*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **4-18-109** is enacted to read:

**4-18-109. Public lands wildfire study and analysis -- Report.**

(1) As used in this section:

(a) "Conservation districts" means the conservation districts created under Title 17D,

Chapter 3, Conservation District Act.

(b) "Public lands" means the same as that term is defined in Section 63L-6-102.

(2) (a) The commission shall work with Utah State University and the conservation districts to conduct a study and analysis of the environmental and economic impact of:

(i) potential catastrophic wildfires on public lands within Utah, including the impact to the state and the state's counties, of catastrophic wildfire on the state's watershed and air quality; and

(ii) changing rangeland and forest management practices to reduce the probability and severity of wildfires in Utah.

(b) The study and economic analysis described in Subsection (2)(a) shall:

(i) document historical acreage and severity of wildfires in Utah;

(ii) assess and document differences in state and federal wildfire preparedness activities;

(iii) update and expand upon existing studies of wildfire fuel loads on public lands, including consideration of insect damage, invasive species, grazing management, and timber
