2122	Be it enacted by the Legislature of the state of Utah:
23	Section 1. Section 78B-12-215 is amended to read:
24	78B-12-215. Child care costs.
25	(1) The need to include child care costs in the child support order is presumed, if the
26	custodial parent or the noncustodial parent, during extended parent-time, is working and
27	actually incurring the child care costs.
28	(2) The need to include child care costs is not presumed, but may be awarded on a
29	case-by-case basis, if the costs are related to the career or occupational training of the custodial

30	parent, or if otherwise ordered by the court in the interest of justice.
31	(3) The court may impute a monthly obligation for child care costs when it imputes
32	income to a parent who is providing child care for the minor child of both parties so that the
33	parties are not incurring child care costs for the child. Any monthly obligation imputed under
34	this section shall be applied towards any actual child care costs incurred within the same month
35	for the child.
