48 license, or otherwise dealing with the division or a licensing board through the use of fraud,
49 forgery, or intentional deception, misrepresentation, misstatement, or omission; or

54 (B) with prescriptive authority conferred by an exception issued under this title or a
55 multistate practice privilege recognized under this title, if the prescription was issued without
56 first obtaining information, in the usual course of professional practice, that is sufficient to
57 establish a diagnosis, to identify underlying conditions, and to identify contraindications to the
58 proposed treatment; and

59 (ii) Subsection (1)(f)(i) does not apply to treatment rendered in an emergency, on-call
60 or cross coverage situation, provided that the person who issues the prescription has
61 prescriptive authority conferred by a license under this title, or is exempt from licensure under
62 this title.

74 with the functions and duties of the occupation or profession for which the license was issued
75 or is to be issued, bears a reasonable relationship to the licensee's or applicant's ability to safely
76 or competently practice the occupation or profession;

77 (d) engaging in conduct that results in disciplinary action, including reprimand,
78 censure, diversion, probation, suspension, or revocation, by any other licensing or regulatory
79 authority having jurisdiction over the licensee or applicant in the same occupation or profession
80 if the conduct would, in this state, constitute grounds for denial of licensure or disciplinary

104 is sufficient to establish a diagnosis, to identify conditions, and to identify contraindications to
105 the proposed treatment; or

106 (ii) with prescriptive authority conferred by an exception issued under this title, or a
107 multi-state practice privilege recognized under this title, if the prescription was issued without
