36 (1) The division may provide, directly or through contract, services that include the

51 (3) When the division provides a service through a private contract, not including a
52 foster parent placement, the division shall post the name of the service provider on the
53 division's website.

54 (4) Unless a parent or guardian of a child who is adopted from the custody of the
55 division expressly requests otherwise, the division may not, solely on the basis that the parent
56 or guardian contacts the division regarding services or requests services from the division:

- 66 without requiring that a parent terminate parental rights, or that a parent or legal guardian of the
- 67 child transfer or surrender custodial rights, in order to receive the services.
- 68 (b) The division may not require, request, or recommend that a parent terminate
- 69 parental rights, or that a parent or guardian transfer or surrender custodial rights, in order to
- 70 receive services, using out-of-home funds, for a child who is adopted from the custody of the
- 71 division.
- 72 (6) (a) As used in this Subsection (6), "vendor services" means services that a person
- 73 provides under contract with the division.
- 74 (b) If a parent or guardian of a child who is adopted from the custody of the division
- 75 requests vendor services from the division, the division shall refer the parent or guardian to a

- 80 guardian, or child;
- 81 (ii) the parent, guardian, or child does not have insurance or other funds available to
- 82 receive the services without the referral; and
- 83 (iii) the parent or guardian desires the referral.
- 84 (c) If the division awards, extends, or renews a contract with a vendor for vendor
- 85 services, the division shall include in the contract a requirement that a vendor to whom the
- 86 division makes a referral under Subsection (6)(b):
- 87 (i) provide services to the parent, guardian, or child at a rate that does not exceed the

88 rate that the vendor charges the division for the services; and

90 charge the division.

92 **62A-4a-903. Eligibility.**

93 (1) The Division of Child and Family Services shall establish, by rule, eligibility
94 criteria for the receipt of adoption assistance and supplemental adoption assistance.

95 (2) Eligibility determination shall be based upon:

96 (a) the needs of the child;

97 (b) the resources available to the child; and

98 (c) the federal requirements of Section 473, Social Security Act.

99 (3) The division:

100 (a) may, to the extent funds are available, use state funds appropriated for adoption
101 assistance to provide post-adoption services to a child who is adopted from the custody of the
102 division; and

103 (b) unless a parent or guardian of a child who is adopted from the custody of the
104 division expressly requests otherwise, may not require, request, or recommend that a parent
105 terminate parental rights, or that a parent or guardian transfer or surrender custodial rights, in
106 order to receive postadoption services for the child, regardless of whether funds for the
107 postadoption services come from funds appropriated for adoption assistance or postadoption
108 services.
