361 (c) Neither the execution of a diversion agreement nor the dismissal of filed charges
362 constitute disciplinary action, and no report of either may be made to disciplinary databases.

363 (d) The division may consider the completion of a diversion program and the contents
364 of the diversion agreement in determining the appropriate disciplinary action if the licensee is
365 charged in the future with the same or similar conduct.

366 (e) The order of dismissal shall be filed in the adjudicative proceeding in which the

370 conduct committed before, during, or after participation in the diversion program.

371 (b) Acceptance of the licensee into diversion does not preclude the division from

374 diversion program, except for that conduct [~~which~~] that formed the basis for the diversion
375 agreement.

376 (c) [~~Any~~] A licensee terminated from the diversion program for failure to comply with
377 the diversion agreement is subject to disciplinary action by the division for acts committed
378 before, during, and after participation in the diversion program, including violations identified
379 in the diversion agreement.

380 (10) The classification, retention, and disclosure of records relating to a licensee's
381 participation in the diversion program is governed by Title 63G, Chapter 2, Government
382 Records Access and Management Act, except that [~~any~~] a provision in the diversion agreement
383 [~~which~~] that addresses access to or release of diversion records regarding the licensee shall
384 govern the access to and release of those records.

385 (11) Notwithstanding any other provision of this section, the fact that the licensee
386 completed a diversion program and the contents of the diversion agreement itself may be
387 considered by the division in determining the appropriate disciplinary action if the licensee is
388 charged in the future with the same or similar conduct.

389 (12) Meetings regarding the diversion program are not subject to Title 52, Chapter 4,
390 Open and Public Meetings Act.

391 (13) (a) If, during the course of the diversion agreement, information is brought to the
392 attention of the director that the licensee made an intentional material misrepresentation of fact
393 in the stipulation of facts contained in the diversion agreement, the director shall cause to be
394 served upon the licensee an order to show cause specifying the information relied upon by the
395 director and setting a time and place for a hearing to determine whether or not the licensee
396 made the intentional material misrepresentation of fact and whether the agreement should be
397 terminated on that ground.

398 (b) Proceedings to terminate a diversion agreement on the grounds that the licensee
399 made an intentional material misrepresentation of fact in the stipulation of facts contained in

400 the diversion agreement and to issue an order of license revocation shall comply with Title
401 63G, Chapter 4, Administrative Procedures Act, except as follows:

402 (i) the notice of agency action shall be in the form of an order to show cause, which
403 shall contain all of the information specified in Subsection 63G-4-201(2), except a statement
404 that a written response to the order to show cause is required;

405 (ii) no written response to the order to show cause is required;

406 (iii) discovery is prohibited, but the division may issue subpoenas or other orders to
407 compel production of necessary evidence on behalf of either party and all parties shall have
408 access to information contained in the division's diversion file to the extent permitted by law;

409 (iv) the hearing shall be held only after timely notice to all parties; and

410 (v) ~~any~~ an agency review or reconsideration of an order terminating a diversion
411 agreement or of an order of license revocation pursuant to this Subsection (13) shall be limited
412 to the division director's findings of fact, conclusions of law, and order ~~which~~ that arose out
413 of the order to show cause proceeding.

414 (c) Upon finding the licensee made an intentional material misrepresentation of fact in
415 the stipulation of facts contained in the diversion agreement and that terminating the agreement
416 is in the best interest of the public, and issuing an order to that effect, the director shall issue an
417 order of license revocation, revoking the licensee's professional license.

418 (d) The order terminating the diversion agreement and the order of license revocation
419 shall include findings of fact and conclusions of law as determined by the director following
420 the hearing or as otherwise stipulated and agreed to by the parties.

421 (e) If the diversion agreement being terminated was entered into after the division had
422 commenced an adjudicative proceeding against the licensee, that adjudicative proceeding shall
423 be considered to be merged into the order of license revocation and it may not constitute a basis
424 for ~~any~~ a separate disciplinary action against the licensee.

425 (f) The order terminating the diversion agreement and the order of license revocation
426 shall notify the licensee of the right to request agency review or reconsideration.

427 (14) (a) If, during the course of the diversion agreement, information is brought to the
428 attention of the director that the licensee has violated the diversion agreement and if it appears
429 in the best interest of the public to proceed with charges, the director, after consultation with
430 the diversion advisory committee, shall cause to be served upon the licensee an order to show

431 cause specifying the facts relied upon by the director and setting a time and place for a hearing
432 to determine whether or not the licensee has violated the diversion agreement and whether the
433 agreement should be terminated.

434 (b) Proceedings to terminate a diversion agreement [~~and to issue an order of license~~
435 ~~suspension and probation, and proceedings to terminate the probation and lift the stay of a~~
436 ~~license suspension,]~~ as described in Subsection (14)(c) shall comply with Title 63G, Chapter 4,
437 Administrative Procedures Act, except as follows:

438 (i) the notice of agency action shall be in the form of an order to show cause, which
439 shall contain all of the information specified in Subsection 63G-4-201(2), except a statement
440 that a written response to the order to show cause is required;

441 (ii) no written response to the order to show cause shall be required;

442 (iii) discovery is prohibited, but the division may issue subpoenas or other orders to
443 compel production of necessary evidence on behalf of either party and all parties shall have
444 access to information contained in the division's diversion file to the extent permitted by law;

445 (iv) the hearing shall be held only after timely notice to all parties; and

446 (v) [~~any~~] an agency review or reconsideration of an order terminating a diversion
447 agreement or of an order of license suspension and probation pursuant to this Subsection (14)
448 shall be limited to the division director's findings of fact, conclusions of law, and order [~~which~~]
449 that arose out of the order to show cause proceeding.

450 (c) (i) Upon finding the licensee has violated the diversion agreement by conduct that
451 is entirely the same or similar to the conduct upon which the diversion agreement is premised,
452 or by violating a compliance provision contained in the diversion agreement, and further
453 finding that terminating the agreement is in the best interest of the public, and after issuing an
454 order to that effect, the director shall issue an order [~~of license suspension, suspending the~~
455 ~~licensee's professional license, but shall stay that suspension in favor of an order]~~ of probation,
456 consisting of the same terms as those which comprised the diversion agreement.

457 (ii) Upon finding that the licensee has violated the diversion agreement by conduct that
458 includes conduct that is not the same or similar to the conduct upon which the diversion
459 agreement is premised, and further finding that terminating the agreement is in the best interest
460 of the public, and after issuing an order to that effect, the director shall, after notice of
461 opportunity to be heard is provided to the licensee, issue an order imposing each disciplinary

462 sanction the division deems appropriate, including suspension, public reprimand, a fine,
463 probation, or revocation of licensure.

464 [(ii)] (iii) The period of probation shall be the time period which remained under the
465 diversion agreement, or five years from the date of the order of license suspension and
466 probation, whichever is longer, unless otherwise agreed by the parties.

467 [(iii)] (iv) The period of probation is tolled during [any] the time [~~in which~~] the
468 licensee does not have an active license in the state.

469 (d) (i) The order terminating the diversion agreement and the order of license
470 suspension and probation shall include findings of fact and conclusions of law as determined
471 by the director following the hearing or as otherwise stipulated and agreed to by the parties.

472 (ii) The findings of fact may include those facts to which the licensee stipulated in the
473 diversion agreement and [any] additional facts as the director may determine in the course of
474 the hearing.

475 (e) If the diversion agreement being terminated was entered into after the division had
476 commenced an adjudicative proceeding against the licensee, that adjudicative proceeding shall
477 be considered to be merged into the order of license suspension and probation and it may not
478 constitute a basis for [any] separate disciplinary action against the licensee.

479 (f) The order terminating the diversion agreement and the order of license suspension
480 and probation shall notify the licensee of the right to request agency review or reconsideration.

481 (g) (i) The terms and conditions of the order of license suspension and probation may
482 be amended by order of the director, pursuant to motion or stipulation of the parties.

483 (ii) The order of the director on the motion shall not be subject to agency review, but is
484 subject to agency reconsideration under Section 63G-4-302.

485 (h) (i) If, during the course of probation, the director has reason to believe the licensee
486 has violated the order of [~~suspension and~~] probation, the director shall cause to be served upon
487 the licensee an order to show cause why the probation should not be terminated [~~and the stay of~~
488 ~~suspension lifted~~] and why each additional disciplinary sanction the division deems appropriate
489 should not be imposed, including suspension, public reprimand, a fine, or revocation of
490 licensure.

491 (ii) The order to show cause shall specify the facts relied upon by the director and shall
492 set a time and place for hearing before the director to determine whether or not the licensee has

493 violated the order of [~~suspension and~~] probation [~~and~~], whether that order should be
494 terminated, [~~and the stay of suspension lifted~~] and why each additional disciplinary sanction the
495 division deems appropriate should not be imposed, including suspension, public reprimand, a
496 fine, or revocation of licensure.

497 (15) (a) Nothing in this section precludes the division from issuing an emergency order
498 pursuant to Section 63G-4-502.

499 (b) If the division issues an emergency order against a licensee who is subject to a
500 diversion agreement with the division, that diversion agreement shall be immediately and
501 automatically terminated upon the issuance of the emergency order, without requiring
502 compliance with the provisions of Title 63G, Chapter 4, Administrative Procedures Act.

503 (c) (i) A licensee whose diversion agreement has been terminated pursuant to
504 Subsection (15)(b) is entitled, upon request, to a posttermination hearing to challenge the
505 termination of the diversion agreement.

506 (ii) The request shall be considered a request for agency action and shall comply with
507 the requirements of Subsection 63G-4-201(3).

508 (iii) The division shall uphold the termination of the diversion agreement if it finds
509 that:

510 (A) the licensee violated the diversion agreement; and

511 (B) it is in the best interest of the public to terminate the diversion agreement.

512 (16) The administrative statute of limitations for taking disciplinary action described in
513 Subsection 58-1-401(6) shall be tolled during a diversion program.

562 censure, diversion, probation, suspension, or revocation, by any other licensing or regulatory

565 proceedings under Section 58-1-401;

566 (e) engaging in conduct, including the use of intoxicants, drugs, narcotics, or similar
567 chemicals, to the extent that the conduct does, or might reasonably be considered to, impair the

601 (2) (a) [~~If~~] In addition to any other statutory penalty for a violation related to a specific
602 occupation or profession regulated by this title, if upon inspection or investigation, the division
603 concludes that a person has violated Subsection 58-1-501(1)(a) [~~or~~], (1)(c), or (2)(o), or [~~any~~] a
604 rule or order issued with respect to those subsections, and that disciplinary action is
605 appropriate, the director or the director's designee from within the division shall promptly:

- 606 (i) issue a citation to the person according to this section and any pertinent rules;
- 607 (ii) attempt to negotiate a stipulated settlement; or
- 608 (iii) notify the person to appear before an adjudicative proceeding conducted under
609 Title 63G, Chapter 4, Administrative Procedures Act.

610 (b) (i) The division may assess a fine under this Subsection (2) against a person who

- 614 (B) a stipulated settlement; or
- 615 (C) a finding of a violation in an adjudicative proceeding.

616 (ii) The division may, in addition to or in lieu of a fine under Subsection (2)(b)(i),

618 (2)(o), or [~~any~~] a rule or order issued with respect to [~~this section~~] those subsections.

619 (c) Except for a cease and desist order, the division may not assess the licensure

621 (d) A citation shall:

646 up to \$2,000 for each day of continued offense.

647 (3) (a) An action for a first or second offense [~~which~~] that has not yet resulted in a final

648 order of the division may not preclude initiation of ~~[any]~~ a subsequent action for a second or
649 subsequent offense during the pendency of ~~[any]~~ a preceding action.

650 (b) The final order on a subsequent action is considered a second or subsequent
651 offense, respectively, provided the preceding action resulted in a first or second offense,
652 respectively.

653 (4) (a) The director may collect a penalty that is not paid by:

654 (i) either referring the matter to a collection agency; or

655 (ii) bringing an action in the district court of the county ~~[in which]~~ where the person

676 the requirements of Subsection (2):
