"The Legislature intends that the Department of Administrative Services and the Division of Facilities Construction and Management propose a prioritized scoring process for capital improvements similar to what the Transportation Commission uses to prioritize highway capacity projects, and that the proposal be provided to the Legislative Fiscal Analyst by July 1, 2013, with copies provided to the members of the Infrastructure and General Government Subcommittee. The Legislature also intends that the Department of Administrative Services and the Division of Facilities Construction and Management provide the State Building Board's prioritized list for distribution of Capital Improvement Funds to the members of the Infrastructure and General Government Subcommittee before the State Building Board gives final approval to that list."
