ENACTS:

17-27a-901, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **10-9a-304** is amended to read:

HB0351S02 compared with HB0351S01

10-9a-304. State and federal property -- Mountainous planning district.

(1) Unless otherwise provided by law, nothing contained in this chapter may be construed as giving a municipality jurisdiction over property owned by the state or the United States.

(2) (a) Except as provided in Subsection (2)(b), for purposes of this chapter, a municipality, a municipal planning commission, or a municipal land use authority does not have jurisdiction over property located within a mountainous planning district as defined in Section 17-27a-103.

(b) Subsection (2)(a) does not apply to a municipality that:

(i) (A) is wholly located within the boundaries of a mountainous planning district; and

(B) was incorporated in or before 1970;

(ii) is exercising its extraterritorial jurisdiction as authorized by Section 10-8-15; or

(iii) has been granted joint authority to regulate, subject to Subsection (2)(c), its watershed areas by a local health authority.

(c) The exception for a municipality under Subsection (2)(b)(iii) applies only for matters related to regulation of the watershed within a watershed area.

Section 2. Section **17-27a-102** is amended to read:

17-27a-102. Purposes -- General land use authority.

(1) (a) The purposes of this chapter are to provide for the health, safety, and welfare, and promote the prosperity, improve the morals, peace and good order, comfort, convenience, and aesthetics of each county and its present and future inhabitants and businesses, to protect the tax base, to secure economy in governmental expenditures, to foster the state's agricultural and other industries, to protect both urban and nonurban development, to protect and ensure access to sunlight for solar energy devices, to provide fundamental fairness in land use regulation, and to protect property values.

(b) To accomplish the purposes of this chapter, counties may enact all ordinances, resolutions, and rules and may enter into other forms of land use controls and development agreements that they consider necessary or appropriate for the use and development of land within the unincorporated area of the county or a designated mountainous planning district, including ordinances, resolutions, rules, restrictive covenants, easements, and development agreements governing uses, density, open spaces, structures, buildings, energy-efficiency, light

HB0351S02 compared with HB0351S01

and air, air quality, transportation and public or alternative transportation, infrastructure, street and building orientation and width requirements, public facilities, fundamental fairness in land use regulation, considerations of surrounding land uses and the balance of the foregoing purposes with a landowner's private property interests, height and location of vegetation, trees, and landscaping, unless expressly prohibited by law.

(2) Each county shall comply with the mandatory provisions of this part before any agreement or contract to provide goods, services, or municipal-type services to any storage facility or transfer facility for high-level nuclear waste, or greater than class C radioactive waste, may be executed or implemented.

Section 3. Section **17-27a-103** is amended to read:

17-27a-103. Definitions.

As used in this chapter:

(1) "Affected entity" means a county, municipality, local district, special service district under Title 17D, Chapter 1, Special Service District Act, school district, interlocal cooperation entity established under Title 11, Chapter 13, Interlocal Cooperation Act, specified property owner, property owners association, public utility, or the Utah Department of Transportation, if:

(a) the entity's services or facilities are likely to require expansion or significant modification because of an intended use of land;

(b) the entity has filed with the county a copy of the entity's general or long-range plan;
or

(c) the entity has filed with the county a request for notice during the same calendar year and before the county provides notice to an affected entity in compliance with a requirement imposed under this chapter.

(2) "Appeal authority" means the person, board, commission, agency, or other body designated by ordinance to decide an appeal of a decision of a land use application or a variance.

(3) "Billboard" means a freestanding ground sign located on industrial, commercial, or residential property if the sign is designed or intended to direct attention to a business, product, or service that is not sold, offered, or existing on the property where the sign is located.

(4) (a) "Charter school" means:

HB0351S02 compared with HB0351S01

- (i) an operating charter school;
- (ii) a charter school applicant that has its application approved by a charter school authorizer in accordance with Title 53A, Chapter 1a, Part 5, The Utah Charter Schools Act; or
- (iii) an entity that is working on behalf of a charter school or approved charter applicant to develop or construct a charter school building.

(b) "Charter school" does not include a therapeutic school.

(5) "Chief executive officer" means the person or body that exercises the executive powers of the county.

(6) "Conditional use" means a land use that, because of its unique characteristics or potential impact on the county, surrounding neighbors, or adjacent land uses, may not be compatible in some areas or may be compatible only if certain conditions are required that mitigate or eliminate the detrimental impacts.

(7) "Constitutional taking" means a governmental action that results in a taking of private property so that compensation to the owner of the property is required by the:

- (a) Fifth or Fourteenth Amendment of the Constitution of the United States; or
- (b) Utah Constitution Article I, Section 22.

(8) "Culinary water authority" means the department, agency, or public entity with responsibility to review and approve the feasibility of the culinary water system and sources for the subject property.

(9) "Development activity" means:

- (a) any construction or expansion of a building, structure, or use that creates additional demand and need for public facilities;
- (b) any change in use of a building or structure that creates additional demand and need for public facilities; or
- (c) any change in the use of land that creates additional demand and need for public facilities.

(10) (a) "Disability" means a physical or mental impairment that substantially limits one or more of a person's major life activities, including a person having a record of such an impairment or being regarded as having such an impairment.

(b) "Disability" does not include current illegal use of, or addiction to, any federally controlled substance, as defined in Section 102 of the Controlled Substances Act, 21 U.S.C.

(11) "Educational facility":

(a) means:

(i) a school district's building at which pupils assemble to receive instruction in a program for any combination of grades from preschool through grade 12, including kindergarten and a program for children with disabilities;

(ii) a structure or facility:

(A) located on the same property as a building described in Subsection (11)(a)(i); and

(B) used in support of the use of that building; and

(iii) a building to provide office and related space to a school district's administrative personnel; and

(b) does not include:

(i) land or a structure, including land or a structure for inventory storage, equipment storage, food processing or preparing, vehicle storage or maintenance, or similar use that is:

(A) not located on the same property as a building described in Subsection (11)(a)(i);

and

(B) used in support of the purposes of a building described in Subsection (11)(a)(i); or

(ii) a therapeutic school.

(12) "Fire authority" means the department, agency, or public entity with responsibility to review and approve the feasibility of fire protection and suppression services for the subject property.

(13) "Flood plain" means land that:

(a) is within the 100-year flood plain designated by the Federal Emergency Management Agency; or

(b) has not been studied or designated by the Federal Emergency Management Agency but presents a likelihood of experiencing chronic flooding or a catastrophic flood event because the land has characteristics that are similar to those of a 100-year flood plain designated by the Federal Emergency Management Agency.

(14) "Gas corporation" has the same meaning as defined in Section 54-2-1.

(15) "General plan" means a document that a county adopts that sets forth general guidelines for proposed future development of:

HB0351S02 compared with HB0351S01

(a) the unincorporated land within the county[-]; or

(b) for a mountainous planning district, the land within the mountainous planning district.

(16) "Geologic hazard" means:

(a) a surface fault rupture;

(b) shallow groundwater;

(c) liquefaction;

(d) a landslide;

(e) a debris flow;

(f) unstable soil;

(g) a rock fall; or

(h) any other geologic condition that presents a risk:

(i) to life;

(ii) of substantial loss of real property; or

(iii) of substantial damage to real property.

(17) "Hookup fee" means a fee for the installation and inspection of any pipe, line, meter, or appurtenance to connect to a county water, sewer, storm water, power, or other utility system.

(18) "Identical plans" means building plans submitted to a county that:

(a) are clearly marked as "identical plans";

(b) are substantially identical building plans that were previously submitted to and reviewed and approved by the county; and

(c) describe a building that:

(i) is located on land zoned the same as the land on which the building described in the previously approved plans is located;

(ii) is subject to the same geological and meteorological conditions and the same law as the building described in the previously approved plans;

(iii) has a floor plan identical to the building plan previously submitted to and reviewed and approved by the county; and

(iv) does not require any additional engineering or analysis.

(19) "Impact fee" means a payment of money imposed under Title 11, Chapter 36a,

HB0351S02 compared with HB0351S01

Impact Fees Act.

(20) "Improvement completion assurance" means a surety bond, letter of credit, cash, or other security required by a county to guaranty the proper completion of landscaping or infrastructure that the land use authority has required as a condition precedent to:

- (a) recording a subdivision plat; or
- (b) beginning development activity.

(21) "Improvement warranty" means an applicant's unconditional warranty that the accepted landscaping or infrastructure:

- (a) complies with the county's written standards for design, materials, and workmanship; and
- (b) will not fail in any material respect, as a result of poor workmanship or materials, within the improvement warranty period.

(22) "Improvement warranty period" means a period:

- (a) no later than one year after a county's acceptance of required landscaping; or
- (b) no later than one year after a county's acceptance of required infrastructure, unless the county:

- (i) determines for good cause that a one-year period would be inadequate to protect the public health, safety, and welfare; and

- (ii) has substantial evidence, on record:

- (A) of prior poor performance by the applicant; or
- (B) that the area upon which the infrastructure will be constructed contains suspect soil and the county has not otherwise required the applicant to mitigate the suspect soil.

(23) "Internal lot restriction" means a platted note, platted demarcation, or platted designation that:

- (a) runs with the land; and
- (b) (i) creates a restriction that is enclosed within the perimeter of a lot described on the plat; or
- (ii) designates a development condition that is enclosed within the perimeter of a lot described on the plat.

(24) "Interstate pipeline company" means a person or entity engaged in natural gas transportation subject to the jurisdiction of the Federal Energy Regulatory Commission under

HB0351S02 compared with HB0351S01

the Natural Gas Act, 15 U.S.C. Sec. 717 et seq.

(25) "Intrastate pipeline company" means a person or entity engaged in natural gas transportation that is not subject to the jurisdiction of the Federal Energy Regulatory Commission under the Natural Gas Act, 15 U.S.C. Sec. 717 et seq.

(26) "Land use application" means an application required by a county's land use ordinance.

(27) "Land use authority" means:

(a) a person, board, commission, agency, or body, including the local legislative body, designated by the local legislative body to act upon a land use application; or

(b) if the local legislative body has not designated a person, board, commission, agency, or body, the local legislative body.

(28) "Land use ordinance" means a planning, zoning, development, or subdivision ordinance of the county, but does not include the general plan.

~~[(57)]~~ (58) (a) "Subdivision" means any land that is divided, resubdivided or proposed to be divided into two or more lots, parcels, sites, units, plots, or other division of land for the

HB0351S02 compared with HB0351S01

purpose, whether immediate or future, for offer, sale, lease, or development either on the installment plan or upon any and all other plans, terms, and conditions.

(b) "Subdivision" includes:

(i) the division or development of land whether by deed, metes and bounds description, devise and testacy, map, plat, or other recorded instrument; and

(ii) except as provided in Subsection [~~(57)~~] (58)(c), divisions of land for residential and nonresidential uses, including land used or to be used for commercial, agricultural, and industrial purposes.

(c) "Subdivision" does not include:

(i) a bona fide division or partition of agricultural land for agricultural purposes;

(ii) a recorded agreement between owners of adjoining properties adjusting their mutual boundary if:

(A) no new lot is created; and

(B) the adjustment does not violate applicable land use ordinances;

(iii) a recorded document, executed by the owner of record:

(A) revising the legal description of more than one contiguous unsubdivided parcel of property into one legal description encompassing all such parcels of property; or

(B) joining a subdivided parcel of property to another parcel of property that has not been subdivided, if the joinder does not violate applicable land use ordinances;

(iv) a bona fide division or partition of land in a county other than a first class county for the purpose of siting, on one or more of the resulting separate parcels:

(A) an electrical transmission line or a substation;

(B) a natural gas pipeline or a regulation station; or

(C) an unmanned telecommunications, microwave, fiber optic, electrical, or other utility service regeneration, transformation, retransmission, or amplification facility;

(v) a recorded agreement between owners of adjoining subdivided properties adjusting their mutual boundary if:

(A) no new dwelling lot or housing unit will result from the adjustment; and

(B) the adjustment will not violate any applicable land use ordinance;

(vi) a bona fide division or partition of land by deed or other instrument where the land use authority expressly approves in writing the division in anticipation of further land use

HB0351S02 compared with HB0351S01

approvals on the parcel or parcels; or

(vii) a parcel boundary adjustment.

(d) The joining of a subdivided parcel of property to another parcel of property that has not been subdivided does not constitute a subdivision under this Subsection [~~(57)~~] (58) as to the unsubdivided parcel of property or subject the unsubdivided parcel to the county's subdivision ordinance.

[~~(58)~~] (59) "Suspect soil" means soil that has:

(a) a high susceptibility for volumetric change, typically clay rich, having more than a 3% swell potential;

(b) bedrock units with high shrink or swell susceptibility; or

(c) gypsiferous silt and clay, gypsum, or bedrock units containing abundant gypsum commonly associated with dissolution and collapse features.

[~~(59)~~] (60) "Therapeutic school" means a residential group living facility:

(a) for four or more individuals who are not related to:

~~[(64)]~~ (65) "Zoning map" means a map, adopted as part of a land use ordinance, that depicts land use zones, overlays, or districts.

Section 4. Section **17-27a-210** is amended to read:

17-27a-210. Notice to county when a private institution of higher education is constructing student housing.

(1) Each private institution of higher education that intends to construct student housing on property owned by the institution shall provide written notice of the intended construction, as provided in Subsection (2), before any funds are committed to the construction, if any of the proposed student housing buildings is within 300 feet of privately owned residential property.

(2) Each notice under Subsection (1) shall be provided to the legislative body and, if applicable, the mayor of:

(a) the county in whose unincorporated area or the mountainous planning district area the privately owned residential property is located; or

(b) the municipality in whose boundaries the privately owned residential property is located.

(3) At the request of a county or municipality that is entitled to notice under this section, the institution and the legislative body of the affected county or municipality shall jointly hold a public hearing to provide information to the public and receive input from the public about the proposed construction.

HB0351S02 compared with HB0351S01

Section 5. Section 17-27a-301 is amended to read:

17-27a-301. Ordinance establishing planning commission required -- Exception -- Ordinance requirements -- Township planning commission -- Compensation.

(1) (a) Except as provided in Subsection (1)(b), each county shall enact an ordinance establishing a countywide planning commission for the unincorporated areas of the county not within a township.

(b) Subsection (1)(a) does not apply if all of the county is included within any combination of:

- (i) municipalities; [~~and~~]
- (ii) townships with their own planning commissions[~~;~~]; and
- (iii) mountainous planning districts.

(c) (i) Notwithstanding Subsection (1)(a), and except as provided in Subsection (1)(c)(ii), a county that designates a mountainous planning district shall enact an ordinance, subject to Subsection (1)(c)(ii), establishing a planning commission that has jurisdiction over the entire mountainous planning district, including areas of the mountainous planning district that are also located within a municipality or are unincorporated.

(ii) A planning commission described in Subsection (1)(c)(i):

(A) does not have jurisdiction over a municipality described in Subsection 10-9a-304(2)(b); and

(B) has jurisdiction subject to a local health department exercising its authority in accordance with Title 26A, Chapter 1, Local Health Departments.

(iii) The ordinance shall require that members of the planning commission:

(A) represent areas located in the unincorporated and incorporated county; and

(B) be registered voters who reside either in the unincorporated or incorporated county.

(2) (a) The ordinance described in Subsection (1)(a) or (c) shall define:

(i) the number and terms of the members and, if the county chooses, alternate members;

(ii) the mode of appointment;

(iii) the procedures for filling vacancies and removal from office;

(iv) the authority of the planning commission;

(v) subject to Subsection (2)(b), the rules of order and procedure for use by the

HB0351S02 compared with HB0351S01

planning commission in a public meeting; and

(vi) other details relating to the organization and procedures of the planning commission.

(b) Subsection (2)(a)(v) does not affect the planning commission's duty to comply with Title 52, Chapter 4, Open and Public Meetings Act.

(3) (a) (i) If the county establishes a township planning commission, the county legislative body shall enact an ordinance that defines:

(A) appointment procedures;

(B) procedures for filling vacancies and removing members from office;

(C) subject to Subsection (3)(a)(ii), the rules of order and procedure for use by the township planning commission in a public meeting; and

(D) details relating to the organization and procedures of each township planning commission.

(ii) Subsection (3)(a)(i)(C) does not affect the township planning commission's duty to comply with Title 52, Chapter 4, Open and Public Meetings Act.

(b) The planning commission for each township shall consist of seven members who, except as provided in Subsection (4), shall be appointed by:

(i) in a county operating under a form of government in which the executive and legislative functions of the governing body are separated, the county executive with the advice and consent of the county legislative body; or

(ii) in a county operating under a form of government in which the executive and legislative functions of the governing body are not separated, the county legislative body.

(c) (i) Members shall serve four-year terms and until their successors are appointed or, as provided in Subsection (4), elected and qualified.

(ii) Notwithstanding the provisions of Subsection (3)(c)(i) and except as provided in Subsection (4), members of the first planning commissions shall be appointed so that, for each commission, the terms of at least one member and no more than two members expire each year.

(d) (i) Except as provided in Subsection (3)(d)(ii), each member of a township planning commission shall be a registered voter residing within the township.

(ii) (A) Notwithstanding Subsection (3)(d)(i), one member of a planning commission

HB0351S02 compared with HB0351S01

of a township reconstituted under Laws of Utah 1997, Chapter 389, or reinstated or established under Subsection 17-27a-306(1)(k)(i) may be an appointed member who is a registered voter residing outside the township if that member:

- (I) is an owner of real property located within the township; and
- (II) resides within the county in which the township is located.

(B) (I) Each appointee under Subsection (3)(d)(ii)(A) shall be chosen by the township planning commission from a list of three persons submitted by the county legislative body.

(II) If the township planning commission has not notified the county legislative body of its choice under Subsection (3)(d)(ii)(B)(I) within 60 days of the township planning commission's receipt of the list, the county legislative body may appoint one of the three persons on the list or a registered voter residing within the township as a member of the township planning commission.

(4) (a) The legislative body of each county in which a township reconstituted under Laws of Utah 1997, Chapter 389, or reinstated or established under Subsection 17-27a-306(1)(k)(i) is located shall on or before January 1, 2012, enact an ordinance that provides for the election of at least three members of the planning commission of that township.

(b) (i) Beginning with the 2012 general election, the election of planning commission members under Subsection (4)(a) shall coincide with the election of other county officers during even-numbered years.

(ii) Approximately half the elected planning commission members shall be elected every four years during elections held on even-numbered years, and the remaining elected members shall be elected every four years on alternating even-numbered years.

(c) If no person files a declaration of candidacy in accordance with Section 20A-9-202 for an open township planning commission member position:

- (i) the position may be appointed in accordance with Subsection (3)(b); and
- (ii) a person appointed under Subsection (4)(c)(i) may not serve for a period of time that exceeds the elected term for which there was no candidate.

(5) (a) A legislative body described in Subsection (4)(a) shall on or before January 1, 2012, enact an ordinance that:

- (i) designates the seats to be elected; and

HB0351S02 compared with HB0351S01

(ii) subject to Subsection (6)(b), appoints a member of the planning and zoning board of the former township, established under Laws of Utah 1996, Chapter 308, as a member of the planning commission of the reconstituted or reinstated township.

(b) A member appointed under Subsection (5)(a) is considered an elected member.

(6) (a) Except as provided in Subsection (6)(b), the term of each member appointed under Subsection (5)(a) shall continue until the time that the member's term as an elected member of the former township planning and zoning board would have expired.

(b) (i) Notwithstanding Subsection (6)(a), the county legislative body may adjust the terms of the members appointed under Subsection (5)(a) so that the terms of those members coincide with the schedule under Subsection (4)(b) for elected members.

(ii) Subject to Subsection (6)(b)(iii), the legislative body of a county in which a township reconstituted under Laws of Utah 1997, Chapter 389, or reinstated or established under Subsection 17-27a-306(1)(k)(i) is located may enact an ordinance allowing each appointed member of the planning and zoning board of the former township, established under Laws of Utah 1996, Chapter 308, to continue to hold office as a member of the planning commission of the reconstituted or reinstated township until the time that the member's term as a member of the former township's planning and zoning board would have expired.

(iii) If a planning commission of a township reconstituted under Laws of Utah 1997, Chapter 389, or reinstated or established under Subsection 17-27a-306(1)(k)(i) has more than one appointed member who resides outside the township, the legislative body of the county in which that township is located shall, within 15 days of the effective date of this Subsection (6)(b)(iii), dismiss all but one of the appointed members who reside outside the township, and a new member shall be appointed under Subsection (3)(b) to fill the position of each dismissed member.

(7) (a) Except as provided in Subsection (7)(b), upon the appointment or election of all members of a township planning commission, each township planning commission under this section shall begin to exercise the powers and perform the duties provided in Section 17-27a-302 with respect to all matters then pending that previously had been under the jurisdiction of the countywide planning commission or township planning and zoning board.

(b) Notwithstanding Subsection (7)(a), if the members of a former township planning and zoning board continue to hold office as members of the planning commission of the

HB0351S02 compared with HB0351S01

township planning district under an ordinance enacted under Subsection (5)(a), the township planning commission shall immediately begin to exercise the powers and perform the duties provided in Section 17-27a-302 with respect to all matters then pending that had previously been under the jurisdiction of the township planning and zoning board.

(8) The legislative body may fix per diem compensation for the members of the planning commission, based on necessary and reasonable expenses and on meetings actually attended.

Section 6. Section **17-27a-302** is amended to read:

17-27a-302. Planning commission powers and duties.

(1) Each countywide [~~or~~], township, or mountainous planning district planning commission shall, with respect to the unincorporated area of the county, [~~or~~] the township, or the mountainous planning district, make a recommendation to the county legislative body for:

(a) a general plan and amendments to the general plan;

(b) land use ordinances, zoning maps, official maps, and amendments;

(c) an appropriate delegation of power to at least one designated land use authority to hear and act on a land use application;

(d) an appropriate delegation of power to at least one appeal authority to hear and act on an appeal from a decision of the land use authority; and

(e) application processes that:

(i) may include a designation of routine land use matters that, upon application and proper notice, will receive informal streamlined review and action if the application is uncontested; and

(ii) shall protect the right of each:

(A) applicant and third party to require formal consideration of any application by a land use authority;

(B) applicant, adversely affected party, or county officer or employee to appeal a land use authority's decision to a separate appeal authority; and

(C) participant to be heard in each public hearing on a contested application.

(2) The planning commission of a township under this part may recommend to the legislative body of the county in which the township is located that the legislative body file a protest to a proposed annexation of an area located within the township, as provided in

HB0351S02 compared with HB0351S01

Subsection 10-2-407(1)(b).

Section 7. Section **17-27a-305** is amended to read:

17-27a-305. Other entities required to conform to county's land use ordinances -- Exceptions -- School districts and charter schools -- Submission of development plan and schedule.

(1) (a) Each county, municipality, school district, charter school, local district, special service district, and political subdivision of the state shall conform to any applicable land use ordinance of any county when installing, constructing, operating, or otherwise using any area, land, or building situated within a mountainous planning district or the unincorporated portion of the county, as applicable.

(b) In addition to any other remedies provided by law, when a county's land use ordinance is violated or about to be violated by another political subdivision, that county may institute an injunction, mandamus, abatement, or other appropriate action or proceeding to prevent, enjoin, abate, or remove the improper installation, improvement, or use.

(2) (a) Except as provided in Subsection (3), a school district or charter school is subject to a county's land use ordinances.

(b) (i) Notwithstanding Subsection (3), a county may:

(A) subject a charter school to standards within each zone pertaining to setback, height, bulk and massing regulations, off-site parking, curb cut, traffic circulation, and construction staging; and

(B) impose regulations upon the location of a project that are necessary to avoid unreasonable risks to health or safety, as provided in Subsection (3)(f).

(ii) The standards to which a county may subject a charter school under Subsection (2)(b)(i) shall be objective standards only and may not be subjective.

(iii) Except as provided in Subsection (7)(d), the only basis upon which a county may deny or withhold approval of a charter school's land use application is the charter school's failure to comply with a standard imposed under Subsection (2)(b)(i).

(iv) Nothing in Subsection (2)(b)(iii) may be construed to relieve a charter school of an obligation to comply with a requirement of an applicable building or safety code to which it is otherwise obligated to comply.

(3) A county may not:

HB0351S02 compared with HB0351S01

(a) impose requirements for landscaping, fencing, aesthetic considerations, construction methods or materials, additional building inspections, county building codes, building use for educational purposes, or the placement or use of temporary classroom facilities on school property;

(b) except as otherwise provided in this section, require a school district or charter school to participate in the cost of any roadway or sidewalk, or a study on the impact of a school on a roadway or sidewalk, that is not reasonably necessary for the safety of school children and not located on or contiguous to school property, unless the roadway or sidewalk is required to connect an otherwise isolated school site to an existing roadway;

(c) require a district or charter school to pay fees not authorized by this section;

(d) provide for inspection of school construction or assess a fee or other charges for inspection, unless the school district or charter school is unable to provide for inspection by an inspector, other than the project architect or contractor, who is qualified under criteria established by the state superintendent;

(e) require a school district or charter school to pay any impact fee for an improvement project unless the impact fee is imposed as provided in Title 11, Chapter 36a, Impact Fees Act;

(f) impose regulations upon the location of an educational facility except as necessary to avoid unreasonable risks to health or safety; or

(g) for a land use or a structure owned or operated by a school district or charter school that is not an educational facility but is used in support of providing instruction to pupils, impose a regulation that:

(i) is not imposed on a similar land use or structure in the zone in which the land use or structure is approved; or

(ii) uses the tax exempt status of the school district or charter school as criteria for prohibiting or regulating the land use or location of the structure.

(4) Subject to Section 53A-20-108, a school district or charter school shall coordinate the siting of a new school with the county in which the school is to be located, to:

(a) avoid or mitigate existing and potential traffic hazards, including consideration of the impacts between the new school and future highways; and

(b) maximize school, student, and site safety.

(5) Notwithstanding Subsection (3)(d), a county may, at its discretion:

HB0351S02 compared with HB0351S01

(a) provide a walk-through of school construction at no cost and at a time convenient to the district or charter school; and

(b) provide recommendations based upon the walk-through.

(6) (a) Notwithstanding Subsection (3)(d), a school district or charter school shall use:

(i) a county building inspector;

(ii) (A) for a school district, a school district building inspector from that school district; or

(B) for a charter school, a school district building inspector from the school district in which the charter school is located; or

(iii) an independent, certified building inspector who is:

(A) not an employee of the contractor;

(B) approved by:

(I) a county building inspector; or

(II) (Aa) for a school district, a school district building inspector from that school district; or

(Bb) for a charter school, a school district building inspector from the school district in which the charter school is located; and

(C) licensed to perform the inspection that the inspector is requested to perform.

(b) The approval under Subsection (6)(a)(iii)(B) may not be unreasonably withheld.

(c) If a school district or charter school uses a school district or independent building inspector under Subsection (6)(a)(ii) or (iii), the school district or charter school shall submit to the state superintendent of public instruction and county building official, on a monthly basis during construction of the school building, a copy of each inspection certificate regarding the school building.

(7) (a) A charter school shall be considered a permitted use in all zoning districts within a county.

(b) Each land use application for any approval required for a charter school, including an application for a building permit, shall be processed on a first priority basis.

(c) Parking requirements for a charter school may not exceed the minimum parking requirements for schools or other institutional public uses throughout the county.

(d) If a county has designated zones for a sexually oriented business, or a business

HB0351S02 compared with HB0351S01

which sells alcohol, a charter school may be prohibited from a location which would otherwise defeat the purpose for the zone unless the charter school provides a waiver.

(e) (i) A school district or a charter school may seek a certificate authorizing permanent occupancy of a school building from:

(A) the state superintendent of public instruction, as provided in Subsection 53A-20-104(3), if the school district or charter school used an independent building inspector for inspection of the school building; or

(B) a county official with authority to issue the certificate, if the school district or charter school used a county building inspector for inspection of the school building.

(ii) A school district may issue its own certificate authorizing permanent occupancy of a school building if it used its own building inspector for inspection of the school building, subject to the notification requirement of Subsection 53A-20-104(3)(a)(ii).

(iii) A charter school may seek a certificate authorizing permanent occupancy of a school building from a school district official with authority to issue the certificate, if the charter school used a school district building inspector for inspection of the school building.

(iv) A certificate authorizing permanent occupancy issued by the state superintendent of public instruction under Subsection 53A-20-104(3) or a school district official with authority to issue the certificate shall be considered to satisfy any county requirement for an inspection or a certificate of occupancy.

(8) (a) A specified public agency intending to develop its land shall submit to the land use authority a development plan and schedule:

(i) as early as practicable in the development process, but no later than the commencement of construction; and

(ii) with sufficient detail to enable the land use authority to assess:

(A) the specified public agency's compliance with applicable land use ordinances;

(B) the demand for public facilities listed in Subsections 11-36a-102(16)(a), (b), (c),

(d), (e), and (g) caused by the development;

(C) the amount of any applicable fee described in Section 17-27a-509;

(D) any credit against an impact fee; and

(E) the potential for waiving an impact fee.

(b) The land use authority shall respond to a specified public agency's submission

HB0351S02 compared with HB0351S01

under Subsection (8)(a) with reasonable promptness in order to allow the specified public agency to consider information the municipality provides under Subsection (8)(a)(ii) in the process of preparing the budget for the development.

(9) Nothing in this section may be construed to:

(a) modify or supersede Section 17-27a-304; or

(b) authorize a county to enforce an ordinance in a way, or enact an ordinance, that fails to comply with Title 57, Chapter 21, Utah Fair Housing Act, the federal Fair Housing Amendments Act of 1988, 42 U.S.C. Sec. 3601 et seq., the Americans with Disabilities Act of 1990, 42 U.S.C. 12102, or any other provision of federal law.

Section 8. Section **17-27a-401** is amended to read:

17-27a-401. General plan required -- Content -- Provisions related to radioactive waste facility.

(1) In order to accomplish the purposes of this chapter, each county shall prepare and adopt a comprehensive, long-range general plan [~~for~~]:

(a) ~~for~~ present and future needs of the county; and

(b) (i) for growth and development of all or any part of the land within the unincorporated portions of the county[-]; or

(ii) if a county has designated a mountainous planning district, for growth and development of all or any part of the land within the mountainous planning district.

(2) The plan may provide for:

(a) health, general welfare, safety, energy conservation, transportation, prosperity, civic activities, aesthetics, and recreational, educational, and cultural opportunities;

(b) the reduction of the waste of physical, financial, or human resources that result from either excessive congestion or excessive scattering of population;

(c) the efficient and economical use, conservation, and production of the supply of:

(i) food and water; and

(ii) drainage, sanitary, and other facilities and resources;

(d) the use of energy conservation and solar and renewable energy resources;

(e) the protection of urban development;

(f) the protection or promotion of moderate income housing;

(g) the protection and promotion of air quality;

HB0351S02 compared with HB0351S01

(h) historic preservation;

(i) identifying future uses of land that are likely to require an expansion or significant modification of services or facilities provided by each affected entity; and

(j) an official map.

(3) (a) The plan shall include specific provisions related to any areas within, or partially within, the exterior boundaries of the county, or contiguous to the boundaries of a county, which are proposed for the siting of a storage facility or transfer facility for the placement of high-level nuclear waste or greater than class C radioactive nuclear waste, as these wastes are defined in Section 19-3-303. The provisions shall address the effects of the proposed site upon the health and general welfare of citizens of the state, and shall provide:

(i) the information identified in Section 19-3-305;

(ii) information supported by credible studies that demonstrates that the provisions of Subsection 19-3-307(2) have been satisfied; and

(iii) specific measures to mitigate the effects of high-level nuclear waste and greater than class C radioactive waste and guarantee the health and safety of the citizens of the state.

(b) A county may, in lieu of complying with Subsection (3)(a), adopt an ordinance indicating that all proposals for the siting of a storage facility or transfer facility for the placement of high-level nuclear waste or greater than class C radioactive waste wholly or partially within the county are rejected.

(c) A county may adopt the ordinance listed in Subsection (3)(b) at any time.

(d) The county shall send a certified copy of the ordinance under Subsection (3)(b) to the executive director of the Department of Environmental Quality by certified mail within 30 days of enactment.

(e) If a county repeals an ordinance adopted pursuant to Subsection (3)(b) the county shall:

(i) comply with Subsection (3)(a) as soon as reasonably possible; and

(ii) send a certified copy of the repeal to the executive director of the Department of Environmental Quality by certified mail within 30 days after the repeal.

(4) The plan may define the county's local customs, local culture, and the components necessary for the county's economic stability.

(5) Subject to Subsection 17-27a-403(2), the county may determine the

HB0351S02 compared with HB0351S01

comprehensiveness, extent, and format of the general plan.

(6) If a county has designated a mountainous planning district, the general plan for the mountainous planning district is the controlling plan and takes precedence over a municipality's general plan for property located within the mountainous planning district.

Section 9. Section **17-27a-403** is amended to read:

17-27a-403. Plan preparation.

(1) (a) The planning commission shall provide notice, as provided in Section 17-27a-203, of its intent to make a recommendation to the county legislative body for a general plan or a comprehensive general plan amendment when the planning commission initiates the process of preparing its recommendation.

(b) The planning commission shall make and recommend to the legislative body a proposed general plan for:

(i) the unincorporated area within the county[-]; or

(ii) if the planning commission is a planning commission for a mountainous planning district, the mountainous planning district.

(c) (i) The plan may include planning for incorporated areas if, in the planning commission's judgment, they are related to the planning of the unincorporated territory or of the county as a whole.

(ii) Elements of the county plan that address incorporated areas are not an official plan or part of a municipal plan for any municipality, unless it is recommended by the municipal planning commission and adopted by the governing body of the municipality.

(iii) Notwithstanding Subsection (1)(c)(ii), if property is located in a mountainous planning district, the plan for the mountainous planning district controls and precedes a municipal plan, if any, to which the property would be subject.

(2) (a) At a minimum, the proposed general plan, with the accompanying maps, charts, and descriptive and explanatory matter, shall include the planning commission's recommendations for the following plan elements:

(i) a land use element that:

(A) designates the long-term goals and the proposed extent, general distribution, and location of land for housing, business, industry, agriculture, recreation, education, public buildings and grounds, open space, and other categories of public and private uses of land as

HB0351S02 compared with HB0351S01

appropriate; and

(B) may include a statement of the projections for and standards of population density and building intensity recommended for the various land use categories covered by the plan;

(ii) a transportation and traffic circulation element consisting of the general location and extent of existing and proposed freeways, arterial and collector streets, mass transit, and any other modes of transportation that the planning commission considers appropriate, all correlated with the population projections and the proposed land use element of the general plan; and

(iii) an estimate of the need for the development of additional moderate income housing within the unincorporated area of the county or the mountainous planning district, and a plan to provide a realistic opportunity to meet estimated needs for additional moderate income housing if long-term projections for land use and development occur.

(b) In drafting the moderate income housing element, the planning commission:

(i) shall consider the Legislature's determination that counties should facilitate a reasonable opportunity for a variety of housing, including moderate income housing:

(A) to meet the needs of people desiring to live there; and

(B) to allow persons with moderate incomes to benefit from and fully participate in all aspects of neighborhood and community life; and

(ii) may include an analysis of why the recommended means, techniques, or combination of means and techniques provide a realistic opportunity for the development of moderate income housing within the planning horizon, which means or techniques may include a recommendation to:

(A) rezone for densities necessary to assure the production of moderate income housing;

(B) facilitate the rehabilitation or expansion of infrastructure that will encourage the construction of moderate income housing;

(C) encourage the rehabilitation of existing uninhabitable housing stock into moderate income housing;

(D) consider county general fund subsidies to waive construction related fees that are otherwise generally imposed by the county;

(E) consider utilization of state or federal funds or tax incentives to promote the

HB0351S02 compared with HB0351S01

construction of moderate income housing;

(F) consider utilization of programs offered by the Utah Housing Corporation within that agency's funding capacity; and

(G) consider utilization of affordable housing programs administered by the Department of Workforce Services.

(c) In drafting the land use element, the planning commission shall:

(i) identify and consider each agriculture protection area within the unincorporated area of the county or mountainous planning district; and

(ii) avoid proposing a use of land within an agriculture protection area that is inconsistent with or detrimental to the use of the land for agriculture.

(3) The proposed general plan may include:

(a) an environmental element that addresses:

(i) the protection, conservation, development, and use of natural resources, including the quality of air, forests, soils, rivers and other waters, harbors, fisheries, wildlife, minerals, and other natural resources; and

(ii) the reclamation of land, flood control, prevention and control of the pollution of streams and other waters, regulation of the use of land on hillsides, stream channels and other environmentally sensitive areas, the prevention, control, and correction of the erosion of soils, protection of watersheds and wetlands, and the mapping of known geologic hazards;

(b) a public services and facilities element showing general plans for sewage, water, waste disposal, drainage, public utilities, rights-of-way, easements, and facilities for them, police and fire protection, and other public services;

(c) a rehabilitation, redevelopment, and conservation element consisting of plans and programs for:

(i) historic preservation;

(ii) the diminution or elimination of blight; and

(iii) redevelopment of land, including housing sites, business and industrial sites, and public building sites;

(d) an economic element composed of appropriate studies and forecasts, as well as an economic development plan, which may include review of existing and projected county revenue and expenditures, revenue sources, identification of basic and secondary industry,

HB0351S02 compared with HB0351S01

primary and secondary market areas, employment, and retail sales activity;

(e) recommendations for implementing all or any portion of the general plan, including the use of land use ordinances, capital improvement plans, community development and promotion, and any other appropriate action;

(f) provisions addressing any of the matters listed in Subsection 17-27a-401(2); and

(g) any other element the county considers appropriate.

Section 10. Section **17-27a-502** is amended to read:

17-27a-502. Preparation and adoption of land use ordinance or zoning map.

(1) The planning commission shall:

(a) provide notice as required by Subsection 17-27a-205(1)(a) and, if applicable, Subsection 17-27a-205(4);

(b) hold a public hearing on a proposed land use ordinance or zoning map;

(c) if applicable, consider each written objection filed in accordance with Subsection 17-27a-205(4) prior to the public hearing; and

(d) (i) prepare and recommend to the legislative body a proposed land use ordinance or ordinances and zoning map that represent the planning commission's recommendation for regulating the use and development of land within:

(A) all or any part of the unincorporated area of the county; [and] or

(B) for a mountainous planning district, all or any part of the area in the mountainous planning district; and

(ii) forward to the legislative body all objections filed in accordance with Subsection 17-27a-205(4).

(2) The county legislative body shall consider each proposed land use ordinance and zoning map recommended to it by the planning commission, and, after providing notice as required by Subsection 17-27a-205(1)(b) and holding a public meeting, the legislative body may adopt or reject the proposed ordinance or map either as proposed by the planning commission or after making any revision the county legislative body considers appropriate.

Section 11. Section **17-27a-505.5** is amended to read:

17-27a-505.5. Limit on single family designation.

(1) As used in this section, "single-family limit" means the number of unrelated individuals allowed to occupy each residential unit that is recognized by a land use authority in

HB0351S02 compared with HB0351S01

a zone permitting occupancy by a single family.

(2) A county may not adopt a single-family limit that is less than:

(a) three, if the county has within its unincorporated area:

(i) a state university; [~~or~~]

(ii) a private university with a student population of at least 20,000; or

(iii) a mountainous planning district; or

(b) four, for each other county.

Section 12. Section **17-27a-602** is amended to read:

17-27a-602. Planning commission preparation and recommendation of subdivision ordinance -- Adoption or rejection by legislative body.

(1) The planning commission shall:

(a) prepare and recommend a proposed ordinance to the legislative body that regulates the subdivision of land;

(b) prepare and recommend or consider and recommend a proposed ordinance that amends the regulation of the subdivision of the unincorporated land in the county or, in the case of a mountainous planning district, the mountainous planning district;

(c) provide notice consistent with Section 17-27a-205; and

(d) hold a public hearing on the proposed ordinance before making its final recommendation to the legislative body.

(2) The county legislative body may adopt or reject the ordinance either as proposed by the planning commission or after making any revision the county legislative body considers appropriate.

Section 13. Section **17-27a-604** is amended to read:

17-27a-604. Subdivision plat approval procedure -- Effect of not complying.

(1) A person may not submit a subdivision plat to the county recorder's office for recording unless:

(a) the person has complied with the requirements of Subsection 17-27a-603(4)(a);

(b) the plat has been approved by:

(i) the land use authority of the

(A) county in whose unincorporated area the land described in the plat is located; [~~and~~]

or

HB0351S02 compared with HB0351S01

(B) mountainous planning district in whose area the land described in the plat is located; and

(ii) other officers that the county designates in its ordinance; and

(c) all approvals described in Subsection (1)(b) are entered in writing on the plat by designated officers.

(2) An owner of a platted lot is the owner of record sufficient to re-subdivide the lot if the owner's platted lot is not part of a community association subject to Title 57, Chapter 8a, Community Association Act.

(3) A plat recorded without the signatures required under this section is void.

(4) A transfer of land pursuant to a void plat is voidable.

Section 14. Section **17-27a-605** is amended to read:

17-27a-605. Exemptions from plat requirement.

(1) Notwithstanding Sections 17-27a-603 and 17-27a-604, the land use authority may approve the subdivision of unincorporated land or mountainous planning district land into 10 lots or less without a plat, by certifying in writing that:

(a) the county has provided notice as required by ordinance; and

(b) the proposed subdivision:

(i) is not traversed by the mapped lines of a proposed street as shown in the general plan and does not require the dedication of any land for street or other public purposes;

(ii) has been approved by the culinary water authority and the sanitary sewer authority;

(iii) is located in a zoned area; and

(iv) conforms to all applicable land use ordinances or has properly received a variance from the requirements of an otherwise conflicting and applicable land use ordinance.

(2) (a) Subject to Subsection (1), a lot or parcel resulting from a division of agricultural land is exempt from the plat requirements of Section 17-27a-603 if:

(i) the lot or parcel:

(A) qualifies as land in agricultural use under Section 59-2-502; and

(B) is not used and will not be used for any nonagricultural purpose; and

(ii) the new owner of record completes, signs, and records with the county recorder a notice:

(A) describing the parcel by legal description; and

HB0351S02 compared with HB0351S01

(B) stating that the lot or parcel is created for agricultural purposes as defined in Section 59-2-502 and will remain so until a future zoning change permits other uses.

(b) If a lot or parcel exempted under Subsection (2)(a) is used for a nonagricultural purpose, the county shall require the lot or parcel to comply with the requirements of Section 17-27a-603 and all applicable land use ordinance requirements.

(3) (a) Except as provided in Subsection (4), a document recorded in the county recorder's office that divides property by a metes and bounds description does not create an approved subdivision allowed by this part unless the land use authority's certificate of written approval required by Subsection (1) is attached to the document.

(b) The absence of the certificate or written approval required by Subsection (1) does not:

- (i) prohibit the county recorder from recording a document; or
- (ii) affect the validity of a recorded document.

(c) A document which does not meet the requirements of Subsection (1) may be corrected by the recording of an affidavit to which the required certificate or written approval is attached in accordance with Section 57-3-106.

(4) (a) As used in this Subsection (4):

(i) "Divided land" means land that:

(A) is described as the land to be divided in a notice under Subsection (4)(b)(ii); and
(B) has been divided by a minor subdivision.

(ii) "Land to be divided" means land that is proposed to be divided by a minor subdivision.

(iii) "Minor subdivision" means a division of at least 100 contiguous acres of agricultural land in a county of the third, fourth, fifth, or sixth class to create one new lot that, after the division, is separate from the remainder of the original 100 or more contiguous acres of agricultural land.

(iv) "Minor subdivision lot" means a lot created by a minor subdivision.

(b) Notwithstanding Sections 17-27a-603 and 17-27a-604, an owner of at least 100 contiguous acres of agricultural land may make a minor subdivision by submitting for recording in the office of the recorder of the county in which the land to be divided is located:

- (i) a recordable deed containing the legal description of the minor subdivision lot; and

HB0351S02 compared with HB0351S01

(ii) a notice:

(A) indicating that the owner of the land to be divided is making a minor subdivision;

(B) referring specifically to this section as the authority for making the minor subdivision; and

(C) containing the legal description of:

(I) the land to be divided; and

(II) the minor subdivision lot.

(c) A minor subdivision lot:

(i) may not be less than one acre in size;

(ii) may not be within 1,000 feet of another minor subdivision lot; and

(iii) is not subject to the subdivision ordinance of the county in which the minor subdivision lot is located.

(d) Land to be divided by a minor subdivision may not include divided land.

(e) A county:

(i) may not deny a building permit to an owner of a minor subdivision lot based on:

(A) the lot's status as a minor subdivision lot; or

(B) the absence of standards described in Subsection (4)(e)(ii); and

(ii) may, in connection with the issuance of a building permit, subject a minor subdivision lot to reasonable health, safety, and access standards that the county has established and made public.

Section 15. Section **17-27a-901** is enacted to read:

Part 9. Mountainous Planning District

17-27a-901. Mountainous planning district.

(1) (a) The legislative body of a county of the first class may adopt an ordinance designating an area located within the county as a mountainous planning district if the legislative body determines that:

(i) the area is primarily used for recreational purposes, including canyons, foothills, ski resorts, wilderness areas, lakes and reservoirs, campgrounds, or picnic areas;

(ii) the area is used by residents of the county who live inside and outside the limits of cities and towns;

(iii) the total resident population in the proposed mountainous planning district is equal
