 66           (i) using non-aerosol products;  
 67           (j) reducing idling;  
 68           (k) low-maintenance landscaping; or  
 69           (l) other technology that may be used, or measures that may be taken, to reduce the  
 70 emission of air pollutants.

71           Section 3. Section **63G-17-201** is enacted to read:

72                       **Part 2. Air Quality Mitigation by Agencies and School Districts**

73           **63G-17-201. Title.**

74           This part is known as "Air Quality Mitigation by Agencies and School Districts."

75           Section 4. Section **63G-17-202** is enacted to read:

76           **63G-17-202. Air quality mitigation report and plan.**

77           (1) Except as provided in Subsection (2), and in accordance with Subsection (3):

78           (a) on or before July 1, 2013, each school district shall submit to the State Board of  
 79 Education, by email, a report on the mitigation efforts currently being used by the school  
 80 district;

81           (b) on or before August 1, 2013:

82           (i) the State Board of Education shall submit to the Economic Development Task  
 83 Force, by email, a summary report of the reports received under Subsection (1)(a); and

84           (ii) each agency shall submit to the Economic Development Task Force, by email, a  
 85 report on the mitigation efforts currently being used by the agency;

86           (c) on or before August 1, 2013, each school district shall develop and submit to the  
 87 State Board of Education, by email, a plan that describes the mitigation efforts that the school  
 88 district will implement, within one year after the day on which the plan is submitted, to:

89           (i) reduce the emission of air pollutants on a regular basis; and
