Be it enacted by the Legislature of the state of Utah:

Section 1. Section **63F-3-101** is enacted to read:

CHAPTER 3. SINGLE SIGN-ON DATABASE

63F-3-101. Title.

This chapter is known as "Single Sign-On Database."

Section 2. Section **63F-3-102** is enacted to read:

63F-3-102. Definitions.

As used in this chapter:

(1) "Business database" means the database described in Subsection [63F-3-103\(1\)](#).

(2) "Database" means an electronic means of storing information.

(3) "Single sign-on web portal" means the web portal described in Subsection [63F-3-103\(2\)](#).

(4) "Web portal" means an Internet webpage, that can be accessed by an individual, where the individual enters the individual's unique user information in order to access secure information.

Section 3. Section **63F-3-103** is enacted to read:

63F-3-103. Single sign-on database -- Creation.

(1) The department shall create a single database that stores all state-collected data on a person doing business in the state that is:

(a) secure;

(b) centralized; and

(c) interconnected.

(2) The department shall create a web portal that allows a person doing business in the state to access, at a single point of entry, all relevant state-collected business data about the person, including information related to:

(a) business registration;

(b) workers' compensation;

(c) tax liability and payment;

(d) occupational health and safety inspections; and

(e) other information collected by the state that the department determines is relevant

59 to a person doing business in the state.

60 (3) The department shall develop the business database and the single sign-on web
61 portal:

62 (a) using an open platform that:

63 (i) facilitates participation in the database and web portal by a state entity; and

64 (ii) allows for optional participation by a political subdivision of the state; and

65 (b) in a manner that anticipates expanding, in the future, the database and web portal to
66 include:

67 (i) a database for data collected by the state on an individual; and

68 (ii) a web portal for an individual to access all relevant data collected by the state on
69 the individual.

70 (4) In developing the business database and the single sign-on web portal, the
71 department shall consult with:

72 (a) the Department of Commerce;

73 (b) the State Tax Commission;

74 (c) the Labor Commission;

75 (d) the Department of Workforce Services;

76 (e) the Governor's Office of Management and Budget;

77 (f) the Utah League of Cities and Towns;

78 (g) the Utah Association of Counties; and

79 (h) the business community that is likely to use the business database and single
80 sign-on web portal.

81 Section 4. Section **63F-3-104** is enacted to read:

82 **63F-3-104. Report.**

83 The department shall report to the Public Utilities and Technology Interim Committee:

84 (1) no later than November 30, 2016, with an initial description of the department's
85 progress in creating the business database and the single sign-on web portal; and

86 (2) no later than November 30, 2017, regarding the development of the business
87 database and the single sign-on web portal, including any remaining obstacles.
