24 *Be it enacted by the Legislature of the state of Utah:*

25                   Section 1. Section **53A-3-432** is enacted to read:

26                   **53A-3-432. Pesticide application notification requirements.**

27                   (1) As used in this section:

- 28            (a) "Pesticide" means the same as that term is defined in Section [4-14-2](#).  
29            (b) "School community" means individuals associated with a public school, including:  
30            (i) a student enrolled in the school;  
31            (ii) a parent of a student enrolled in the school; and  
32            (iii) a school employee.  
33            (2) A local school board or charter school governing board of a school shall notify the  
34 school community of the school about a pesticide application planned for inside the school or  
35 on the school grounds no less than 72 hours before the pesticide application by:  
36            (a) posting a written notice on each public entrance to the school; and  
37            (b) using any other notification system used by the local school board, charter school  
38 governing board, or school for providing a routine notification.
