151 principles that encourage:

152 (i) (A) the establishment of a standardized format of public information that makes the
153 information more easily accessible by the public;

154 (B) the removal of restrictions on the reuse of public information;

155 (C) minimizing limitations on the disclosure of public information while appropriately
156 safeguarding sensitive information; and

157 (D) balancing factors in favor of excluding public information from an information
158 website against the public interest in having the information accessible on an information
159 website;

160 (ii) (A) permanent, lasting, open access to public information; and

161 (B) the publication of bulk public information;

162 (iii) the implementation of well-designed public information systems that ensure data
163 quality, create a public, comprehensive list or index of public information, and define a process
164 for continuous publication of and updates to public information;

165 (iv) the identification of public information not currently made available online and the
166 implementation of a process, including a timeline and benchmarks, for making that public
167 information available online; and

168 (v) accountability on the part of those who create, maintain, manage, or store public
169 information or post it to an information website.

170 (d) The department shall implement the board's recommendations, including the
171 establishment of an information website, to the extent that implementation:

172 (i) is approved by the Legislative Management Committee;

173 (ii) does not require further legislative appropriation; and

174 (iii) is within the department's existing statutory authority.

175 **Section 2. Effective date.**

176 If approved by two-thirds of all the members elected to each house, this bill takes effect
177 upon approval by the governor, or the day following the constitutional time limit of Utah
178 Constitution Article VII, Section 8, without the governor's signature, or in the case of a veto,
179 the date of veto override.
