*Be it resolved by the Legislature of the state of Utah:*

WHEREAS, one of the most basic services a person can provide to the person's country is that of serving in the defense of that country;

WHEREAS, volunteering to serve in the armed forces requires sacrifices by the individual and the individual's family up to and including one's life;

28 WHEREAS, being deployed by state or federal command substantially interrupts a  
29 service member's life and that of the service member's family;

30 WHEREAS, both educational and employment opportunities are deferred or lost when  
31 a service member is deployed, especially to a combat zone;

32 WHEREAS, service members, whether active duty, reserve, or National Guard, have  
33 been activated and deployed from Utah to numerous combat zones for extended or multiple  
34 tours of duty;

35 WHEREAS, service members upon returning from overseas deployment, including  
36 combat zones, must be reintegrated into society as veterans;

37 WHEREAS, reintegration into society includes rebuilding family ties, re-establishing  
38 employment or finding new employment, and re-starting or pursuing additional education;

39 WHEREAS, the United States Montgomery GI Bill pays a maximum monthly amount  
40 for 36 academic months that is inadequate to cover the cost of college and living expenses,  
41 especially if the recipient has a family;

42 WHEREAS, the original United States GI Bill following WWII was adequate to cover  
43 the cost of college and living expenses at the time, but has not kept pace with rising costs over  
44 the years;

45 WHEREAS, the Selective Service ended the draft in 1973 and the all volunteer  
46 military was created;

47 WHEREAS, the armed forces currently have few incentives available to attract  
48 volunteers to replace service members who leave before retirement;

49 WHEREAS, many members of the volunteer armed forces were recruited with the  
50 promise of adequate GI Bill benefits to pay for education;

51 WHEREAS, the current Montgomery GI Bill and related state programs are all based  
52 upon earning a bachelor's degree in 36 academic months;

53 WHEREAS, most recipients do not earn a bachelor's degree in 36 academic months;  
54 and

55 WHEREAS, recipients must work part or full time to support their families and cover  
56 living expenses while attending institutions of higher education:

57 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah  
58 strongly urges the federal government to recognize that service members need additional GI

60 BE IT FURTHER RESOLVED that the Legislature of the state of Utah strongly urges  
61 the leaders of the United States in the legislative and executive branches of government to  
62 partner with the states in funding state GI Bill programs that will allow a recipient to finish the  
63 recipient's college education with as little disruption as possible.

64 BE IT FURTHER RESOLVED that the Legislature of the state of Utah  
65 urges the Veterans' and Military Affairs Commission and the State Board of Regents to study

69 Orrin Hatch, Senator Mike Lee, Representative Rob Bishop, Representative Jason Chaffetz,
