(b) Subsection (5)(a) does not apply if at any time after the investment is made, the investment meets the requirements for investment under any other section of this chapter, and the insurer has so notified the commissioner.

Section 9. Section 31A-16-103 is amended to read:

31A-16-103. Acquisition of control of, divestiture of control of, or merger with domestic insurer.

(1) (a) A person may not take the actions described in Subsections (1)(b) or (c) unless, at the time any offer, request, or invitation is made or any such agreement is entered into, or prior to the acquisition of securities if no offer or agreement is involved:

(ii) the person provides a copy of the statement described in Subsection (1)(a)(i) to the insurer; and
(iii) the commissioner approves the offer, request, invitation, agreement, or acquisition.
(b) Unless the person complies with Subsection (1)(a), a person other than the issuer may not make a tender offer for, a request or invitation for tenders of, or enter into any agreement to exchange securities, or seek to acquire or acquire in the open market or otherwise, any voting security of a domestic insurer if after the acquisition, the person would directly, indirectly, by conversion, or by exercise of any right to acquire be in control of the insurer.

which the one or more persons seeking to divest or to acquire a controlling interest in an
insurer, will be required to file for and obtain approval of the transaction. The information

commissioner's discretion, determines that confidential treatment will interfere with
enforcement of this section. If the statement referred to in Subsection (1)(a) is otherwise filed,
this Subsection (1)(d) does not apply.

(e) With respect to a transaction subject to this section, the acquiring person shall also
file a pre-acquisition notification with the commissioner, which shall contain the information

(4) (a) If the source of the consideration under Subsection (2)(b)(i) is a loan made in the lender's ordinary course of business, the identity of the lender shall remain confidential, if the person filing the statement so requests.

(b) (i) Under Subsection (2)(e), the commissioner may require a statement of the adjusted book value assigned by the acquiring party to each security in arriving at the terms of the offer.

(ii) For purposes of this Subsection (4)(b), "adjusted book value" means each security's proportional interest in the capital and surplus of the insurer with adjustments that reflect:

(A) market conditions;

(B) business in force; and

commissioner and sent to the insurer pursuant to Subsection (2), an amendment setting forth
the change, together with copies of all documents and other material relevant to the change,

filing person learns of such change.

(1) is proposed to be made by means of a registration statement under the Securities Act of
1933, or under circumstances requiring the disclosure of similar information under the

disclosure, a person required to file the statement referred to in Subsection (1) may use copies
of any registration or disclosure documents in furnishing the information called for by the
statement.

(8) (a) The commissioner shall approve any merger or other acquisition of control
referred to in Subsection (1) unless, after a public hearing on the merger or acquisition, the
commissioner finds that:

(i) after the change of control, the domestic insurer referred to in Subsection (1) would
not be able to satisfy the requirements for the issuance of a license to write the line or lines of
insurance for which it is presently licensed;

(ii) the effect of the merger or other acquisition of control would:
(A) substantially lessen competition in insurance in this state; or
(B) tend to create a monopoly in insurance;

(iii) the financial condition of any acquiring party might:
(A) jeopardize the financial stability of the insurer; or
(B) prejudice the interest of:
(I) its policyholders; or
(II) any remaining securityholders who are unaffiliated with the acquiring party;

(iv) the terms of the offer, request, invitation, agreement, or acquisition referred to in
Subsection (1) are unfair and unreasonable to the securityholders of the insurer;

(v) the plans or proposals which the acquiring party has to liquidate the insurer, sell its
assets, or consolidate or merge it with any person, or to make any other material change in its
business or corporate structure or management, are:

(A) unfair and unreasonable to policyholders of the insurer; and
(B) not in the public interest; or
(vi) the competence, experience, and integrity of those persons who would control the
operation of the insurer are such that it would not be in the interest of the policyholders of the
insurer and the public to permit the merger or other acquisition of control.

(b) For purposes of Subsection (8)(a)(iv), the offering price for each security may not
be considered unfair if the adjusted book values under Subsection (2)(e):

(i) are disclosed to the securityholders; and
(ii) determined by the commissioner to be reasonable.

(9) (a) The public hearing referred to in Subsection (8) shall be held within 30 days
after the statement required by Subsection (1) is filed.
(b) (i) At least 20 days notice of the hearing shall be given by the commissioner to the

(ii) All discovery proceedings shall be concluded not later than three days before the
commencement of the public hearing.

(10) If the proposed acquisition of control will require the approval of more than one commissioner, the public hearing referred to in Subsection (9)(a) may be held on a consolidated basis upon request of the person filing the statement referred to in Subsection (1). The person shall file the statement referred to in Subsection (1) with the National Association of Insurance Commissioners within five days of making the request for a public hearing. A commissioner may opt out of a consolidated hearing and shall provide notice to the applicant of the opt-out within 10 days of the receipt of the statement referred to in Subsection (1). A hearing conducted on a consolidated basis shall be public and shall be held within the United States before the commissioners of the states in which the insurers are domiciled. The commissioners shall hear and receive evidence. A commissioner may attend a hearing under this Subsection (10) in person or by telecommunication.

(11) In connection with a change of control of a domestic insurer, any determination by the commissioner that the person acquiring control of the insurer shall be required to maintain or restore the capital of the insurer to the level required by the laws and regulations of this state shall be made not later than 60 days after the date of notification of the change in control submitted pursuant to Subsection (1).

[(10)] (12) (a) The commissioner may retain technical experts to assist in reviewing all, or a portion of, information filed in connection with a proposed merger or other acquisition of control referred to in Subsection (1).

(b) In determining whether any of the conditions in Subsection (8) exist, the commissioner may consider the findings of technical experts employed to review applicable filings.

(c) (i) A technical expert employed under Subsection [(10)] (12)(a) shall present to the commissioner a statement of all expenses incurred by the technical expert in conjunction with the technical expert's review of a proposed merger or other acquisition of control.

by technical experts;

(B) retain a copy of the consolidated account described in Subsection [(10)]

(12)(c)(iii)(A); and

(C) file with the department as a public record a copy of the consolidated account
described in Subsection [(10)] (12)(c)(iii)(A).

[(11) (13) (a) (i) If a domestic insurer proposes to merge into another insurer, any
securityholder electing to exercise a right of dissent may file with the insurer a written request
for payment of the adjusted book value given in the statement required by Subsection (1) and
approved under Subsection (8), in return for the surrender of the security holder's securities.
](ii) The request described in Subsection [(11)] (13)(a)(i) shall be filed not later than 10
days after the day of the securityholders' meeting where the corporate action is approved.

(b) The dissenting securityholder is entitled to and the insurer is required to pay to the
dissenting securityholder the specified value within 60 days of receipt of the dissenting security
holder's security.

(c) Persons electing under this Subsection [(11)] (13) to receive cash for their securities
waive the dissenting shareholder and appraisal rights otherwise applicable under Title 16,
Chapter 10a, Part 13, Dissenters' Rights.

(d) (i) This Subsection [(11)] (13) provides an elective procedure for dissenting
securityholders to resolve their objections to the plan of merger.

(ii) This section does not restrict the rights of dissenting securityholders under Title 16,
Chapter 10a, Utah Revised Business Corporation Act, unless this election is made under this
Subsection [(11)] (13).

[(14) (a) All statements, amendments, or other material filed under Subsection
(1), and all notices of public hearings held under Subsection (8), shall be mailed by the insurer
to its securityholders within five business days after the insurer has received the statements,
amendments, other material, or notices.

(b) (i) Mailing expenses shall be paid by the person making the filing.

(ii) As security for the payment of mailing expenses, that person shall file with the
commissioner an acceptable bond or other deposit in an amount determined by the
commissioner.
This section does not apply to any offer, request, invitation, agreement, or acquisition that the commissioner by order exempts from the requirements of this section as:

(a) not having been made or entered into for the purpose of, and not having the effect of, changing or influencing the control of a domestic insurer; or

(b) otherwise not comprehended within the purposes of this section.

The following are violations of this section:

(a) the failure to file any statement, amendment, or other material required to be filed pursuant to Subsections (1), (2), and (5); or

(b) the effectuation, or any attempt to effectuate, an acquisition of control, divestiture of, or merger with a domestic insurer unless the commissioner has given the commissioner's approval to the acquisition or merger.

The courts of this state are vested with jurisdiction over:

(i) a person who:

(A) files a statement with the commissioner under this section; and

(B) is not resident, domiciled, or authorized to do business in this state; and

(ii) overall actions involving persons described in Subsection [(15) (17)(a)(i) arising out of a violation of this section.

(c) A copy of a lawful process described in Subsection [(15) (17)(b) shall be:

(i) served on the commissioner; and

(ii) transmitted by registered or certified mail by the commissioner to the person at that person's last-known address.

Section 10. Section 31A-16-104.5 is enacted to read:

31A-16-104.5. Acquisitions involving insurers not otherwise covered.

(1) The following definitions apply for the purposes of this section only:

(a) "Acquisition" means an agreement, arrangement, or activity the consummation of which results in a person acquiring directly or indirectly the control of another person and includes the acquisition of voting securities, the acquisition of assets, bulk reinsurance, and
(b) "Insurer" includes any company or group of companies under common management, ownership, or control.

(c) "Involved insurer" includes an insurer that either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.

(d) (i) "Market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the commissioner shall give due consideration to, among other things, the definitions or guidelines, if any, promulgated by the National Association of Insurance Commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, such line being that used in the annual statement required to be filed by insurers doing business in this state, and the relevant geographical market is assumed to be this state.

(ii) Notwithstanding Subsection (1)(d)(i), for purposes of Subsection (2)(b), "market" means direct written insurance premium in this state for a line of business as contained in the annual statement required to be filed by insurers licensed to do business in this state.

(2) (a) This section applies to any acquisition in which there is a change in control of an insurer authorized to do business in Utah.

(b) This section does not apply to the following:

(i) securities purchased solely for investment purposes so long as the securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in this state;

(ii) if a purchase of securities results in a presumption of control under Subsection 31A-1-301(29)(d), it is not solely for investment purposes unless the commissioner of the insurer's state of domicile accepts a disclaimer of control or affirmatively finds that control does not exist and the disclaimer action or affirmative finding is communicated by the domiciliary commissioner to the commissioner of this state;

(iii) the acquisition of a person by another person when both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if pre-acquisition notification is filed with the commissioner in accordance with Subsection (3)(a) 30 days before the proposed effective date of the acquisition;
(iv) the acquisition of an already affiliated person;
(v) an acquisition if, as an immediate result of the acquisition:
   (A) in no market would the combined market share of the involved insurers exceed 5% of the total market;
   (B) there would be no increase in any market share; or
   (C) in no market would the combined market share of the involved insurers exceed 12% of the total market, and the market share increase by more than 2% of the total market;
(vi) an acquisition for which a pre-acquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business;
 or
(vii) an acquisition of an insurer whose domiciliary commissioner affirmatively finds that the insurer is in failing condition, and:
   (A) there is a lack of feasible alternative to improving such condition;
   (B) the public benefits of improving the insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition; and
   (C) the findings are communicated by the domiciliary commissioner to the commissioner of this state.

(3) An acquisition covered by Subsection (2) may be subject to an order pursuant to Subsection (5) unless the acquiring person files a pre-acquisition notification and the waiting period has expired. The acquired person may file a pre-acquisition notification. The commissioner shall give confidential treatment to information submitted under this Subsection (3) in the same manner as provided in Section 31A-16-109.

(a) The pre-acquisition notification shall be in the form and contain such information as prescribed by the National Association of Insurance Commissioners relating to those markets that, under Subsection (2)(b)(v), cause the acquisition not to be exempted from this section. The commissioner may require additional material and information as considered necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of Subsection (4). The required information may include an opinion of an economist as to the competitive impact of the acquisition in this state accompanied by a summary of the education and experience of the economist indicating the economist's ability to render an informed opinion.
(b) The waiting period required shall begin on the date of receipt of the commissioner of a pre-acquisition notification and shall end on the earlier of the 30th day after the date of receipt, or termination of the waiting period by the commissioner. Before the end of the waiting period, the commissioner on a one-time basis may require the submission of additional needed information relevant to the proposed acquisition, in which event the waiting period shall end on the earlier of the 30th day after receipt of the additional information by the commissioner or termination of the waiting period by the commissioner.

(4) (a) The commissioner may enter an order under Subsection (5)(a) with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be substantially to lessen competition in any line of insurance in this state, tend to create a monopoly, or if the insurer fails to file adequate information in compliance with this section.

(b) In determining whether a proposed acquisition would violate the competitive standard of Subsection (4)(a), the commissioner shall consider the following:

(i) Any acquisition covered under this Subsection (4) involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standards if:

(A) the market is highly concentrated and the involved insurers possess the following shares of the market:

<table>
<thead>
<tr>
<th>Insurer A</th>
<th>Insurer B</th>
</tr>
</thead>
<tbody>
<tr>
<td>4%</td>
<td>4% or more</td>
</tr>
<tr>
<td>10%</td>
<td>2% or more</td>
</tr>
<tr>
<td>15%</td>
<td>1% or more; or</td>
</tr>
</tbody>
</table>

(B) the market is not highly concentrated and the involved insurers possess the following shares of the market:

<table>
<thead>
<tr>
<th>Insurer A</th>
<th>Insurer B</th>
</tr>
</thead>
<tbody>
<tr>
<td>5%</td>
<td>5% or more</td>
</tr>
<tr>
<td>10%</td>
<td>4% or more</td>
</tr>
<tr>
<td>15%</td>
<td>3% or more</td>
</tr>
<tr>
<td>19%</td>
<td>1% or more,</td>
</tr>
</tbody>
</table>

(ii) For purposes of this section, a highly concentrated market is one in which the share
of the four largest insurers is 75% or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown. If more than two insurers are involved, exceeding the total of the two columns in the table is prima facie evidence of violation of the competitive standard in Subsection (4)(a).

(iii) For purposes of this section, the insurer with the largest share of the market shall be considered to be Insurer A.

(c) There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the two largest to the eight largest, has increased by 7% or more of the market over a period of time extending from any base year 5 to 10 years before the acquisition up to the time of the acquisition. Any acquisition or merger covered under Subsection (1) involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in Subsection (4)(a) if:

(i) there is a significant trend toward increased concentration in the market;

(ii) one of the insurers involved is one of the insurers in a grouping of large insurers showing the requisite increase in the market share; and

(iii) another involved insurer's market is 2% or more.

(d) The burden of showing prima facie evidence of violation of the competitive standard rests upon the commissioner.

(e) Even though an acquisition is not prima facie violative of the competitive standard under Subsections (4)(b) and (4)(c), the commissioner may establish the requisite anticompetitive effect based upon other substantial evidence.

(f) Even though an acquisition is prima facie violative of the competitive standard under Subsections (4)(b) and (4)(c), a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination under this Subsection (4)(f) include the following:

(i) market shares;

(ii) volatility of ranking of market leaders;

(iii) number of competitors;

(iv) concentration or trend of concentration in the industry; and

(v) ease of entry and exit into the market.
(g) An order may not be entered under Subsection (5) if:

(i) the acquisition will yield substantial economies of scale or economies in resource
use that cannot be feasibly achieved in any other way, and the public benefits that would arise
from the economies exceed the public benefits that would arise from not lessening competition;

or

(ii) the acquisition will substantially increase the availability of insurance, and the
public benefits of the increase exceed the public benefits that would arise from not lessening
competition.

(5) (a) Subject to Title 63G, Chapter 4, Administrative Procedures Act, if an
acquisition violates the standards of this section, the commissioner may enter an order:

(i) requiring an involved insurer to cease and desist from doing business in this state
with respect to the line or lines of insurance involved in the violation; or

(ii) denying the application of an acquired or acquiring insurer for a license to do
business in this state.

(b) The commissioner shall accompany an order issued under this Subsection (5) with
a written decision of the commissioner setting forth findings of fact and conclusions of law.

(c) An order pursuant to this section may not apply if the acquisition is not
consummated.

(d) A person who violates a cease and desist order of the commissioner under

commissioner by rule or order provides otherwise, sales, purchases, exchanges, loans or
extensions of credit, investments, or guarantees involving one-half of 1%, or less, of an
insurer's admitted assets as of the next preceding December 31 may not be considered material
for purposes of this section.

(5) Subject to Section 31A-16-106, each registered insurer shall report to the commissioner a dividend or other distribution to shareholders within 15 business days following the declaration of the dividend or distribution.

[(5) (6) Any person within an insurance holding company system subject to registration shall provide complete and accurate information to an insurer if the information is reasonably necessary to enable the insurer to comply with the provisions of this chapter.

The commissioner shall disallow a disclaimer only after furnishing all parties in interest with notice and opportunity to be heard, and after making specific findings of fact to support the disallowance.] A disclaimer of affiliation is considered to have been granted unless the commissioner, within 30 days following receipt of a complete disclaimer, notifies the filing party the disclaimer is disallowed. If disallowed, the disclaiming party may request an administrative hearing, which shall be granted. The disclaiming party shall be relieved of its duty to register under this
section if approval of the disclaimer is granted by the commissioner, or if the disclaimer is considered to have been approved.

(12) The ultimate controlling person of an insurer subject to registration shall also file an annual enterprise risk report. The annual enterprise risk report shall, to the best of the ultimate controlling person's knowledge and belief, identify the material risks within the insurance holding company that could pose enterprise risk to the insurer. (b) The following transactions involving a domestic insurer and any person in its insurance holding company system, including amendments or modifications of affiliate agreements previously filed pursuant to this section, which are subject to any materiality standards contained in Subsections (1)(a)(i) through (vi), may not be entered into unless the insurer has notified the commissioner in writing of its intention to enter into the transaction at least 30 days [prior to] before entering into the transaction, or within any shorter period the commissioner may permit, if the commissioner has not disapproved the transaction within the period[:]. The notice for an amendment or modification shall include the reasons for the change and financial impact on the domestic insurer. Informal notice shall be reported, within 30 days after a termination of a previously filed agreement, to the commissioner for determination of the type of filing required, if any:

including an agreement in which the reinsurance premium, a change in the insurer's liabilities, or the projected reinsurance premium or a change in the insurer's liabilities in any of the current and succeeding three years, equals or exceeds 5% of the insurer's surplus held for policyholders, as of the next preceding December 31, including those agreements that may require as consideration the transfer of assets from an insurer to a non-affiliate, if an agreement or understanding exists between the insurer and the non-affiliate that any portion of the assets will be transferred to one or more affiliates of the reinsurer;

(iv) all management agreements, service contracts, tax allocation agreements, and all cost-sharing arrangements;

(v) guarantees when made by a domestic insurer, except that:

(vii) any material transactions, specified by rule, which the commissioner determines may adversely affect the interests of the insurer's policyholders; and

(viii) this Subsection (1) may not be interpreted to authorize or permit any transactions which would be otherwise contrary to law in the case of an insurer not a member of the same holding company system.

(c) A domestic insurer may not enter into transactions which are part of a plan or series of like transactions with persons within the holding company system if the purpose of the separate transactions is to avoid the statutory threshold amount and thus to avoid the review by the commissioner that would occur otherwise. If the commissioner determines that the separate transactions were entered into over any 12 month period for such a purpose, [he] the
commissioner may exercise [his] the commissioner's authority under Section 31A-16-110.

(d) The commissioner, in reviewing transactions pursuant to Subsection (1)(b), shall consider whether the transactions comply with the standards set forth in Subsection (1)(a) and whether they may adversely affect the interests of policyholders.

(e) The commissioner shall be notified within 30 days of any investment of the domestic insurer in any one corporation, if the total investment in the corporation by the insurance holding company system exceeds 10% of the corporation's voting securities.

(2) (a) A domestic insurer may not pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until:

(ii) the net gain from operations of the insurer, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, not including realized capital gains, for the 12-month period ending the next preceding December 31; or

(iii) an extraordinary dividend does not include pro rata distributions of any class of the insurer's own securities.

(c) In determining whether a dividend or distribution is extraordinary, an insurer other than a life insurer may carry forward net income from the previous two calendar years that has not already been paid out as dividends. This carry-forward shall be computed by taking the net income from the second and third preceding calendar years, not including realized capital gains, less dividends paid in the second and immediate preceding calendar years.

(d) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution, which is conditioned upon the commissioner's approval of the dividend or distribution, and the declaration shall confer no rights upon shareholders...
until:

(i) the commissioner has approved the payment of the dividend or distribution; or

(ii) the commissioner has not disapproved the payment within the 30-day period referred to in Subsection (2)(a).

(3) (a) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer may not be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be managed so as to assure its separate operating identity consistent with this chapter.

(b) Nothing in this section precludes a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property, or services with one or more other persons under arrangements meeting the standards of Subsection (1)(a).

(c) (i) Not less than one-third of the directors of a domestic insurer, and not less than one-third of the members of each committee of the board of directors of a domestic insurer, shall be persons who are not officers or employees of the insurer or of any entity controlling, controlled by, or under common control with the insurer and who are not beneficial owners of a controlling interest in the voting stock of the insurer or entity.

(ii) At least one person described in Subsection (3)(c)(i) shall be included in a quorum for the transaction of business at a meeting of the board of directors or a committee of the board of directors.

(d) Subsection (3)(c) does not apply to a domestic insurer if the person controlling the insurer, such as an insurer, a mutual insurance holding company, or a publicly held corporation, has a board of directors and committees of the board of directors that meet the requirements of Subsection (3)(c) with respect to the controlling entity.

(e) An insurer may make application to the commissioner for a waiver from the requirements of this Subsection (3) if the insurer's annual direct written and assumed premium, excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, is less than $300,000,000. An insurer may also make application to the commissioner for a waiver from the requirements of this Subsection (3) based upon unique circumstances. The commissioner may consider various factors, including:

(i) the type of business entity;

(ii) the volume of business written;
(iii) the availability of qualified board members; or
(iv) the ownership or organizational structure of the entity.

(4) (a) For purposes of this chapter, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to meet its financial needs, the following factors, among others, shall be considered:

(viii) the surplus as regards policyholders maintained by other comparable insurers;
(ix) the adequacy of the insurer's reserves; and
(x) the quality and liquidity of investments in affiliates.

(b) The commissioner may treat an investment described in Subsection (4)(a)(x) as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in the judgment of the commissioner the investment so warrants.

(ii) The maximum penalty under this section is $250,000.

violates, participates in, or assents to, or who knowingly shall permit any of the officers or
agents of the insurer to engage in transactions or make investments that have not been properly

such other matters as justice may require.

(3) Whenever it appears to the commissioner that any insurer subject to this chapter or
a director, officer, employee, or agent of the insurer has engaged in any transaction or entered

had the approval been requested, the commissioner may order the insurer to cease and desist

the commissioner may also order the insurer to void any contract and restore the status quo if
the action is in the best interest of the policyholders, creditors, or the public.

2631 willfully and knowingly subscribes to or makes or causes to be made any false statements, false
2632 reports, or false filings with the intent to deceive the commissioner in the performances of the
2633 commissioner's duties under this chapter, is guilty of a third-degree felony. Any fines imposed
2634 shall be paid by the officer, director, or employee in the officer's, director's, or employee's
2635 individual capacity.
2636 (6) Whenever it appears to the commissioner that a person has committed a violation
2637 of Section 31A-16-103 and that prevents the full understanding of the enterprise risk to the
2638 insurer by affiliates or by the insurance holding company system, the violation may serve as an
2639 independent basis for disapproving dividends or distributions and for placing the insurer under
2640 an order of supervision in accordance with Section 31A-27-503.
2641 Section 17. Section 31A-16-113 is enacted to read:
2642 31A-16-113. Receivership.
2643 Whenever it appears to the commissioner that a person has committed a violation of
2644 this chapter that so impairs the financial condition of a domestic insurer as to threaten
2645 insolvency or make the further transaction of business by it hazardous to its policyholders,
2646 creditors, shareholders, or the public, then the commissioner may proceed as provided in
2647 Section 31A-16-114 to take possession of the property of the domestic insurer and to conduct
2648 its business.
2649 Section 18. Section 31A-16-114 is enacted to read:
2650 31A-16-114. Recovery.

2659 made at any time during the one year preceding the petition for liquidation, conservation, or
rehabilitation, as the case may be, subject to the limitations of Subsections (2), (3), and (4).

(2) A distribution may not be recovered if the parent or affiliate shows that when paid the distribution was lawful and reasonable and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(3) A person who was a parent corporation or holding company or a person who otherwise controlled the insurer or affiliate at the time the distributions were paid shall be liable up to the amount of distributions or payments under Subsection (1) that the person received. A person who otherwise controlled the insurer at the time the distributions were declared is liable up to the amount of distributions that would have been received if they had been paid immediately. If two or more persons are liable with respect to the same distributions, they shall be jointly and severally liable.

(4) The maximum amount recoverable under this section shall be the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer and to reimburse any guaranty funds.

(5) To the extent that any person liable under Subsection (3) is insolvent or otherwise fails to pay claims due from the person, its parent corporation, holding company, or person who otherwise controlled it at the time the distribution was paid, are jointly and severally liable for any resulting deficiency in the amount recovered from the parent corporation or holding company or person who otherwise controlled it.

Any such determination shall be accompanied by specific findings of fact and conclusions of law.

Section 20. Section 31A-16-116 is enacted to read:

(2) The filing of an appeal pursuant to this section shall stay the application of any rule, order, or other action of the commissioner to the appealing party unless the court, after giving party notice and an opportunity to be heard, determines that a stay would be detrimental to the interest of policyholders, shareholders, creditors, or the public.

(3) A person aggrieved by a failure of the commissioner to act or make a determination required by this chapter may petition the Third District Court of Salt Lake County for writ in the nature of a mandamus or a peremptory mandamus directing the commissioner to act or make a determination.

The provisions of this chapter are severable.

Section 24. Section 31A-21-313 is amended to read:

31A-21-313. Limitation of actions.
(1) (a) An action on a written policy or contract of first party insurance shall be commenced within three years after the inception of the loss.

(b) The inception of the loss on a fidelity bond is the date the insurer first denies all or
part of a claim made under the fidelity bond.

(2) Except as provided in Subsection (1) or elsewhere in this title, the law applicable to limitation of actions in Title 78B, Chapter 2, Statutes of Limitations, applies to actions on insurance policies.

(3) An insurance policy may not:

(a) limit the time for beginning an action on the policy to a time less than that authorized by statute;

(b) prescribe in what court an action may be brought on the policy; or

(c) provide that no action may be brought, subject to permissible arbitration provisions in contracts.

(4) Unless by verified complaint it is alleged that prejudice to the complainant will arise from a delay in bringing suit against an insurer, which prejudice is other than the delay itself, no action may be brought against an insurer on an insurance policy to compel payment under the policy until the earlier of:

(a) 60 days after proof of loss has been furnished as required under the policy;

(b) waiver by the insurer of proof of loss; or

(c) the insurer's denial of full payment.

Section 26. Section 31A-22-504 is amended to read:

(b) notwithstanding Subsection 31A-22-501(2), a Taft Hartley trust created in accordance with Section 302(c)(5) of the Federal Labor Management Relations Act.

(2) These policies are subject to the following requirements:

[(1)] (a) The persons eligible for insurance are all of the employees of the employers or all of the members of the unions or organizations, or all of any classes of employees or members. The policy may include retired employees, elected and appointed officials of a public agency if the employees of the agency are insured, and individual proprietors or partners who are employers. The policy may include the trustees or their employees, or both, if their duties are principally connected with the trusteeship.

[(2)] (b) The premiums for the policy are paid by the policyholders from funds contributed by the employers, unions, or similar employee organizations, or from funds contributed by the insured persons, or any combination of these. Except as provided under Section 31A-22-512, a policy on which no part of the premium is contributed by the insured persons specifically for their insurance is required to insure all eligible persons.

Section 27. Section 31A-22-612 is amended to read:

(1) An accident and health insurance policy, which in addition to covering the insured also provides coverage to the spouse of the insured, may not contain a provision for termination of coverage of a spouse covered under the policy, except by entry of a valid decree of divorce or annulment between the parties.

(2) Every policy which contains this type of provision shall provide that upon the entry of the divorce decree the spouse is entitled to have issued an individual policy of accident and
health insurance without evidence of insurability, upon application to the company and
payment of the appropriate premium. The policy shall provide the coverage being issued
which is most nearly similar to the terminated coverage. Probationary or waiting periods in the
policy are considered satisfied to the extent the coverage was in force under the prior policy.

(3) When the insurer receives actual notice that the coverage of a spouse is to be
terminated because of a divorce or annulment, the insurer shall promptly provide the spouse
written notification of the right to obtain individual coverage as provided in Subsection (2), the
premium amounts required, and the manner, place, and time in which premiums may be paid.
The premium is determined in accordance with the insurer's table of premium rates applicable
to the age and class of risk of the persons to be covered and to the type and amount of coverage
provided. If the spouse applies and tenders the first monthly premium to the insurer within 30
days after receiving the notice provided by this Subsection (3), the spouse shall receive
individual coverage that commences immediately upon termination of coverage under the
insured's policy.

(4) This section does not apply to accident and health insurance policies offered on a

(3) (a) A Medicare supplement policy or certificate in force in the state may not contain benefits that duplicate benefits provided by Medicare.

(b) Notwithstanding any other provision of law of this state, a Medicare supplement policy or certificate may not exclude or limit benefits for loss incurred more than six months from the effective date of coverage because it involved a preexisting condition. The policy or certificate may not define a preexisting condition more restrictively than: "A condition for which medical advice was given or treatment was recommended by or received from a physician within six months before the effective date of coverage."

(c) The commissioner shall adopt rules to establish specific standards for policy provisions of Medicare supplement policies and certificates. The standards adopted shall be in addition to and in accordance with applicable laws of this state. A requirement of this title relating to minimum required policy benefits, other than the minimum standards contained in this section, may not apply to Medicare supplement policies and certificates. The standards may include:

   (i) terms of renewability;

(f) The commissioner may adopt rules that prohibit policy provisions not otherwise specifically authorized by statute that, in the opinion of the commissioner, are unjust, unfair, or unfairly discriminatory to any person insured or proposed to be insured under a Medicare supplement policy or certificate.

(4) Medicare supplement policies shall return to policyholders benefits that are reasonable in relation to the premium charged. The commissioner shall make rules to establish minimum standards for loss ratios of Medicare supplement policies on the basis of incurred claims experience, or incurred health care expenses where coverage is provided by a health maintenance organization on a service basis rather than on a reimbursement basis, and earned premiums in accordance with accepted actuarial principles and practices.

(5) (a) To provide for full and fair disclosure in the sale of Medicare supplement policies, a Medicare supplement policy or certificate may not be delivered in this state unless an outline of coverage is delivered to the applicant at the time application is made.

(c) For purposes of this section, "format" means style arrangements and overall appearance, including such items as the size, color, and prominence of type and arrangement of text and captions. The outline of coverage shall include:

(ii) designed to inform prospective insureds that particular insurance coverages are not Medicare supplement coverages, for all accident and health insurance policies sold to persons eligible for Medicare, other than:

(A) a medicare supplement policy; or

(B) a disability income policy.

(e) The commissioner may prescribe by rule a standard form and the contents of an informational brochure for persons eligible for Medicare, that is intended to improve the buyer's ability to select the most appropriate coverage and improve the buyer's understanding of Medicare. Except in the case of direct response insurance policies, the commissioner may require by rule that the informational brochure be provided concurrently with delivery of the outline of coverage to any prospective insureds eligible for Medicare. With respect to direct response insurance policies, the commissioner may require by rule that the prescribed brochure be provided upon request to any prospective insureds eligible for Medicare, but in no event later than the time of policy delivery.

(f) The commissioner may adopt reasonable rules to govern the full and fair disclosure of the information in connection with the replacement of accident and health policies, subscriber contracts, or certificates by persons eligible for Medicare.

(6) Notwithstanding Subsection (1), Medicare supplement policies and certificates shall have a notice prominently printed on the first page of the policy or certificate, or attached to the front page, stating in substance that the applicant has the right to return the policy or certificate within 30 days of its delivery and to have the premium refunded if, after examination of the policy or certificate, the applicant is not satisfied for any reason. Any refund made pursuant to this section shall be paid directly to the applicant by the issuer in a timely manner.
