a Legislative Note.

292 "Legislative Note.

293 (1) The amended language in paragraph (b)(1) is intended to incorporate long-standing
294 protections against discovery and admission into evidence of privileged matters connected to
295 medical care review and peer review into the Utah Rules of Civil Procedure. These privileges,
296 found in both Utah common law and statute, include Sections 26-25-3, 58-13-4, and 58-13-5,
297 UCA, 1953. The language is intended to ensure the confidentiality of peer review, care review,
298 and quality assurance processes and to ensure that the privilege is limited only to documents
299 and information created specifically as part of the processes. It does not extend to knowledge
300 gained or documents created outside or independent of the processes. The language is not
301 intended to limit the court's existing ability, if it chooses, to review contested documents in
302 camera in order to determine whether the documents fall within the privilege. The language is
303 not intended to alter any existing law, rule, or regulation relating to the confidentiality,
304 admissibility, or disclosure of proceedings before the Utah Division of Occupational and
305 Professional Licensing. The Legislature intends that these privileges apply to all pending and
306 future proceedings governed by court rules, including administrative proceedings regarding
307 licensing and reimbursement.

308 (2) The Legislature does not intend that the amendments to this rule be construed to
309 change or alter a final order concerning discovery matters entered on or before the effective
310 date of this amendment.

311 (3) The Legislature intends to give the greatest effect to its amendment, as legally
312 permissible, in matters that are pending on or may arise after the effective date of this
313 amendment, without regard to when the case was filed."

314 **Section 3. Effective date.**

315 This resolution takes effect upon approval by a constitutional two-thirds vote of all
316 members elected to each house.
