Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:

WHEREAS, the Utah Commission on Criminal and Juvenile Justice's 2007 study "Rape in Utah" found that one in three Utah women will be sexually assaulted in her lifetime, a rate that is higher than the national average for sexual assault crimes;

WHEREAS, the Utah Department of Public Safety reports that in 2012, there were 966 reports of rape or attempted rape, which is one rape every nine hours;

WHEREAS, research by the Utah Commission on Criminal and Juvenile Justice in 2007 and a United States Senate subcommittee 2010 hearing on crime and drugs indicate that many victims of sexual assault do not report the crime for fear of not being believed;

28 WHEREAS, national research has shown that false reports of sexual assault are rare
29 and no more common than false reports of other types of crime;

30 WHEREAS, sexual assault is a violent crime and has devastating safety and health
31 implications for every person in Utah, be they a victim, survivor, family member, loved one,
32 friend, neighbor, or co-worker of a victim;

33 WHEREAS, End Violence Against Women International has developed a public
34 awareness campaign entitled "Start by Believing" a message that, in part, confronts the reality
35 that many victims do not get the support they need when they do report a crime;

37 adopting the Start by Believing campaign, and it is appropriate for Utah as a whole to support
38 this simple and important message of support for victims of sexual assault; and
