40 *Be it enacted by the Legislature of the state of Utah:*

41 Section 1. Section [53A-32-101](#) is enacted to read:

42 **CHAPTER 32. ENERGY EFFICIENT INITIATIVE BOND ACT**

43 **Part 1. General Provisions**

44 **53A-32-101. Title.**

45 This chapter is known as the "Energy Efficient Initiative Bond Act."

46 Section 2. Section [53A-32-102](#) is enacted to read:

47 **53A-32-102. Definitions.**

48 As used in this chapter:

49 (1) "Aggregate amount of outstanding bonds" means the sum of the following:

50 (a) the aggregate amount of bond principal designated under Subsection

51 [53A-32-202](#)(1)(d) for which bonds have not yet been issued; and

52 (b) the aggregate amount of bond principal remaining for qualified energy efficient
53 projects designated under Subsection [53A-32-202](#)(1)(c) for which bonds have been issued.

54 (2) "Applicable credit rate" means the same as that term is defined in Section [59-7-621](#).

55 (3) "Board" means the State Board of Education.

56 (4) "Bond applicant" means a school governing authority that makes an application to

57 the board under this chapter.

58 (5) "Credit allowance date" means the same as that term is defined in Section

59 59-7-621.

60 (6) "Energy efficient initiative bond" or "bond" means a bond:

61 (a) that is issued by:

62 (i) a school governing authority; or

63 (ii) a local building authority that was created by a school governing authority;

64 (b) that is used entirely to pay for:

65 (i) a qualified energy efficient project; or

66 (ii) costs associated with the bond, including:

67 (A) debt service;

68 (B) capitalized interest; or

69 (C) bond issuance;

70 (c) that matures no more than 15 years from the date the bond is issued; and

71 (d) that is issued in accordance with:

72 (i) this title; or

73 (ii) Title 17D, Chapter 2, Local Building Authority Act.

74 (7) (a) "Energy efficient project" means a project that is designed to reduce energy
75 consumption or operating costs and increase overall energy efficiency.

76 (b) "Energy efficient project" includes:

77 (i) insulation of the building structure and systems within the building;

78 (ii) window and door system modification or replacement;

79 (iii) automatic energy control systems;

80 (iv) heating, ventilating, or air conditioning system modification or replacement;

81 (v) lighting fixture modification or replacement;

82 (vi) energy recovery systems;

83 (vii) cogeneration systems that produce steam or forms of energy, such as heat or
84 electricity, for use primarily within a building or complex of buildings;

85 (viii) energy conservation measures that provide long-term operating cost reductions;

86 (ix) replacement of a school bus manufactured before 2002 with a new school bus that
87 uses alternative fuel or clean diesel fuel;

88 (x) installation of an alternative fuel fueling station:
89 (A) for a school bus that uses alternative fuel; and
90 (B) that may be accessed by a governmental entity or the public to fuel an alternative
91 fuel vehicle;

92 (xi) retrofit of a bus shop to service and maintain a school bus that uses alternative
93 fuel;

94 (xii) water conservation, including indoor and outdoor water facilities; or
95 (xiii) other projects that reduce energy consumption or operating costs and increase
96 overall energy efficiency as determined by the board through administrative rule adopted in
97 accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

98 (8) "Local building authority" means the same as that term is defined in Section
99 [17D-2-102](#).

100 (9) "Qualified energy efficient project" means an energy efficient project that the board
101 has approved to be funded by energy efficient initiative bonds.

102 (10) "School governing authority" means:

103 (a) a local school board under Chapter 3, Local School Boards; or

104 (b) a charter school governing board.

105 (11) "Tax credit certificate" means a certificate issued by a school governing authority
106 that lists:

107 (a) the name and address of a bondholder that holds a bond issued by the school
108 governing authority;

109 (b) the applicable credit rate for the bond; and

110 (c) the outstanding face amount of the bond on each credit allowance date in the prior
111 year that the bondholder holds the bond.

112 Section 3. Section **53A-32-201** is enacted to read:

113 **Part 2. Application for Bonds and Bond Issuance**

114 **53A-32-201. Application process -- Incomplete application.**

115 (1) A school governing authority that seeks to obtain approval for an energy efficient
116 initiative bond shall file an application with the board.

117 (2) The school governing authority shall provide the following to the board as part of
118 its application:

- 119 (a) a description of the proposed project to be funded by the bond;
- 120 (b) an estimation of the expected reduction in energy consumption and operating costs
- 121 due to the proposed project;
- 122 (c) an explanation of how the proposed project increases overall energy efficiency;
- 123 (d) the amount necessary to complete the proposed project;
- 124 (e) the expected interest rate of the bond; and
- 125 (f) other information the board requires by administrative rule adopted in accordance
- 126 with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

127 (3) If the board determines that the information a bond applicant provides is

128 incomplete, the board shall:

- 129 (a) inform the bond applicant that the application is incomplete; and
- 130 (b) ask the bond applicant to submit additional information.

131 Section 4. Section **53A-32-202** is enacted to read:

132 **53A-32-202. Designation of projects for bonds -- Outstanding bonds limitation --**

133 **Retracting a designation -- Rulemaking.**

134 (1) Subject to the other provisions of this section, the board shall:

- 135 (a) determine whether a proposed project is an energy efficient project;
- 136 (b) prioritize the energy efficient projects;
- 137 (c) designate energy efficient projects as qualified energy efficient projects; and
- 138 (d) designate a maximum bond principal amount for each qualified energy efficient
- 139 project.

140 (2) (a) The aggregate amount of outstanding bonds may not exceed \$50,000,000.

141 (b) The board may not make a designation under Subsection (1)(d) that causes the

142 aggregate amount of outstanding bonds to exceed \$50,000,000.

143 (3) The board may retract a designation under Subsection (1)(c) if a school governing

144 authority:

145 (a) provides written notice to the board that the designation is no longer necessary;

146 (b) does not issue the bond within the time period required by the board under

147 Subsection (4)(c); or

148 (c) uses some other method to pay for the qualified energy efficient project designated

149 under Subsection (1)(c).

- 150 (4) The board shall, by rule, made in accordance with Title 63G, Chapter 3, Utah
151 Administrative Rulemaking Act, establish:
152 (a) criteria for prioritizing energy efficient projects under Subsection (1)(b);
153 (b) procedures for documenting criteria described in Subsection (4)(a);
154 (c) a reasonable time period for purposes of Subsection (3)(b); and
155 (d) requirements for an agreement that a school governing authority or a local building
156 authority may enter into to issue bonds, including:
157 (i) requirements for paying bond principal; and
158 (ii) other requirements determined by the board.

159 Section 5. Section **53A-32-203** is enacted to read:

160 **53A-32-203. Issuance of bonds -- Provision of information to bondholders, State**
161 **Tax Commission, and school governing authorities.**

162 (1) Subject to the requirements of this chapter, a school governing authority or a local
163 building authority may enter into an agreement to issue energy efficient initiative bonds.

164 (2) (a) A school governing authority shall annually issue, on or before January 31, a tax
165 credit certificate to a bondholder that holds a bond on a credit allowance date in the prior year.

166 (b) A school governing authority shall annually provide, on or before January 31, a
167 copy of a tax credit certificate issued under Subsection (2)(a) to the State Tax Commission.

168 (3) If a bondholder sells or exchanges a bond, the new bondholder shall provide the
169 school governing authority that issued the bond with the new bondholder's name and mailing
170 address within 30 days of the sale or exchange.

171 Section 6. Section **59-7-621** is enacted to read:

172 **59-7-621. Refundable energy efficient initiative bond tax credit.**

173 (1) As used in this section:

174 (a) "Applicable credit rate" means a rate:

175 (i) equal to the rate described in Section 54A(b)(3), Internal Revenue Code; and

176 (ii) determined on the first day on which there is a binding, written contract for the sale
177 or exchange of the energy efficient initiative bond.

178 (b) "Credit allowance date" means:

179 (i) March 15 of the taxable year;

180 (ii) June 15 of the taxable year;

- 181 (iii) September 15 of the taxable year; or
182 (iv) December 15 of the taxable year.
- 183 (c) "Energy efficient initiative bond" or "bond" means the same as that term is defined
184 in Section 53A-32-102.
- 185 (d) "School governing authority" means the same as that term is defined in Section
186 53A-32-102.
- 187 (e) "Tax credit certificate" means the same as that term is defined in Section
188 53A-32-102.
- 189 (2) For a taxable year beginning on or after January 1, 2017, a taxpayer that holds an
190 energy efficient initiative bond on a credit allowance date may claim a refundable tax credit as
191 provided in this section.
- 192 (3) (a) Subject to Subsection (3)(b), the tax credit under Subsection (2) is equal to the
193 product of:
- 194 (i) a fraction the numerator of which is the applicable credit rate, and the denominator
195 of which is four; and
- 196 (ii) the outstanding face amount of the bond on the credit allowance date the taxpayer
197 holds the bond.
- 198 (b) If the taxpayer holds the bond on more than one credit allowance date during the
199 taxable year, the taxpayer shall calculate the amount of the tax credit under Subsection (2) as
200 follows:
- 201 (i) complete the calculation described in Subsection (3)(a) for each credit allowance
202 date during the taxable year on which the taxpayer holds the bond; and
- 203 (ii) add together the amounts calculated under Subsection (3)(b)(i).
- 204 (4) A taxpayer may not claim a tax credit under this section for a taxable year if the
205 taxpayer does not hold a tax credit certificate for that taxable year.
- 206 (5) A taxpayer may not carry forward or carry back a tax credit under this section.
- 207 (6) For a taxable year, a taxpayer may not receive a tax credit under this section and
208 Section 59-10-1110.
- 209 (7) (a) In accordance with any rules prescribed by the commission under Subsection
210 (7)(b), the commission shall make a refund to a taxpayer that claims a tax credit under this
211 section if the amount of the tax credit exceeds the taxpayer's tax liability for a taxable year.

212 (b) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
213 commission may make rules providing procedures for making a refund to a taxpayer as
214 required by Subsection (7)(a).

215 Section 7. Section **59-10-1111** is enacted to read:

216 **59-10-1111. Refundable energy efficient initiative bond tax credit.**

217 (1) As used in this section:

218 (a) "Applicable credit rate" means the same as that term is defined in Section [59-7-621](#).

219 (b) "Credit allowance date" means the same as that term is defined in Section

220 [59-7-621](#).

221 (c) "Energy efficient initiative bond" or "bond" means the same as that term is defined

222 in Section [53A-32-102](#).

223 (d) "School governing authority" means the same as that term is defined in Section

224 [53A-32-102](#).

225 (e) "Tax credit certificate" means the same as that term is defined in Section

226 [53A-32-102](#).

227 (2) For a taxable year beginning on or after January 1, 2017, a claimant, estate, or trust
228 that holds an energy efficient initiative bond on a credit allowance date may claim a refundable
229 tax credit as provided in this section.

230 (3) (a) Subject to Subsection (3)(b), the tax credit under Subsection (2) is equal to the
231 product of:

232 (i) a fraction the numerator of which is the applicable credit rate, and the denominator
233 of which is four; and

234 (ii) the outstanding face amount of the bond on the credit allowance date the taxpayer
235 holds the bond.

236 (b) If the taxpayer holds the bond on more than one credit allowance date during the
237 taxable year, the taxpayer shall calculate the amount of the tax credit under Subsection (2) as
238 follows:

239 (i) complete the calculation described in Subsection (3)(a) for each credit allowance
240 date during the taxable year on which the taxpayer holds the bond; and

241 (ii) add together the amounts calculated under Subsection (3)(b)(i).

242 (4) A taxpayer may not claim a tax credit under this section for a taxable year if the

243 taxpayer does not hold a tax credit certificate for that taxable year.

244 (5) A taxpayer may not carry forward or carry back a tax credit under this section.

245 (6) For a taxable year, a claimant, estate, or trust may not receive a tax credit under this
246 section and Section [59-7-621](#).

247 (7) (a) In accordance with any rules prescribed by the commission under Subsection
248 (7)(b), the commission shall make a refund to a taxpayer that claims a tax credit under this
249 section if the amount of the tax credit exceeds the taxpayer's tax liability for a taxable year.

250 (b) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
251 commission may make rules providing procedures for making a refund to a taxpayer as
252 required by Subsection (7)(a).
