(b) Section 63A-3-107; and

(c) rules made by the Division of Finance pursuant to Sections 63A-3-106 and 63A-3-107.

(10) (a) As used in Subsections (10) and (11):

(i) "Information website" means a single Internet website containing public information or links to public information.

(ii) "Public information" means records of state or local government that are classified as public under Title 63G, Chapter 2, Government Records Access and Management Act.

(b) The board shall:

(i) study the establishment of an information website and develop recommendations for its establishment;

(ii) develop recommendations about how to make public information more readily available to the public through the information website;

(iii) develop standards to make uniform the format and accessibility of public information posted to the information website; and

(iv) no later than November 30, 2013, report the board's recommendations and standards developed under Subsections (10)(b)(i) through (iii) to the executive director and the Legislative Management Committee.

(c) In fulfilling its duties under Subsection (10)(b), the board shall be guided by
principles that encourage:

(i) (A) the establishment of a standardized format of public information that makes the information more easily accessible by the public;

(B) the removal of restrictions on the reuse of public information;

(C) minimizing limitations on the disclosure of public information while appropriately safeguarding sensitive information; and

(D) balancing factors in favor of excluding public information from an information website against the public interest in having the information accessible on an information website;

(ii) (A) permanent, lasting, open access to public information; and

(B) the publication of bulk public information;

(iii) the implementation of well-designed public information systems that ensure data quality, create a public, comprehensive list or index of public information, and define a process for continuous publication of and updates to public information;

(iv) the identification of public information not currently made available online and the implementation of a process, including a timeline and benchmarks, for making that public information available online; and

(v) accountability on the part of those who create, maintain, manage, or store public information or post it to an information website.

(d) The department shall implement the board's recommendations, including the establishment of an information website, to the extent that implementation:

(i) is approved by the Legislative Management Committee;

(ii) does not require further legislative appropriation; and

(iii) is within the department's existing statutory authority.

(11) The department shall, in consultation with the board and as funding allows, modify the information website described in Subsection (10) to:

(a) by January 1, 2015, serve as a point of access for Government Records Access and Management requests for executive agencies;
(b) by January 1, 2016, serve as a point of access for Government Records Access and Management requests for:

(i) school districts;
(ii) charter schools;
(iii) public transit districts created under Title 17B, Chapter 2a, Part 8, Public Transit District Act;
(iv) counties; and
(v) municipalities;
