HOUSE FLOOR AMENDMENTS

AMENDMENT 1

MARCH 7, 2014 11:34 AM

Representative **Michael E. Noel** proposes the following amendments:

1. *Page 28, Line 845:*

845 (ii) ~~{evaluates the benefits of public and private providers}~~ avoids duplicating facilities, equipment or services of private providers of public telecommunications services, by determining before the authority starts construction, installation or improvement of its public safety network whether the facilities, equipment or services of private providers of public telecommunications services can be used cost effectively to provide high-quality, reliable public safety network services .
