827 other school activities unless prior written consent of the student's parent or legal guardian has
828 been obtained.

829 (4) (a) Written parental consent is valid only if a parent or legal guardian has been first
830 given written notice, including notice that a copy of the educational or student survey questions

868 home from school.

869 (iii) The division may be exempted from the notification requirements described in this
870 Subsection (6)(b)(ii) only if it determines that the student would be endangered by notification
871 of his parent or guardian, or if that notification is otherwise prohibited by state or federal law.

872 (7) (a) If a school employee, agent, or school resource officer believes a student is
873 at-risk of attempting suicide, physical self-harm, or harming others, the school employee,
874 agent, or school resource officer may intervene and ask a student questions regarding the
875 student's suicidal thoughts, physically self-harming behavior, or thoughts of harming others for
